CITY CLERK'S OFFICE

Mr. Walker submitted the following memo to the Council. It read as follows:

*Bridgeport City Council Meeting
Mayor's Proposed Fiscal 2017 Budget
April 4, 2016*

*By: Hon. David M. Walker
Former Comptroller General of the United States*

Mr. President and Members of the City Council, I am Dave Walker. My wife Mary and I live at 37 Beacon Street in Bridgeport. Thank you for the opportunity to speak this evening.

It is my understanding that Mayor Ganim will present his proposed budget to the City Council later this evening. When he does, I suggest that you go straight to the "bottom line" to see how much he is proposing to cut net spending.

Let me acknowledge that Mayor Ganim has already taken some steps to reduce headcount and control salary costs. He should be complimented for doing so. At the same time, Bridgeport's financial challenges are so serious and so structural in nature, that much more dramatic and fundamental reforms are necessary.

Let me help put things in perspective. Finance Director Flatto's recent announcement that the net taxable grand list went down 15% means that the current mil rate will have to go up to 17.64% mil rate if net spending stays the same as last year. It's just math.

That is totally unacceptable, given the onerous property tax burdens and very high effective tax rates already borne by property owners in this city. As a result, since state funding, is flat, and absent major new revenue sources, the only way to keep the mil rate down is to cut spending!

Higher mil rates mean that the effective tax property rate in percentage terms will go up for every taxable property owner in Bridgeport irrespective of their new assessment. In addition, even if not spending is held flat, anyone whose property tax assessment did not go down at least 15% will face another property tax increase in dollar terms.

The economic and social implications of Bridgeport's financial challenges are clear and compelling. Higher property tax burdens result in: lower property values, making Bridgeport a less attractive place to live and do business, and forcing more seniors and individuals on fixed incomes out of their homes.

One of the primary reasons that Bridgeport's tax base declined much more than the average since 2008, is due to the failure of City leaders to "hold the line" on property taxes in the past. In that regard, I clearly recall that Mayor Ganim's pledge to "hold the line on taxes" was a major part of his campaign.

Total property taxes in Bridgeport have already gone up multiple times the rate of inflation since 2008. Enough is enough! It's time for dramatic and fundamental change.

Don't count on the state or the federal government to bail you out. They have their own serious financial challenges. In addition, it is more likely than not that the state will cut municipal funding next year given the magnitude of its fiscal challenge.

It's time to cut spending, transform City Government, and restructure retirement plans in an equitable and sustainable fashion. Failure to do so will serve to demonstrate that Bridgeport City Government cannot do what needs to be done to put its financial house in order.

If this Mayor and Council can't do what needs to be done then it is time for a State appointed Financial Control Board to make the transformational and financial restructuring changes that are necessary for the City to avoid bankruptcy. This is the approach that is likely to be taken in connection with Puerto Rico's current financial crisis. How the Puerto Rican situation is resolved is likely to be a precursor to how troubled states like Illinois, New Jersey, and Connecticut will be addressed in the future.

Three years ago, I gave this Council and the previous Mayor several pages of ideas about how to reduce spending, enhance revenues, and restructure retirement plans. So far, little has been done to act on them.

It's time to get serious. The clock is ticking and time is not working in our favor.

City Financial State.

Mr. Lee submitted the following memo to the Council. It read as follows:

Council Members, citizens, taxpayers and friends of Bridgeport,

I am pleased to visit with you this evening in advance of the presentation by Mayor Ganim of the Operating Budget for the coming year. As you go about this work will you remember that the current approved budget is projected 'in the red' some \$12-16 million by June? Will you keep in mind the recently delivered Comprehensive Annual Financial Report for the FY 2014-15 that shows the City Balance Sheet to be 'in the red' also by at least \$50.3 million? And that was calculated with 2008 City land and building values. If being 'in the red' is an unfamiliar term to you, it came about when fiscal reports used red ink, to call attention to negative or worrisome financial results.

