

HEALTH ADMINISTRATION

MISSION STATEMENT

Our mission is to promote and protect the health of the people of Bridgeport through the provision of essential health services, monitoring of programs, enforcement of laws and ordinances, and collection of health information. Our objectives are to provide a stable and trusted vehicle of communication, education, training and collaboration between all Health & Social Service departments, divisions and programs. We endeavor to provide administrative leadership, support, and oversight. We strive to incorporate technology in order to provide a more efficient and effective Department, and to support and encourage community health care planning.

Note: New Initiatives/new grants or expansion: In 2014 – 2015 launched two new farmers markets with partners, the new wellness screenings in October, and the new homeless programs.

Existing Programs: The Institute for Community Research (IRC), diabetes education, and Elderly health screening (existing & outreach), (note elderly health screening was cut in December 2014)

Outreach programs consist of programs done in conjunction with other departments and the community like World AIDS Day, The Recovery & Substance Abuse Luncheon, Legislative Breakfasts, Medical Reserve Corps (MRC), Internship collaborations (FSW, SCSU), Community talks, collaborations with The Institute for Community Research (IRC), A1c Champions (diabetes education workshops) and presentations.

FY 2015-2016 GOALS

- 1) Continue the process of becoming an accredited health department by applying to the Public Health Accreditation Bureau and submitting all required documentation to be reviewed.
- 2) Work collaboratively with the Food Policy Council and the Disability Commission to better assess, understand and develop plans to meet the needs of Bridgeport residents.
- 3) Conduct at least one quality improvement effort annually to determine the success of our services and provide opportunity for client feedback.
- 4) Continue collaboration with community partners to enhance outcomes through shared resources and joint action.
- 5) Implement and track use of technology to improve data collection efforts for continued programmatic improvement and enhancement.

FY 2014-2015 GOAL STATUS

- 1) Begin the process of seeking to become an accredited health department by applying to PHAB (Public Health Accreditation Board) and completing the necessary steps to be reviewed.
6 MONTH STATUS: Program supervisors worked to develop a policies and procedures manual and to gather materials for submission to Public Health Advisory Board related to how the Bridgeport Department of Health and Social Services performs and documents core public health functions. Meetings were held with other health departments who have completed or are engaged in the accreditation process. Once funding has been identified for application submission, the health department will send one person to the training required to begin the accreditation submission.
- 2) Continue to improve efficiency within all departments through ongoing monitoring, training, and quality assurance.
6 MONTH STATUS: In 2014-2015 Bridgeport's Dept of Health and Social Services met with the only health dept in Connecticut already accredited (Norwalk) to get advice and guidance on their process, developed a policy and procedure manual for all departments, and revised the strategic plan. Currently the department is utilizing the CHANGE Tool to prioritize issues around two priority areas: violence and smoking cessation – which will be completed and reported upon by April 2016. All program supervisors are working with a consulting team to complete the standards and measures documentation by April 2016. Once funds are allocated we will submit our application to the Public Health Accreditation Bureau and await a site visit to complete the process.
- 3) Work collaboratively with the Food Policy Council (FPC) to understand the needs and increase access to healthy foods for all Bridgeport residents.
6 MONTH STATUS: The Food Policy Council developed and completed a Food Action Plan which highlights four areas for work: gardening and farming, recapture and reduction of food waste, Farmers market expansion, and Healthy Corner Stores. The group also reviewed

questions on the upcoming Primary Care Action Group Needs Assessment to ensure the coming work will better capture food security for the region.

- 4) Increase inter-city-departmental collaboration to improve the services offered to Bridgeport residents.

6 MONTH STATUS: New collaboration is evident with: Office of Policy and Economic Development: Food policy council, the APA planning grant, and the joint planning and map development work. Public Facilities: training around ebola and other communicable diseases, The City Attorney around contract submission and new work to lien properties, and The Housing Authority: collaboration to address identified concerns and improve ongoing communication as well as outreach to do health education among at-risk residents.

- 5) Implement and track use of technology to improve data collection efforts for continued Quality Improvement Efforts.

6 MONTH STATUS: Housing code is now utilizing an online database to track healthy homes inspections, environmental is utilizing a paid online system to track licensure and inspections, lead is now using a state sponsored database to track both properties and lead poisoned children.

- 6) Increase collaboration with community partners to enhance outcomes through shared resources and joint action.

