**THE FOLLOWING NAMED PERSON HAS REQUESTED PERMISSION TO ADDRESS THE CITY COUNCIL ON MONDAY, APRIL 3, 2023 AT 6:30 P.M. IN THE CITY COUNCIL CHAMBERS, CITY HALL, 45 LYON TERRACE, BRIDGEPORT, CT 06604.**

**NAME**

**SUBJECT**

**Clyde Nicholson**

Bridgeport Schools

Mr. Nicholson came forward with Mr. Cecil Young. Mr. Nicholson said that he would like to have police officers at the schools because of the recent school shootings. He said that the Council had just given a large amount of money to a theater and there should be a gun-free zone around the schools.

City of Bridgeport  
City Council  
Regular Meeting  
April 3, 2023

Mr. Nicholson said that at the last meeting, Council Member McBride-Lee has spoken about Mr. Young who she claimed had threatened the Mayor. Mr. Nicholson said that Council Member McBride-Lee should be suspended.

**Victoria Majewski**

378 Willow Street  
Bridgeport, CT

Ms. Majewski said that she had a number of people from her District present. She said that many people were afraid to come to the meeting because of Ms. Martinez's connections to the police. She said that she lives only two blocks from the bar where Nyair Nixon was shot and died and passes that location every day. Numerous people in the audience stood up holding a variety of signs that said "All Black Lives Matter" and "Justice for Nyair".

**Nicole Tate**

Bridgeport, CT

Ms. Tate came forward and said that it was disrespectful to have to come back to the Council to speak about this issue. She said that when she has to speak about this, it opens the wound back up. She said that she had to bring her grandmother here and it is disrespectful. She listed the various Council Members that she had relationships with. Eneida Martinez is part of the problem. Ms. Tate then made an obscene hand gesture to the Council. She said that there was a pile of poop in the middle of the floor and everyone was walking around it.

**Jazmarie Melendez**

316 East Pasadena Pl.  
Bridgeport, CT 06610

Vacant City Council.

Ms. Melendez said that she was here to stand with the Nixon family against Ms. Martinez. She said even the thought of allowing Ms. Martinez back on the Council must be shut down. It bothers her that the Council Members can sit in the Chambers and ignore the demands from the Community, who have made it clear since Nyair's death that Ms. Martinez should not be back on the City Council. This should be honored.

Ms. Melendez then spoke about Nyair, who was loved by many. She also mentioned her brother Jayson Negron and added that Nyair should be with them today.

She said that if Ms. Martinez was allowed to take a seat, there would be an uprising in the City. There will be direct action taken if Ms. Martinez was allowed to take a seat on the Council. She said that the Council Members should be speaking directly with Nyair's mother about her needs and her demands. That is who they owe something to. Ms. Melendez said that everyone was present even though the item was not on the agenda because the Council was discussing this issue. Ms. Melendez said that they will be taking direct action and there will be an uprising if Ms. Martinez is allowed to take the seat.

**John Marshall Lee**  
30 Beacon Street  
Bridgeport, CT 06605

COB – Fair Rent and Fair Housing.

He came forward and read the following into the record:

City Council members, I applaud your interest in the renters of our community of which there are a large number in a variety of situations. You know that I have been continuously critical of the fact that two of the boards and commissions to which a resident or potential resident might turn are Housing and Rent. In the instance of Bridgeport, these are the only such groups with a modifying adjective in each case of FAIR. FAIR RENT and FAIR HOUSING have expired in plain sight as action groups. Because a series of mayors have failed to provide nominees to these groups, they have died. No meetings. No agendas or minutes. No place to call upon or relate questions and concerns. Nothing.

Until you acted by creating an Ordinance. Where does that stand? At a recent meeting of your special group I asked if anyone knew the number of renters in the City. Crickets. How do you develop the ordinance without such basic information?

But renters can continue to count on a State program entirely funded by the State of CT and administered through the Social Services Department. It is called Renter Rebate, and it would appear that perhaps 3400 individual residents qualify based on low levels of income and limited assets to receive a calculated annual amount up to \$700 for individuals and \$900 for qualifying family renters. Applications for such funds begin a submission process in April and distribution in October-November. A similar program for home owners is operated by the Tax Assessor Department.

Fairness in the application of governance is to be sought at all times. Why has fairness to City residents in vulnerable conditions not been considered important and just to recent mayors? Why has it seemed of such low importance for so many years? What is holding up your recognition that citizens, especially those who are poor, disabled, and senior are being treated UNFAIRLY and that it must stop? Why not get on the positive side of justice for all before this year's election? Time will tell.

**Mr. Joe Thompson**  
352 Woodlawn Avenue  
Bridgeport, CT

Council President Nieves announced that Mr. Joe Thompson was the next speaker. There was no response. She repeated her statement two more times with no response.

**Dasha T. Spell**  
284 Beechwood Avenue  
Bridgeport, CT 06604

City of Bridgeport  
City Council  
Regular Meeting  
April 3, 2023

Ms. Spell came forward and came forward holding a sign saying, "All Black Lives Matter". She said that in 2014, they started having young black men killed in their area, and as the years go by, there are still young black men dying in the street. She asked how many black men had to die before they start addressing the issue. She asked what the Council Members would do if it was their child. Nyair's mother is advocating for her child, which she has been doing since Day 1.

Ms. Spell said that the Council Members' reputation was being tarnished by Nyair's death and the death of two black women that also died in Bridgeport.

**Ms. Shaenna Taylor**

131 Madison  
Bridgeport, CT

Ms. Taylor said that she was present as Bridgeport Strong and was upset that this conversation was being held. This was not going to be allowed to happen. This is not what they need and it needs to stop. This is not funny. However, Nyair's mother keeps coming to speak about this issue and it opened old wounds. If this happens, it's game over. The Council knows that this is wrong. The Council's obligation is to represent their people and they do not want her here. She began shouting Justice for Nyair. They will not be doing this anymore and the conversation is over. They do not want EM and she will not be allowed to come back.

**Mr. Charles Nixon**

340 Oakwood Street  
Bridgeport, CT

Mr. Nixon came forward and said that he was the father of Nyair Nixon and this situation was crazy. He said that this was illegal and this has to be changed. There are people who have been arrested for having alcohol around kids. They would close down a bar next door if they served alcohol to a kid. This is crazy.

**ADJOURNMENT**

Council President Nieves closed the Public Speaking Session at 7:04 p.m.

Respectfully submitted,

Telesco Secretarial Services

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BRIDGEPORT, pursuant to Connecticut General Statutes Chapter 99, Section 7-191b, the City Council upon a two-thirds vote of its membership amends the City Charter for the sole purpose of modifying its budget adoption dates as set forth in Charter, Chapter**

9, Section 5, subsection (g) and subsection (h), as follows; and shall be effective upon publication:

2.06.020A- Amending City Charter, Chapter 9, Section 5, subsections (g) and (h) to amend budget adoption dates.

A. The annual operating budget adopted by the city council shall be submitted to the mayor not later than the third Tuesday in May of each year.

B. Bridgeport City Charter, Chapter 9, Section 5, shall be amended to read as follows:

(g) The budget adopted by the city council as provided in subsection (b) shall be submitted to the mayor not later than the third Tuesday in May of each year. The mayor shall sign the adopted budget if he/she approves it, or within fourteen days after adoption of the budget by the city council as provided herein, the mayor may veto any action taken by the city council pursuant to subsection (d) of this section. The veto power of the mayor shall be that of a line-item veto only, and any such veto may be overridden by a two-thirds vote of the entire membership of the city council. If the mayor shall disapprove any action by the city council, he/she shall, no later than the close of business on the last day of said fourteen-day period, return the proposed budget to the city council with a statement of objections. Thereupon, the president of the city council shall call a meeting of said council to be held no later than seven days after the receipt of the mayor's veto. At such meeting the mayor's statement of his reasons for disapproving any item shall be read to the city council and thereafter another vote shall be taken on such item and if it passes the city council by a two-thirds vote of the whole number of council members, it shall become operative and effectual without the approval of the mayor. If, within fourteen days after the adoption of a budget by the city council, as provided herein, the mayor neither signs the adopted budget nor disapproves any action of the city council, said budget shall become operative and effectual without such approval.

(h) If the city council fails to adopt the budget by the third Tuesday in May (of any year), the budget proposed by the mayor shall become the budget of the city for the ensuing fiscal year.

## INDEPENDENT AUDITORS' REPORT

Board of Directors  
Water Pollution Control Authority of  
The City of Bridgeport, Connecticut

### **Report on the Audit of the Financial Statements**

#### ***Opinion***

We have audited the accompanying financial statements of the Water Pollution Control Authority of the City of Bridgeport, Connecticut (the WPCA), as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the WPCA's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the WPCA, as of June 30, 2022, and the respective changes in financial position and its cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the WPCA and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Emphasis of Matter***

As discussed in Note 1, the financial statements present only the Water Pollution Control Authority of the City of Bridgeport, Connecticut, and do not purport to, and do not, present fairly the financial position of the City of Bridgeport, Connecticut, as of June 30, 2022, the changes in its financial position, or, where applicable, its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of WPCA's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### ***Required Supplementary Information***

Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements are not affected by this missing information.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated December 27, 2022, on our consideration of the WPCA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the WPCA's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering WPCA's internal control over financial reporting and compliance.

OF THE CITY OF BRIDGEPORT, CONNECTICUT  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2022**

**1. NATURE OF BUSINESS AND SIGNIFICANT ACCOUNTING POLICIES**

**A. Reporting Entity**

Pursuant to an ordinance approved by the City Council (the Ordinance) of the City of Bridgeport, Connecticut (the City) on April 18, 1988, the Water Pollution Control Authority of the City of Bridgeport, Connecticut (the WPCA) was established, effective July 1, 1988, to operate and maintain the sewage system of the City as a self-sustaining activity. The Ordinance requires the WPCA to adopt its own budget and to be accounted for as a business-type activity of the City. The WPCA is governed by a board of directors consisting of nine members, four of whom are City officials and five of whom are appointed by the Mayor of the City and approved by the City Council. The financial statements present only the Water Pollution Control Authority of the City of Bridgeport, Connecticut, and do not purport to, and do not, present fairly the financial position of the City of Bridgeport, Connecticut, as of June 30, 2022, and the changes in its financial position and its cash flows, where applicable, thereof for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Certain operations of the WPCA are conducted by the City and its employees in accordance with an agreement of understanding. This agreement outlines the operating and financial responsibilities of the WPCA and the City and also stipulates the methods by which certain overhead costs incurred by the City for providing these services are to be reimbursed by the WPCA.

**B. Basis of Presentation**

The accounts of the WPCA are organized on the basis of an enterprise fund, which is considered a separate accounting entity. The operations of the fund are accounted for through a separate set of self-balancing accounts that comprise its assets, liabilities, net position, revenues and expenses.

**C. Basis of Accounting**

The WPCA utilizes the accrual basis of accounting, under which revenues are recognized when earned and expenses are recognized when incurred.

**D. Cash and Cash Equivalents**

For purposes of reporting cash flows, the WPCA considers all unrestricted and restricted highly liquid investments with an original maturity term of three months or less when purchased to be cash equivalents.

**E. Accounts Receivable, Net**

Accounts receivable are carried at the original amount billed less an estimate made for doubtful accounts based on a review of all outstanding amounts on a monthly basis. Management determines the allowance for doubtful accounts by identifying troubled accounts and by using historical experience applied to an aging of accounts. Recoveries of accounts receivable previously written off are recorded when received.

**WATER POLLUTION CONTROL AUTHORITY  
OF THE CITY OF BRIDGEPORT, CONNECTICUT  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2022**

---

**F. Capital Assets**

Property, plant and equipment are stated at cost. Donated capital assets are recorded at estimated acquisition value at the date of donation. Normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized. Assets being constructed over a period of time are classified as construction in progress. No depreciation is computed on these assets until they are complete and placed into service. Property, plant and equipment are depreciated over the following estimated useful lives:

Buildings and improvements	20-50 years
Machinery and Equipment	5-20 years
Distribution and collection systems	5-20 years
Vehicles	5 years

**G. Net Other Post Employment Benefits (OPEB) Liability**

The net OPEB liability is measured as the portion of the present value of projected benefit payments to be provided to current active and inactive employees that is attributed to those employees' past periods of service (total OPEB liability), less the amount of the OPEB plan's fiduciary net position. The OPEB plan's fiduciary net position is determined using the same valuation methods that are used by the OPEB plan for purposes of preparing its statement of fiduciary net position. The net OPEB liability is measured as of a date (measurement date) no earlier than the end of the employer's prior fiscal year, consistently applied from period to period. Additional details related to the net OPEB liability are in the City's basic financial statements and are available in a separately issued Annual Comprehensive Financial Report at [www.bridgeportct.gov](http://www.bridgeportct.gov).

**H. Compensated Absences**

Vacations earned during the year and not taken can be, subject to certain restrictions, carried over to the following fiscal year or partly paid in cash. A liability is accrued for that portion of vacation pay that vests. Unused sick pay is accumulated, subject to certain limitations, for future absences or paid upon death or retirement.

Vested sick leave and accumulated vacation leave is recognized as an expense and liability as the benefits accrue to employees. Nonvested sick leave is recognized to the extent it is expected to be paid. Compensated absences are recorded as short-term liabilities.

**I. Due to Other Funds of the City of Bridgeport and Self-Insurance**

The City's General Fund pays for all expenses on behalf of the WPCA and bills the WPCA monthly for such expenses, as well as for certain overhead costs incurred by the City in connection with the WPCA's operations. The City also makes the principal and interest payments on its outstanding debt, and bills the WPCA for such payments.

The City self-insures for employee health benefits and workers' compensation. The WPCA is charged a premium for health benefits based on rates set by the City. Any underfunding at the City level will result in increased premiums in later years, but is not believed to be material to the WPCA. The WPCA is charged for the workers' compensation claims attributable to its employees based on actual costs. The WPCA recognizes a liability for workers' compensation claims payable and for claims incurred but not reported.

**WATER POLLUTION CONTROL AUTHORITY  
OF THE CITY OF BRIDGEPORT, CONNECTICUT  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2022**

---

**J. Revenues**

Revenues are based on the WPCA authorized minimum charges and rates per hundred cubic feet applied to customer consumption of water. The WPCA accrues an estimate for services delivered but not billed at the end of each accounting period. The WPCA distinguished operating revenues and expenses from nonoperating. Operating revenues result from charges to customers for sewer treatment and related services. Operating expenses include the cost of operations, maintenance, sales and service, administrative expenses and depreciation. All revenues and expenses not meeting this definition are reported as nonoperating or capital contributions.

Interest is levied on accounts that are 30 days past due. The WPCA has the authority to file liens on past due accounts. The liens are payable second to property taxes upon transfer of the respective properties.

**K. Net Position**

Net position represents the difference between assets and liabilities. Net investment in capital assets consists of capital assets, net of accumulated depreciation, reduced by any outstanding balances of any borrowings used for the acquisition, construction or improvement of those assets. Net position is reported as restricted when there are limitations imposed on its use either through the enabling legislation adopted by the WPCA or through external restrictions imposed by creditors, grantors or laws or regulation of other governments. Restricted resources are used first to fund appropriations. The WPCA currently has no assets under restrictions. Unrestricted net position represents all other amounts that don't meet the definition of "net investment in capital assets" or "restricted."

**L. Accounting Estimates**

The preparation of the basic financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period.

**2. CASH AND CASH EQUIVALENTS**

As of June 30, 2022, cash and cash equivalents, including balances restricted for repayment of principal and interest on state loans and for capital improvements, consist of the following:

Demand accounts	\$	4,570,531
Petty cash		<u>435</u>
	\$	<u>4,570,966</u>

Responsibility for custodial credit risks of deposits rests with the City; accordingly, separate disclosure is not possible. Disclosure of the City's custodial credit risk of deposits is contained in the City's basic financial statements. The City's basic financial statements are available in a separately issued Annual Comprehensive Financial Report at [www.bridgeportct.gov](http://www.bridgeportct.gov).

2027	2,018,923	259,573	2,278,496
2028-2032	7,527,320	764,468	8,291,788
2033-2037	3,562,321	245,205	3,807,526
2038-2042	790,308	29,519	819,827
Total	<u>\$ 22,831,163</u>	<u>\$ 2,769,042</u>	<u>\$ 25,600,205</u>

In addition, the WPCA has short-term notes payable of \$783,461, which were issued for sewer construction. The note carries a 2% interest rate and the principal becomes payable upon the permanent refinancing of the short-term note payable.

#### **5. OTHER POST EMPLOYMENT BENEFITS**

The City provides certain health care benefits for retired employees through a single employer defined benefit plan in which the WPCA participates. The collective bargaining agreements stipulate the employees' covered and the percentage of contribution, if any, to the cost of health care benefits. Contributions by the City may vary according to length of service. The cost of providing postemployment health care benefits is shared between the City and the retired employee. Substantially all of the City's employees may become eligible for these benefits if they reach normal retirement age while working for the City. The cost of retiree health care benefits is recognized as an expense as claims are paid.

Disclosure of the OPEB plan is contained in the City's basic financial statements. WPCA reports its share of the OPEB liability of \$1,429,416 and OPEB expense of \$(170,213).

---

**6. INTEREST COST**

The total interest cost incurred during the year ended June 30, 2022 was \$829,730.

**7. RISK MANAGEMENT**

The WPCA is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The WPCA and the City have implemented a program to account for and finance their uninsured risks of loss. Under this program, the City provides coverage for general liability insurance and employee health insurance, and the WPCA finances its own risks for workers' compensation. The WPCA purchases insurance coverage for its other insurable risks. Settled claims have not exceeded commercial coverage in any of the past three years.

The WPCA makes payments to the City for employee health claims based on actuarial estimates. The WPCA does not share in the exposure for the difference between payments to the City and actual claims paid; thus, no claim liability is reported by the WPCA.

For workers' compensation claims, the WPCA makes payments to the City based on actual claims paid by the City relating to WPCA employees. The WPCA recognizes a liability for workers' compensation claims payable and for claims incurred but not reported. At June 30, 2022, the claim liability is \$7,500.

**8. EMPLOYEE BENEFITS**

Employees of the WPCA are entitled to certain benefits through the City. These benefits include health care benefits and pension benefits. Information with respect to these benefits is contained in the City's basic financial statements.

**9. COMMITMENTS AND CONTINGENCIES**

The WPCA is a defendant in various legal actions principally involving property damage and other miscellaneous claims. Based upon the advice of legal counsel, management believes that the ultimate resolution of these matters will not have a material adverse effect on the financial condition or results of operation of the WPCA.

Under various consent decrees issued by the State of Connecticut Department of Environmental Protection (consent decrees), the WPCA is required to bring both of its treatment facilities in compliance with federal standards and eliminate certain combined storm and sanitary sewers. The estimated cost of these improvements is \$244,000,000. As of June 30, 2022, \$214,255,541 relating to these projects, including capitalized interest, has been incurred and included in property, plant and equipment. Based on current engineering estimates, completion of these projects will be within the next six years. Funding for these improvements is being provided by the State of Connecticut's Clean Water Fund in the form of loans and grants. As of June 30, 2022, the state is committed to providing the WPCA additional funding in the form of loans and grants of \$1,378,308 and \$1,363,305, respectively.

**10. WPCA AGREEMENTS**

On October 8, 2013, the WPCA entered into a 10-year agreement (the Agreement) with a new independent contractor Inframark LLC (the Contactor) to provide operations, maintenance and management services to its two wastewater treatment facilities and collection system. This agreement expires on December 31, 2023, and the City plans to RFP this service program then.

The City has an agreement with the Town of Trumbull, whereby all Trumbull located sewers connect into the Bridgeport WPCA sewer system. Trumbull pays a portion of user fees collected from Trumbull residents to the Bridgeport WPCA at an agreed-upon annual rate.

**PROJECT TITLE: CT Department of Economic and Community Development – CT Communities Challenge Round Three (#24412)**

**DEPARTMENT SUBMITTING INFORMATION: Central Grants Office**

**CONTACT NAME: Joseph Katz**

**PHONE NUMBER: 203-576-7732**

**PROJECT SUMMARY/DESCRIPTION:** The City of Bridgeport is applying for a \$2.5M grant from the CT Communities Challenge to fund placemaking efforts at the “Post Office Square” site in Downtown Bridgeport. Funds will be used to cover the costs of hooking up the site to water and electricity, purchasing and installing pop-up storefronts, creating food truck hookups, and installing a restroom. The result will be a fully moveable outdoor community space and small business incubator, activating a disused section of City-owned land in the heart of Bridgeport’s Downtown. The in-kind match for this project will comprise the value of the land and various improvements that have already been made to the site.

**CONTRACT PERIOD:** TBD (5-year period)

Round Three  
(#24412)**

**WHEREAS, CT Department of Economic and Community Development** is authorized to extend financial assistance to municipalities in the form of grants; and

**WHEREAS**, this funding has been made possible through the **CT Communities Challenge Round Three** grant program; and

**WHEREAS**, funds under this grant will be used to fund placemaking efforts at the “Post Office Square” site in Downtown Bridgeport, including hooking the site up to water and power and creating an moveable outdoor “container park” which will serve as a community space and small business incubator; and

**WHEREAS**, it is desirable and in the public interest that the City of Bridgeport submit an application to **CT Communities Challenge Round Three** to support this project which will serve to fully activate a disused section of City-owned land in the heart of Bridgeport’s Downtown

**NOW THEREFORE, BE IT HEREBY RESOLVED BY THE CITY COUNCIL:**

1. That it is cognizant of the City’s grant application to and contract with **CT Department of Economic and Community Development** for the purpose of its **CT Communities Challenge Round Three** grant program; and
2. That it hereby authorizes, directs and empowers the Mayor or his designee, the Director of Central Grants, to accept any funds that result from the City’s application to **CT Department of Economic** and to provide such additional information and to execute such other contracts, amendments, and documents as may be necessary to administer this program.

*To the City Council of the City of Bridgeport:*

The Committee on Ordinances begs leave to report; and recommends for adoption the following resolution:

**Item No. \*82-21 Consent Calendar**

**Whereas**, the City Council of the City of Bridgeport has a responsibility to the citizens to consistently work and vote for the betterment of the community as a whole;

**Whereas**, the Bridgeport City Charter gives the City Council the power to procure information from city officers and employees to amend the Mayor's proposed budget;

**Whereas**, the Bridgeport City Charter gives the City Council full power to reduce or delete any item in the budget recommended by the Mayor by a majority vote of the council members present and voting;

**Whereas**, the Bridgeport City Charter gives the City Council the authority to increase any item in said budget or add new items to said budget with a two-thirds (2/3) affirmative vote of the entire membership of the Council;

**Whereas**, the City Council, in conjunction with various city departments works for over a month to fulfill its Charter responsibilities and craft a budget it believes will serve the residents of Bridgeport in a fair and equitable way;

**Whereas**, the City Council typically completes its budget work in the first week of May;

**Whereas**, the Bridgeport City Charter, Chapter 9, Subsections (g) and (h) provide:

(g) The budget adopted by the city council as provided in subSection (b) shall be submitted to the mayor not later than the second Tuesday in May of each year. The mayor shall sign the adopted budget if he/she approves it, or within fourteen days after adoption of the budget by the city council as provided herein, the mayor may veto any action taken by the city council pursuant to subSection (d) of this section. The veto power of the mayor shall be that of a line item veto only, and any such veto may be overridden by a two-thirds vote of the entire membership of the city council. If the mayor shall disapprove any action by the city council, he/she shall, no later than the close of business on the last day of said fourteen day period, return the proposed budget to the city council with a statement of objections. Thereupon, the president of the city council shall call a meeting of said council to be held no later than seven days after the receipt of the mayor's veto. At such meeting the mayor's statement of his reasons for disapproving any item shall be read to the city council and thereafter another vote shall be taken on such item and if it passes the city council by a two-thirds vote of the whole number of council members, it shall become operative and effectual without the approval of the mayor. If, within fourteen days after the adoption of a budget by the city council, as provided herein, the mayor neither signs the adopted budget nor disapproves any action of the city council, said budget shall become operative and effectual without such approval.