More familiar to us today is the situations of homes purchased 10 years ago at values that seemed to go up almost automatically but later fell precipitously. Some people with few real dollars invested were able to borrow 100% of a real estate deal. So when market values fell after 2008 and debt remained high, people termed the property 'underwater'. The debt total was greater than the market value. That was a bad deal for many, led to additional foreclosures, and falling real estate values in the community.

Most of you know that positive signs of economic development include new businesses. Businesses come and go. But eight years ago Fairfield Avenue welcomed TWO BOOTS that provided good food, beverages, and varied entertainment. Recently they close and moved out of town. As a partial tribute to them, but primarily to keep your 20 minds on the obvious matter of fiscal discipline, I am presenting TWO BOOTS to you tonight symbolically. You can see two large red rubber boots in front of us tonight. Red is for our financial condition. Remember when Nancy Sinatra talked about 'boots made for walking'? And these rubbers boots are made for walking... in water... because when both budget report and balance sheet are negative... we are dealing with an underwater condition. The boots are symbolic of our conditions today.

I call the first boot Operating Budget or OB for short and the second boot, Balance Sheet or BS for short. At the moment you have been presented with a Capital Budget 'plan' by the administration. Neither you nor the G2 has held a public meeting on this Charter subject where ideas on Capital spending can be addressed by the public and also for comments on exactly how the City proposes to handle \$40 million additional in debt. Why do we continue to fund items that have lifetimes shorter than 20 year bonding? Aren't they supposed to be funded in the Operating Budget? And how much past bond authorization exists today without going to markets? Or how much more money is contained in each project or plan funded in the past but not completed? Where is that information at a time when we are 'in the red'? Over the next month your Budget and Appropriations Committee will labor over the G2 budget documents. Do you have a goal in mind? Have you discussed your goals in any session? When the Board of Education comes in with their budgets showing \$10, 15 or 20 million more needed to balance their budget, how will your numbers measure down to meet the needs of the youth of the community? How will you prioritize other City services? You will find increased pension and public safety funding because of decisions and deferrals of the past eight years. You will have difficult choices, but isn't that why you chose to serve the public? Isn't that part of the duty you owe to those who voted for you?

The water is rising everywhere. That is why the State and Federal government have provided \$50 million or more to prepare a sustainable plan and get on with it in the South End. You must do your part for sustainability for taxpayers. The line may have been drawn in the sand in the past, but the line is gone from sight. Drain the operating budget of liberal revenue assumptions and chart realistic projections, based on facts. For the balance sheet, understand the numbers

and help us only add liabilities through borrowing where we make serious gains is net worth. Why not hire some independent and professional assistance in your work? Time will tell.

Homelessness.

Mr. Coleman came forward to address the City's homeless situation. He stated that he works with the City in a program that helps homeless individuals work through sobriety. Mr. Coleman himself has been clean for a year and a half, is working on having his record expunged, and is trying to be a productive member of society, which he feels good about. He stated that he appreciates and values the opportunity to address members of his government directly, a right that isn't extended in some countries. Mr. Coleman stated that as he was trying to get housing, he did not qualify, as he does not fall under the definition of 'chronically homeless'. As such, his only option was to go to a shelter, and being in that environment is not conducive to recovery. Mr. Coleman stated that he was one of the fortunate individuals who fought his way out of the system, but that others haven't been so fortunate. He stated that everyone present wants to live in a secure neighborhood and raise their children to be productive members of society, and that he would like to see those same opportunities extended to himself and his family. He stated that it is frustrating when you try to go through various channels with agencies and programs, and some are less helpful or effective than advertised. He stated that he would like to see some effective government involved with these processes and commended those present who strive to make the City and neighborhoods better. Mr. Coleman cited one case where a man was kicked out of the shelter, roaming the streets and expressed suicidal ideation. Fortunately, this man didn't relapse and turn to substance abuse. Mr. Coleman stated that he himself resides at Home of the Braves, which is a wonderful place, but that he is concerned about opportunities available once he leaves. He stated that he doesn't want to become a person pushing a carriage, not because he is in any way better than those individuals who do, but because he wants a safer, improved environment for himself. He concluded that he does not know how to address the problem properly on his own, and asked for the Council's help and support in addressing this issue.