6 MONTH STATUS: Our community work continues to grow and expand. The Health Director serves as the co-chair of The Bridgeport Alliance for Young Children, a community collaborative working to meet the needs of children aged 0-8. The group held a community wide meeting in the Summer of 2014 to update the status and concerns of families. The Get Healthy CT Coalition is also co-chaired by the Director of Health and Social Services. This group provides nutrition education information and materials and links to services for community members. Know your numbers campaign: This group held more than 20 screening events at food pantries and soup kitchens throughout Bridgeport in February as part of the campaign. Buses will be loaded with the new photos and be seen throughout the year and churches placed information in their bulletins. The Farmers Market Collaborative now oversees 6 farmers markets and works together to provider nutrition education and doubling of federal benefits. Healthy Corner Store efforts have converted three corner stores into healthier options and increased sales of fresh produce by 500%. Food Day has grown into an annual event held annually with the farmer's markets, the lead poisoning program and crowned the second Green Chef Bridgeport winner this year.

The Connecticut Supreme Court decision that held that same sex couples have the right to marry will likely eliminate the demand for new civil union licenses. A Public Act was passed that allows funeral directors to purchase burial permits in either the town they have their business in, or the town where the death occurred. The impact of this act on burial permits is unclear at this juncture.

FY 2015-2016 GOALS

- 1) Recommended the re-organization of the Vital Records department to Health Director and Civil Service.
- 2) Prepared new job descriptions for staff members which eliminated the position of Mini-Computer Operator in the department.
- 3) Prepared new salary scale representing in \$8,809 reduction to department's payroll.
- 4) Reorganization Plan was sanctioned by the NAGE union.
- 5) Re-Organization Plan received unanimous approval of Civil Service Commission on 1/13/2015.
- 6) Have submitted Civil Service Position Request Forms seeking permission to implement plan.
- 7) Partner with overall Health and Social Services to become an accredited health department in 2015 to leverage new resources and ensure the provision of cutting edge services and programs.
- 8) Recommend and implement the acceptance of credit cards to increase revenue and decrease cash handling.
- 9) Continue to provide high quality customer service to the people we serve.

FY 2014-2015 GOAL STATUS

- 1) Achieve revenue collection of \$500,000 dollars.
6 MONTH STATUS: We have collected revenue of \$211,671 to date. This represents 43% of budgeted \$490,580 goal.
- 2) Complete and pass Public Health Accreditation Board (PHAB) online orientation series.
6 MONTH STATUS: Successfully completed and passed PHAB Orientation series in April 2014. One staff member completed and passed the series in June 2014.
- 3) Become familiar with the Seven Steps of Public Health Department Accreditation to better assist with Health Director's Goal of achieving Bridgeport Health Department National Accreditation.
6 MONTH STATUS: We have completed and submitted department's Organizational Chart, Policies and Process Map consistent with standards for accreditation to the Accreditation Coordinator.
- 4) Develop department brochure to allow for customer feedback.
6 MONTH STATUS: Project remains on the planning board.
- 5) Continue on to Phase 2 of 3 step process to update the city's vital records existing database in order to make compliant with the Health Insurance Portability and Accountability Act (HIPAA).
6 MONTH STATUS: With the assistance, expertise and guidance of the City's IT Department, update has been completed. This goal was completed in-house rather than with hired consultants which saved the City \$15,000.
- 6) Continue to serve as dual Manager of Vital Records and City Records Manager/Archivist at City Hall saving the City the expense of two salaries.
6 MONTH STATUS: Continue to serve as dual Manager of Vital Records and Archives saving the City the expense of two salaries.

Please Note: (1) Sandwich, Beverage, Milk, Liquors Stores, Tobacco, Food Handler Course, Frozen Dessert and, Plan Review, Poultry were combined to Restaurant/Food Establishment.

(2) Nail Salons, Tattoo, Massage Parlors and Hair Braiding were added to Barbershop & Beauty

(3) Temporary Vendors were added to Vendor/Push Carts.

Restaurant and food establishments are inspected 1-4 times a year annually, not including re-inspections. All other establishments, including beauty shops, barber shops, nail salons, hair braiders, massage therapists, day care centers, and vendors and temporary vendors are inspected at least once annually.

