We hope you take advantage of the wonderful enrichment opportunities our area service providers and organizations are offering. On behalf of all service providers, many thanks to the public, private, and corporate sponsors of the programs offered within this publication. Without your financial support and commitment, we could not continue to provide such valuable services to Bridgeport's children and families. We would also like to thank the many volunteers who on a daily basis support all of our efforts in working with young people by sharing their time, talents, and expertise. It truly makes a world of difference!

Sincerely,

The Leir's Charitable foundation's generosity over the past several years has contributed to the cities Lighthouse Program Scholarship Fund allowing 5% of the students at each Lighthouse site to attend the after school program for free. The foundation has been instrumental in helping us move toward our goal of combating childhood obesity through the yearly donation to Healthy Kids Day. Additionally they have provided Lighthouse students with countless experiences by offering educational workshops and field trips to the Museum of Natural History in NYC. We are also grateful for their ongoing professional development series which has enlightened many of us along the way. We can't thank Mr. and Mrs. Leir enough for leaving a legacy of giving and are grateful for their ongoing support and dedication to Bridgeport children.
