

Please join the Design Team  
and representatives of the City  
to share your thoughts  
on future improvements to the park.

# Beardsley Park

5:30PM  
October 1st  
Beardsley School  
500 Huntington Rd  
Bridgeport, CT 06610

The design of the original 181 acre park was commissioned by the City of Bridgeport in 1881 from the renowned landscape architect Frederick Law Olmsted, the designer of New York's Central Park.

We want to hear from YOU so that the future plan for the park can respond to 21st century needs and aspirations while respecting the park's historic heritage.

This public meeting is part of an ongoing consultative process. Please be sure also to complete the project's on-line survey at:
