RE: Declaration of Local Civil Preparedness and Major Disaster State of Emergency

Dear City Clerk Martinez:

As a result of the severe flooding throughout the City of Bridgeport caused by heavy rain from the remnants of Hurricane Ida, which has caused widespread property damage, interfered with public and private transportation, and which continues to pose significant potential risk to public health, welfare and safety, I hereby proclaim, pursuant to my authority as Chief Executive Officer under the Charter of the City of Bridgeport and the regulations and statutes of the State of Connecticut, including but not limited to, Sections 28-1 and 28-8a of the Connecticut General Statutes, that a state of civil preparedness and major disaster emergency exists within the City of Bridgeport, CT.

I am filing this declaration with you under my hand and seal on this 2nd day of September 2021.

/s/ Joseph P. Ganim