Item No. \*82-21 Consent Calendar

-2-

(h) If the city council fails to adopt the budget by the second Tuesday in May of any year, the budget proposed by the mayor shall become the budget of the city for the ensuing fiscal year.

**Whereas**, the Bridgeport City Charter further provides in Chapter 5, Section 5(a) that, "The city council shall hold regular meetings at such times as may be fixed by ordinance, and may be specially convened at any time by the mayor and shall be convened by him/her or upon the written request of three council members within a reasonable time after the they receive such request."

**Whereas**, the City Council schedule of regular meetings was established and published by the City Clerk as required by Charter Chapter 5, Section 5(a) above and in accordance with state statute, as such, its regular meetings are held on the first and third Monday of every month except, July and August where the City Council meets only on the first Monday of the month. Therefore, in order to adopt the budget by the current Charter adoption date, the mayor must call a special meeting to allow the City Council to vote on the budget pursuant to Charter Chapter 5(a);

**Whereas**, the Mayor of Bridgeport did not call a special meeting to allow the full City Council to debate and make a final decision on the fiscal year 2023 municipal budget and the City Council did not request one in writing;

**Whereas**, pursuant to the Connecticut General Statutes Chapter 99, Section 7-191b, "Notwithstanding the provisions of this title and chapters 164, 170 and 204 and any special act, municipal charter or home rule ordinance, a municipality, upon a two-thirds vote of its legislative body, may amend its charter for the sole purpose of modifying its budget adoption dates. Such budget adoption dates may include, but need not to be limited to, applicable dates relating to an executive presentation of a proposed budget, public hearings, fiscal authority action, publications, referenda or final budget adoption. Any vote by the legislative body of a municipality pursuant to this section shall include a reference to this section. For the purposes of this section, "municipality" has the same meaning as provided in section 7-401;"

**Whereas**, the City Council must modify its budget adoption dates in the Chapter 9, Sections 5(g) and 5(h), as enabled by Conn. Gen. Stat. Sect. 7-191b, to allow it to perform its Charter functions and obligations within its current schedule without the need for a special meeting;

## ACCOUNTING POLICIES

---

### *FISCAL YEAR*

The City of Bridgeport's Fiscal Year begins July 1 and ends June 30.

### *BALANCED BUDGET*

The Charter of the City of Bridgeport mandates a balanced budget. For the purposes of meeting this requirement, each year a budget is adopted in which the projected expenditures are equal to the projected revenues.

### *BASIS OF ACCOUNTING*

The City of Bridgeport's accounting system is operated on a fund basis. A fund is a fiscal and accounting entity with a self-balancing set of accounts in which cash and other financial resources or balances are recorded and segregated to carry on specific activities or attain certain objectives in accordance with specific regulations and limitations. The operations of the general fund are maintained on a modified accrual basis, with revenues recorded when measurable and available and the expenditures recorded when the services or goods are received and liabilities are incurred. In contrast, accounting records for the City's enterprise, pension and nonexpendable trust funds are managed on the accrual basis of accounting. The types of funds utilized by the City are as follows: general; special revenue; capital projects; enterprise; and trust and agency. The type and number of individual funds established is determined by GAAP and sound financial administration.

### *BUDGET PROCEDURE*

The Mayor's annual budget is developed by the City's Office of Policy & Management (OPM). The budget is submitted to the City Council, which in turn makes additions and changes as necessary before turning it over to the Mayor for approval. The City maintains budgetary control through the Office of Policy & Management. The objective of budgetary control is to ensure compliance with the legal provisions embodied in the annual adopted budget approved by the City Council. The level of budgetary control is established by organization, agency, appropriation and object. The City of Bridgeport also utilizes an encumbrance accounting system as one technique for accomplishing budgetary control. Encumbrances reserve appropriations which have been obligated through purchase orders or other contractual documents. Encumbrances are reported as reservations of fund balance at the end of the year. Transfers of certain appropriations between departments require the approval of the City Council. The City of Bridgeport's Capital & General Fund Budgets must be adopted by the City Council and approved by the Mayor.

### *INTERNAL CONTROLS*

The management of the City of Bridgeport is maintained through a control structure designed to ensure that the assets of the City are protected from loss, theft, or misuse and to ensure that adequate accounting data is compiled to allow for the preparation of financial statements in conformity with GAAP. The control structure is designed to provide reasonable assurance that these objectives are met. The concept of reasonable assurance recognizes that the cost of a control should not exceed the benefits likely to be derived from that cost and that the valuation of costs and benefits requires estimates and judgments be made by management. In addition, the City of Bridgeport has an internal audit staff responsible for monitoring the various City departments in compliance with the City Charter, ordinances, and all other policies and procedures.

As a recipient of Federal, State and local financial assistance, the City of Bridgeport is responsible for ensuring adequate internal control policies and procedures are in place to ensure and document compliance with applicable laws and regulations related to these programs. This internal control structure is subject to periodic evaluation by management as well.

*LEGAL DEBT LIMIT*

The overall statutory debt limit for the City is equal to seven times the annual receipts from taxation or \$2.29 billion. As of June 30, 2022, the City recorded long-term debt of \$882.1 million and \$42 million in unamortized premiums related to Government Activities and \$29.6 million of long-term debt related to Business-Type Activities, well below its statutory debt limits. For more information on debt service, see the debt service section.

*RISK MANAGEMENT*

The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The City carries commercial insurance for insurable risks related to property and casualty claims. The City is self-insured for general liability, workers' compensation and employee health and dental insurance. Coverage has not been materially reduced, nor have settled claims exceeded commercial coverage or budget reserves for litigation claim expenditures in any of the past three years.

*WORKERS' COMPENSATION*

The City carries no insurance coverage for losses arising out of workers' compensation claims. These claims are paid from the Internal Service Fund. The City estimates a liability for workers' compensation claims payable and for claims incurred but not reported based on an actuarial valuation. This is accounted for in the Internal Service Fund.

*GROUP HEALTH INSURANCE*

Over the last twenty years the City had established an Internal Service Fund, the Self-Insurance, to account for and finance the retained risk of loss for medical benefits coverage. Due to the City experiencing significant increases in claim payments over prior fiscal years the City converted to a fully insured plan for health coverage. Each union of the City has converted throughout the current fiscal year, with only a few retiree members still currently under the self-insured plan. Payments within the Internal Service Fund related to claims incurred and outstanding prior to July 1, 2021 were completed during the year ended June 30, 2022. Future liability claims incurred but not reported (IBNR) are limited to the retirees still in the self-insurance on June 30, 2022. On June 30, 2022 this amount is \$161,226.

The City maintains a group health plan providing both insured and self-insured medical, prescription drug, dental and vision plan benefits as described below:

The following programs were provided under fully insured contracts until autumn 2018, at which time the City entered into a new self-insured administrative only contract with the Connecticut Partnership 2.0 plan, administered through the State Comptroller to Connecticut municipalities:

- Medical benefits for all active employees of the City and Board of Education,
- Medical benefits for all Medicare-eligible retirees who retired after December 31, 2018,
- Medical benefits for all Non-Medicare Eligible Retirees,

FY 2023-2024 PROPOSED GENERAL FUND BUDGET  
 BUDGET SUMMARY BUDGET & ACCOUNTING POLICIES

- Prescription benefits for all employees and all retirees except Medicare-eligible fire and police retirees.

The following programs are provided under fully insured contracts:

- Prescription benefits for Medicare-eligible fire and police retirees who retired prior to December 31, 2018
- Dental HMO benefits for all active employees and retirees for the City and Board of Education
- Vision benefits for all City and BOE employees and retirees for the City and Board of Education

As of June 30, 2022, the amount of prepaid asset in the fund is \$461,540.

The liability for general liability, workers' compensation and group health insurance includes all known claims reported plus a provision for those claims incurred but not reported, net of estimated recoveries. The liability is based on past experience adjusted for current trends and includes incremental claim expenditures. The liability for workers' compensation claims is calculated using actuarial methods. Changes in the reported liability are as follows:

A reconciliation of changes in the aggregate liabilities for claims for the 2008-2022 fiscal years:

	LIABILITY: START OF FISCAL YEAR	CURRENT YEAR CLAIMS & CHANGES IN ESTIMATES	CLAIM PAYMENTS	LIABILITY: END OF FISCAL YEAR
<b>2022</b>	63,042,134	126,408,921	124,257,983	65,193,072

The current portion of claims incurred but not reported as of June 30, 2022 is \$10,225,318, which relates to Group Health Insurance Claims of \$161,226 and \$10,064,092 of general liability and workmen's compensation claims and is reported in the Internal Service Fund. The remaining liability for general liability and workmen's compensation claims of \$54,967,754 is recorded as long-term liability.

#### AUDIT

State Statutes require an annual audit conducted by independent certified public accountants. Portions of these audits are included in the City's Comprehensive Annual Financial Report, and these can be accessed through the City's website,

<http://bridgeportct.gov/content/341307/341403/default.aspx>

#### UNDESIGNATED FUND BALANCE POLICY

---

##### PURPOSE

To maintain a balance of funds within the total unreserved, undesignated fund balance to be available for unforeseen contingencies.

*Definition: Unreserved, undesignated fund balance is the remaining balance available following the reduction for "resources not available for spending" or "legal restrictions" (reservation) and "management's intended future use of resources" (designation).*

##### POLICY

The sum of all components identified for the undesignated fund balance level will be set at no less than 8.00% of annual operating expenditures and other financing uses (transfers out) of the prior audited fiscal year with the annual approval by the City Council. If the undesignated fund balance exceeds 12.00%, the amount exceeding this percentage may be available for appropriation at the discretion of the Mayor with the approval of City Council.

##### RATIONALE

The City of Bridgeport recognizes the importance of maintaining an appropriate level of undesignated fund balance on a Generally Accepted Accounting Principles (GAAP) basis to withstand short-term financial emergencies. After evaluating the City's operating characteristics, its overall financial health, the diversity and flexibility of its tax base, the reliability of non-property tax revenues sources, the City's working capital needs, the impact of state policies regarding tax exempt properties and PILOT reimbursements on City revenues, Brownfield policies, the national, state and local economic outlooks, emergency and disaster risks, other contingent issues and the impact on the City bond ratings of all these factors, the City of Bridgeport hereby establishes goals regarding the appropriate handling and funding of the undesignated fund balance.

The City of Bridgeport's formal undesignated fund balance policy shall be to maintain adequate unencumbered reserves to accomplish the following objectives:

- (1) Have sufficient funds available for appropriation for unforeseen expenditures or unforeseen shortfalls in revenue after adoption of the annual budget; and
- (2) Avoid unexpected spikes in the mill rate caused by non-reoccurring revenues.

##### REPLENISHMENT OF SHORTFALL

The undesignated fund balance of the General Fund may fall below the approved minimum level due to fluctuations between planned and actual revenues and expenditures, other financial emergencies or catastrophic events of an unforeseen nature. When an audited shortfall is reported in the Comprehensive Annual Financial Report (CAFR), it must be rebuilt during the following ensuing fiscal years. This will be achieved by adding an annual appropriation, during the budgeting process of a minimum of 10% of the difference between the fund balance policy level and the undesignated fund balance presented in the latest audited statements.

When dealing with the unanticipated sale of municipal assets, no less than 50% of the “gain on sale of city asset” must be deposited toward the undesignated fund balance until the 12.00% goal has been achieved.

The maintenance of undesignated levels is not to be construed as surpluses or over-taxation by the City. Rather, it is an element of sound fiscal management required for sustaining a high credit rating and financial management flexibility.

## DESCRIPTION OF FUND STRUCTURE

---

The accounts of the City of Bridgeport are organized on the basis of funds and account groups, utilizing a fund structure in which fund activities are aggregated for specific purposes. A fund is a combination of related accounts used to maintain control & accountability of resources that are dedicated to specific activities or objectives. The City of Bridgeport, like other state & local governments, uses fund accounting to ensure appropriate fiscal control and to demonstrate our compliance with accepted accounting principles set forth by the Governmental Accounting Standards Board.

Detailed financial schedules for all the funds described below are *not* contained within this budget document. This document includes information on the General Fund, as well as some detail on the Internal Service Fund, and Capital Project Funds. Of these funds, only the General Fund is subject to appropriation. Detail on the other funds described below can be found in the City’s Comprehensive Annual Financial Report, prepared by the Finance Department, and can be accessed through the City’s website, <http://www.bridgeportct.gov/finance>. Grateful acknowledgement of the assistance of the Finance Department in providing certain schedules and detail from the 2022 CAFR is noted here, and we have provided attribution for these throughout the budget book, as is applicable.

### GOVERNMENTAL FUNDS

The City of Bridgeport maintains 19 individual governmental funds. The major funds of these 19 are discussed below.

THE GENERAL FUND is the primary operating fund of the city. It is the largest fund which encompasses traditional governmental services and is used to account for all financial resources except those required to be accounted for in another fund. The General Fund is primarily supported by the property tax. General Fund revenues are displayed by type in the Revenue Summary section of this budget and by department in the Budget Detail section. Appropriations are also listed by department in the Budget Detail section. Governmental funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized when they are both measurable and available.

SPECIAL REVENUE FUNDS are used to account for revenues dedicated for a specific purpose. These funds are prescribed by Federal or State program guidelines regarding the distribution or use of revenues.

THE DEBT SERVICE FUND is used for the accumulation of resources for, and the payment of, general long-term bonded debt to be issued in future years.

CAPITAL PROJECT FUNDS are utilized for various construction projects as well as the purchase of the City’s fleet inventory. Capital Project Funds are used to account for the

proceeds of general obligation bonds and other financing sources for the planning, acquisition and construction or improvement of major capital facilities such as new schools and urban renewal projects.

#### *PROPRIETARY FUNDS*

ENTERPRISE FUNDS are used to report activities that are financed and operated in a manner similar to a private business enterprise. In the case of the City of Bridgeport, the Water Pollution Control Authority or WPCA, is one such fund which accounts for the activities of the City's two sewage treatment plants, sewage pumping stations, and collection systems for the City of Bridgeport. These funds are covered in the Finance Department's Annual Financial Report, but not in this document.

THE INTERNAL SERVICE FUND was established by Ordinance to account for self-insured health benefit activities of the City, Board of Education (BOE) and all other departments. Governmental Accounting Standards allow for the use of Internal Service Funds for risk financing activities. The Internal Service Fund is a proprietary type fund, which utilizes the accrual basis of accounting. The use of a separate fund for self-insured benefit activities can help smooth the impact of severe claims fluctuations which can now occur in the General Fund. Funding will be provided through the annual General Fund Budget which will separately identify the City, BOE, BOE Grants and Nutrition portions. The amount budgeted will be the amount transferred to the Internal Service Fund. Contributions will also be made by the WPCA and Grants. Employee contributions will be made directly to the Internal Service Fund. Interest and investment income earned by the fund will be used to pay expenses of the fund. Investment of available funds will be made by the City Finance Director and Treasurer in accordance with Connecticut General Statutes.

#### *FIDUCIARY FUNDS*

Fiduciary funds are used to account for resources held for the benefit of parties outside the government. These funds are not reflected in government-side financial statements because the resources contained within these funds are not available to provide services for the City's constituents. The City of Bridgeport has four pension trust funds that support the pensions of City employees. The accounting used for fiduciary funds is much like that used for proprietary funds, and again, is covered in some detail in the Finance Department's Annual Financial Report, but not in this document.

## THE BUDGET PROCESS

---

### *MAYOR RECOMMENDED PREPARATION*

City departments begin preparation and documentation processes for the budget in January. The Office of Policy & Management reviews all submitted department requested documents; verifies contractual obligation thresholds, calculates all formula-driven data, and presents a draft budget to the Mayor and selected staff. In accordance with the City Charter, Chapter 9, Section 5(c) the Mayor, no later than the first Tuesday in April of each year, must present to the City Council a proposed budget for the ensuing fiscal year as prescribed in that same section.

### *CITY COUNCIL PROCESS*

The City Council's Budget and Appropriations Committee, under City Council rules, will set a schedule for budget deliberations and in accordance with City Charter, shall hold at least one public hearing before taking final action on the proposed budget and mill rate. The City Council Budgets & Appropriations Committee reports its changes to the Council in the form of a budget amendment resolution. The City Council has the power to reduce or delete any item in the budget recommended by the Mayor by a majority vote of the council members present and voting. It shall have the power to increase any item in said budget or add new items to said budget only on a two-thirds (2/3) affirmative vote of the entire membership of the council. The budget adopted by the City Council shall be submitted to the Mayor not later than the second Tuesday in May of each year. The Mayor shall sign the adopted budget or within fourteen days after adoption of the budget, the Mayor may veto any action taken by the City Council. The veto power of the Mayor shall be that of line item veto only, and any such veto may be overridden by a two-thirds (2/3) vote of the entire membership of the City Council. If the Mayor shall disapprove any action of the City Council, he shall, no later than the close of business of the fourteenth day, return the proposed budget to the City Council with a statement of objections. Thereupon, the President of the City Council shall call a meeting to be held no later than seven days after the receipt of the Mayor's veto. If the City Council fails to adopt a budget by the second Tuesday in May of any year, the proposed budget of the Mayor shall become the budget of the City for the ensuing year.

FY 2023-2024 PROPOSED GENERAL FUND BUDGET  
 BUDGET SUMMARY APPROPRIATION SUMMARY

The General Fund is primarily funded by the property tax. Governmental funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized when they are both measurable and available. Revenues are considered to be available when they are collectible within the current period, or soon enough thereafter, to pay liabilities of the current period.

FY 2023-2024 PROPOSED GENERAL FUND BUDGET  
 BUDGET SUMMARY REVENUE SUMMARY

The primary source of revenues in the City of Bridgeport is property taxes (52.38%). The second largest source of revenue is Intergovernmental Revenue (33.99%)—which includes aid to public schools, Education Cost Sharing, and funding for federal school lunch programming. Education Cost Sharing funds from the state help to provide essential funding for schools in urban areas where student need is great and local funding for schools can strain local budgets.

## BRIDGEPORT AT A GLANCE

### *FORM OF GOVERNMENT*

Bridgeport is governed by its City Charter which was adopted by the state legislature in 1907 and revised in 1912 and 1992. The city operates under a Mayor-City Council form of government. The Mayor serves a four-year term. The Mayor sets policy, makes nominations and appointments to boards and commissions, and presides at City Council meetings. In addition, the Mayor acts as official City representative and liaison with various governmental and private agencies and oversees the financial aspects of the City government. Mayoral authority comes from the City of Bridgeport's charter, Municipal Code, and the State of Connecticut General Statutes.

The City Council consists of 20 members elected to two-year terms. Each of the ten council districts is represented by two council members. The City Council holds regular meetings twice per month. Major responsibilities of the City Council include enacting ordinances necessary to govern the City and adopting the budget. Together the Mayor and the City Council oversee the five-line divisions: City Clerk, Water Pollution Control Authority, Libraries, Department of Education, and the Registrar of Voters.

The Chief Administrative Officer (CAO), a mayoral appointee, is responsible for coordinating the management and implementation of operational policies and practices for the Mayor. The CAO is the liaison between the Mayor and the head administrators of the City's departments which include: The Office of Policy & Management, Civil Service, the Fire Department, the Police Department, Planning & Economic Development, Finance, Public Facilities, Health & Social Services, Labor Relations, the City Attorney, Weights & Measures, and Information Technology.

The only elected board in the City, aside from the City Council, is the Board of Education. This board consists of nine members elected to staggered four-year terms and meets once a month. In addition, there are 18 appointed boards and commissions whose members are volunteers who have been appointed by the Mayor. These consist of the following: Board of Assessment Appeals, Board of Public Purchases, Bridgeport Redevelopment Agency, Cable Advisory Board, Civil Service Commission, Commission on Aging, Ethics Commission, Fair Housing Commission, Fair Rent Commission, Fire Commission, Harbor Management Commission, Historic Commission No. 1, Housing Authority, Housing Site Development Agency, Parks Commission, Planning & Zoning Commission, Police Commission, Port Authority Commission, Stratfield Historic District Commission, Water Pollution Control Authority Commission and the Zoning Board of Appeals. Additionally, the City appoints members to serve on the boards of regional planning agencies including the Connecticut Metropolitan Council of Governments (METROCOG) and Greater Bridgeport Transit.

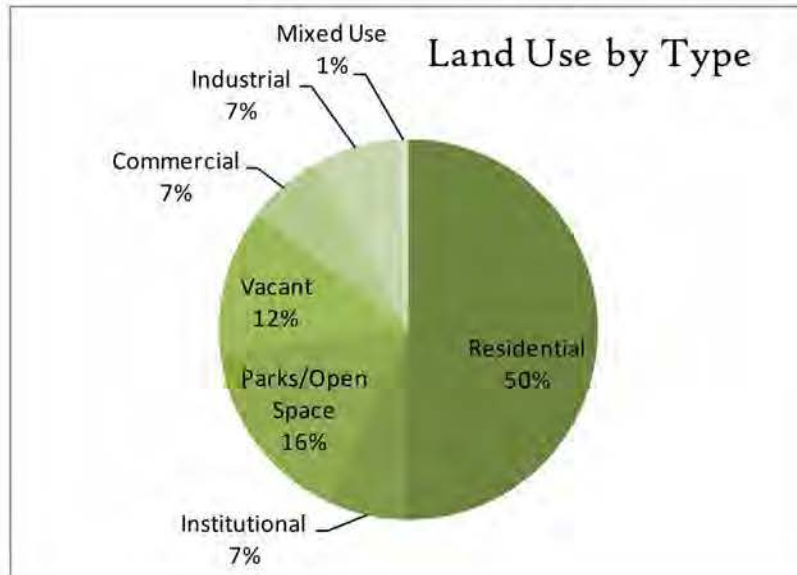

### *GEOGRAPHY*

Bridgeport is Connecticut's largest city with a population estimated at 148,333 residents. Located along Long Island Sound at the mouth of the Pequonnock River, the city has an area of 19.4 square miles. Bridgeport experiences warm to hot and humid summers and cold, snowy winters. These seasonal extremes are somewhat moderated by Long Island Sound. This results in a lower average temperature in summer and moderate snowfall, as compared to our neighbors inland. The city receives 41.7 inches of precipitation and around 25.6 inches of snowfall in an average year. The snowiest winter on record occurred in 1996 when Bridgeport received 76.8 inches in total accumulation. Bridgeport is located on Long Island Sound and is bordered by Fairfield, Connecticut to the West, Stratford, Connecticut to the East, and Trumbull, Connecticut to the North.

*PHYSICAL DESCRIPTION*

Total Area: 19.4 square miles  
 Land Area: 16 square miles  
 Water Area: 3.4 square miles

*COMMUNITY PROFILE*

Bridgeport was originally a part of the township of Stratford. The first recorded settlement here was made in 1659. It was called Pequonnock until 1695, when its name was changed to Stratfield, due to its location between the already existing towns of Stratford and Fairfield. In 1800 the borough of Bridgeport was chartered and in 1821 the township was incorporated. The city was not chartered until 1836. The city's location on the deep Newfield Harbor supported shipbuilding and whaling endeavors in the mid-19<sup>th</sup> century. Later, rapid industrialization and the presence of the railroad made Bridgeport an ideal manufacturing center producing Bridgeport milling machines, saddles, corsets, carriages, brass fittings, sewing machines and ammunition. By 1930, Bridgeport was an industrial center with more than 500 factories and a thriving immigrant population.

FY 2023-2024 PROPOSED GENERAL FUND BUDGET  
 BUDGET SUMMARY BRIDGEPORT IN CONTEXT

In the early 21st century, Bridgeport is rebounding from a loss of jobs and population and is transitioning into a role as both a bedroom community for New York City, and as oasis of relatively low-cost housing in the otherwise prohibitively expensive Fairfield County. Located just 60 miles from New York City and 60 miles from Hartford, CT, Bridgeport is accessible via a variety of transportation modes, it is ideally suited to families seeking a refuge from the high cost of living in lower Fairfield county.