FY 2015-2016 GOALS

- 1) Implementation of the advance Food Course on a quarterly basis as a refresher course for Qualified Food Operators. At a recommended fee of \$50.00 per establishment.
- 2) Modify the applications of our digital system to be more compatible with our daily operations.
- 3) Create some new local ordinances that would be beneficial in promoting health from an environmental health perspective:
 - a) All dumpster companies must be responsible for the removable of their containers that are filled with waste/debris in a timely manner to prevent escalating public health problems.
 - b) Dumpsters must be required as part of the permitting process for any new construction or renovation of existing properties.
 - c) All re-inspections must be required to have a fee of a recommended \$100 per re-inspection.
 - d) Require a current updated drawing (floor plan) for existing establishments that change ownership or name at a minimum fee of \$100.
 - e) Require that all food handlers with the exception of those already having a QFO take the basic food handler's course given by Environmental Health Department.
 - f) Require all food related businesses to have a certified exterminator on contract to ensure that their establishment is rodent/insect free.
 - g) Require all vendors itinerant to wear gloves in an effort to minimize bare hand contact.
- 4) Create a more efficient means of delivering alert messaging to a targeted population.
- 5) Establish a basic educational training class in the Health Department for Beauty/Barbershops, and Nail Salons.
- 6) Continue the process of becoming an accredited Health Department by applying to the Public Health Accreditation Bureau and submitting necessary documentation for review.

FY 2014-2015 GOAL STATUS

- 1) Create an advanced food course geared towards educating owners, managers, and head chefs about the risk factors associated with foodborne-illness. Hopefully the effect will be measured with fewer violations during routine inspections.
6 MONTH STATUS: *The advance course has been created and we are currently scheduling presentations for implementation on a quarterly basis.*
- 2) Implementation of the food course on a continuing basis including the scheduling of restaurant and food establishments.
6 MONTH STATUS: *We are conducting a basic food handler course on a weekly basis to work in conjunction with our newly created advance food course to take place on a quarterly basis starting in March.*
- 3) Begin the process of informal meetings with restaurant owners to discuss previous and current inspections and advice on improving basic sanitation.
6 MONTH STATUS: *This has been accomplished and has been very successful in our attempt to minimize violations. This will be a continuing process.*
- 4) Modify menu of new establishments to offer healthier choices of food items.
6 MONTH STATUS: *This is in process.*

FY 2015-2016 ADOPTED GENERAL FUND BUDGET
 ENVIRONMENTAL HEALTH PROGRAM HIGHLIGHTS/APPROPRIATIONS

- 5) Modify or seek new computer system capable of providing digital inspections.
6 MONTH STATUS: *Some improvements have been made but it still needs more adjustments in helping our daily operations.*
- 6) Begin the process of seeking to become an accredited health department by applying to Public Health Accreditation Board and completing the necessary steps to be reviewed.
6 MONTH STATUS: *We are doing our part in the process of seeking accreditation.*

HOUSING CODE

MISSION STATEMENT

To enforce all applicable State statutes and municipal ordinances under Housing and Commercial Code (15.12 and 15.16) to ensure safe, clean and habitable housing, to provide assistance to low and moderately low-income neighborhoods and to prevent blight and slums. Housing Code also issues Certificates of Apartment Occupancy (rental certificates required for most multi-family properties within the City) and yearly rooming house and hotel licenses.

Housing & Commercial Code also provides inspection assistance to City agencies, including but not limited to: Fire Marshal, Police, Building Official, Zoning, Tax Collector, Environmental Health and Lead Paint Poisoning Divisions, OPED and Anti Blight Office, Community Development, City councilpersons and community groups. Outside agencies such as DCF, United Illuminating and Southern CT Gas Company also request inspections from the Housing & Commercial Code Enforcement.

CURRENT STAFF

- 1-ACTING DEPUTY ENFORCEMENT OFFICER
- 3-HOUSING & COMMERCIAL CODE INSPECTORS
- 1-MINI COMPUTER OPERATOR

It is very difficult to predict how many new complaints will be received in a given time period (tenants and citizens calling complaints/referrals daily and referrals are received infrequently from other departments. All of these factors directly impact the number of initial and re-inspections)

FY 2015-2016 GOALS

- 1) Improve Healthy Homes process – for better tracking and follow-up. Housing Code Acting Deputy Enforcement Officer to be included in discussions regarding possible integration of the National Healthy Housing Standard and the International Property Maintenance Code.
- 2) Increase quality of housing and potentially revenue by proposing raise in licensing fees - Certificates of Apartment Occupancy (CAO) and Rooming House/Hotels (no increase since 2008). In the process of reviewing the grand list to get a better estimate of how many multi-families exist and the feasibility of pursuing modified CAO ordinance to include all rental units – not just 3-families and above. Note – Limited inspectors puts priorities on complaint-driven inspections not proactive inspections at this time.
- 3) Increase efficiency of department: by updating necessary forms to better track Healthy Homes inspections, restore funding to pay for web-based database, utilize Qalert to improve response time.
- 4) Continue to improve communication with site managers and maintenance staff at Park City Communities (formerly known as Bridgeport Housing Authority) to resolve complaints in housing projects and scattered sites and avoid housing code inspector involvement.
- 5) Begin the process to become an accredited health department by applying to Public Health Accreditation Board (PHAB) and completing the necessary steps to be reviewed.

