GFOA BUDGET AWARD

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the City of Bridgeport, Connecticut for the Annual Budget beginning July 01, 2014. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operating guide, as a financial plan, and as a communication device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we will be submitting it to GFOA to determine its eligibility for another award this year.