Bridgeport supports two large hospitals—St. Vincent’s and Bridgeport Hospital. It is located on the Metro-North commuter line, which offers daily service to New York City, and regional service to the shoreline of Connecticut and to the Waterbury area. Bridgeport is also a stop on Amtrak’s train lines, including the high-speed Acela service. Ferry service to Port Jefferson, Long Island is offered from Bridgeport’s harbor, and local and interstate bus service is also available. The port of Bridgeport is one of three deep-water ports in the state. Bridgeport owns Stratford’s Sikorsky Memorial Airport. Bridgeport’s location in the middle of a confluence of highways—among them Interstate 95, the Merritt Parkway, Route 8 & Route 25, and Route 1 connect the City to many other regions. Institutions of higher learning housed in the City include The University of Bridgeport, Housatonic Community College, St. Vincent’s College, and Bridgeport Hospital School of Nursing. The Bridgeport School system educates more than 20,000 children, making it the second largest school system in the state.

The Total Mortgage Arena and the Klein Memorial Auditorium host regional and national performances of musical acts and sporting events. Regional theater is in evidence at the Downtown Cabaret Theatre and the Bridgeport Theatre Company. Additionally, the City of Bridgeport is home to 45 parks which encompass 1,330 acres of open space.

**DEMOGRAPHICS AND ECONOMICS**

Bridgeport is Connecticut’s largest city with a population estimated at 148,333 residents. The City, surrounding towns, and the State are still recuperating from the effects of the national economic downturn, but all are starting to show a small improvement in their unemployment rate. As of June 30, 2022, the unemployment rate for the City of Bridgeport was 6.1%, down from 7.7% from the prior year due to strong economic performance in the region. Connecticut’s overall unemployment rate decreased to 4.0% from 6.3% in the previous year.

Per the State of Connecticut statute, every town, municipality is required to implement full, real estate property revaluation, every five years. The City of Bridgeport implemented full real estate revaluation on the October 2020 Grand List. The FY24 Mayor Recommended Real Estate and Personal Properties mill rate of 43.45 maintains the FY23 mill rate of 43.45 mills.

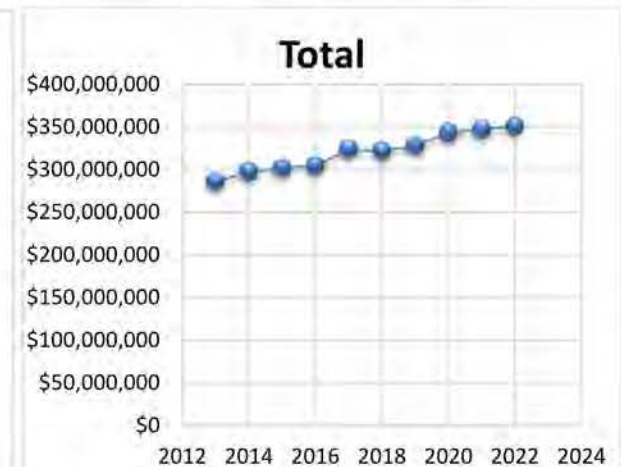

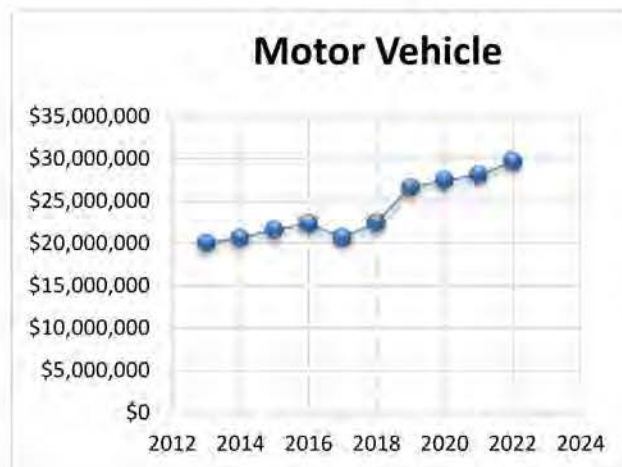

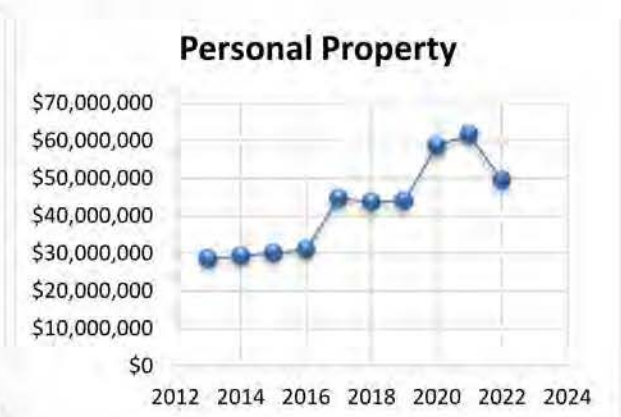

The FY24 Mayor Recommended Library budget is based on the November 2017 voters referendum that passed and mandates the appropriation of Library Department 1.30 mills of the total collectable FY24 appropriated real estate, personal properties and motor vehicles mill rate value.

FY 2023-2024 PROPOSED GENERAL FUND BUDGET  
OFFICE OF THE MAYOR PROGRAM HIGHLIGHTS

FY 2023 – 2024 SHORT TERM GOALS (To be achieved within one (1) year or less):

1. Promote public health and safety (particularly as it relates to the COVID-19 pandemic), assist and connect small businesses with coronavirus relief efforts, and administer American Rescue Plan and other federal and state resources to help our community recover from the economic impacts of the pandemic.
2. Improve the quality of life for Bridgeport residents by tackling blight, litter, and illegal dumping, keeping our streets and public spaces clean and safe, and promoting public safety and well-being within our neighborhoods.

FY 2023 – 2024 MEDIUM-TERM GOALS (To be achieved within 1-5 years):

1. Grow the city’s tax base and promote the development of Bridgeport by prioritizing economic development projects that are creating new housing, business, entertainment, and dining opportunities throughout the city.
2. Promote green initiatives throughout the City of Bridgeport and reduce the city’s carbon footprint by promoting sustainability throughout city facilities and operations, preserving public parks and creating open space, and facilitating efforts to make Bridgeport a hub for clean energy production.

FY 2023 – 2024 SHORT TERM GOALS (To be achieved within one (1) year or less):

1. Strategically apply for formula and competitive funding for city priority projects and programs with a focus on COVID-19 pandemic recovery funding, public safety, blight and green initiatives. (MG1, MG2, MG3, MG4)
2. Strive to increase grant submittal rate by 20% through more proactive application efforts, partnerships, and collaborations.
3. Continue to ensure that processes and procedures are in place and adhered to for compliance with Federal, State and local requirements.

FY 2022 – 2023 GOAL STATUS UPDATE:

1. Strategically apply for formula and competitive funding for city priority projects and programs with a focus on COVID-19 pandemic recovery funding, public safety, blight and green initiatives. **The Central Grants Department submitted 59 applications to support city projects and programs. Of the 59 applications, 41 were awarded, 9 pending notifications, and 9 were denied.**
2. Strive to improve grant submittal rate by 20% through more focused application efforts and collaborations. **Staff participated in numerous NOFO webinars and informational sessions provided by various federal and state stakeholders. Unfortunately, with only 1 grant writer on staff, the department must be very selective in the opportunities for which we apply. The number of applications submitted increased by 11%.**
3. Continue to ensure that procedures and processes are in place to assure compliance with Federal, State and local requirements. **Status: Staff routinely participated in training sessions and kept apprised of changes in legislation. There were zero grant compliance issues this fiscal year.**

FY 2022 – 2023 ADDITIONAL TARGETED ACCOMPLISHMENTS:

1. **Fitness Court at Seaside Park:** Central Grants was instrumental in funding the purchase and installation of the City’s Fitness Court facility in Seaside Park. This project brought together a wide coalition of stakeholders, including the National Fitness Campaign, the US Conference of Mayors, and the Environmental Task Force, to address several of the Mayor’s key priorities. The

project addressed green initiatives by improving a disused section of Seaside Park, removing impermeable asphalt surface and promoting forms of emissions-free exercise. The project also improved quality of life for Bridgeport residents by providing a free, high-quality exercise resource, which comes complete with a smart phone application instructing users on how best to utilize the Fitness Court’s “Seven Minute, Seven Movement” system.

Bridgeport has an obesity rate which is far higher than the state average – according to a 2019 report by the University of Connecticut, approximately 36.1% of Bridgeport’s population is obese, compared to the Connecticut state average of 27.4%. By providing a free, accessible outdoor fitness facility, the City is working to reverse this troubling statistic.

2. **U.S. Department of Justice Crime Gun Intelligence Center Initiative:** Central Grants worked with the Police Department to spearhead a successful application for a Crime Gun Intelligence Center (CGIC) Integration Initiative grant for \$700,000 from the United States Department of Justice. With this funding, the Police Department will be able to build upon existing public safety resources at the Department’s Fusion Center to improve response time, bolster the collection of ballistic evidence, and facilitate federal, state, and local investigations. The funding will provide for the purchase of Intelligence Center technology, additional surveillance, and training. During the period of time between calendar years 2019 - 2021, the City of Bridgeport saw gun violence incidents increase dramatically from previous years, with the number of firearm-related homicides increasing by 44.2%, up 62 incidents from 43 during the previous three-year span. The expected outcome of this funding is to improve response time, bolster the collection of ballistic evidence, and to facilitate federal, state, and local investigations with the ultimate goal of prosecuting gun criminals and reducing gun violence overall. This project aligns closely with the mayor’s goals around public safety by improving the Police Department’s capacity to collect evidence, investigate and assist in the prosecution of gun violence cases in the City.
  
3. **CT Division of Emergency Management and Homeland Security (U.S. FEMA Homeland Security Building Resilient Infrastructure and Communities (BRIC) Grant Program) Project Scoping for City-Wide Flood Control Study:** Central Grants worked with the City’s Engineering Department to craft and submit a successful application to the Federal Emergency Management Agency (FEMA) to fund project scoping activities at several key sites at risk of repetitive flood damage, including Rooster River, Ox Brook, Northeast, and Island Brook. This \$675,000 award was received through a sub-grantee arrangement with the State of Connecticut as a part of the Building Resilient Infrastructure and Communities (BRIC) grant program. The project will result in the completion of a city-wide flood control study, including public outreach, conceptual design, and cost analysis. Following this work, Bridgeport will be well-positioned to apply for future funding available through the Bipartisan Infrastructure Law (BIL) aimed at implementing a phased approach to flood control. Given the threats posed by climate change, this work will be a key component of the Mayor’s approach to both health and safety, as well as green initiatives such as climate resiliency.

**MANDATED SERVICES**

The Registrar of Voters is responsible for registering voters and conducting Federal, State, Special and Local elections. The Registrar prepares the published notices of elections and lists of offices for which candidates are to be nominated. It is the Registrars' duty to accept and check the nominating petitions of candidates for office. The Registrar is also required to establish and revise voting precincts, provide for the tabulation of returns on election night and conduct the official canvass of votes cast. The Registrar is also responsible for the following:

1. Responsible for conducting hand count of machine read ballots after elections if jurisdiction is subject to audit.
2. Responsible for completing and filing audit paperwork with the Secretary of State.
3. Able to hire additional officials on Election Day and the day after the election if the need arises.
4. Mandated to electronically update voter file with information as to who voted after every election.
5. All challenge and provisional ballot supplies which used to be provided by the Town Clerk must now be provided by the Registrar.
6. Responsible for determining the number of ballots that will be ordered for use at each polling place (Registrar must now pay for the printing of the ballots).
7. Able to determine if two shifts of election officials will be used at an election without legislative body approval.
8. Assume the Town Clerk's responsibility for providing polling place supplies to moderators on the day before the election.
9. Responsible for training poll workers on following proper procedures, (procedure to accommodate an individual who is at the polls but is unable to enter the polling place, e.g., curb-side voting).
10. Responsible for storage of all voted ballots after the election and up until the 14-day lock-down period has expired or the audit is complete. After the 14-day lock-down the Registrar must (a) transmit the absentee ballots for long-term storage and (b) keep all voted ballots used at the polls for long term storage.
11. Responsible for providing supplies for a paper ballot election where no voting tabulators are used.
12. Responsible for assisting and ensuring that the Head Moderator completes and files the Head Moderator's Return with the Secretary of the State.

FY 2023 – 2024 SHORT TERM GOALS (To be achieved within one (1) year or less):

1. Prepare for the upcoming Municipal Primary in September 2023 and General Election in November, 2023.
2. When early voting is implemented, work to adapt a smooth and effective process to accommodate the registered voters in the City of Bridgeport.
3. Process and complete the state mandated National Change of Address (NCOA) canvass, including the updating of registered voters.

FY 2023 – 2024 MEDIUM-TERM GOALS (To be achieved within 1-5 years):

1. Prepare for the final phase of the biennial redistricting, the updating of local district lines.
2. Update the polling locations as needed based on the redistricting.
3. Gather all pertinent information on the newly approved early voting process.
4. Continue the filing and updating of all paper voter registration files.
5. Provide the administration with the information needed, to procure the financial support required to implement early voting.

FY 2023 – 2024 LONG-TERM GOALS (To be achieved in greater than 5 years):

1. Complete the updating of voter registration paper files and transition into an electronic filing system.
2. Provide an effective process for the poll workers who will be staffing the polling locations for early voting.

FY 2022 – 2023 GOAL STATUS UPDATE:

1. With the assistance of seasonal temps, we continue reorganizing of the paper voter registration files.
2. The state redistricting was completed and all necessary changes have been implemented.
3. Our annual NCOA canvass was completed, and voter registration files were updated.

FY 2022 – 2023 ADDITIONAL TARGETED ACCOMPLISHMENTS:

1. The Secretary of the State mandated all Registrar of Voters to go through all returned mail from the Presidential election and update our voter registration lists accordingly. This process was successfully completed.
2. Based on the Secretary of the State mandate the office made the decision to update all paper voter registration applications. This project is still a work in progress, but we are pleased with our accomplishments thus far.

FY 2023 – 2024 SHORT TERM GOALS (To be achieved within one (1) year or less):

1. Continue to effectively work as a team.
2. Continue to meet the needs of the City Council and the citizens of Bridgeport by emphasizing access to information as it relates to the legislative process.

FY 2023 – 2024 MEDIUM-TERM GOALS (To be achieved within 1-5 years):

1. Purchase additional filing cabinets to meet State guidelines for storing and archiving records. We are almost at full capacity and need additional cabinets for storing of files.
2. Replace the existing agenda organizer inside the City Council Room in the City Clerk’s Office. The current organizer doesn’t have the capacity to hold bulk copies of agenda items.

FY 2022 – 2023 GOAL STATUS UPDATE:

1. Continue to provide legislative and administrative support to the City Council and City Council Standing Committees. **ONGOING AND CONTINUOUS.**
2. Continue to accurately record and carefully preserve and safeguard the legislative history of the City, and to maximize timely access to City records and information. **ONGOING AND CONTINUOUS.**
3. Continue to provide public access to City Council records electronically. **ONGOING AND CONTINUOUS.**
4. Upgrade office printers in the main office. **ONGOING AND CONTINUOUS.**

FY 2022 – 2023 ADDITIONAL TARGETED ACCOMPLISHMENTS:

1. Effectively maintain custody of City documents.
2. Continue to communicate effectively across the city.
3. Continue to provide a high level of integrity and honesty in performance of work duties.

**Benefits Administration**

1. Issue Request for Proposal (RFP) for Medicare Broker to administer the closed group of Medicare retirees medical and prescription programs.
2. Issue RFP for short-term and long-term disability carrier.
3. Issue RFP for Workers Compensation Consultant to audit the Workers Compensation program, draft and issue an RFP for a Third-Party Administrator for Workers Compensation and Safety/Risk Control Services.
4. Obtain a Health Benefits software system which is compatible with Munis to maintain a retiree database to streamline reporting, budgeting, and communications.
5. Issue RFP for Health Benefits Consultant to draft various health care options and facilitate the RFP process.

**Human Resources**

1. Attract/Recruit talent by utilizing network recruitment, newly defined resources, internal referral, and social engagement events such as job fairs to fill vacant positions.
2. Be a municipal leader in workforce diversity, inclusion, and acceptance. Increase outreach efforts to attract, develop, and retain diverse talent pools and heighten the cultural competencies of city leadership and workforce. Contract with local employment agencies and universities to build a platform for employment.
3. Implement an online Learning Management System (LMS) that will administer, document, track, report and automate the delivery of unlimited number of educational courses, training courses, learning and development programs to employees. Continue to partner with various corporate training companies, local universities, and our EAP provider to provide employee development, continuing education, wellness workshops to create annual training schedule.

FY 2023-2024 PROPOSED GENERAL FUND BUDGET

BENEFITS/HUMAN RESOURCES

PROGRAM HIGHLIGHTS

4. Partner with Civil Service to implement an automotive HR/Benefits software & management system that interfaces with MUNIS to reduce the administrative burden and increase the HR/Benefit/Payroll departments' effectiveness.
5. Propose an Employee Recognition/Appreciation Program through the Employee Morale Committee to recognize employees who have reached years of service (10, 20, 30, 40, 50) with the City.
6. Prepare an awareness Fragrance-Free Zone program throughout City buildings.

# LABOR RELATIONS

---

## MISSION STATEMENT

The mission of the Labor Relations Department is to serve as a resource to the City of Bridgeport by providing support, guidance and interpretation on all matters concerning Human Resources, Collective Bargaining and Benefits Administration. In addition, the Labor Relations Department is responsible for the negotiation and administration of all municipal Collective Bargaining Agreements (CBA), managing employee & union dispute resolution and disciplinary processes. The Labor Relations Department provides guidance to City Departments ensuring compliance with the Municipal Charter, Union Contracts, Connecticut State Statutes and Federal Regulations. This Department works to effectively manage, facilitate and centralize human resources and personnel functions for the City of Bridgeport's employees and 60+ departments/subdivisions. The Department of Labor Relations is responsible for all Human Resources related matters concerning employee development, conflict management, performance management, benefits administration and the development and implementation of policies within the City of Bridgeport. It is our goal to prevent and resolve all labor and employment matters for the City of Bridgeport.

FY 2023 – 2024 SHORT TERM GOALS (To be achieved within one (1) year or less):

1. Continue to nurture and promote relationships with Bridgeport City Council.
2. Negotiate open collective bargaining contracts and issues. Resolve contracts/issues in a manner consistent with the goals and objectives of the City of Bridgeport.
3. Maintain and improve relationships with municipal unions, attempting to work together in order to resolve grievances at the lowest level possible to preserve municipal resources.
4. Successfully represent the City’s interests in arbitrations and Connecticut State Board of Labor Relations hearings. Continue to aggressively handle, where necessary, grievances, complaints, investigations and disciplinary hearings.
5. Direct and assist Human Resources to develop City-wide training for Supervisors to support compliance with City Work Rules and Regulations.

FY 2023 – 2024 MEDIUM-TERM GOALS (To be achieved within 1-5 years):

1. Collaborate with municipal departments in the development and implementation of innovative management strategies, staff relations, and optimized organization efficiencies.
2. Oversee the Benefits Administration in managing Workers’ Compensation expenses. Increase participation in department workplace safety meetings and trainings.
3. Direct Human Resources to develop the City of Bridgeport’s workforce; including the recruitment of Bridgeport residents and fostering relationships with Bridgeport based businesses to develop discount programs and benefits for City employees.
4. Oversee the modernization of all municipal policies and procedures to ensure we meet Federal and State guidelines and fulfill our duties as mandated by Municipal Charter.
5. Create and manage an Americans with Disabilities Act Standards for Accessible Design (ADA) Compliance Office in order to address recurring ADA issues.

FY 2023 – 2024 LONG-TERM GOALS (To be achieved in greater than 5 years):

1. Continue to improve and increase the productivity of the Labor Relations Department and its divisions. Direct Human Resources’ efforts to provide employee trainings. Direct the Benefits Administration’s efforts to maximize costs effectiveness of employee benefits.
2. Collaborate with City departments, managers and personnel to ensure compliance with Collective Bargaining Agreements, policies and regulations; ensuring the City of Bridgeport is operating at its highest capacity.
3. Elimination of obsolete collective bargaining agreement language and the continued development of modern and innovative labor relations strategies.

FY 2023-2024 PROPOSED GENERAL FUND BUDGET  
 LABOR RELATIONS PROGRAM HIGHLIGHTS

4. Oversee the negotiation and introduction of richer employee benefits packages at reduced costs. Integration of employee benefits (i.e. reduced tuition at local universities for municipal employees) via partnerships with local providers at little to no cost.

**FY 2022 – 2023 GOAL STATUS UPDATE:**

1. Sustained positive and open relationships with City Council.
2. Successfully negotiated Collective Bargaining Agreements in a manner consistent with the goals of the City of Bridgeport.
3. Created an open-door culture with Union representatives and employees to foster positive relationships allowing to resolve matters at the lowest level possible to preserve City resources.
4. Effectively settled and/or obtained multiple adjudicated decisions that promote the goals and objectives of the City and functioning to preserve municipal resources.

**FY 2022 – 2023 ADDITIONAL TARGETED ACCOMPLISHMENTS:**

1. Continued significant reduction of Municipal costs and liability of unemployment benefits.
2. Finalized two long overdue Collective Bargaining Agreements without resorting to arbitration.
3. The Department has become a consistent presence at all City Council meetings as well as Civil Service, Police and Fire Commission meetings.
4. Continued to provide support and advice to City departments regarding personnel issues including FMLA, ADA and disciplinary matters.

FY 2023 – 2024 SHORT TERM GOALS (To be achieved within one (1) year or less):

1. Continue to maintain the process of alignment for all City departments' fiscal year goals and objectives with the Mayor's overall goals as required by the Government Finance Officers Association (GFOA).
2. Provide ongoing support to properly review and expedite Grants and other budget commitments for all departments servicing the public including Emergency, Economic, Public Safety, Health Services and Public Facilities. **(MG1)**
3. Ensure conformance to all State and Federal guidelines for funding elements relating to all Projects and Grant programs. **(MG1)**

FY 2023 – 2024 LONG-TERM GOALS (To be achieved in greater than 5 years):

1. To prepare a City General Fund Budget and a Capital Budget that each connects the missions, goals and objectives for all City departments and divisions to the service and performance of their work.
2. To collect data reflecting performance levels for service of all City departments. To analyze department performance levels using history, benchmarking and other comparative analysis methods and integrate these measures into the City budget.
3. Continue to support City departments financially and operationally in providing necessary services to their customers. **(MG1, MG2, MG3)**
4. To maintain and control throughout the fiscal year, the City-wide and department budgets.
5. To develop, maintain, and produce monthly reports throughout the fiscal year detailing justifications and documentation for all City expenditures.
6. To provide support and guidance in budgeting and financial management decision making to all City departments.
7. To provide budgeting support to all grants received by the City of Bridgeport.
8. To support the payroll system and their team.

FY 2022-2023 SHORT TERM GOAL STATUS UPDATE:

1. Strive to implement and maintain a process of alignment for all City departments' fiscal year goals and objectives with the Mayor's overall goals as required by the Government Finance Officers Association (GFOA). ***Successfully completed budget process achieving alignment among departments to Mayor's overall goals and achieved Distinguished Budget award from the Government Finance Officers Association (GFOA) for 15 straight years.***
2. Provide ongoing support to properly review and expedite Grants and other budget commitments for all departments servicing the public around Covid-19 costs and containment efforts. **(MG1). Ongoing.**
3. Ensure conformance to all State and Federal guidelines for funding elements relating to projects and Covid-19 mitigation Grant programs. **(MG1). Ongoing. All Covid-19 Grants reviewed and approved as per OPM policy.**

FY 2022 – 2023 LONG-TERM GOALS STATUS UPDATE:

1. To prepare a City General Fund Budget and a Capital Budget that each connects the missions, goals and objectives for all City departments and divisions to the service and performance of their work. **Ongoing.**
2. To collect data reflecting performance levels for service of all City departments. To analyze department performance levels using history, benchmarking and other comparative analysis methods and integrate these measures into the City budget. **Ongoing.**

3. Continue to support City departments financially and operationally in providing necessary services to their customers. **(MG1, MG2, MG3). Ongoing.**
4. To maintain and control throughout the fiscal year, the City-wide and department budgets. **Ongoing.**
5. To develop, maintain, and produce monthly reports throughout the fiscal year detailing justifications and documentation for all City expenditures. **Ongoing.**
6. To provide support and guidance in budgeting and financial management decision making to all City departments. **Ongoing.**
7. To provide budgeting support to all grants received by the City of Bridgeport. **Ongoing.**
8. To support the payroll system and their team. **Ongoing.**
9. To prepare a City budget that connects the missions, goals and objectives for all City departments and divisions to the service and performance of that work. **Since 2008, the Bridgeport Budget book has consistently received a distinguished budget award from the Government Finance Officers Association. This awards program was established to encourage and assist local governments to prepare budget documents of the very highest quality. Budget reviews are conducted by selected members of the GFOA professional staff and outside reviewers. Only those budgets that meet the criteria outlined in the process receive awards. Criteria are based upon guidelines established by the National Advisory Council on State and Local Budgeting and the GFOA's recommended practices on budgeting.**
10. To maintain an effective City-wide System for Performance Management. **We continue to refine our performance management templates and use the information from them to enhance the budget book; continue to promote City-wide goal harmony among departments via tracking tools and fiscal year budget timelines. OPM successfully coordinated fiscal year goal alignment between departments and Mayor's Office (a key GFOA deliverable). OPM's report on Capital Plan alignment to Operating Budget continues to be of significantly positive note by Budget Awards Committee.**
11. Continue to support City departments financially and operationally in providing necessary services to their customers. **This process is continuous.**
12. To maintain and control throughout the fiscal year, the City-wide and department budgets. **This process is continuous.**
13. To develop, maintain, and produce monthly reports throughout the fiscal year detailing justifications and documentation for all City expenditures. **OPM closely monitors spending and revenues continuously. Monthly reports are produced by the Finance Department in concert with OPM.**
14. To provide support and guidance in budgeting and financial management decision making to other departments. **OPM has played a central role in providing assistance, guidance and support to all departments with the financial system. We continue to offer a variety of budgeting and financial management support mechanisms to departments throughout the year.**

\* One of the Deputy Chief Administrative Officer - Central Grants/CDBG will be responsible for overseeing the Central Grants and Community Development Block Grant operations.

The annual salary for the Deputy CAO that will oversee Central Grants and CDBG Departments is \$121,141 and \$60,570 of the employee FY24 salary will be paid from CDBG grants.

FY 2023 – 2024 SHORT TERM GOALS (To be achieved within one (1) year or less):

1. Oversee all departmental management and operational policies and practices.
2. Aid departments in identifying and complying with executive priorities, goals, policies, and procedures.
3. Work with individuals, community groups, institutions, and agencies to ascertain concerns to be addressed through administrative remedies.
4. Create and maintain continuity among municipal services and strategic planning, budgeting, and capital project programs.

FY 2022 – 2023 GOAL STATUS UPDATE:

1. Vacancies:
  - Weekly updates provided to the CAO from Labor Relations Human Resources Division.
  - The City continues the attempt to attract qualified hires, but amidst a strong labor market, we are in competition for talent with other municipalities and private companies.
2. Permitting:
  - Building Permitting Process Analysis Request for Qualifications (RFQ) completed.
  - The Director of ITS is the project manager and will present to Council in March or April (at the latest).
  - Deputy Chief Administrative Officer to oversee the process.
  - Expectations:
    - The final deliverables should highlight aspects of the existing development review and permitting systems that work well and pinpoint areas that need improvement, including an assessment of departmental culture as it relates to customer service.
    - Recommendations should provide a roadmap for making needed improvements including, but not limited to, operations (including any staffing level changes and/or reorganization necessary to implement recommended changes), technology, customer service, communication, and emerging trends.
    - Additionally, an evaluation of the need and desirability of a Development Service Center (one stop shop) considering the significant shift to online permitting (80%). A financial analysis and cost projection should also accompany all recommendations.
3. Anti-Blight:
  - Monthly meetings established:
    - Internal (CAO, Health & Public Facilities)
    - State Properties
4. Sustainability:
  - Climate vulnerability assessment submitted to Department of Energy & Environmental Protection for funding. Project will provide baseline for environmental and social vulnerability, induced and made worse by the impacts of climate change, involving modeling of impacts, mapping, identification and mapping of community vulnerability, and the social dimensions that define systems. Priority areas for resiliency interventions, based on prevalence and concentration of social, environmental, and economic vulnerabilities, will be identified and strategies and projects will be developed in collaboration with vulnerable people in those neighborhoods.
  - Community-wide greenhouse gas inventory, almost near completion, expected in May. Inventory will account for all GHG emissions that occur within Bridgeport and allow us to

understand and develop priority actions based on biggest contributions to emissions. There will be a specific build out for emissions related to BOE and municipal operations so each entity can develop strategies for emissions reductions specific to their purview. These two projects will provide us a baseline to develop comprehensive mitigation and adaptation projects, initiatives, and programming.

FY 2022 – 2023 ADDITIONAL TARGETED ACCOMPLISHMENTS:

---

1. Social Services Division has been established.
  - Mental Health & Addiction Counselor (Special Project Coordinator) housed in Police Headquarters.
  - The staff is currently receiving referrals from Police Department.
    - Referrals are triaged to long term care solutions.
  - Staff addressing homelessness and directing them to resources.
  - Staff continues to collaborate with community providers to ensure continuity of care.
  
2. In the process of hiring a property manager (budgeted vacant Special Project Coordinator).
  - Expectations:
    - Maintain City-owned property rentals by advertising and filling vacancies, negotiating, and enforcing leases, and maintaining and securing premises.
    - Establish rental rate by surveying local rental rates and calculating overhead costs, depreciation, taxes, and profit goals.
    - Attract tenants by advertising vacancies, obtaining referrals from current tenants, explaining advantages of location and services, and showing units.
    - Contracts with tenants by negotiating leases and collecting security deposit.
    - Accomplish financial objectives by collecting rents, paying bills, forecasting requirements, preparing an annual budget, scheduling expenditures, analyzing variances, and initiating corrective action.

GENERAL GOVERNMENT DIVISIONS  
**SMALL & MINORITY BUSINESS ENTERPRISE**

---

MISSION STATEMENT

Small & Minority Business Enterprise's (SMBE) priority is developing and enhancing the expansion of Small Businesses in the City of Bridgeport through reliable and proven programs that educate, expand, and expose SMBE's that are active in the city. SMBE also focuses on developing new businesses (startups) by assisting these new businesses with the tools necessary to become legal entities. Our goals are our focus areas where we will provide support and advantages to local business owners. We have targeted these areas based on our interaction with business owners, stakeholders, and local organizations.

GENERAL GOVERNMENT DIVISIONS  
MAYOR'S INITIATIVE FOR RE-ENTRY AFFAIRS (MIRA)

---

MISSION STATEMENT

During the earliest stage possible in the supervision/incarceration process we will provide the highest quality of service, while enhancing public safety in the community and enhancing the lives of those we serve. To reduce recidivism and lessen the burden on government by helping ex-offenders through personal development, career readiness, and strategies for success.

Our primary goal is to help integrate individuals back into the community by providing necessary tools, support and resources for their success. Our aim is to have a positive impact on individuals' lives and assist in their transformation to becoming productive citizens who are healthy mentally and physically, employed, financially literate, and involved in positive, healthy lifestyles.

FY 2023 – 2024 SHORT TERM GOALS (To be achieved within one (1) year or less):

1. Return to normal Pre-COVID response to all incidents, while at the same time continue all COVID protocols to keep members and public safe.
2. Run promotional exams for the rank of Lieutenant, Pumper Engineer, Apparatus Foreman. Conduct a recruit class in-house of 10-16. Continue with leadership training for all members.
3. Continue smoke and carbon monoxide alarm installations, as well as hearing impaired installations. Continue residential inspection to help identify and correct any fire and life safety violations.
4. Implement new Fireworks software to increase productivity with incident reporting and staffing. Implement software for Fire Incident Reporting to replace obsolete software.

FY 2023 – 2024 MEDIUM-TERM GOALS (To be achieved within 1-5 years):

1. Continue to implement Insurance Services Office (ISO) suggestions to lower our insurance rating, already changed hydrant inspection and pump test along with purchase of new apparatus.
2. Fire station replacement needed for Beechmont Avenue, Engine 12, still looking for suitable location. The cost to continue operations in older houses is increasing yearly.
3. Continue to work closely with Central Grants to find alternative funding for future programs and equipment. Cancer screening and Self-Contained Breathing Apparatus (SCBA) upgrade remain priority.
4. Currently the Fire Department has two separate training facilities with locations on South Avenue and River Street. The South Avenue facility was improved and now is the main Academy location for most Fire Department recruit training. The River Street facility will undergo improvements to allow year-round temperature and weather-controlled training for firefighter safety.

FY 2023 – 2024 LONG-TERM GOALS (To be achieved in greater than 5 years):

1. Fire station replacement along with Engine 12, Beechmont Avenue, the Evers Street Station 15 is 78 years old, and the cost of repair has greatly increased. Proper space is essential for newer apparatus sizes and equipment. Energy efficiency increases can show significant long term- cost savings.
2. Firefighter safety is our number one goal. As a Department we will continue with our strategies and implement training programs to enhance the safety and survival of our members. We will continue our Mental Health Behavioral Training programs and our Peer Counseling programs.
3. The Office of Emergency Management (OEM) will provide a comprehensive and integrated Emergency Management System that coordinates community resources to protect lives, property and the environment through mitigation, preparedness, response, and recovery from all natural and manmade hazards that may impact our city. (MG3)
4. Incorporate green initiative for buildings and vehicles. Working with other City Agencies. (MG4)
5. Create opportunities with training and responsibilities to create future leadership of the department.

FY 2022 – 2023 GOAL STATUS UPDATE:

**1. COVID-19 Response and Recovery**

The Bridgeport Fire Department continues to respond to COVID-19 incidents at the same time working with other City Agencies developing safety protocols, which keeps our members and the public safe. (MG1)

2. **Increase Technology Solutions**

Our goal was to replace the existing Record Management System (RMS) module that we currently use. The Fire Marshal's Division currently uses the new platform that allows them to conduct inspections and enter data remotely with an iPad in the field. This same company is working on a staffing platform that should be compatible to our daily staffing needs. When that platform becomes available, we will begin to evaluate its effectiveness.

3. **Hiring/Recruiting/Promotions**

The Bridgeport Fire Department completed a successful recruiting drive and have over 600 applicants on our hiring list. We hired 21 thus far, and for the first time in over 16 years we were able to run our own recruit training program. Two of the recruits are women, increasing the number of women on the force. Most of the recruits are Bridgeport residents. (MG3)

We are also running an Assistant Chief Exam followed by a Captain Exam. We will then concentrate on Exams for the rank of Lieutenant, Pump Engineer, and Apparatus Foreman.

4. **Community Risk Reduction**

The Smoke Alarm Program was reinstated after the positivity rate of COVID-19 came down. We felt it was in the best interest to wait until the positivity rate decreased to a reasonable number and we have been operating ever since. (MG3)

5. **Apparatus Replacement**

We replaced Ladder-11, stationed at the Ocean Terrace and the new Rescue 5 has been delivered. Rescue 5 is currently with the dealer making a few last-minute adjustments. We have also replaced both Deputy Chief vehicles and the Chief's vehicle. Supply chain issues have plagued the automotive industry and have increased the delivery time tremendously. (MG3)

6. **Fire Station Replacement**

The Beechmont Fire Station is over 100 years old, the adopted budget has it slated for 2026, we will use all the latest technology to reduce our carbon footprint aligning with the Mayor's initiative. (MG4)

7. **Grants**

Unfortunately, we were not awarded any FEMA grants. In the last 6 ½ years we have been awarded close to 7 million dollars which is more than any Department in the State. We will work closely with Central Grants and apply again this year.

8. **Fire Training Facilities**

The two facilities we currently use are River Street and a small parcel of land Public Facilities allows us to use at Seaside Park on South Avenue. We currently conduct ventilation, firefighter bailout, controlled live fire training, as well as vehicle extrication. (MG3)

9. **Insurance Service Office/ISO**

Apparatus replacement, annual pump testing, and working closely with ISO on a regular basis to inform them of any updates and improvements we have made. Those improvements made at the South Avenue facility will also help lower our ISO score. (MG3)

10. **Firefighter Safety**

Equipment upgrades with a new gear contract and increased air capacities for breathing equipment have been started. Accountability training for Command Staff is ongoing and becoming a requested model from surrounding cities and towns. Increased use of South Avenue and River Street training facilities have increased firefighter self-rescue capabilities.

11. **Fire Station Renovations/Replacements**

We are working with Public Facilities to complete Capital improvements needed at the 8 stations. The replacement of Station 12, Beechmont Avenue is in the 2026 budget year. The building and design will incorporate the newest technologies to help us reduce the carbon footprint. (MG4)

FY 2023-2024 PROPOSED GENERAL FUND BUDGET  
 FIRE DEPARTMENT PROGRAM HIGHLIGHTS

**12. Prevention and Preparedness**

The Fire Marshal’s Division is fully staffed. This has helped in keeping up with the amount of growth the City has seen recently. Between plan reviews and annual inspections, the Fire Marshal’s Office is better suited to deal with the increase. While the (OEM) Office of Emergency Management continues to provide a comprehensive and integrated management system that coordinates community resources to protect lives. (MG3)

**FY 2022 – 2023 ADDITIONAL TARGETED ACCOMPLISHMENTS:**

1. Communications Upgrades.
2. Advanced medical training for mass casualty/active assailant.
3. Opioid overdose treatment plans.

**FY 2023 – 2024 SHORT TERM GOALS (To be achieved within one (1) year or less):**

1. Implement a new restructuring strategy for the department to allow for the handling of Emergency Medical Dispatch, community outreach/education, interdisciplinary training, which includes new positions, standards, and programs. (MG1 & MG3)
2. Continue to conduct citywide emergency training and outreach as it relates to prevention, preparedness, response, and recovery of all hazards associated with emergency communications and operations. (MG1 & MG3)
3. Continue to implement strategies and technology that analyze and assess emergency communications & operations to ensure efficiency, effectiveness and empathy of services provided to the community before, during and after emergencies and disasters. (MG3)
4. Continue to maintain federal and state standards associated with emergency communications & operations.

**FY 2023 – 2024 MEDIUM-TERM GOALS (To be achieved within 1-5 years):**

1. Continue to implement emergency planning strategies that incorporate the “whole community” approach while expanding our advanced collaboration amongst all city emergency communications & operations stakeholders. (MG1 & MG3)
2. Continue to assess threats, risks and vulnerabilities of hazards that can impact the City and to implement strategies that will allow the City, City buildings and properties to be more resilient. (MG3)
3. Launch implementation of Emergency Medical Dispatch within the Emergency Communications Center. (MG1 & MG3)
4. Continue the occupational health and wellness program for all ECOC staff.

FY 2023 – 2024 LONG-TERM GOALS (To be achieved in greater than 5 years):

---

1. Continue to explore grant funding opportunities that can assist the City’s emergency communications & operations before, during and after emergencies and disasters.
2. Establish a path towards accreditation for the Emergency Communications and Operations Center.

FY 2022 – 2023 GOAL STATUS UPDATE:

---

1. Implement a new restructuring strategy for the department to allow for the handling of Emergency Medical Dispatch, community outreach/education, interdisciplinary training, which includes new positions, standards, and programs. (MG1 & MG3). *Restructuring strategy introduced to City Administration, strategy again being submitted for the new fiscal year due to further discussion.*
2. Continue to conduct citywide emergency training and outreach as it relates to prevention, preparedness, response, and recovery of all hazards associated with emergency communications and operations. *ECOC has conducted over 7 preparedness campaigns, 178 community training seminars and over 300 school drills.*
3. Continue to implement strategies & technology that analyze and assess emergency communications & operations to ensure efficiency and effectiveness of services provided to the community before, during and after emergencies and disasters. *Participate in on-going collaborative meetings between police, fire, Nexgen, ITS, and CAO departments. Continue to analyze daily operational statistics to ensure achievement of State and Federal standards as they relate to 911 call processing and ECOC deliverables. ECOC currently testing two new response enhancement programs -- Prepared Live and Rapid SOS.*
4. Continue to maintain federal and state standards associated with emergency communications & operations. *The strategy implemented has allowed us to achieve an average between 95% to 97% compliance with the State 911 standard, we are dispatching fire calls within the Federal standard of 2 minutes on average and are dispatching police priority 1 calls within the National standard of 10 minutes.*
5. Continue to implement emergency planning strategies that incorporate the ‘whole community’ approach while expanding our advanced collaboration amongst all city emergency communications and operations stakeholders. *ECOC created new plans as they relate to Mass Migration, Active Assailant, and Sound on Sound Emergency Plan, along with working with United Illuminating on increased awareness and information sharing for outages and potential rolling blackouts.*
6. Continue to assess threats, risks and vulnerabilities of hazards that can impact the city and to implement strategies that will allow the city to be more resilient. *The ECOC continues to assess all risks, threats, and vulnerabilities.*
7. Launch implementation of Emergency Medical Dispatch within the Emergency Communications. *Implementation was delayed due to further discussion. However, a strategy to incorporate this service has been submitted again this budget year.*
8. Implement an occupational health and wellness program for ECOC staff. *We have created a Wellness Room and Decompress Area at the ECOC. This was made possible by a donation from Bridgeport Hospital on establishing access to decompress, learn wellness tips and overall healthy habits/fitness.*
9. Continue to explore grant funding opportunities that can assist the City’s emergency communications and operations before, during and after emergencies and disasters. *The City ECOC is managing grant awards totaling \$1,110,341.00*
10. Establish a path towards accreditation for the Emergency Communications and Operations Center. *The ECOC continues to exceed federal and state standards and will be focusing 2024 to plan for accreditation for both the EOC and ECC. Delayed based upon Restructuring Strategy approval.*

**FY 2022 – 2023 ADDITIONAL TARGETED ACCOMPLISHMENTS:**

1. The ECC continues to be one of the highest achievers out of the largest municipalities within CT in meeting the State of CT 911 Standards.
2. The ECOC implemented its first ever 911 Telecommunicator Award Ceremony in concert with the annual National Telecommunicators Week.
3. We achieved record attendance for our annual Emergency Preparedness Touch-A-Truck Event.

PUBLIC FACILITIES DIVISIONS  
**PUBLIC FACILITIES ADMINISTRATION**

---

MISSION STATEMENT

The Mission of Public Facilities Administration is to plan, organize, staff, direct and manage all units of the Public Facilities Department under its jurisdiction as prescribed in the City Charter. In this capacity, Public Facilities advises the Mayor, City Council and all boards, commissions and departments in matters relating to public facilities and infrastructure. The Public Facilities Department is comprised of fourteen divisions: Roadway, Sanitation/Recycling, Transfer Station, Municipal Garage, Facilities Maintenance, Parks, Recreation, Golf Course, Engineering, Airport, Harbormaster, Zoo, Construction Management Services and Public Facilities Administration. The Administration division provides payroll, personnel, budgeting, financial, purchasing, administrative, capital, construction, permits, organizational, supervisory and management services for all its divisions.

\* The funding for one of the eliminated Special Project Coordinator position in the amount of \$85,610 is being used to fund most of the cost associated with the newly created Deputy Director position in the Economic Development Department account#01450000-51000.

\*\* Most of the funding for the (Supervisor union employee) new Special Projects Coordinator position in this department is attained by the elimination of the Illegal Dumping Coordinator position in the Housing Code department in FY24, account#01556000-51000.

The new supervisor union affiliated Special Projects Coordinator position is responsible for management of the citywide illegal dump and supervision of Anti-Blight Technician employees.

\*\*\* The Permit Supervisor, Office Coordinator and Special Project Manager positions have been transferred from Public Facilities Administration department budget into Engineering Department budget in FY24 because their duties, management have been transferred under the umbrella of the City Engineer, account#01385000-51000.

\*\*\*\* The two Anti-Blight positions are being transferred from Housing Code department account#01556000-51000 into Public Facilities Administration department account#01300000-51000 in FY24 based on the city re-organization plan.

**FY 2023 – 2024 SHORT TERM GOALS (Achieving in 1 year or less):**

1. Continue to follow protocol and provide effective procedures as well as rapid response by trades and custodial services to continue safe operations during Covid pandemic. (MG1)
2. Continue to help provide parks, courts and restroom improvements throughout City to provide enhanced safe outdoor recreation opportunities during pandemic and after. (MG1, MG3)
3. Continue improvements to City facilities. (MG3)
4. Replace and repair City building parking decks and roofs to address water infiltration which leads to weakened structures and potential health hazards. (Police HQ decks, Sylvan St PAL, Evergreen St Fire training facility, Klein, Kennedy Stadium, Wonderland of Ice). (MG3)
5. Rebuild offices in City Hall basement destroyed by flooding from Tropical Storm Ida, including waterproofing building to prevent future flooding.
6. Repave City parking lots to improve drainage and safety issues at Seaside Park, City Hall, and Wonderland of Ice. (MG3, MG4)
7. Continue to provide solid waste collection and disposal in most cost-effective and environmentally responsible manner available. (MG4)
8. Construct front steps and ADA compliant ramp at City Hall entrance. (MG3)

**FY 2023 – 2024 MEDIUM-TERM GOALS (Achieving within 1-5 years):**

1. Continue crackdown on illegal dumping through use of surveillance cameras and increased law enforcement. (MG3)
2. Revise Transfer Station rules to hold commercial visitors responsible as such and charging them appropriately.
3. Enhance operations of Licenses and Permits, updating fees and Ordinances as needed, to improve responsiveness of outside agencies cutting into city streets. (MG3)
4. Work with other key City departments to re-establish vigorous enforcement of alternate-side of street parking to provide better access to the curb for street sweeping, street vacuuming, snow removal and overall cleanup efforts. (MG3)
5. Continue to upgrade vehicle and equipment fleet, looking for opportunities to introduce more electric vehicles into regular use. (MG4)

FY 2023 – 2024 LONG-TERM GOALS (Achieving in greater than 5 years):

---

1. Continue trends in reduced energy consumption and expenditure levels.
2. Work with other officials to develop improved recycling structure.

FY 2022 – 2023 SHORT TERM GOALS STATUS UPDATE:

---

1. Continue to follow protocol and provide effective procedures as well as rapid response by trades and custodial services to continue safe operations during Covid pandemic. (MG1)  
**Ongoing effort. Department has been at forefront of City's response, as office partitions were constructed, additional custodial services provided, and worker health monitoring all continued throughout the year, with employee quarantines, when necessary, along with continued monitoring and schedule adjustments as warranted, in accordance with all CDC and CT Health Dept. protocol.**
2. Continue to help provide parks, courts and restroom improvements throughout City to provide enhanced safe outdoor recreation opportunities during pandemic and after. (MG3)  
**Meeting goal. Renovated Seaside West Beach showers and restrooms, Veterans Parks restrooms, new curbing and improvements to West Beach splashpad; new West Beach playground expected summer 2023; skate park and outdoor exercise area upgraded with new equipment; LED sign boards installed at entrances to Seaside and Beardsley; food truck pilot program at Seaside; credit card terminals installed at Seaside checkpoints; courts at Central HS, Newfield basketball, Washington basketball, Puglio tennis, Glenwood tennis and pickleball. Roofs and locker room improvements at Kennedy Stadium; Majestic Park memorial; St Mary's/Ash Creek sand spit grass plantings. New Wayne St Park completed. Among next projects: McGovern Park, Nanny Goat courts, Knowlton Pk bollards, Newfield Parks restrooms, Newfield Boat Launch reconstruction, Went Field playground, Perry Memorial Arch roofs.**
3. Continue improvements to City facilities. (MG3)  
**Meeting goal. Completed conversion of old Engine 10 on Putnam St. to new East Side Sr. Center. City Hall steps and ADA ramp to be constructed Feb-Oct 2023. Ralphola Taylor roof. Improvements to Howard Ave Police Station providing offices to eliminate rent-paying at substation. Replaced roof at Fire Training Facility at 236 Evergreen. New boiler at Police HQ. Police HQ roof decks re-construction to be completed 2023. Wonderland roof needs additional funding. City Hall offices to be rebuilt after TS Isaias—working with FEMA to ensure eligibility of next steps. Reconstructing Transfer Station wall. Horse Barn wall (historic) to be reconstructed summer 2023. Klein Memorial roof and masonry to be completed by summer 2023. One elevator at MMGC replaced with second to be done 2023. Partial list only; efforts ongoing.**
4. Replace and repair City building parking decks and roofs to address water infiltration which leads to weakened structures and potential health hazards. (Police HQ decks, Sylvan St PAL, Evergreen St Fire training facility, Klein, Kennedy Stadium, Wonderland of Ice). (MG3)  
**Meeting goal. Police HQ decks started summer-fall 2022 and should be complete summer 2023. Sylvan Ave PAL/Police Community Services roof replaced. Fire Training facility roof replaced. Kennedy Stadium roofs replaced. Wonderland roof needs additional funding.**
5. Rebuild offices in City Hall basement destroyed by flooding from tropical storm, including waterproofing building to prevent future flooding.  
**Meeting goal. Mitigation efforts to begin once approved by FEMA.**
6. Repave City parking lots to improve drainage and safety issues at Seaside Park, City Hall, and Wonderland of Ice. (MG3. MG4)  
**Meeting goal. City Hall and visitors parking areas to be complete spring 2023, then with continued funding on to Seaside and Wonderland according to professional evaluation of conditions and priorities.**

7. Continue to provide solid waste collection and disposal in most cost-effective and environmentally responsible manner available. (MG4)  
**Meeting goal. See Sanitation section for full discussion.**

FY 2022 – 2023 MEDIUM-TERM GOALS STATUS UPDATE:

---

1. Continue crackdown on illegal dumping through use of surveillance cameras and increased law enforcement. (MG3)  
**Meeting goal, ongoing, continuous effort. From July-early January, illegal dumping cleanup was performed on 332 days, devoted across 4158 sites, picking up 432 tons of bulk trash, 4000 pounds of metal and 1519 tires. Working with Police department, four additional cameras have been installed in strategic locations which has reduced the amount of illegal dumping at these locations by 75%. Working with Police department, additional cameras have been installed in strategic locations while improving access to tip-lines, resulting in citations and helpful news coverage. Illegal tire dumping is a particularly expensive issue for Public Facilities with volume of tires that must be generated by commercial operation. More than \$83,000 spent in FY21 on tire disposal fees alone, not counting labor. FY22 was able to gain more favorable pricing and reduce costs to \$60,000, but very high volume remains (one 40-yd container per week). Also, continuing to work with Health Dept to cite blighted properties and with OPED and OPM to maintain them if City takes over.**
2. Revise Transfer Station rules to hold commercial visitors responsible as such and charging them appropriately.  
**Reviewing and comparing other municipalities to create new fee structure to present to Council. Will likely need revised ordinances through cooperation with City Council, Mayor's Office and City Attorney. Adding resident lane to improve wait times and make access easier.**
3. Enhance operations of Licenses and Permits, updating fees and Ordinances as needed, to improve responsiveness of outside agencies cutting into city streets. (MG3)  
**Meeting goal, ongoing effort. New ordinance and updated fees under review. Two new positions requested for Permits Office for improved enforcement.**
4. Work with other key City departments to re-establish vigorous enforcement of alternate-side of street parking to provide better access to the curb for street sweeping, street vacuuming, snow removal and overall cleanup efforts. (MG3)  
**Continuing to work with Council members, Police, Administration, and Health departments to enhance and improve clean-up efforts.**
5. Continue to upgrade vehicle and equipment fleet, looking for opportunities to introduce more electric vehicles into regular use. (MG4)  
**Multi-year effort. Pursuing grants for electric vehicles and equipment. Examining whether electric service in new Garage and Vehicle Storage Building are sufficient. Also examining risk of catastrophic fire with indoor charging.**

FY 2022 – 2023 LONG-TERM GOALS STATUS UPDATE:

---

1. Continue trends in reduced energy consumption and expenditure levels.  
**Goal partially met. Working closely with Finance Director and professional energy consultants, directions taken this year: Locked-in 3<sup>rd</sup> party supplier of electricity, avoiding part of massive rate increase; continued with standard offer for natural gas supplier for microgrid as attempt two years ago with third party supplier did not lower costs; engaging in full audit of all electric accounts with outside firm at no cost/percentage-savings basis. Installed new lighting at Police HQ through UI Incentive Program and identifying next locations. Working with Parks to locate any areas where separate water metering would help lower sewer costs. New revenues continue from microgrid, with**

*demand capacity sales improving but remaining lower than expected due to many closures and widespread work-from-home due to pandemic response.*

2. Work with other officials to develop improved recycling structure.  
***Goal may be unattainable as it is a problem beyond the control of local officials or departments. Global markets have reduced the value of many commodities below zero. What had been a revenue to the City of approximately \$129,000 shifted to an expense of approximately \$535,000 for FY21 and \$293,000 for FY22. Just as rates were improving in FY22, they skyrocketed up to the highest levels ever – more than \$99/ton where they have remained for the first half of FY23, forcing us toward our biggest budget ever in FY24. If the City were allowed to treat some recyclables as solid waste until the market returns, that would help our expenses. But that would violate statutes, and changing those statutes is a non-starter with DEEP. Have met with municipal leaders from towns participating in interlocal group and resolved that no proposal that would reduce recycling costs for the towns would be supported at the state agency level.***

FY 2022-2023 ADDITIONAL TARGETED ACCOMPLISHMENTS:

1. Conducted approximately \$3.5M citywide paving program, covering approximately 24 lane-miles.
2. Designed 115 Highland Ave for relocation of remaining offices from 752 East Main St Health Dept. Evaluating bids.
3. Conducted Household Hazardous Waste Day, servicing more than a hundred households.
4. Landfill Hazardous Cell – Stewardship Permit/closure in process.
5. Sewer/Stormwater Separation Assessment for federally mandated MS4 Compliance underway – GIS mapping/inventory first step.

MUNICIPAL GARAGE

MISSION STATEMENT

The Municipal Garage has some responsibility for all City Vehicles. The entire fleet is registered through the Garage while maintenance is divided. The Garage maintains all City vehicles except for those utilized by the Police and Fire departments. The Garage schedules and performs routine maintenance to assure fleet safety, performs extensive repairs in-house, supervises repairs performed by outside vendors and maintains an inventory of parts to service vehicles and equipment. We operate within all State and Federal Standards.

The Garage performs these functions, totaling more than 3600 work orders annually on more than 700 vehicles and pieces of equipment, with one manager, one foreman, six mechanics, one welder, one servicer, one inventory-keeper and one clerk.

**FY 2023 – 2024 SHORT TERM GOALS (To be achieved within one (1) year or less):**

1. Purchase electric vehicles and other eco-friendly equipment through grant assistance awards in order to reduce fuel costs and reduce environmental waste. (MG4)
2. To utilize existing vehicle GPS tracking capabilities to identify and reduce vehicle idling. (MG4)
3. Initiate use of 3<sup>rd</sup> Eye Fleet Management System for the Sanitation and Recycling fleet to record missed trash pickup, blight, and unsafe driving. (MG3)
4. Establish a part-time permanent Fleet Mechanic position to reduce the cost of outside repairs.

**FY 2023 – 2024 MEDIUM-TERM GOALS (To be achieved within 1-5 years):**

1. Establish a truck washing station to help reduce maintenance expenses and extend the operational life of City equipment.
2. Repower older Tennants (litter vacuums) to help clean streets, city parks, and other public spaces. (MG3)
3. Lease additional Ravo vacuum sweeper that will help promote public health by keeping the streets clean from litter, leaves and dirt. Currently the Ravo has reduced operating costs by eliminating the need for dump truck driver for offloading. (MG3).
4. Complete the trade-in of all Ford Fusion vehicles (discontinued by Ford) for Hyundai Accents, in order to reduce labor and equipment costs.

**FY 2023 – 2024 LONG-TERM GOALS (To be achieved in greater than 5 years):**

1. Continue gradual replacement of heavy-duty trucks that were built before 2009 that do not meet EPA emission standards. All trucks built after 2009 must be equipped with emission controls systems such as catalyzed diesel particular filters (DPF), which helps reduce harmful nitrogen oxide (NOx) emission pollution. (MG4)

FY 2022 – 2023 SHORT-TERM GOAL STATUS UPDATE:

1. Apply for grants to help purchase electric vehicles and equipment that will be friendly for the environment and will help reduce fuel cost. (MG4)  
*Efforts ongoing. All city locations that will be supplied with charging stations must be inspected to make sure the building can handle any electrical upgrades needed to support the charging process. This process will need to be added to the grant or budgeted separately.*
2. Continue to auction all surplus equipment that's beyond its useful life.  
*Meeting goal, ongoing process. The Municipal Garage has worked with many departments throughout the city by helping them auction off aged and broken equipment and generate repurposed funds. The Garage has sold over 50 items and counting.*
3. To extend the useful life of the City's Heavy-Duty Snow trucks the Municipal Garage will sandblast, paint and repair the dump bodies to help reduce rust and corrosion.  
*Meeting goal, ongoing progress. With the help of our apprentice from Bullard-Havens, the Municipal Garage sand blasted and painted 3 snow truck bodies and 5 snow truck frames to help extend their useful life.*
4. Reduce vehicle idling by tracking GPS to help save the city on fuel costs and help reduce pollution. (MG4)  
*Meeting goal, efforts ongoing. Installed Nextraq GPS tracker on all phones and computers operated by supervisors, foremen, and managers, enabling them to monitor staff and reduce idling and lower fuel costs. All upper management has received training that will be extended to other departments.*
5. Continue to install backup cameras on snow trucks to enhance driver safety and reduce accidents during the winter months.  
*Progress ongoing. Due to the high volume of city accidents, the Municipal Garage is looking to invest in 360-degree camera systems that record all angles of city vehicles. This will help reduce accident discrepancies and should help decrease City attorney costs.*

FY 2022 – 2023 MEDIUM-TERM GOALS STATUS UPDATE:

1. Construct truck washing station to help extend life of City equipment and help control maintenance costs.  
*Not yet met, Public Facilities is currently in the process of hiring a Director of Construction Management to oversee many of city's projects.*
2. Reduce our parts inventory by auctioning old parts.  
*Efforts are ongoing, many parts have no value on current auction sites. Working with different city parts vendors and Purchasing Department for approval to sell back to vendors for credit to the city's account.*
3. Re-write the City owned vehicle policy.  
*Ongoing process, need vehicle operation information from other departments that don't fall under Public Facilities.*
4. Build a satellite repair station in the Vehicle Storage Building to increase in-house repairs.  
*Not yet met, the building needs electrical upgrades that need to be evaluated and budgeted.*

**FY 2022 – 2023 LONG-TERM GOALS STATUS UPDATE:**

1. Slowly replace all heavy-duty trucks that were built before 2009 that do not meet EPA emission standards. All trucks built after 2009 must be equipped with emission controls systems such as catalyzed diesel particular filters (DPF), which helps reduce harmful nitrogen oxide (NOx) emission pollution. (MG4)  
*Efforts ongoing. Auctioned many older vehicles and purchased many new emission friendly vehicles. Working on grants as well.*

**FY 2022 – 2023 ADDITIONAL TARGETED ACCOMPLISHMENTS:**

1. Hired Bullard-Haven student as a seasonal that was taught hands-on mechanical skills to help begin career as a Mechanic. The apprentice experience not only helped the student learn but also helped the City reduce small outside repairs.
2. Purchased 13 new Hyundai Accent vehicles that replaced 20-year-old vehicles that were beyond their useful life. The Accent purchase came with 3 years free oil changes and tire rotations along with a 10 year 100 thousand miles powertrain warranty that should help parts and labor expenses.

PUBLIC FACILITIES DIVISIONS  
FACILITIES MAINTENANCE

---

MISSION STATEMENT

The Facilities Maintenance Division is centrally involved in a wide range of functions: keeping the physical condition of all City Buildings (with the exception of Education Buildings) properly repaired and maintained, including heating and air conditioning, electrical, plumbing, carpentry, painting and masonry; providing custodial services for all City properties; administering utility consumption, rate purchases and energy efficiency programs throughout the City, including streetlights, traffic and decorative lights; maintaining all traffic signals and decorative lighting; assisting in evictions and capital projects; providing venues and decorations for numerous special events and programs.

The Facilities Maintenance Division provides operational and maintenance service and repairs for more than three dozen locations and all decorative lights with twelve tradesmen (two plumbers, four electricians, two painters, two carpenters and two masons), two maintainers and one leadman; provides custodial services for fourteen locations and numerous special events with sixteen positions; devotes one maintainer daily to assisting with evictions; all with support and management provided by Administration.

*Meeting goal. Improvements performed at fire houses, police stations, parks buildings, golf course buildings and more.*
4. Prepare last of old Producto building for demolition.  
*Multi-year project, efforts ongoing. Working to establish project management capabilities.*

FY 2022 – 2023 LONG-TERM GOALS STATUS UPDATE:

---

1. Continue to drive down utility consumption and costs across all City accounts. (MG4)  
*Goal partially met. Working closely with Finance Director and professional energy consultants. Directions taken this year: continued with standard offer for natural gas supplier for microgrid as attempt two years ago with third party supplier did not lower costs; engaging in full audit of all electric accounts with outside firm at no cost/percentage-savings basis. Installed new lighting at Police HQ through UI Incentive Program and identifying next locations. Working with Parks to locate any areas where separate water metering would help lower sewer*

FY 2023-2024 PROPOSED GENERAL FUND BUDGET  
 FACILITIES MAINTENANCE PROGRAM HIGHLIGHTS

*costs. New revenues continue from microgrid, with demand capacity sales improving but remaining lower than expected due to many closures and widespread work-from-home due to pandemic response.*

**FY 2022 – 2023 ADDITIONAL TARGETED ACCOMPLISHMENTS:**

1. Newfield Ave Deco lights – replaced approximately 70 heads.
2. Police HQ boiler replaced.
3. Provided larger gas line and Engine 3 to accommodate new stove.
4. New roof at Fire Training Facility 236 Evergreen
5. Police Community Services on Sylvan Ave – roof, interior paint, drop ceiling to lower level with new LED lighting.

PUBLIC FACILITIES DIVISIONS  
**ROADWAY MAINTENANCE**

---

MISSION STATEMENT

The Roadway Maintenance division of Public Facilities maintains the City's 829 lane-miles of roads and streets. This maintenance includes street sweeping, pothole repair, asphalt patching, the collection of illegally dumped trash, evaluation of road conditions, re-paving, maintenance of all traffic signs and street markings, snow removal from street and parking lots, and barricading streets when assisting Police or Fire Departments during emergencies or during special events such as parades and festivals. In addition, the Roadway Division conducts programs providing leaf collection and removal, Christmas tree disposal, cutting and removal of brush from City lots and abandoned buildings in coordination with the anti-blight initiative, sidewalk and curb repair, cleaning of catch basins and removal of downed trees during storms. The division also provides extensive backup manpower for Sanitation, Recycling and Transfer Station as well as assisting Maintenance with evictions and Parks with various projects.

FY 2023- 2024 SHORT TERM GOALS (Achieving in 1 year or less):

1. Continue crackdown on blighted properties and illegal dumping, working with Police and other departments to promote clean, safe public spaces. (MG3)
2. Dedicate more seasonal employees to paper picking and illegal pickup, thereby freeing up full-time employees for better efficiency performing core Roadway functions. (MG3)
3. Additional full-time positions to provide extral workforce for mad-vacs, sweepers, snow removal, illegal trash removal, brush and leaf pickup, potholes/patching and all the operations Roadway performs daily, but is regularly left with fewer than a dozen per day due to assignments in other divisions. (MG3)
4. Continue to work with central administration to gain increased parking enforcement and Police involvement to improve efficiency of street sweeping efforts. (MG3)
5. Continue to increase productivity and efficiency of pothole repair by utilizing our Durapatcher which can repair twice as much as our normal pothole crew on a daily basis, providing better street maintenance for improved economic development and public safety. (MG3)
6. Look for opportunities to add equipment to fleet that are electric, helping to reduce emissions. (MG4)

FY 2023 – 2024 MEDIUM-TERM GOALS (Achieving within 1-5 years):

1. Continue employee development through Public Works Academy covering: Professional & Communication Skills, Operational Safety, Road Fundamentals, Work Zone Safety/Flagger Certification, Chainsaw Safety & Storm Clean Up, and Winter Operations and Safe Snow Plowing.
2. Continue development of our Management Team through Road Master Program covering Basics of a Good Road, All About Asphalt Pavements, Principles of Drainage for Local Roads, On-the Job Safety and OSHA Regulations for the Local Road Personnel, Work Zone Safety for Maintenance Operations for Local Roads, Planning and Managing Local Road Snow and Ice Control Activities, Defensive Driving for Public Works, and Backhoe Safety and Operations.
3. Continue to cross-train employees on all equipment where applicable to ensure the safe operation of equipment, to prepare employees for promotion and to better utilize employees and equipment.
4. Additional training for supervisors on Bridgeport 311 so our response time is faster and proper department receives requests.

FY 2022- 2023 SHORT TERM GOALS STATUS UPDATE:

1. Continue crackdown on blighted properties and illegal dumping, working with Police and other departments to promote clean, safe public spaces. (MG3)  
***Meeting goal, ongoing, continuous effort. From July-early January, illegal dumping cleanup was performed on 332 days, devoted across 4158 sites, picking up 432 tons of bulk trash, 4000 pounds of metal and 1519 tires. Working with Police Department, four additional cameras have been installed in strategic locations which has reduced the amount of illegal dumping at these locations by 75%.***
2. Dedicate more seasonal employees to paper picking and illegal pickup, thereby freeing up full-time employees for better efficiency performing core Roadway functions. (MG3)  
***Partially meeting goal. Paper-picking and litter collection were performed on 472 days from July-Dec, collecting more than 141 tons, but seasonal employees were available less than planned due to lack of applicants. Supplementing City employees with four workers from outside agency providing second-chance opportunities.***

3. Additional full-time positions to provide extra workforce for mad-vacs, sweepers, snow removal, illegal trash removal, brush and leaf pickup, potholes/patching and all the operations Roadway performs daily, but is regularly left with fewer than a dozen per day due to assignments in other divisions. (MG3)  
***Partially meeting goal, multi-year process of getting full-time workforce restored to levels needed to perform basic functions. Department requested five new Maintainer I's for FY23 but received none. Department continues to devote significant resources daily to non-Roadway functions, especially Sanitation/Recycling, resulting frequently in having only 6-9 Roadway employees devoted strictly to core Roadway functions.***
4. Continue to work with central administration to gain increased parking enforcement and Police involvement to improve efficiency of street sweeping efforts. (MG3)  
***Ongoing effort. Enforcement of alternate-side parking is critical to efficient sweeping and avoiding merely running up the middle of the street.***
5. Continue to increase productivity and efficiency of pothole repair by utilizing our Durapatcher which can repair twice as much as our normal pothole crew on a daily basis, providing better street maintenance for improved economic development and public safety. (MG3)  
***Partially meeting goal. Ongoing effort. Machine tends to require experienced employees to operate effectively. Over-reliance on seasonals and multiple demands on existing workforce can result in inexperienced operators for Durapatcher, with less effective mixing and more frequent breakdowns. Need more consistent refill of vacant positions along with ability to devote Roadway personnel more consistently to Roadway activities.***
6. Look for opportunities to add equipment to fleet that are electric, helping to reduce emissions. (MG4)  
***Ongoing effort; looking into electric sweepers, madvacs, and fleet vehicles but concerns of electric infrastructure to charge equipment.***

FY 2022 – 2023 MEDIUM-TERM GOALS STATUS UPDATE:

1. Continue employee development through Public Works Academy covering: Professional & Communication Skills, Operational Safety, Road Fundamentals, Work Zone Safety/Flagger Certification, Chainsaw Safety & Storm Clean Up, and Winter Operations and Safe Snow Plowing.  
***Partially meeting goal as we continue to provide training every year such as Work Zone Safety/Flagger Certification, Winter Operations and Snowplow Training.***
2. Continue development of our Management Team through Road Master Program covering Basics of a Good Road, All About Asphalt Pavements, Principles of Drainage for Local Roads, On-the Job Safety and OSHA Regulations for the Local Road Personnel, Work Zone Safety for Maintenance Operations for Local Roads, Planning and Managing Local Road Snow and Ice Control Activities, Defensive Driving for Public Works, and Backhoe Safety and Operations.  
***Supervisors continue to take classes to develop their knowledge on Public Works activities and Safety Regulations.***
3. Continue to cross-train employees on all equipment where applicable to ensure the safe operation of equipment, to prepare employees for promotion and to better utilize employees and equipment.  
***Meeting goal but workforce limitations continue to cause shortages and constantly sending employees to other divisions in Public Facilities.***
4. Additional training for supervisors on Bridgeport 311 so our response time is faster and proper department receives requests.  
***Ongoing due to recent supervisors retiring and training new supervisors.***

ROADWAY MAINTENANCE PROGRAM HIGHLIGHTS

**FY 2022 – 2023 ADDITIONAL TARGETED ACCOMPLISHMENTS:**

1. For illegal dumping in FY22, a total of 2586 sites, consuming 451 man-days, resulting in 411 tons of bulk, 2 tons of metal and 1583 tires.
2. Leaf collection FY22: total of 809 man-days to collect 1312 tons of leaves over 222 days.
3. Street sweeping performed on 207 days, consuming 867 man-days, covering 11563 miles and removing 2067 loads of debris.
4. Potholes FY22: 12,043 sites over 144 days, consuming 357 tons of material and 418 man-days.
5. Patched 101 sites, using 221 man-days and 498 tons of material.
6. Continued to provide manpower to Sanitation/Recycling, Transfer Station, and other divisions to help with insufficient services in those activities. Frequently have fewer than ten Roadway employees available for actual Roadway duties each day.

PUBLIC FACILITIES DIVISIONS  
**SANITATION & RECYCLING**

---

MISSION STATEMENT

Sanitation Division provides weekly curbside collection of all general household solid waste in the City in compliance with all applicable City, State and Federal health, environmental and safety regulations.

The Recycling Division removes recyclable materials from the solid waste stream through collection and transportation to a regional intermediate processing center as prescribed by City ordinance. Recycling provides bi-weekly curbside household recycling collection of glass, metal food containers, newspapers, HDPE & PETE plastics while also providing recycling of tires, white metal goods and batteries through the Transfer Station. In addition, Recycling removes and processes leaves and tree trimmings for composting and use in City landscaping projects. All services are provided with strict adherence to all applicable Environmental Protection Agency & Department of Environmental Protection regulations.

The Sanitation/Recycling Division accomplishes these tasks with 31 total full-time positions: one manager, one foreman, 2 supervisors and 27 maintainers. There are 12 daily sanitation routes and 4 daily recycling routes, with each route performed by a crew of two.

FY 2023 – 2024 SHORT TERM GOALS (Achieving in 1 year or Less):

---

1. Continue to dispose of municipal solid waste in the most cost-effective and environmentally-responsible manner possible. (MG4)
2. Reduce number of daily open routes by adding to roster of Maintainer III's, thereby reducing wear on workers, reducing lost time and increasing available drivers for snow events while also then returning Roadway workers back to Roadway for that division's core functions (illegal dumping, sweeping and madvacs, potholes and patching / street remediations, blight cleanups, etc.). (MG3)
3. Continue safety training to sustain progress in prevention of work-related injuries and reduce open routes and related overtime; reduce the number and expense of Workers' Compensation Claims, equipment damage due to improper operation, and absenteeism due to injury. Safety training will include bending/lifting techniques, defensive driving, safe entrance/exit from vehicles and equipment, proper use of rollout carts and automated lifters, lock-out/tag-out training, blood-borne pathogen training.
4. Work with administration and Council to implement program where residents can buy replacement or additional rollout carts directly from the City. (MG3)

FY 2023 – 2024 MEDIUM-TERM GOALS (Achieving within 1-5 years):

---

1. Install new signage at condos for dumpster rules.
2. Update condo management contacts.
3. Implement a more detailed rollout cart tracking system to provide date delivered, address and serial numbers. (MG3)
4. Re-evaluate all refuse routes to ensure balance required by collective bargaining agreement (maximum 12 tons per route) while also reducing number of daily refuse routes from twelve to eleven.

FY 2023 – 2024 LONG-TERM GOALS (Achieving in greater than 5 years):

---

1. Continue to replace rollout carts gradually throughout City under General Fund to avoid capitalizing large expense all at once.

FY 2022 – 2023 SHORT TERM GOALS STATUS UPDATE:

---

1. Continue to dispose of municipal solid waste in the most cost-effective and environmentally-responsible manner possible. (MG4).  
***Meeting goal. As many municipalities in greater Hartford struggle to identify alternatives to the closing Materials Innovation and Recycling Authority (MIRA) plant and prepare to ship their solid waste hundreds or even thousands of miles to other states, the City's continued participation in the Greater Bridgeport Regional Solid Waste Interlocal Committee it helped originate more than three decades ago, and maintenance of its commitment to the Resco trash-to-energy plant, has been cost-effective and environmentally beneficial. That relationship also helped provide for capital re-investment that enables the local Resco plant to continue while the Hartford-based MIRA plant closes. That continued commitment to the Resco plant may be tested as the existing contract draws to a close and negotiations continue. Much higher rates expected.***
2. Reduce number of daily open routes by adding to roster of Maintainer III's, thereby reducing wear on workers, reducing lost time and increasing available drivers for snow events while also then returning Roadway workers back to Roadway for that division's core functions (illegal dumping, sweeping and madvacs, potholes and patching / street remediations, blight cleanups, etc.). (MG3)

**Not meeting goal. Twelve daily sanitation routes and four daily recycling routes require 32 Maintainer III's to perform. Instead have 27. That ensures a minimum of 2-3 open routes every day before accommodating other absences for sick, personal, vacation, or other, which then means replacements are drawn heavily from Roadway thereby diminishing that division's capacity to perform its core functions.**

3. Continue safety training to sustain progress in prevention of work-related injuries and reduce open routes and related overtime, the number and expense of Workers' Compensation Claims, equipment damage due to improper operation, and absenteeism due to injury. Safety training will include bending/lifting techniques, defensive driving, safe entrance/exit from vehicles and equipment, proper use of rollout carts and automated lifters, lock-out/tag-out training, blood-borne pathogen training.

**Meeting goal. Safety training continues, but increased absences due to protocols, limitations on gathering, and rotating cast of workers makes full coverage very challenging.**

4. Work with administration and Council to implement program where residents can buy replacement or additional rollout carts directly from the City. (MG3).

**Ongoing. Department requires residents reporting stolen carts to file Police report to get new one, but policy to provide direct purchase from department still in progress.**

FY 2022 – 2023 MEDIUM-TERM GOALS STATUS UPDATE:

1. Install new signage at condos for dumpster rules.

**Meeting goal. Review of condos continues. New signs posted to help reduce bulk items thrown in dumpsters and others to improve recycling compliance.**

2. Update condo management contacts.

**Ongoing. Vacant supervisor positions hampering coordinated effort.**

3. Implement a more detailed rollout cart tracking system to provide date delivered, address and serial numbers. (MG3)

**Meeting goal. Records of cart distribution in place.**

4. Re-evaluate all refuse routes to ensure balance required by collective bargaining agreement (maximum 12 tons per route) while also reducing number of daily refuse routes from twelve to eleven.

**Pandemic and increased work-from-home generated increased deliveries to homes, which has resulted in increases in tonnages such that reduction in routes not possible at this time. The new habits people have gotten into during the peak of the pandemic (increased home deliveries) continue. Tonnages down slightly from their peak, but not to pre-pandemic levels where we could potentially have eliminated a route.**

FY 2022 – 2023 LONG-TERM GOALS STATUS UPDATE:

1. Continue to replace rollout carts gradually throughout City under General Fund to avoid capitalizing large expense all at once.

**Meeting goal, gradually. FY21 distributed 2225 replacement rollout carts; FY22 distributed approximately same. FY23 through Dec 31 distributed 500. This is directly related to the reports of stolen carts. Need increased funding to provide greater number of replacement toters per year.**

FY 2023-2024 PROPOSED GENERAL FUND BUDGET  
 SANITATION / RECYCLING PROGRAM HIGHLIGHTS

**FY 2022 – 2023 ADDITIONAL TARGETED ACCOMPLISHMENTS:**

1. Continued to perform twelve sanitation routes and four recycling routes daily despite shortness in staff, and Covid restrictions.
2. Sanitation and Recycling continue to be among leaders in Public Facilities for fewest number of injury claims and workers’ comp lost time. Accomplishment admirable considering department history, illustrating effectiveness of accident investigations, shop-talk discussions, and zero tolerance approach.

RECYCLING FY 2023 – 2024 SHORT TERM GOALS (Achieving in 1 year or Less):

1. Work with elected officials to develop policies to reduce recycling costs while also reducing solid waste tonnages and avoiding increased costs overall. (MG4)

RECYCLING FY 2023 – 2024 MEDIUM-TERM GOALS (Achieving within 1-5 years):

1. Re-examine condo pickup schedules, deployment of dumpsters and rollout carts to improve recycling participation at condos, continue to drive up tonnages and reduce complaints. (MG3)

RECYCLING FY 2023 – 2024 LONG-TERM GOALS (Achieving in greater than 5 years):

1. Implement a detailed rollout cart tracking system to provide date delivered, address, serial number. (MG3)
2. Work with administration and Council to implement program where residents can buy replacement or additional rollout carts directly from the City. (MG3)

RECYCLING FY 2022 – 2023 SHORT TERM GOALS STATUS UPDATE:

1. Work with elected officials to develop policies to reduce recycling costs while also reducing solid waste tonnages and avoiding increased costs overall. (MG4)

***Goal may be unattainable as it is a problem beyond the control of local officials or departments. Global markets have reduced the value of many commodities below zero. What had been a revenue to the City of approximately \$129,000 shifted to an expense of approximately \$535,000 for FY21 and \$293,000 for FY22. Just as rates were improving in FY22, they skyrocketed up to the highest levels ever – more than \$99/ton where they have remained for the first half of FY23, forcing us toward our biggest budget ever in FY24. If the City were allowed to treat some recyclables as solid waste until the market returns, that would help our expenses. But that would violate statutes, and changing those statutes is a non-starter with DEEP. Have met with municipal leaders from towns participating in interlocal group and resolved that no proposal that would reduce recycling costs for the towns would be supported at the state agency level.***

RECYCLING FY 2022 – 2023 MEDIUM-TERM GOALS STATUS UPDATE:

1. Re-examine condo pickup schedules, deployment of dumpsters and rollout carts to improve recycling participation at condos, continue to drive up tonnages and reduce complaints. MG3

***Meeting goal; ongoing effort. Identifying problem areas, improving contacts and communication. Planning to replace dumpsters by end of calendar 2023 to extent funding available and ensure recycling containers in use.***

Recycling FY 2022 – 2023 LONG-TERM GOALS STATUS UPDATE:

1. Implement a detailed rollout cart tracking system to provide date delivered, address, serial number. (MG3)

***Working on utilizing SeeClickFix to track inventory more effectively. All new issues entered into system. Need dedicated person to record old inventory.***

2. Work with administration and Council to implement program where residents can buy replacement or additional rollout carts directly from the City. (MG3)

***Department requires residents reporting stolen carts to file Police report to get new one. This has created extra burden on Police, and they are helping to prepare a proposal for suggested solutions.***

**FY 2022 – 2023 ADDITIONAL TARGETED ACCOMPLISHMENTS:**

1. Continued to perform recycling routes daily, even while restricted by Covid guidelines.
2. Working with CT DEEP and State legislature in pursuit of extended responsibility for packaging of consumer goods and tires, a system where commercial generators of packaging share in its costs downstream.
3. To fight contamination of Recycling which drives up expense have applied two sets of stickers directly onto every rollout cart showing what is accepted and what is not, as well as NO PLASTIC BAGS stickers, which is very important. Direct mailer planned for spring 2023 as well.

FY 2023 – 2024 SHORT TERM GOALS (Achieving in 1 year or Less):

1. Get attention focused on huge volume of tires being disposed illegally. Commercial entities must be involved. City has been disposing of one 40 yd container per week on average. That’s approximately 400 tires per week. FY21 cost more than \$82,000 in disposal fees alone. FY22 brought a lower rate by going to a different vendor but disposed of 49 loads. FY23 is 23 loads in first six months.
2. Continue to save the City more than \$300,000 per year by operating the Transfer Station in-house, avoiding the cost of an outside operator.
3. Install covers for 40yd containers to limit run off and secure loads.
4. Complete update of existing signage to inform residents when entering facility and add new signage on Boston and Asylum St that will identify where facility is located.
5. Replace overhead doors with new ones that will be more reliable and energy efficient.
6. Replace retaining wall in pit.

FY 2023 – 2024 MEDIUM-TERM GOALS (Achieving within 1-5 years):

1. Work with City Council to revise rules, policies, ordinances to improve control over access to Transfer Station, including better identification of businesses, and applying charges more accurately so that true residential users stop subsidizing businesses demanding to be treated as residents, reducing costs and enhancing revenues.
2. Computerize records to help identify frequency of haulers and charge businesses as such.
3. Upgrade security to limit damage to equipment and stolen property.
4. Increase information for the community through citywide outreach on proper disposal of solid waste and recycling using social media and City webpage.
5. Upgrade existing equipment to excavator with clam to improve speed and efficiency when loading trailer.

FY 2023 – 2024 LONG-TERM GOALS (Achieving in greater than 5 years):

1. Improve verification of city residence for access to Transfer Station, thereby reducing expensive tonnage/tip fee and improving accounting for tons delivered to disposal/burn-plant, while also charging commercial haulers as such.

FY 2022 – 2023 SHORT TERM GOALS STATUS UPDATE:

1. Get attention focused on huge volume of tires being disposed illegally. Commercial entities must be involved. City is disposing of one 40 yd container per week on average. That’s approximately 400 tires per week. FY21 cost more than \$82,000 in disposal fees alone.

***Working with Housatonic Resources Recovery Authority (HRRA) and State Legislature to pass a bill that would help serve the municipalities not the manufacturers. Meanwhile huge expense***

*persists. FY21 cost more than \$82,000 in disposal fees alone. FY22 brought a lower rate by going to a different vendor but disposed of 49 loads for \$55,000. FY23 is 23 loads in first six months for almost \$27,000.*

2. Continue to save the City more than \$300,000 per year by operating the Transfer Station in-house, avoiding the cost of an outside operator.  
**Meeting Goal. Transfer Station operations taken in-house Aug 1, 2016. FY19 would have been third year of private vendor operator contract had City not taken over and would have cost \$835,000 per year. The proposed contract called for increases each year of \$100,000, so FY20 likely would have been a cost of \$935,000; FY21 over \$1.035M, FY22 \$1.135M, and FY23 at least \$1.235M. Instead, City continues to operate Transfer Station in-house, saving well over the original \$300,000 per year.**
3. Install covers for 40yd containers to limit run off and secure loads.  
**Goal not met due to manpower.**
4. Update existing signage to inform residents when entering facility and add new signage on Boston and Asylum St. that will identify where facility is located.  
**Meeting goal; adding new express lane to help residents gain faster access, and then signage will be updated.**
5. Replace old gates with new ones that will be more reliable and energy efficient.  
**Goal met, moving on to installing new overhead doors.**

FY 2022 – 2023 MEDIUM-TERM GOALS STATUS UPDATE:

1. Work with City Council to revise rules, policies, ordinances to improve control over access to Transfer Station, including better identification of businesses, and applying charges more accurately so that true residential users stop subsidizing businesses demanding to be treated as residents, reducing costs and enhancing revenues.  
**Meeting goal; ongoing process. Discussions initiated with Council members but nothing settled yet. Multi-year project involving other City departments, Administration and Council, as new policies need to be developed to improve verification and access to Transfer Station so that commercial entities representing as residents are identified and charged accordingly.**
2. Computerize records to help identify frequency of haulers and charge businesses as such.  
**Ongoing as we work toward changes to policies and ordinances.**
3. Add additional entrance lane to reduce wait time for residents.  
**Express Lane has been completed and in early spring line striping and signage will be installed to improve wait times for residents when entering transfer station.**
4. Upgrade security to limit damage to equipment and stolen property.  
**Fences repaired but no additional cameras yet.**
5. Increase information for the community through citywide outreach on proper disposal of solid waste and recycling using social media and City webpage.  
**Ongoing as we continue to utilize social media and webpage to inform residents of proper disposal of solid waste.**
6. Upgrade existing equipment to excavator with clam to improve speed and efficiency when loading trailer.  
**Still under review with operators and management.**

 TRANSFER STATION PROGRAM HIGHLIGHTS

---

**FY 2022 – 2023 LONG-TERM GOALS STATUS UPDATE:**

1. Improve verification of city residence for access to Transfer Station, thereby reducing expensive tonnage/tip fee and improving accounting for tons delivered to disposal/burn-plant, while also charging commercial haulers as such.

***Partially meeting goal. Improving verification is multi-year effort: previous years-initiated analysis of comparable municipal residential transfer stations, assessing operations, software applications, residential ID-tags, load-tickets, studying potential future pricing for pick-up trucks versus mason-dumps, utility rack-body trucks. Examining different systems for allocating resident access and charges. New ordinances likely needed. Administration, City Attorney and Council necessary for developing new policy which will have effect of charging some tons not being charged now.***

**FY 2022 – 2023 ADDITIONAL TARGETED ACCOMPLISHMENTS:**

1. Completed work with CT DEEP on all compliance issues and permitting. Reporting is done yearly to be in compliance with CT DEEP requirements.

**Department Goals /Objectives**

1. To welcome returning and new golfers with great customer service, clean and safe facilities, and the best playing conditions daily in all seasons. This includes adhering to all Federal, State, and local Covid-19 pandemic guidelines for Golf Course facilities.
2. To continue promoting Fairchild Wheeler Golf Course as a great recreation opportunity locally and regionally through marketing efforts coordinated through the Mayor's Office Communications Department as well as conducting outreach to local businesses and other outlets via the web and social media.

**FY 2023 – 2024 SHORT TERM GOALS (To be achieved within one (1) year or less):**

1. To complete the Front Black sand bunker refurbishment capital project on holes 1 thru 9 to improve safety and playability while saving on time and resources for repairs due to inclement weather conditions. This involves making substantial drainage improvements to the sand bunkers as well as incorporating new capillary concrete construction methods to recover playing conditions more quickly after severe rain events.
2. Continue additional cart path repairs/reconstruction on both the Black and Red courses and main building areas, and the snack bar welcome area. This includes adding additional subbase and/or asphalt on cart paths and tee approaches, improving drainage as well as guiding players to smooth transitions to and from tees, greens and between course holes.
3. Continue planting new ornamental flowering trees in areas of the golf course that will replace canopy loss from tree removals and provide enhanced vibrancy and color for players to enjoy.

FY 2023 – 2024 MEDIUM-TERM GOALS (To be achieved within 1-5 years):

1. To continue refurbishment of the Back Black 10 – 18 sand bunkers in the upcoming year that will be of the same level of quality and workmanship to the red sand bunker refurbishment for improved safety and playability while also reducing labor and hours restoring bunkers following inclement weather.
2. To complete additional cart path repairs for safety to increase rounds of play despite any adverse or extreme weather conditions that may arise. To plan improvements to the parking lot welcome area.

FY 2023 – 2024 LONG-TERM GOALS (To be achieved in greater than 5 years):

1. To update the (20) twenty-year-old irrigation system for better water efficiency and the newest technology for water management and conservation.
2. To revisit the Golf Course Driving Range feasibility study. The project could potentially increase revenues dramatically. To improve all welcome areas and facilities, including parking areas, to improve and update for future generations to continue enjoying this beautiful City-owned golf course.

FY 2022– 2023 GOAL STATUS UPDATE:

1. Back Red sand bunker project was completed in May 2021.
2. Front Red bunker project completed Spring 2022.

3. Front Black 1 – 9 sand bunker refurbishment bid results have been received and in progress to start Spring 2023 and complete by the peak Summer season 2023.

FY 2022 – 2023 ADDITIONAL TARGETED ACCOMPLISHMENTS:

1. Adhering to and following Federal, State, and local COVID-19 Pandemic Guidelines, the Golf Course re-opened in mid-May 2020. The Golf Course has continued to be a great success with increased play, revenue and rounds projected for FY2023.
2. The Golf Course is currently processing a new 5-year lease for Greens mowers that will replace older units to expedite the completion of time-sensitive jobs throughout the course while also eliminating course delays or distractions hampering the flow of play.

3. Completed repaving of the cart barn building area for safety and aesthetics.
4. The Golf course completed a new Tee design for 3 red, Spring 2022, adjacent to Park Avenue, turning the original tee box to a leftward angle to help address safety concerns and liability of road traffic and schools.
5. The Golf course will be installing driving range mats, Spring of 2023 to replace old worn-out mats with new ones to be more appealing to customers, improve safety and enhance aesthetics.
6. The Golf Course is working on the purchase a new Pesticide Sprayer, Spring of 2024 for proper application usage / calibration, safety, and more efficiency to the target areas – less drift and safety to the environment, golfers and staff.

Goals	Original target percentage (%) of goals to be completed July - June (2022-2023).	Actual or Estimated percentage (%) of goals achieved July-June (2022-2023).	Reason for shortfall/success.
<b><u>FY 2022-2023 Short-Term Goals (Less than 1 year).</u></b>			
Goal#1	100	100	Completed Front Red sand bunker project.
Goal#2	100	100	Refurbishment, paving of cart barn area was completed in summer 2022.
Goal#3	100	40	Start Front Black bunker refurbishment of sand bunkers 1 – 9. Currently in progress with Bid results in.

**BEARDSLEY ZOO**

---

MISSION STATEMENT

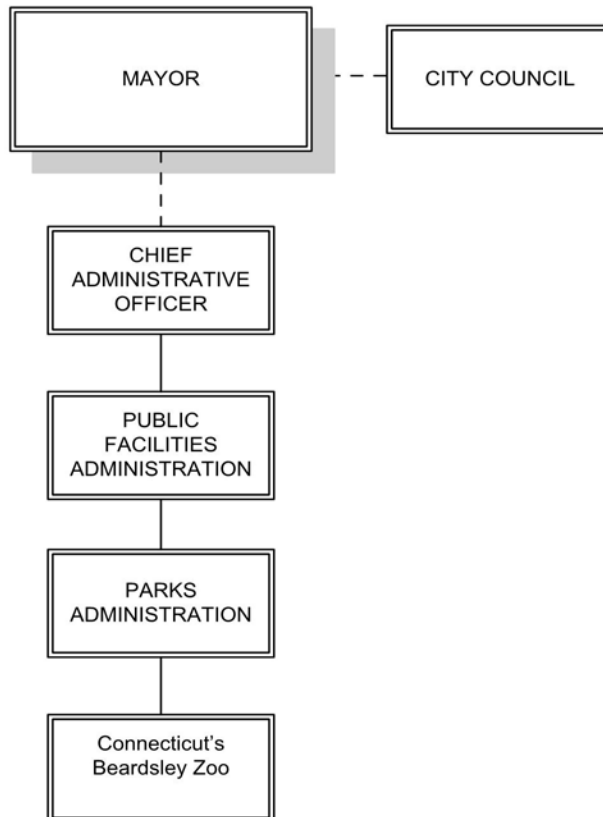

Connecticut's Beardsley Zoo is dedicated to acquainting a diverse public to the delicate balance that exists between living things and their environment.

Animal exhibits, plantings, graphics, and Zoo programs are presented in such a manner as to give the visitor a sense of awareness and concern for the intricate beauty and fragility of our planet. This mission is achieved by a formal master plan comprised of the following goals:

*Education:* Achieved through staff involvement and training, outreach and in-house formal programs, workshops, lectures, docent volunteers, natural animal exhibits, informational and interpretive graphics, and research utilizing staff, universities and other zoological facilities.

*Conservation:* Achieved through participation in endangered species programs such as AZA's Species Survival Program and additionally through professional animal and veterinary care and a comprehensive animal management policy.

*Recreation:* Achieved through state-of-the-art exhibit design, well-run visitor services and by maximizing the natural and park-like setting with formal and informal landscaping.

FY 2023 – 2024 SHORT TERM GOALS (To be achieved within one (1) year or less):

- Project:** Tiger Holding building to be constructed to house more tigers in a much larger building with bigger dens, nursery, kitchen, and night yard. This would be phase one of total project.
- Project:** Prairie Dog renovation. A reimagined habitat with mine tunnel entrance and exit areas, ADA added viewing, guest seating, and glass containment.
- Project:** Opening of Andean Bear spring 2023
- Project:** Completion of Kathy Brady Education Center, formally Research Station.
- Program:** Complete DEI evaluation for implementation.
- Project:** Deferred Maintenance Construction projects around Zoo, New roofing, painting, pathways etc.
- Program:** Set up educational programs for 2023 season to focus on Bears. Using the opening of the new Andean Bear Habitat the Zoo will spotlight all bears through graphics and education.

FY 2023 – 2024 MEDIUM-TERM GOALS (To be achieved within 1-5 years):

- Project:** Finish Tiger Habitat renovations. Major project with area more than doubled in size
- Project:** Greenhouse Renovations. Enhance guest experience and increase energy savings.
- Zoo:** Work to procure 5 million dollars in State Bonding for parking expansion and new Condor Habitat.
- Zoo:** AZA accreditation
- Project:** New Condor Habitat. If State funds are not secured, project still needs to be completed.

FY 2023 – 2024 LONG-TERM GOALS (To be achieved in greater than 5 years):

- Zoo –** Long term funding for Zoos next one hundred years.
- Zoo –** Update Masterplan for Zoo expansion.