FY 2014-2015 GOAL STATUS

- 1) Continue full integration of Bridgeport & State Healthy Homes into Housing Code Enforcement, including using MAVEN software and hand-held technology.
6 MONTH STATUS: All 4-inspectors utilize Healthy-Homes forms for most interior inspections (with the exceptions of illegal apartments/owner-occupied/anonymous complaints, etc.) Note – During warmer weather months, 2 out of the 4 inspectors concentrate primarily on Anti Blight inspections. From September 2013 to December 2014 – over 300 Healthy Homes forms completed. There are no housing code interns available for data entry but other health department interns entering data when available – Amanda Burke, former intern, volunteers when her time permits. Delay with in-the-field data entry due to

FY 2015-2016 GENERAL FUND BUDGET

PROGRAM HIGHLIGHTS

compatibility issues with Maven and iPad, as well as expense of purchasing hand-held devices. May await City-wide effort to move to this new technology.

- 2) Ordinance revision to include re-submitting modified Certificate of Apartment Occupancy (CAO) ordinance to City Council – to include all rental units. Also, integrating Public Health Codes to better enforce environmental complaints including infestations, mold/mildew and animal nuisances.

6 MONTH STATUS: No action was taken to by Council to proposed amendment Section 15.12.250, Certificate of Apartment Occupancy and the proposal needs to be re-submitted.

- 3) Begin the process of seeking to become an accredited health department by applying to Public Health Accreditation Board and completing the necessary steps to be reviewed.

6 MONTH STATUS: Acting Deputy Director successfully completed and passed Public Health Accreditation Board (PHAB) Orientation - remaining staff members to become familiar with PHAB portal. Policy and procedures drafted and working to support standards and measures documentation for submission.

FY 2015-2016 GOALS

- 1) Prevent lead exposures by identifying existing and potential lead hazards before children are affected. Conduct comprehensive lead inspection at all properties built prior to December 1978, where children dwell or frequent. Conduct at least 300 preventive home inspections in 2015-16.
- 2) Educate – provide general lead awareness information sessions so that parents, property owners, property managers can: identify lead hazards and the potential of lead hazards in their homes, and know the health effects elevated blood lead levels and how it affects the quality of life. Assist property owners and lead contractors with the selection of lead hazard control methods that are safe, effective, feasible and sustainable.
- 3) Code Enforcement - assure homeowners, contractors, and other parties subject to lead hazard control mandates achieve and maintain compliance. Assure compliance of HUD regulations, EPA rules, state statutes and local ordinances.
- 4) Identify children with elevated blood lead levels - via blood screenings held in schools, homes, daycares, health promotion events and office walk-ins. Assure that children identified with positive lead screenings obtain a confirmatory lead test. Screen at least 400 children in 2015-16.
- 5) Case Management - environmental and medical actions, maintain surveillance with Maven (database).
- 6) Assure blood lead levels reduce below level of action.
- 7) Assure safe hazard removal of sources identified in homes where children dwell or locations they frequent. Enroll eligible properties in Bridgeport Lead Free Families.
- 8) Increase revenue - by increasing fee collection and incorporating medical billing.
- 9) Increase awareness of lead poisoning through web-based efforts: maintain web page, facebook page, and participate in healthy homes twitter efforts.
- 10) Begin the process to become an accredited health department by applying to Public Health Accreditation Board and completing the necessary steps to be reviewed.

FY 2014-2015 GOAL STATUS

- 1) Prevent lead exposures by identifying existing and potential lead hazards before children are affected. This can accomplished by assuring that a comprehensive lead inspection is conducted at all properties built prior to December 1978, where children dwell or frequent.
6 MONTH STATUS: *Two Hundred comprehensive lead inspections in the dwellings where children live or frequent was conducted within the period beginning July 1, 2014 and ending December 31, 2014. Program personnel have exceeded the goal to complete 200 comprehensive lead inspections by June 30, 2015, the end of the fiscal period. Yet, there remains a considerable reservoir to be completed. These inspections are completed for children with elevated blood lead levels. Lead inspections are also provided to families with young children to prevent lead exposure. Lead inspectors conduct lead inspections for the purpose of Certificate of Apartment Occupancy with Housing, all HUD associated projects, to obtain property insurance, property transfers and at schools and daycares. With every inspection there is a considerable amount of paper work and case management.*

