MOTOR VEHICLE CREDIT PROCEDURE

Motor vehicle tax bills encompass the period from October 1st to September 30th. If you transfer your existing plates directly to another vehicle, a tax credit will be **automatically** applied to the first bill for your new vehicle. The taxpayer is not involved in this process.

If you sold your vehicle and did NOT transfer the plate to another vehicle, you may be entitled to a tax credit. Please read the "POSSIBLE TAX CREDIT" section to identify the documentation the Department of Assessments requires to adjust your tax bill.

Special note: a CT Department of Motor Vehicles cancellation of registration or license plate does **not** indicate that you have disposed of the vehicle thus the requirement for the 2nd form of proof.

Copies of CT Department of Motor Vehicles cancellation of plate receipt may be requested from CT Department of Motor Vehicles (Copy Records Division) at (860) 263-5154.

The proof for any assessment adjustments ("Prorations") of Regular and Supplemental motor vehicle bills must be presented within 27 months of the Assessment Date. **This is State Law.** Example: An owner of a vehicle with a bill with an assessment date of October 1, 2021 has until December 31, 2023 to present proof of disposal to the Assessor.

PLEASE NOTE: UNREGISTERED VEHICLES IN YOUR POSSESSION AND VEHICLES REGISTERED IN OTHER STATES BUT LOCATED IN CONNECTICUT FOR THREE MONTHS ARE TAXABLE & MUST BE DECLARED AS PERSONAL PROPERTY ANNUALLY. FAILURE TO DECLARE MAY SUBJECT YOU TO PENALTIES & MULTIPLE YEARS ASSESSMENTS.