FY 2022 – 2023 GOAL STATUS UPDATE:

- Project –** Renovation to be completed of Zoos New England Farmyard. New guest sidewalks, all within ADA parameters, new enlarged areas for goats, sheep, etc. Large barn renovation to include bathrooms, open area learning, small habitats for small farmyard creature, rental space for birthday parties’ rentals etc. (Due to Covid this project was put on hold for most of 2020. The

- completion of this project will also allow guest more space in the Zoo to walk with social distancing) **Project Status: Complete**
2. **Project**– Andean Bear project should begin construction this spring and the time frame for completion is 2022. **Project Status: Completed Fall of 2022 will have ribbon cutting ceremony spring 2023**
  3. **Project** – Greenhouse renovations to increase energy efficiency for north side of glass rooms. **Project Status: Funds now available through Sate bonding. Paperwork and City/State processes started to receive funding.**
  4. **Programs** – Work on shoulder season programs to increase attendance in non-traditional visit times. Winter Wonderland Walk gave reasons for guest visits and to get them out of the house for a safe outdoor activity. **Program Status: Completed with the advent of Glow Wild program. 45 thousand guests through September November Thursday through Sunday.**
  5. **Programs** – Investigate a trackless train ride for guests this summer. Give the guests additional recreational opportunities with family. **Program Status: still pending.**
  6. **Project** – Tiger Habitat. Work with architect to look at a phase one construction for rehab to Tiger exhibit. Investigate work on old building and older holding to create a larger and more aesthetic habitat. **Project Status: Architect working now on construction documents for possible Spring 23 start.**
  7. **Animals** – Look to add more animals, such as Bison, as signature conservation species that have visitor appeal. **Project Status: work in progress.**
  8. **Zoo** – Work on Programs and events for 2022 100<sup>th</sup> anniversary for Zoo. **Status: 2033 was a banner year for Zoo with many many events completed.**
  9. **Zoo** – Begin work to procure a large bond request from State of Connecticut for 100<sup>th</sup> anniversary. **Status: Zoo received 4.1 million dollars from State bonding for Tiger and Greenhouse.**
  10. **Zoo** – Begin now for next AZA Accreditation cycle in 2024. **Status: In process.**

FY 2022 – 2023 ADDITIONAL TARGETED ACCOMPLISHMENTS:

---

1. **Zoo:** Opened Community Corner building to allow local vendors a place show their wares to a different base.
2. **Zoo:** Started work on renovations to Butterfly Gardens and Research Station. New pathways, pergola and building to be repainted.
3. **Zoo:** New Wolf Sculpture installed.
4. **Zoo:** Many programs rebooted with Covid issues eased.
5. **Program:** Hosted a Summer long free flight Bird Show in new Adventure Amphitheater

4. To continue providing outstanding leadership and staff support at all City Parks, including Seaside Park and Beardsley Park during the summer peak season most notably with lifeguard and checkpoint staffing. For all City-permitted sports and event activities in parks, provide additional monitoring and staffing that ensures all organizations and their participants meet daily adherence and compliance with State and Local COVID-19 Guidelines. (MG1, MG2, MG3)

FY 2023 – 2024 MEDIUM-TERM GOALS (To be achieved within 1-5 years):

---

1. To develop new and innovative activities to engage children, youth, and young adults in educational, health conscious, and environmentally friendly activities. (MG1, MG3)
2. To expand upon the recreational activities offered to Adults and Senior Citizens in Bridgeport and to provide a progressive and varied assortment of fitness classes and other health related activities. (MG1, MG3)

FY 2023 – 2024 LONG-TERM GOALS (To be achieved in greater than 5 years):

---

1. To continue to foster relationships with other municipal departments and community organizations with an effort to deliver an assortment of activities to all Bridgeport residents. (MG1, MG2, MG3)
2. To provide comprehensive up-to-date web content on the City website and Facebook Page detailing news and information about departmental programs. (MG1, MG3)

FY 2022-2023 SHORT TERM GOAL STATUS UPDATE:

---

1. To provide recreation programs for youth, adults, and senior citizens in the Park City.  
***All city residents are eligible to participate in the programs offered by the Recreation Department. Most of the programs offered are free or very-low cost. The Seaside Park Summer Day Camp enrolls over 100 children yearly. The Night Recreation program is offered at five middle school sites throughout the city from January through April each year. This program provides recreation activities for over 1600 children and young adults. The Recreation Department has continued its partnership with the Department on Aging, as well as other senior community centers to bring senior citizens from all neighborhoods of the City together. For city residents and visitors to Seaside Park, the Recreation Department facilitated Seaside Park Lifeguard Safety to ensure the safety of thousands of visitors throughout the summer. In addition, athletic field usage and event permit requests were processed by the Parks and Recreation office staff throughout the year and followed all State and local COVID-19 guidelines.***
2. To expand opportunities for youth to support and reinforce good behavior. To coordinate the Boys and Girls Middle School Basketball League through partnership with the Board of Education Athletics Department and reinforce the principles of sportsmanship and teamwork that the program inspires.  
***The Parks and Recreation/Board of Education Middle School Basketball League is offered for 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> grade boys and girls. 21 schools participate each year. The 2023 season includes 21 boys'***

*and 19 girls' teams. The games take place at Bassick, Central, and Harding High Schools on Saturdays. The duration of the league is January through March.*

3. To provide exceptional support to youth and young adults who are entering the job field in Recreation and related areas.

*The Recreation Department provides employment opportunities for seasonal positions. Jobs include Summer Camp Counselors, Night Recreation Counselors, Park Checkpoint Attendants, and Lifeguards. For returning Lifeguards, the Department supports and sustains this community of certified lifeguards with attention to maintaining their practice and skill set as required by the American Red Cross.*

*\*\*During the 2022-23 Season- 30 checkpoint attendants, 27 summer camp counselors, 26 lifeguards, and 22-night recreation staff were employed by the Recreation Department. All staff were provided the necessary guidance, PPE and supplies to safely fulfill their duties daily while serving the public during COVID-19.*

4. To continue providing outstanding leadership and staff support at Seaside and Beardsley Parks during the summer peak season most notably with lifeguard and checkpoint staffing.

*The Recreation Department facilitated the 7 day-a-week operation of park checkpoint booths from Memorial Day through Labor Day in 2022 at Seaside Park and Beardsley Park. Park checkpoints entail issuing park stickers and passes and the collection of fees for all vehicles entering city parks. The Recreation Department also staffed Pleasure Beach from 4<sup>th</sup> of July through Labor Day. With the help and guidance of the Chief Administrative Office as well as the Finance Department credit card purchases of park stickers at check point booths were facilitated during the season. In 2022 all Recreation staff were briefed on COVID-19 guidelines and were instructed to monitor the operation of all parks in partnership with the Police Department and Public Facilities. Seasonal Lifeguards staffed Seaside Park and Pleasure Beach 7-days-a-week for the summer season in 2022 to ensure the safety of the public.*

FY 2022-2023 MEDIUM TERM GOAL STATUS UPDATE:

---

1. To develop new and innovative activities to engage children, youth, and young adults in educational, health conscious, and environmentally friendly activities.

*The Night Recreation program is offered at 5 recreation sites: Blackham, Cesar Batalla, Jettie Tisdale, Luis Marin, and Roosevelt Schools. The program offers youth and young adults free opportunities to participate in supervised recreation activities three nights per week, including basketball, soccer, and swimming. The Night Recreation Program offers youth swimming instruction during the Spring season.*

2. To expand upon the recreational activities offered to adults and senior citizens in Bridgeport and to provide a progressive and varied assortment of fitness classes and other health related activities.

*The Recreation Department coordinates various activities for adults and senior citizens throughout the year including the Annual Senior Picnic at Seaside Park that serves over 1000 seniors. The Recreation Department also supports activities and programs for Bridgeport seniors at the Eisenhower Senior Center, Bethany Senior Center, Black Rock Senior Center, and East Side Senior Center including Arts and Crafts, Zumba, Line Dancing, and Chair Exercises. The Department also supports the various senior housing facilities throughout the city and facilitates the Greater Bridgeport Transportation Authority (GBTA) Dial-a-Ride Transportation Program. The Night Recreation Program offers supervised athletic activities for adults at the five recreation sites and coordinated adult swimming instruction for adults at city pools.*

**FY 2023 – 2023 LONG TERM GOAL STATUS UPDATE:**

1. To continue to foster relationships with other municipal departments and community organizations with an effort to deliver an assortment of activities to all Bridgeport residents.

*Other municipal departments have joined the Recreation Department at various events to support city-based recreation activities. The Department on Aging partners with the Recreation Department to coordinate various programs and activities for senior citizens. The Recreation Department and Board of Education Athletics partnership coordinates the Middle School Sports Program which includes basketball. The Department of Public Facilities and Board of Education have provided assistance for many recreation activities and events throughout the city on a yearly basis. Local youth and adult sports organizations have a partnership with the Parks and Recreation Department through scheduling of their events at Park fields and facilities. In 2022-2023, (10) baseball organizations, (8) softball organizations, (12) soccer organizations, (1) lacrosse organization, (3) football organizations, (2) tennis organizations, (1) rugby organization, and (1) track organization were registered with the Parks and Recreation Department and followed all state and city safety protocols during Covid-19 to ensure a safe environment for all players, coaches, officials, and spectators. The Recreation Department looks forward to continuing to monitor all permitted sports activities in the coming months with a focus on compliance with State and Local COVID-19 Health Guidelines to protect the health and safety of all participants as well as staff and appreciates the community’s efforts in implementing best practices to stop the spread of COVID-19.*

2. To provide comprehensive up-to-date web content on the City website and Facebook Page detailing news and information about departmental programs.

<https://www.bridgeportct.gov/parksandrec> and the [Parks and Recreation Facebook page](#) is updated regularly to provide new information to the public including new offerings and activities. The [Facebook page](#) is also used as a tool to post weather cancellations and other pertinent information needed in a timely manner. In 2022-2023 the Recreation Department worked closely with the Mayor’s Office, Chief Administrative Office and Public Facilities and Health Department to provide updates and helpful information related to COVID-19.

**FY 2023 - 2024 SHORT TERM GOALS (To be achieved within one (1) year or less):**

1. Memory workshop that will challenge the seniors mind, teach them importance of diet and nutrition, find meaningful engagement in the aging process, importance of sleep, and lessons on living longer. (M-3)
2. The Department on Aging in collaboration with Cardinal Shehan Center will hold a senior cooking class once a week to teach the importance of healthy cooking. (M-3)

**FY 2023 - 2024 MEDIUM-TERM GOALS (To be achieved within 1-5 years):**

1. Bring in a dietitian on a quarterly basis to teach the seniors healthy eating. (M-3)
2. Continue to provide education on senior fraud protection and scamming. (M-3)

**FY 2023 - 2024 LONG-TERM GOALS (To be achieved in greater than 5 years):**

1. Continue to advocate and provide the resources seniors need to better their lives. (M-3)
2. Continue to improve our seniors' health and wellbeing. (M-3)

**FY 2022 - 2023 GOAL STATUS UPDATE:**

1. Continue to provide education on COVID-19 related issues, so that our seniors can stay healthy and safe. **We are constantly reminding seniors on COVID protocol and making sure that each senior has the necessary items to protect themselves against COVID. We have masks and COVID kits to distribute if anyone is in need.**
2. While the Center is closed, we are making wellness calls to encourage our seniors to stay active, exercise regularly, play brain games and stay connected to their family and friends. We are also providing goodie bags with items that will strengthen their motor skills. **This was achieved 100%. The members were extremely appreciative of the goodie bags and brain activity books that we dropped off during the months we were closed.**
3. Provide information or referrals to our membership on how they can access healthy food, hygiene products and any other social service needed. **We have a counter with pamphlets for the seniors to take that provide names of organizations and telephone numbers.**

FY 2023-2024 PROPOSED GENERAL FUND BUDGET  
DEPARTMENT ON AGING PROGRAM HIGHLIGHTS

***Our staff is always ready to help the members with any referrals or applications that need to be processed.***

4. We created a survey on what the membership's expectations of the Center are, however, due to the pandemic we were unable to have the members complete the survey. We would like to have each member fill out the survey by the end of the year. ***Survey is 50% done, it should be complete and distributed by the end of this fiscal year. There are some revisions to the survey that need to be done.***

**FY 2022 – 2023 ADDITIONAL TARGETED ACCOMPLISHMENTS:**

1. Continue to receive Grant monies from Southwestern CT Agency (SWCCA) in order to continue activities.
2. Partnered with YMCA in providing a pool for the seniors to go swimming. Swimming is a good way for our members to relax the body and the mind, it can also help to reduce stress and anxiety, boosting both mental and physical health.
3. Finalized and executed the Agreement between the City and Fones School of Dental to continue providing dental education and dental cleaning to the seniors.

\*\* Please note Recreation Budget Line Item 01350000-41676 budgeted at \$603,3000. The actuals indicated in this table reflect actuals as indicated in Munis on 1.23.2023.

1. To continue providing the best quality of service to City residents and visitors throughout over 50 parks and open spaces we maintain while prioritizing safety and cleanliness. This includes ensuring all parks and park facilities adhere to Federal, State, and local COVID-19 guidelines as applicable to events, gatherings, and promoting and supporting best practices to stop the spread. (MG1, MG3)
2. To continue to work closely with the Administration, Parks Board of Commissioners, Police Department, Public Facilities, and all City Departments and residents of Bridgeport to ensure safe recreational havens are available in all parks. This includes the development of wayfinding signage for Beardsley and Seaside, the posting of Rules and Regulations signs in highly visible areas to inform the public at all parks to deter vandalism and provide better grounds for enforcement. (MG2, MG3)
3. To enhance, maintain and protect the urban tree canopy through proper tree care and maintenance practices. To implement citywide street tree plantings and encourage residents to engage in environmental stewardship in their neighborhoods while strengthening their sense of community. This includes the ongoing development and formation of a skilled and professional in-house tree maintenance crew to help offset overall outsourcing costs for daily tree maintenance work. While the need to contract for arborist services will continue to remain, the department would benefit greatly from equipment and staffing to manage certain tree trimming and removal projects through in-house means, provided staff is trained with the techniques and equipment needed. The department has already increased greatly its capacity to respond and complete tree work within the City and park system. (MG3, MG4)
4. To Increase Training Opportunities and Professional Development for Parks & Recreation staff. (MG3)

FY 2023 – 2024 SHORT TERM GOALS (To be achieved within one (1) year or less):

1. To increase Parks Administration as well as Parks Maintenance Division full-time staff. A new staffing organizational chart is recommended in order to update the department to the needs of today within each division. Based on Department of Parks and Recreation input proposed changes can be discussed and evaluated based on their merit and the direct experience and knowledge within the department. More clearly assigned duties, work description and expectations and responsibilities can be defined to department staff appropriate to the title and daily requirements and schedules. The re-organization needs to be developed respectfully in an open and transparent manner to better achieve the City's goal to be responsive to the community, make overall workflow more efficient and streamlined, and better serve residents on a scale adequate for Bridgeport's sizeable and growing park system and population. This is critical to eliminate any communication deficiencies, provide leadership and direction, increase work productivity and continue to create a safe and healthy work environment and ultimately increase morale while avoiding any onset of fatigue. How else can the department meet the challenges and opportunities of an everchanging environment, especially after facing the COVID-19 pandemic? (MG3, MG4)
2. To continue providing parks and facilities that are clean and safe on a daily basis for the Bridgeport community and to support events and activities that promote the health and well-being for all Bridgeport residents. This includes daily maintenance and/or renovations of all park playgrounds and splash pads, fields, picnic areas and restrooms. (MG1, MG2, MG3)

2023-2024 PROJECT GOALS:

- a. To Install a new all-inclusive playground at Seaside Park West Beach and expand and update playscape and site improvements at McGovern Park at Beechwood and Norman. To initiate Went Field Playground replacement and prepare for future year replacement of older model playgrounds and swingsets located at Success, Washington, and West Side II.
  - b. To Complete Nanny Goat Park (Lafayette) Basketball Court Reconstruction and initiate the process to resurface courts and add handball recreation at Went Field and re-construct tennis courts at Newfield Park.
  - c. To complete field improvements at Seaside and Beardsley Parks and execute the implementation of the State of Connecticut Dept. of Energy and Environmental Protection Grant at Ellsworth Park.
  - d. To continue making progress replacing outdated pieces of equipment in the Parks fleet through the Parks Capital Equipment; request for funding consideration to help the Parks Maintenance Division keep parks clean and operations running smoothly.
  - e. To complete the Newfield Park Restroom Renovations and make the restroom more accessible.
  - f. To Complete the Public Facilities project to install LED Signage for Informational Outreach for City Park Events at Seaside Arches, West Beach and at Beardsley.
3. To assemble and/or prepare funding support packages for park projects already in progress or nearing completion, either through grant applications, capital requests or other public/private partnerships. This includes the initiation of a Parks Needs-Assessment citywide in partnership with the Trust for Public Land and the community, the first for the department in over 10 years. (MG1, MG2, MG3, MG4)
  4. To create and facilitate venues and safe spaces for more outdoor health, fitness and recreation activities for all Bridgeport residents to enjoy.
  5. To provide a safe and reliable venue for economic growth on the local level for healthy and enjoyable food access. This includes for the department to release a new request for proposals

to award and provide service for Seaside Beach Grove Concession, Seaside Beach West Beach Concession, and an improved food truck facilitation policy following the initial pilot trial program in 2022 for vending at City parks that will facilitate more diverse food options in designated areas while also generating revenue without straining/depleting already scarce resources. This also includes promoting and assisting with the Puglio Park Concessions Pilot Program in partnership with the Bridgeport Youth Lacrosse Organization as approved by the Board of Park Commissioners. (MG2)

6. Continue, in partnership with the You Are Not Alone (YANA) organization, the Majestic Garden, Field of Hope, Healing and Renewal, in memory of all Victims of Violence at Majestic Park to raise community awareness and combat all forms of violence on the local level, especially Gun Violence, while promoting peace. (MG3)
7. To create a comprehensive beautification plan encompassing several parks and neighborhood corridors that shall not only provide plantings at monuments but to also enhance key gateways with a plethora of improvements. This may include working with Public Facilities and OPED to introduce more litter receptacles, hanging planters onto existing decorative lamp posts and/or concrete planters in select visible locations in partnership with local community groups and organizations for a greater positive impact. This also includes collaborative efforts involving tree planting not only in parks but also on City streets where tree canopy may have been lost due to pests, development, poor health, old age and other environmental factors. (MG1, MG2, MG3, MG4)

2023-2024 PROJECT GOALS:

- a. To support the implementation Groundwork Bridgeport's Urban Forestry Program. To support other urban forestry initiatives from various non-profit environmental organizations such as The Nature Conservancy and volunteer-based organizations such as the Black Rock Garden Club, Stratfield Historic District, and the Seaside Park Health and Wellness Trail.
- b. To continue to strengthen partnerships at St. Mary's by the Sea and help continue to make progress with the Ash Creek Sand Spit Resiliency Efforts in partnership with the town of Fairfield and other environmental non-profits such as the Ash Creek Conservation Association, among others. To reciprocate similar environmental-awareness and improvement efforts along Johnson Creek, the Pequonnock, Upstream on the Rooster River, and Yellow Mill channels, as well as Long Island Sound.
- c. To continue to assist with the Parks-Board-approved Seaside Park Gateway trail in partnership with the Fairfield Garden club and the South End community.
- d. To continue to support implementation efforts to improve Svihra Park with Green Infrastructure efforts being led by the Public Facilities Sustainability Program, Nature Conservancy in partnership with Read School and CTDEEP.

FY 2023 – 2024 MEDIUM-TERM GOALS (To be achieved within 1-5 years):

1. To create and facilitate venues and safe spaces for more outdoor health, fitness and recreation activities for all Bridgeport residents to enjoy including the following:
  - a. Initiate Kennedy Stadium Campus Capital Requests, including construction of a new running track at Kennedy Stadium to make it safer and more enjoyable for the public while also increasing the opportunity for expanded programming. This includes the potential incorporation of a multi-use synthetic turf field at Central High School Diamond I to greatly improve high school field conditions and provide high quality athletic facilities and support access to the community. The support of the improvements at Kennedy Stadium and the Central High School Campus, as neighbors to the Wakeman Boys and Girls Club currently in

---

- construction, should be made a priority with all levels of government, for the Bridgeport community.
- b. To Construct new facilities at Went Field including new courts, picnic areas, play areas and a neighborhood walking track.
  - c. To enhance picnic areas at Beardsley Park and Seaside Park as well as other neighborhood parks such as Newfield and Went Field with new picnic tables, grills and other amenities. In certain park areas consider the introduction of inter-generational recreation areas, dog parks, fitness spaces and picnic pavilion shelters in the effort to provide additional comfort for residents and park visitors.
  - d. To update outdated playground equipment at Nannygoat/Lafayette, Seaside, Washington, William Barnum Lot and West Side II, and to review areas where certain playground or family amenities may be able to be introduced such as at Clinton Park and James Brown/Waterview Park.
  - e. To expand outdoor fitness equipment at Newfield Park and renovate the stone dust walking track areas with a better surface.
  - f. To ensure all safety and security measures such as public safety cameras previously installed in coordination with the Police Department are operational and prepare for future installations in accordance with their guidance.
  - g. Outdoor Fitness Campaign at Beardsley Park (MG1, MG3).
2. To streamline all park permit processing and integrate a web-based application to streamline internal processes and communications within several departments involved in department permits. To update the Parks and Recreation Department website with help from Public Facilities Administration, ITS and the Office of Communications to better communicate information about the Bridgeport Park System, its programs and various events. To revise small and large event permitting processes so that a better structure is in place to cover City costs and/or generate revenue.
  3. To improve existing facilities to promote health, safety and well-being to the community. The department shall review areas where heavily used fields can be updated with synthetic turf and other updated and upgraded amenities to improve playing areas. (MG1, MG3)
    - a. Central High School, Kennedy Stadium Diamond 1, field area can accommodate multiple uses if updated with a new layout and surface.
    - b. Improve the Washington Park restrooms and restore the front room and façade of building for community activation/usage.
    - c. To continue to beautify and better define and make safe streetscape around Old Mill Green as part of the ongoing help and development of the neighborhood gateway of the East Side and Boston Ave, Mill Hill. This may require increased communication with Public Facilities, Engineering and the State Dept. of Transportation to see how to enhance and make the open space thoroughfare safer for the benefit of the community. Simple curbing and sidewalk replacement as requested to the Public Facilities Administration around these open space areas would greatly aid in this effort.

FY 2023 – 2024 LONG-TERM GOALS (To be achieved in greater than 5 years):

1. To explore opportunities for increased collaboration and public private partnerships to enhance arts, culture, events, and programming in the parks through sponsorships and collaboration. (MG2)
2. To start the assessment, improvements and promotion of available walking trails located within the Bridgeport park system. During COVID-19 pandemic, the public interest in finding parks and areas to maintain social distance and enjoy the outdoors were heightened. Urban wooded hiking

trails present a great opportunity for the community to enjoy nature in the Park City. (MG1, MG2, MG3, MG4)

3. To identify green economic improvement opportunities to make parks more environmentally sound and resilient whether it be through green infrastructure, sustainable initiatives and/or other climate change initiatives. This may take on the form of electronic charging stations in certain parks or park areas, decreasing waste and increasing recycling and improving energy efficiency by incorporating LED upgrades to sports field lighting where the City can gain significant savings in energy expenditures. This also includes evaluating possible new facility locations where Parks Maintenance Division Operations can be based, planning and possible relocation if needed. (MG4)

**FY 2022 – 2023 GOAL STATUS UPDATE:**

1. To continue providing the best quality of service to City residents and visitors throughout over 50 parks and open spaces we maintain while prioritizing safety and cleanliness. **FY 2023 – 2024 SHORT TERM GOALS (To be achieved within one (1) year or less):**

1. Transfer ownership of airport to Connecticut Airport Authority (CAA). (MG2)
2. Pursue necessary pavement and phased runway safety and object free area repairs to Runway 11-29. (MG2)
3. Increase airport revenue and continue to effectively operate the airport while sustaining financial self-sufficiency. (MG2)

**FY 2023 – 2024 MEDIUM-TERM GOALS (To be achieved within 1-5 years):**

1. Regain commercial airline service while continuing to support corporate, private, and general aviation. (MG2 & MG3)
2. Pursue flooding feasibility study and assessment. (MG3)
3. Pursue wildlife hazard fencing improvements. (MG3)
4. Replace Air Traffic Control Tower using infrastructure funding. (MG3)

**FY 2023 – 2024 LONG-TERM GOALS (To be achieved in greater than 5 years):**

1. Pursue projects recommended by the 2021 Airport Master Plan and 2022 Environmental Assessment (EA). (MG2)
2. Replace airport maintenance and snow removal vehicles as they approach their service life limits. (MG3)
3. Pursue airport infrastructure improvements. (MG3)

**FY 2022 – 2023 GOAL STATUS UPDATE:**

1. Runway 11-29 Repairs – After several administrative delays, the DECD grant contracts are complete and the repairs are anticipated for Summer 2023.
2. Operating Deficit – The long-standing airport operating deficit was resolved following the signing of a new lease deal in October 2022.

# BUILDING DEPARTMENT

---

## MISSION STATEMENT

The Building Department issues permits and inspects work done to all buildings and other structures. Permits include building, electrical, plumbing, heating, air conditioning, fire protection sprinklers and extinguishing systems, refrigeration, demolition, and signs. Applications for permits are reviewed for conformance to all applicable laws, codes, and ordinances. A permit constitutes permission to proceed with the approved work. The purpose of permits and inspections is to ensure public safety, health, and welfare insofar as they are affected by building construction, through structural strength, adequate exit facilities, fire safety, light and ventilation and sanitary equipment. The Building Department function is to secure safety to life and property from hazards incident to the design, erection, repair, removal, demolition or planned occupancy of buildings, structures, or premises.