- 2) Educate and enhance community knowledge regarding the identification of hazards in their homes. The health effects of high blood lead levels affects quality of life. Assist property owners and lead contractors with the selection of lead hazard control methods that are safe, effective, feasible and sustainable.
6 MONTH STATUS: Eighty two lead awareness educational sessions were conducted within the period beginning July 1, 2014 and ending December 31, 2014. The current status exceeds the Program's set goal of 50 educational events. Program personnel provided outreach to promote the awareness of the causes and effects of lead poisoning at community events beyond regularly scheduled work hours. The warmer weather months presents an optimal opportunity to conduct outreach. During just six months, this effort has reached more than 1,000 families.
- 3) Code Enforcement assures that homeowners, contractors, and other appropriate parties subject to lead hazard control mandates achieve and maintain compliance. Assure compliance with HUD (Housing & Urban Development) regulations, Environmental Protection Agency (EPA) rules, state statutes and local ordinances.
6 MONTH STATUS: One Hundred and thirty nine units were abated within the period beginning July 1, 2014 and ending December 31, 2014. The current status exceeds the Program's annual goal of assuring that 100 units achieve and maintain compliance with relative lead mandates. Program personnel provided opportunities to local contractors and those who had been served with stop work orders to obtain required certifications. Workshop / training classes were held in English and Spanish. More than 21 attended two different training sessions.
- 4) Identify lead poisoned children via blood screenings held in schools, homes, daycares, health promotion events and office walk-ins. Assure that children identified with positive lead screenings obtain a confirmatory lead test.
6 MONTH STATUS: Eighty nine children were screened via the fingerstick blood collection method within the period beginning July 1, 2014 and ending December 31, 2014. The Program's goal to screen 200 children by June 30, 2014, the end of the fiscal period will be achieved. There are almost 13,000 children under the age of six in Bridgeport that should be screened annually. All are at risk. Program personnel do not have the capacity to provide all the screenings. Partnered with child health care providers we are within the 80 percentile of screening children from nine months old to two years. Given the characteristic of surrounding housing, many more are in need of screening. All screenings require follow up that can lead into case management.
- 5) Case Management of all environmental and medical actions and maintain surveillance through the required database.
6 MONTH STATUS: Within the period beginning July 1, 2014 and ending December 31, 2014. The environment and medical caseload under management is 482 hundred cases. All are entered into the Program's tracking database, Maven.
- 6) Assure that child blood lead levels reduce from the identified elevated blood lead level.
6 MONTH STATUS: Within the period beginning July 1, 2014 and ending December 31, 2014. Forty six children were dropped from management because their blood lead level testing results were less than or equal to 4ug/dl for two consecutive test.
- 7) Assure the safe removal of lead hazards identified in homes where children dwell or locations they frequent.
6 MONTH STATUS: One Hundred and twenty nine units were abated within the period beginning July 1, 2014 and ending December 31, 2014. The current status exceeds the Program's annual goal of assuring that 100 units achieve and maintain compliance with relative lead mandates.
- 8) Increase revenue by increasing fee collection.
6 MONTH STATUS: Within the period beginning July 1, 2014 and ending December 31, 2014. The Program newly implemented a protocol to assure safe family home daycare. At the cost of \$150 per inspection, of the 114 units, 7 were inspected. In addition, insurance renewal inspections were conducted in 15 units.

- 9) Maintain question and answer web page.
6 MONTH STATUS: *July 1, 2014 and ending December 31, 2014. The Program maintained a Facebook page. In addition, the Program is on the Bridgeport Healthy Homes Coalition website.*
- 10) Begin the process of seeking to become an accredited health department by applying to Public Health Accreditation Board and completing the necessary steps to be reviewed.
6 MONTH STATUS: *Completed policy and procedures.*

HEALTH DIVISIONS: HUMAN SERVICES
PERSONS WITH DISABILITIES

MISSION STATEMENT

Our mission is to provide information on issues, rights, and programs for persons with any disability, their families and the community. The office empowers persons to advocate for themselves, to assist with direct advocacy support, when necessary, and to ultimately achieve the full inclusion of persons with disabilities in the community. Our objectives include providing information and referral for persons with disabilities and their families, providing advocacy/protective/safeguarding services for persons with disabilities to help insure their rights are protected and to prevent abuse, neglect and/or exploitation, and providing community outreach and education to community groups, agency personnel and disability support groups.

