Remarks

HOLD HARMLESS/RELEASE

City of Bridgeport and Bridgeport Building Department require that permittee shall indemnify and hold-harmless "City/Department", its employees and agents and release both from any and all claims on actions brought by third parties for injuries or damages of property in connection with granting of this permit and work to be performed there under. Permittee may be required to insure against such claims in amounts appropriate to meet such obligation. City/Department shall have the right to review and specify such amount and scope of coverage as it may deem appropriate for activities conducted under this permit.