6 Months 2022-2023 represents statistics to 12/31/2022

**FY 2023 – 2024 SHORT TERM GOALS (To be achieved within one (1) year or less):**

1. Protect the health and safety of the public through the enforcement and education of all applicable Building Codes, City Ordinances and State Statutes.
2. Grow the City's tax base by reducing permit back log and increasing issuance of Certificates of Occupancy.
3. Improve quality of life for Bridgeport residents by responding to illegal construction complaints and protecting the public by the enforcement of all Building Code requirements.
4. Reducing the City's carbon footprint through the issuance of alternative renewable energy systems such as Solar Arrays and Fuel Cell installations.
5. Work towards filling all vacant positions to shorten plan review process time.

**FY 2022 – 2023 GOAL STATUS UPDATE:**

1. Protect the health, safety, and welfare of the public. This will be achieved through the enforcement of applicable laws and codes to provide safe, energy efficient, accessible buildings in the City of Bridgeport.  
**The enforcement of Building Code requirements through plan review and inspections continue to provide a path to meet the goals.**
2. Grow the tax base through issuance of permits and Certificate of Occupancy. **The Building Department focuses on back log inspections and Certificate of Occupancy issuances but due to staff vacancy goal cannot be achieved.**

FY 2023-2024 PROPOSED GENERAL FUND BUDGET  
 BUILDING DEPARTMENT PROGRAM HIGHLIGHTS

---

3. Improve the quality of life for Bridgeport residents by responding to complaints and protect public safety welfare through the enforcement of applicable laws, codes and ordinances. **The Building Department performs ongoing diligent plan reviews to reduce the number of errors that would require corrections in the field.**
4. Reduce the City’s carbon footprint through the issuance of code compliant renewable energy systems. **The Building Department continues to review, issue, and inspect 263 solar permits.**
5. Continue to support and work towards digitization of the permit application and inspection process. **The Building Department has tested several upgrades to the permitting software, but the implementation of the public portal still has not been completed. Staff will need to be trained in public portal to assist customers with inputting of required information.**

FY 2022 – 2023 ADDITIONAL TARGETED ACCOMPLISHMENTS:

1. Responded to approximately 90 complaints.
2. Responded to approximately 840 titles searches.
3. Responded to approximately 89 Freedom of Information requests

Goals	Original target percentage (%) of goals to be completed July - June (2022-2023).	Actual or Estimated percentage (%) of goals achieved July-June (2022-2023).	Reason for shortfall/success.
<b><u>FY 2022-2023 Short-Term (ST) Goals (Less than 1 year).</u></b>			
ST#1	100%	100%	Diligent plan review and inspections to achieve goal.
ST#2	100%	70%	Vacant positions did not allow for department to achieve goal.
ST#3	100%	100%	Responded to 90 complaints.
ST#4	100%	100%	Issued 276 solar permits.
ST#5	100%	80%	Waiting on implementation of customer portal and training for new permit system.

FY 2023 - 2024 SHORT TERM GOALS (To be achieved within one (1) year or less):

1. Promote public health and safety with the implementation and enforcement of the zoning regulations.
2. Consolidation of the functions of the Department of Land Use and Construction Review and the Department of Zoning.
3. Assess and reorganize the operational duties for the optimal performance of the Department of Zoning.
4. Anticipate and fulfill the needs of the end user more efficiently by the reorganization.
5. Land use board submissions and permitting applications will be electronically handled reducing the amount of paper waste.
6. Transition to hybrid in-person and virtual public hearings for Planning & Zoning and Zoning Board of Appeals commission meetings.
7. Fill the vacancies on the Zoning Board of Appeals with one commissioner and one alternate commissioner.
8. Fill the vacancies on the Planning & Zoning board with two commissioners and three alternate commissioners.
9. Reappoint or replace commissioners whose terms are expired.

FY 2023 - 2024 MEDIUM-TERM GOALS (To be achieved within 1-5 years):

1. Align the zoning code with the intent and goals of the State of Connecticut's Cannabis laws.
2. Reduce the number of cancelled land use meetings by filling the board vacancies.

FY 2023 - 2024 LONG-TERM GOALS (To be achieved in greater than 5 years):

1. Begin the process of updating the Master Plan of Conservation and Development.
2. Begin the process of updating the Zoning Regulations.

FY 2022 - 2023 GOAL STATUS UPDATE:

1. Staff is looking forward to the on-line permitting system going live in 2023.
2. Land use boards still have vacancies.
3. Zone Bridgeport has been a resounding success.
4. Repositioning and training of staff continues.

FY 2022 - 2023 ADDITIONAL TARGETED ACCOMPLISHMENTS:

1. Customer service continues to improve in on-time performance.

**FY 2023 – 2024 SHORT TERM GOALS:**

1. **Conduct complaint driven Housing Code inspections** – Conduct inspections for all City residents to ascertain the validity of complaints and provide appropriate follow-up per finding and bring 75% of all valid findings into compliance.
2. **Conduct complaint driven Anti-blight inspections** – Conduct inspections for all complaints to ascertain the validity of the complaint and provide appropriate follow-up per findings and bring 75% of all valid findings into compliance.
3. **Conduct proactive Code Enforcement inspections** – Per State Statutes governing the existence and condition of hotels and rooming houses and in accordance with the municipal Certificate of Occupancy ordinance, proactive inspections will be conducted at all hotel housing and rooming housing and at 85% of non-owner occupied three family housing through the City.
4. **Conduct proactive Anti-Blight inspections** – Per State, federal and local mandates governing blight, the inspectors will canvass assigned districts/neighborhoods daily to promote the elimination of blight throughout the City.
5. **Increase Revenue** - By enforcing the Certificate of Apartment Occupancy Ordinance and Rooming House/Hotel Ordinances, program personnel will produce a per annum increase in revenue in increments of 25%.
6. **Increase accurate entry of all findings into designated database** – Personnel will enter all findings from every visit daily and update upon reinspection.
7. **Increase the number of Housing Code inspectors** through a restructuring that will include merging two different positions to create a new employment category.

FY 2023 – 2024 MEDIUM-TERM GOALS:

---

1. Increase revenue recorded in the previous fiscal period by 25%.
2. Reduce the median blood lead level in children by 20%.
3. Secure funds that will assure activities to accomplish goals.
4. Reduce inspection to compliance timeline by 14-days in 80% of all inspections resulting in sending an order letter.

FY 2023 – 2024 LONG-TERM GOALS:

---

1. Eliminate sources of blight in neighborhoods.
2. Eradicate substandard housing.
3. Realize an annual revenue of \$400,000.00 or near as is achievable through constraints of COVID-19.

FY 2023 – 2024 GOAL STATUS:

---

1. **Increase revenue by enforcing Certificate of Apartment Occupancy Ordinance and Rooming House/Hotel Ordinance**

**Status:** Ongoing efforts to notify property via mail continue. Letters were sent to property owners and tenants to inform them of the Certificate of Apartment Ordinance requiring tenement structures of three units and more to be inspected. Owners who have obtained a hotel or rooming houses license were reminded that an annual inspection must be made and fee paid to maintain a license. The hearing process for Blight has remained in full effect.

2. **Anti -Blight & Housing Code complaints (Jul to Dec 2022)**

**Status (Anti-Blight)**

- 1,176 New Anti-Blight cases submitted.
  - 1,004 Closed (compliance)
  - 172 In progress
  - 10-Hearings since July to December 2022

**Status (Housing Code)**

- 1,158 New Housing Code cases submitted.
  - 907 Closed
  - 251 In progress

3. **Streamline process** – Including implementing uniform code compliance database – Energov and cross training between Housing Code and Environmental Health Data Analyst and reduction in extraneous steps in the procedures for both offices.

**Status:**

- a) All requested workflow processes for Energov have been submitted.
- b) All housing code/blight inspectors are completing actions for Anti-Blight and Housing Code and entering all findings into Energov.
- c) Inspectors process their own notices.
- d) Housing Code and Environmental Health Data Analysts as well as Blight Special Projects Coordinator have completed cross-training and assist each other when needed.

# LEAD PREVENTION

---

## MISSION STATEMENT

The mission of the Lead Poisoning Prevention Program is to systematically prevent and protect Bridgeport's youngest and most vulnerable population (children under the age of 6) from the neurological effects of lead toxicity and to assure compliance with Federal, State, and local mandates. Program personnel take proactive measures to engage tenants and homeowners to implement healthy life style habits, to provide lead awareness and education to prevent the effects of lead poisoning; identify children under the age of six with elevated blood lead levels and surveillance of children affected; detect sources of toxic exposure and reduce and/or eliminate lead hazards in residential properties to treat and minimize the detrimental effects of lead poisoning; and, provide counseling and relocation of families with lead poisoned children and financial referrals and maintenance strategy to homeowners cited for lead hazards to prevent further lead poisoning.

FY 2023-2024 SHORT TERM GOALS (Achieving in 1 year or less):

- 1. Reduce Toxic Sources of Lead** – Throughout the fiscal year beginning July 1, 2023, and ending June 30, 2024, program personnel will identify and eliminate toxic sources of lead citywide. Program personnel will take actions in accordance with state, federal and local mandates to cause remediation and/or abatement in 70% of the units where hazards are identified. **(MG3)**
- 2. Educate** - Program personnel will provide lead awareness education to parents, property owners, property managers, professional groups, construction contractors and social service agencies capable of assisting with the delivery of the lead safe living message to those they serve. Program personnel will provide 100 lead awareness education sessions. Social service agencies will provide 25 educational sessions. The curriculum for the educational sessions is made available through the Centers for Disease Control. **(MG3)**
- 3. Code Enforcement** - Personnel will take actions to assure compliance with all mandates: HUD guidelines, EPA rules, State statutes, and local ordinances as they pertain to the existence, elimination, disposal, and transportation of toxic levels of lead. Inspections will be conducted upon referral from a doctor, parent, or concerned citizen reporting an alleged toxic source of lead. Program personnel will be directed to respond to every referral. Orders to abate will be issued on all units found to have lead hazards. Compliance will be sought to the fullest extent of the law. It is projected that 85% of all orders issued will be closed and/or in compliance or in progress by June 30, 2024. **(MG3)**
- 4. Elevate the Number of Blood Lead Screenings** –Provide lead awareness literature to directors of daycares, organizers of community events, and schools that contain pre-K and Kindergarten classrooms. The literature will provide information about the causes of elevated blood lead, how to detect elevated blood lead levels in children and how to prevent toxic levels of lead exposure. Due to covid, program personnel will not be taking blood lead samples. It is hopeful that the literature distribution will inform parents to ask for a blood lead test from their physician. **(MG3)**
- 5. Case Management** – Assure up to date entry into the required database and provide follow up on environmental and medical cases assuring the Centers for Disease Control recommendation actions of all environmental and medical cases under management.
- 6. Assure Blood Lead Levels Reduce** –Program personnel will take actions that can reduce blood lead levels in children. 10% of the children currently under management will be dropped from management as negative, (435 children are currently under management). **(MG3)**

7. **Assure Safe Hazard Removal** – Monitor lead abatement activities and assure safe removal methods are applied citywide for all abatement activities. **(MG3)**
8. **Become Accredited** - Program Manager will take actions per request of the Public Health Accreditation Board to provide an acceptable response to all inquiries to secure accreditation.

FY 2023 – 2024 MEDIUM-TERM GOALS (Achieving within 1-5 years):

---

1. Within 5 years, the number of children, under the age of six, screened for elevated blood lead levels will increase to 85% of the at-risk population. To accomplish this goal, the Health Department will network with pediatric health care providers and encourage more screening through highlighting the State of Connecticut Universal Screen mandate. **(MG3)**
2. Within 5 years, reduce friction sources of toxic lead in housing built prior to 1978. This goal will be accomplished by providing financial assistance to property owners to remove and replace friction sources of toxic lead in rental housing. The attainment of this goal will render 50% of the city's pre-1978 housing rental stock free of leaded interior friction surfaces. **(MG3)**
3. Implement activities to develop partnerships to address social determinants of health and health equity.

FY 2023 – 2024 LONG-TERM GOALS (Achieving in greater than 5 years):

---

1. Within 10 years, the number of children, under the age of six, screened for elevated blood lead levels will increase to 100% of the at-risk population. To accomplish this goal, the Health Department will network with pediatric health care providers and encourage more screening through highlighting the State of Connecticut Universal Screen mandate. **(MG3)**
2. Within 10 years, eliminate friction sources of toxic lead in housing built prior to 1978. This goal will be accomplished by providing financial assistance to property owners to remove and replace friction sources of toxic lead in rental housing. The attainment of this goal will render all the city's pre-1978 housing rental stock free of leaded interior friction surfaces. **(MG3)**
3. Greater than 10 years, eradicate lead poisoning through the advancement of efforts to prevent lead poisoning and toxic sources of lead to include partnerships with other social service agencies and community leaders for a greater impact. **(MG3)**

FY 2022 – 2023 GOAL STATUS UPDATE:

---

1. **Prevent lead exposures** by identifying existing and potential lead hazards before children are affected. Conduct comprehensive lead inspection at all properties built prior to December 1978, where children dwell or frequent. **From 7/1/22 thru 12/31/22, 69 inspections were completed.**
2. **Educate** – provide general lead awareness knowledge and how it affects quality of life so that parents, property owners, property managers can identify lead hazards and the potential of lead hazards in their homes. Assist property owners and lead contractors with the selection

3. of lead hazard control methods that are safe, effective, feasible and sustainable. **From 7/1/22 thru 12/31/22, 53 educational sessions were completed.**
4. **Code Enforcement** - assure homeowners, contractors, and other parties subject to lead hazard control mandates achieve and maintain compliance. Assure compliance of HUD regulations, EPA rules, state statutes and local ordinances. **From 7/1/22 thru 12/31/22, 42 inspections were completed.**
5. **Identify children with elevated blood lead levels** via blood screenings held in schools, homes, daycares, health promotion events and office walk-ins. Assure that children identified with positive lead screenings obtain a confirmatory lead test. **7/1/22 thru 12/31/22, 35 children were screened of which 33 were found to require follow up testing and monitoring.**
6. **Case Management** - environmental and medical actions, maintain surveillance Maven. **From 7/1/22 thru 12/31/22 case management was delivered on 187 cases.**
7. **Assure blood lead levels reduce** - elevation identified in a child will reduce annually. **From 7/1/22 thru 12/31/22, 11 children had reductions in their blood lead levels.**
8. **Assure safe hazard removal** of sources identified in homes where children dwell or locations they frequent. **From 7/1/22 thru 12/31/22, 62 hazards were identified of which 57 were eliminated; 45 of the 62 were eliminated with the assistance of HUD funds.**
9. **Finish the process to become accredited** - send PHAB clarifications of domains; PHAB is requesting more detail. **From 7/1/22 thru 12/31/22 -- In progress, timeframe modified due to COVID constraints.**

FY 2022 – 2023 ADDITIONAL ACCOMPLISHMENT:

1. Despite the obstacles of COVID effects, the 3-year HUD Grant, Bridgeport Lead Hazard Control, maintains benchmarks. Second year finished with a total of 80 units being completed of the contracted 120.

FY 2023 – 2024 SHORT TERM GOALS (To be achieved within one (1) year or less):

1. By December 1, 2023, work with Lighthouse agency providers to ensure proper training and full staffing for all sites in which they manage. (MG3)
2. By March 1, 2024, complete reviews of parent fee collection paperwork at all sites. (MG3)
3. By June 30, 2023, develop a Lighthouse reference manual for tasks associated with applying for grants and contracts including signature process, procurement, account set up and draw down. (MG3)

FY 2023 – 2024 MEDIUM-TERM GOALS (To be achieved within 1-5 years):

1. By June 30, 2024, work with internal auditing and finance to move parent payment collection from manual to electronic. (MG3)
2. By June 30, 2025, develop a strategic plan for Lighthouse. (MG3)

FY 2023 – 2024 LONG-TERM GOALS (To be achieved in greater than 5 years):

1. By June 30, 2027, incorporate the vision of true community learning centers into 100% of existing Lighthouse sites by expansion of services to include additional community partnerships that can better meet the needs of students and their families. (MG3)
2. By June 30, 2028, work with a select area provider to better align the work of the Juvenile Review Board with the Youth Service Bureau. Doing so will strengthen the work of the YSB and therefore better serve youth and their families at one time. (MG3)

FY 2022 – 2023 GOAL STATUS UPDATE:

1. By September 1, 2022, ensure staffing is adequate at all Lighthouse sites. ***This goal was met despite less experienced staff. More attention to classroom coaching is being implemented across all sites.***
2. By November 1, 2022, hire a part-time seasonal support staff to assist with Youth Service Bureau referrals and follow up with schools, providers and families. ***This goal is behind schedule but will be part of the Youth Service/Lighthouse review of current staff responsibilities which should be complete by March 31, 2023.***
3. By June 30, 2023, develop a Lighthouse reference manual for tasks associated with applying for grants and contracts including signature process, procurement, account set up and draw down. ***This goal is being worked on and is approximately 30% complete. A rough outline of tasks has been developed but needs refinement and review by various departments.***
4. By June 30, 2025, develop a strategic plan for Lighthouse. ***This goal has not been started.***

FY 2023-2024 PROPOSED GENERAL FUND BUDGET  
 LIGHTHOUSE/YOUTH SERVICES PROGRAM HIGHLIGHTS

5. By June 30, 2027, incorporate the vision of true community learning centers into 100% of existing Lighthouse sites by expansion of services to include additional community partnerships that can better meet the needs of students and their families. ***Through various additional partnerships being developed each year and through family learning activities that take place monthly at each site, Lighthouse is supporting families in numerous ways. We will continue this work so the program is a model for enhanced family services by 2027.***
6. By June 30, 2028, incorporate the work of the Juvenile Review Board (JRB) (currently housed elsewhere and with that organization’s approval) into the Youth Service Bureau (YSB) like the majority of Connecticut towns and municipalities and/or strengthen the YSB work so more can be accomplished in house. ***Progress has been made on this goal and it is anticipated it will be complete well before its scheduled deadline. The YSB and JRB have begun implementing joint intakes and will continue to look for ways in which to improve family experiences while ensuring they are receiving needed services. The YSB is less likely to absorb the JRB and more likely to strengthen its work by incorporating social service personnel into the process.***

FY 2022 – 2023 ADDITIONAL TARGETED ACCOMPLISHMENTS:

1. Lighthouse saw a medium term 2021-2022 goal come to fruition in September of 2022 with the receipt of a state grant enabling the department to hire 100 youth for year-round employment. Two grants totaling \$450,000 will support this initiative.
2. Lighthouse partnered with the BOE in August of 2022 to offer 100 fourth grade students field trip experiences during the 2022-23 year. The grant was successful but received later than expected. The trips have been planned and will be implemented during the 2023-24 school year and into the first half of the 2024-2025 school year. Total grant was \$249,999.

Goals	Original target percentage (%) of goals to be completed July - June (2022-2023).	Actual or Estimated percentage (%) of goals achieved July-June (2022-2023).	Reason for shortfall/success.
<b><u>FY 2022-2023 Short-Term (ST) Goals (Less than 1 year).</u></b>			
ST#1	100%	100%	Heavy recruiting during the summer through ongoing BOE announcements supported this goal.
ST#2	100%	50%	Need to work with HR and labor to ensure workload revisions among current staff can be accomplished.
<b><u>FY 2022-2023 Medium-Term (MT) Goals (1-5 Years).</u></b>			
MT#1	100%	30%	While not quite at mid goal percentage, goal is expected to be met on time. Formatting needs work and review by other departments needs to be completed.
MT#2	100%	0%	Goal will take dedicated time and possibly outside consultant support to gather community input. This will likely require an RFP process or a minimum of three quotes.

FY 2023-2024 PROPOSED GENERAL FUND BUDGET  
LIGHTHOUSE/YOUTH SERVICES PROGRAM HIGHLIGHTS

FY 2022-2023 Long-Term (LT) Goals (Greater than 5 years).			
LT#1	100%	20%	There is sufficient time to work toward this goal. Enhanced partnerships are being forged daily.
LT#2	100%	50%	While this goal is to be achieved by 2028, it is likely it will be completed sooner than originally expected. Instead of trying to incorporate the work of the JRB into the YSB, we are working together to eliminate the need for dual intakes and strengthening the work of the YSB.

**FY 2023 – 2024 SHORT TERM GOALS (To be achieved within one (1) year or less):**

1. The Library will assess its computer inventory for the public and expand access in a post-COVID-19 pandemic environment. (MG1)
2. The Library will continue to expand digital literacy education and resources to the public. (MG1)
3. The Library will implement its plan to install solar panels at its Burroughs-Saden Library and North Branch. (MG4)

**FY 2023 – 2024 MEDIUM-TERM GOALS (To be achieved within 1-5 years):**

1. Continue its efforts towards the Lower East Side Library Phase II Renovation Project. (MG1, MG2)
2. Replace aging windows at the Burroughs-Saden Library. (MG4)
3. Continue its restructuring of staffing to meet expanding public service needs.

FY 2023-2024 PROPOSED GENERAL FUND BUDGET  
 LIBRARY SERVICES PROGRAM HIGHLIGHTS

---

**FY 2023 – 2024 LONG-TERM GOALS (To be achieved in greater than 5 years):**

1. Continue to assess the feasibility of building a new library branch in the Reservoir Corridor, per its 2014 Master Plan for new and renovated library facilities. (MG2)
2. Modernize infrastructure at Burroughs-Saden Library to accommodate present and future needs, i.e., upgrading electrical wiring and HVAC systems, and improving/adding ADA compliant bathrooms and entrance ramps at Burroughs-Saden Library, creating dedicated space for Teen Services at the North Branch, and improving the facilities at Black Rock Branch. (MG1, MG2, MG4)

**FY 2022 – 2023 GOAL STATUS UPDATE:**

1. Completed Phase III of its computer replacement plan. This plan was modified to conform to social-distancing as required during the COVID-19 pandemic. The number of computers available to the public increased due to the large number of mobile computing devices acquired by the library through state/federal grants.
2. Expanded its digital literacy education with its successful Digital Navigator Pilot Program.
3. Construction on the Upper East Side Branch has been completed, and the branch has been renamed to Beardsley Branch, in recognition of its close proximity to the Beardsley Zoo. The Branch is expected to open in late FY 2022-2023.
4. The Library has awarded the architectural services bid for the Lower East Side Phase II Renovation Project and is on track to start construction before the 2024 State Library deadline.

**FY 2022 – 2023 ADDITIONAL TARGETED ACCOMPLISHMENTS:**

1. Added an IT Support Specialist to its Table of Organization.
2. Receiving recognition for its Digital Navigator Pilot Program which is aiding in COVID-19 recovery by providing one-on-one computer instruction and distributing mobile computing devices and hotspots to residents in need.

Goals	Original target percentage (%) of goals to be completed July - June (2022-2023).	Actual or Estimated percentage (%) of goals achieved July-June (2022-2023).	Reason for shortfall/success.

**APPROPRIATION SUMMARY**

\*MBR=Minimum Budget Requirement, a provision of Connecticut’s State Support for Education that sets a minimum sum per pupil that school districts must spend. ECS or Education Cost Sharing, aims to equalize some of substantial school funding disparities that municipalities with a large number of needy students encounter when trying to provide services. ECS provides for grants based on a formula that multiplies three factors: (1) a base aid ratio of each town's wealth to a designated state guaranteed wealth level (GWL), (2) the foundation, and (3) the number of each town's resident students adjusted for educational and economic need (“need students”). A per-student bonus is added for towns that are part of regional school districts. (A recent report from the Office of Legislative Research (OLR) on Education Cost Sharing reports on the present funding situation: <http://www.cga.ct.gov/2012/rpt/2012-R-0101.htm> )