(2) Transportation provided numbers are units of service, and thus duplicated.

FY 2015-2016 GOALS

- 1) To improve services to our Veterans by linking state, local and federal services in a single welcoming and accessible location.
- 2) To ensure our Veterans have access to organizations and agencies that can provide expertise and resources to deliver all of the benefits, services, and resources necessary to meet their needs and expectations.
- 3) To decrease unemployment, decrease home foreclosures, decrease homelessness among our Veterans.
- 4) To reduce processing times for disability compensation claims for Veterans.
- 5) To increase preventive care and healthy lifestyle changes among Veterans by providing health education and links to services such as the farmers market.
- 6) Improve services to our Veterans by becoming an accredited health department.

FY 2014-2015 GOAL STATUS

- 1) To Increase the accessibility and utilization of housing, benefits and services to veterans.
6 MONTH STATUS: *As of January 31st this department has helped house 16 homeless veterans with assistance from the Housing Authority, VASH Vouchers and Homes for the Braves. All clients while assisted with housing have also been signed up to use the Veterans Food Pantry.*
- 2) To expand our outreach to specific veteran populations to help them access earned services, benefits and support, and bring additional federal dollars into the state to offset reliance on state general revenue.
6 MONTH STATUS: *This year through a state funded initiative we were able to assist 800 Veterans through the launch of the Veterans Farmers Market Voucher program in the state. 800 Veterans were given these coupons to purchase fresh fruit and vegetables at any of the farmers markets operated in the state. The enormous success of our farmers markets locally brought this program's launch to Bridgeport. We are hopeful that continued state funds will allow our Veterans to continue this program in the coming year.*
- 3) Continue To provide transportation to and from the Veterans Administration Hospital, Monday through Friday.
6 MONTH STATUS: *To date the bus has provided rides to 4,879 veterans to and from the Veterans Hospital in West Haven.*
- 4) To provide a Food Pantry for all Veterans and or their dependents who are in need.
6 MONTH STATUS: *To Date, 468 veterans and families have been provided with food from the food pantry. Nutrition education has also been provided to these Veterans.*
- 5) To provide information & referral on entitlements for: military benefits, medical benefits, death benefits, addiction services, education, employment, records, and related programs.
6 MONTH STATUS: *To date 191 Veterans have been provided with case management services and information and referral services, 18 Veterans have been assisted with getting their DD214.*

HEALTH DIVISIONS: HUMAN SERVICES
LIGHTHOUSE PROGRAM

MISSION STATEMENT

The mission of the Lighthouse Program is to provide youth within the City of Bridgeport with opportunities to learn and grow in a structured environment. Objectives include providing 3,500 youth with quality after-school and summer educational and recreational programming in a structured setting; providing a minimum of 100 high school youth with meaningful year round employment opportunities; and increasing current advocacy and marketing efforts.

VISION STATEMENT

To provide a safe environment that compliments school day learning and fosters intellectual, cultural, physical, social and emotional development of children by partnering with and supporting the efforts of family, school, and community. Children, youth and adults will be provided with opportunities to become independent lifetime learners as well as innovative, creative, and productive citizens.

FY 2015-2016 GOALS

- 1) Maintain and expand on state, federal, and private funding to support after school initiatives at existing sites including faith based institutions.
- 2) Expand upon the 2015 Summer Youth Employment program.
- 3) Expand upon Bridgeport Youth Club (BYC) program services for middle school youth to include 6th graders at all sites.
- 4) Partner with Network for Teaching Entrepreneurship (NFTE) to offer high school youth various program opportunities.
- 5) Re-structure current Youth Service staffing to better meet needs of department.
- 6) Facilitate meetings with youth serving organizations on a quarterly basis.

FY 2014-2015 GOAL STATUS

- 1) Maintain state and federal funding to support after school initiatives at existing sites.
6 MONTH STATUS: *To date, Lighthouse has been successful in its bid for state and federal funds to support existing program sites. The city has also attracted additional dollars to fund new program sites. A total of \$360,000 in new federal funds was acquired to continue and expand upon programs at six schools while additional state funding was received to support a faith based initiative at three locations as well as expansion of the youth hockey program.*
- 2) Seek funding to support a summer youth employment program.
6 MONTH STATUS: *We are currently working on a Bank of America grant as well as CDBG funding to support this effort. Both grants are due in February. We continue to review other possible opportunities as well.*
- 3) Launch Lighthouse specifically designed for middle school students.
6 MONTH STATUS: *We officially launched the Bridgeport Youth Club program in Summer 2014. It was a huge success with some Lighthouse sites reporting 35-40 middle school youth participating each day during the summer. For the start of the school year through December, 430 middle school students are participating in BYC daily.*
- 4) Contract with organizations and individuals to manage high school components.
6 MONTH STATUS: *For the summer 2014, Lighthouse partnered with two organizations to work with our high school population on various summer youth employment projects. Specifically, we partnered with NFTE introducing 50 youth to a two week intense program teaching them entrepreneurship skills and we partnered with Audubon of Fairfield County working with 10 youth around conservation and preservation of wild life at Pleasure Beach. We are in the midst of working with the City Council on a Junior Councilperson program set to begin in February as well as an additional partnership with NFTE to provide up to 20 Juniors and Seniors with a customer service training. That program is set to begin Thursday, January 29th.*
- 5) Strengthen youth services through data collection strategies.
6 MONTH STATUS: *While the Lighthouse Program continues to collect data on a consistent basis and is evaluated yearly by an independent evaluator, it has been difficult to collect detailed data on all youth services provided within the city. This effort will need a devoted staff person with a statistics background who can easily grasp current system efforts to collect data.*

 LIGHTHOUSE/YOUTH SERVICES PROGRAM HIGHLIGHTS/APPROPRIATIONS
 FY 2014-2015 ADDITIONAL ACCOMPLISHMENTS

In addition to some of the successes in reaching outlined goals, Youth Services has successfully managed and maintained the following programs and services.

- 27 After School Programs involving 16 major subcontracted agencies and 12 minor subcontracted agencies.
- Issuing an RFP to the faith based community for increased access to after school activities and starting those programs in December, 2014.
- Inviting school personnel to participate in the middle school club and sports program introducing over 23 clubs and 22 sports to students.
- Contracting with and conducting site visits to 17 Bridgeport agencies to support Youth Service work as part of the YSB (Youth Services Bureau) grant.

SOCIAL SERVICES

PROGRAM HIGHLIGHTS

- 6) To help seniors make informed health insurance decisions and to help prevent, detect and report healthcare fraud and abuse.
6 MONTH STATUS: See additional accomplishments for details about our programs.
- 7) To provide Information & Referral Service (free of charge) on Medicare, Medigap, Medicare Managed Care, Medicaid, Long Term Care Insurance and other related state & federal programs.
6 MONTH STATUS: See additional accomplishments for details about our programs.
- 8) To provide community outreach, information and referral services on a wide variety of topics.
6 MONTH STATUS: The Elderly Hispanic Program: Social Services' Elderly Hispanic Information & Referral Program was and continues to be instrumental in serving individuals that have been traditionally underserved. In the past year our efforts allowed us to provide services to over 400 Hispanic seniors as well as other seniors within the community. These were individuals who were not aware or informed of community services or entitlements they may have been eligible for. Resulting from our efforts, the social worker assigned to this project was active in identifying and counseling seniors on how to best match their needs with the available resources. The program will none the less continue to provide service to this group with possible addition.
- 9) Begin the process of seeking to become an accredited health department by applying to Public Health Accreditation Board and completing the necessary steps to be reviewed.
6 MONTH STATUS: Ongoing and underway: this is a goal for all health division departments.

FY 2014-2015 ADDITIONAL ACCOMPLISHMENTS

- 1) **Healthy Start Program:** which is an ongoing program, focuses on health-related care coordination and Husky application assistance for those families whose household income falls at or below 250% of the Federal Poverty Level? The program, which is funded by the State of Connecticut, provides appropriate services and referrals to pregnant/ postpartum women and children through age 2 in the Great Bridgeport area. This program continue to support the State's Healthy Start goals by reducing infant mortality and morbidity and low birth weight. The program also continue to provide outreach, education, screening, assessment, and case management services to a minimum of 2,335 women and children in the targeted population who were eligible to participate in the Healthy Start and HUSKY Application Plan programs.
- 2) **Elderly Hispanic Program:** Social Services' Elderly Hispanic Information & Referral Program was and continues to be instrumental in serving individuals that have been traditionally underserved. In the past year our efforts allowed us to provide services to over 400 Hispanic seniors as well as other seniors within the community. These were individuals who were not aware or informed of community services or entitlements they may have been eligible for. Resulting from our efforts, the social worker assigned to this project was active in identifying and counseling seniors on how to best match their needs with the available resources. The program will none the less continue to provide service to this group with possible addition.
- 4) **Elderly Health Screening: (EHS)** This program is funded by the State of Connecticut and provided health screenings such as blood pressure and/or blood sugar screenings as well as health education to over 400 elderly, minority and low-income residents of the City of Bridgeport. The EHS Program created a team which monitored and improved the quality of health care of the identified population through various health education programs, case management and health screenings. These programs were offered at senior centers and housing residences throughout the City of Bridgeport. The EHS Team consisted of two (2) Health Educators and two (2) Licensed Practical Nurses (LPN).
- 5) **East Side Senior Center (ESSC)** is a central home where seniors in the community have been gathering for support, socialization, nutritious meals and fitness as well as other services provided for our older population. On average 30-40 elderly people use the facilities each day while 9,378 people utilize the program each year. The ESSC is important as many older people live alone and do not have family members actively involved in their lives. The resources and activities available help many of our seniors remain a vital part of our

community. With continued funding this program will continue to provide that family support that the seniors have grown to enjoy and show great appreciation for.

- 6) SSBG Case Management Services:** Our Social Services Block Grant Program, funded by the State of Connecticut, provides the proper assessment of SAGA clients, which includes identifying barriers to employment, periodic reviews, and re-evaluations of employment goals and plans. We assist clients in obtaining necessary documents needed for State and Federal entitlements and provide supportive services including information & referral services. Our Case Management Services have served 4,198 clients wherein at least 70% of the clients obtained housing or retained existing housing. Those in the program at least 90% of the clients successfully obtained food, clothing, fuel assistance, shelter and other basic needs. Through our program 95% of the clients who are deemed eligible for public assistance benefits (cash, medical or both) received those benefits. Also through our program at least 90% of our clients who were in need of medical services were referred and received the proper medical care. We served clients where at least 40% of those seeking employment obtained employment. At least 20% of our clients obtained employment and maintained their employment for at least 90 working days and those seeking improved employment situations obtained a job earning satisfactory income to meet the clients' financial needs.
- 7) Preventative Health Block Grant/the Farmer's Market Nutrition Program:** This program is funded through the State of Connecticut and focused on promoting healthy nutrition and physical activity for 2,062 low income residents living in Bridgeport. The nutrition program helped reduce obesity among Bridgeport residents as well as increased physical activity. This program increased access to fresh produce and nutrition education for a population that would not have otherwise had access. The residents who participated had the opportunity to attend nutritional classes and learned how to prepare healthy meals. This program helped people by promoting a healthier lifestyle and introducing healthy alternatives. The ultimate goal of this program is to help reduce obesity, high cholesterol and high blood pressure and increase physical activity.
- 8) Relocation /Hardship Services/Rental Assistance:** The City of Bridgeport Social Services (BSS) facilitated the State mandated relocation services to 2,050 individuals Bridgeport residents that were low-income and in need of relocation due to violations and/or in need of rental assistance due to hardship. The Hardship program prevented low-income residents experiencing hardship from becoming homeless. Each resident was provided with the appropriate information, guidance and assistance where needed. We maintained open communication with all parties involved (Housing Code, Lead and Environment and the Building Departments, Tenants and Landlords). This open –communication guaranteed positive outcome that provided the individual/families a safe, decent and sanitary place to live. A record was created for all referrals, documenting all communication. All records were updated and reviewed monthly. The Relocation program is unfunded but mandated by the State of Connecticut.
- 9) Healthy Senior Services:** We provided 900 Farmer Market Nutrition Program Vouchers (SFMNP) to seniors aged 60 and over and are to be used at the Farm Market. They are funded by the State of Connecticut
- 10) Tai Chi Classes for seniors:** Tai Chi is an ancient Chinese tradition and is a graceful form of exercise. The Tai Chi classes help over 100 seniors to improve balance relieve stress

and develop strength and flexibility of the seniors who attend the classes. Funded by the City of Bridgeport.

11) Chore Program for Senior: This program pays for a maintenance person to assist with simple home repairs and other household chores for seniors age 60 and over. We served 50 seniors. It is funded by the City of Bridgeport.

12) Food Referral Services: Food referrals are given to 150 Bridgeport residents to access local food pantries. A referral from a Social Service agency is necessary to access food pantry services. This program is unfunded.

13) Clothes Referrals: Clothing referrals are given to 100 Bridgeport residents to access the Community Closet, located at Family Services Woodfield (FSW). A referral from a Social Service agency is required to access these services. This program is unfunded.

14) Diaper Distribution: Seventy five (75) diapers were distributed to children whose parents signed up with Healthy Start program. The diapers are provided by the Diaper Bank in New Haven, who depends on donations from the public to exist. This program is unfunded.