Jacquelyn Cauthen

**D.I.V.A.S. (Lighthouse Girls Program) and
National Poetry Month.**

Ms. Cauthen came forward. She provided the following statements, which read as follows:

BECOMING D.I.V.A.S.

There is a need...

City of Bridgeport
City Council
Regular Meeting
April 4, 2016

BECOMING D.I.V.A.S. is a pre-teen and teen Health and Wellness Program and Handbook. The overall goal of the 'D.I.V.A.S. program is to complement, enhance and reinforce community and school based health education instruction. The D.I.V.A.S. program is concordant with both the New York and Connecticut Healthy Teen Act, offering additional support to a sometimes underserved pre-teen population.

Here is the solution...

Jacquelyn Cauthen RN, B.A. Health Educator and Certified Life Skills/Success Coach has offered "Being girl" and "A time for Answers" presentations to thousands of N.Y. public and parochial school students in the tri-state area. For the past 15 years, in partnership with Women's Health Bridge (P&G). Ms. Cauthen AKA 'Nana Jackie' has also established herself as a Community Health Educator/Practitioner. In 2008, she relocated to Bridgeport, accompanied by her desire and commitment to serve the youth. In 2010, while serving as Education Coordinator, she was honored by St. Vincent's Medical Center Special Needs Services. Ms. Cauthen has established a Connecticut network of health-conscious individuals, who are committed to educating and motivating our youth, and who will provide ongoing support.

The time is now...

Overall Goal: To motivate and educate female participants towards optimum health practices and proactive social behaviors, so that girls will have the necessary knowledge and skills to establish and maintain positive health habits through a comprehensive exploration of pubescent physical, social, and emotional changes.

Program Launch: Saturday October 24th, 2015, the following 'D.I.V.A.S.' program will be available and offered to 5th through 9th grade female participants. This series will be offered weekly (12 weeks) for 1-2 hours, and has five program components. The entire 'Becoming D.I.V.A.S.' program package includes a Handbook, Certificate, Membership Card, Bookmark, and Journal Book and may be purchased at a nominal cost: (Parental/mentor attendance and/or volunteers are always welcome)

Locations of Community Based D.I.V.A.S. Members

- (1) Pure Martial Arts Fitness Academy (PMAFA) North End (Corner of Main & Charles St.)*
- (2) 397 Charles St. (Between Main St. & Madison Ave.)*

An additional event flyer submitted read as follows:

Special Events at Burroughs-Saden Library

Saturday, April 16, 2015

2:00 - 3:30 PM

Programming room, 1st floor

It's a Poetry Time with Nana Jackie!

*Join Nana Jackie for National Poetry Month as she explores the wonderful world of poetry!
There will be many fun activities for children, teens, and adults.
Poetry reading, open mic poetry, poetry writing workshop, activity tables, coloring, scissor
tables, writing stations for children and adults.*

*Adults will get creative as well!
Free refreshments will be served.*

Ms. Cauthen further invited all the Council Members and constituents to the aforementioned event, and asked for their assistance in finding a new, empty building to house the program in the future.

Ernest Newton

Mr. Newton came forward to discuss the role of the City Council. He stated that he served as City Council president from 1984 to 1985, and at the time they did not have a budgets process in place. He stated that since that time, the statute has been changed and there was a resolution to allow the City Council a certain amount of authority in that process. Mr. Newton stated that there must be a series of checks and balances, and that the previous trend of not asking questions from the previous administration must not continue into this one. He stated that Council Members must be the voice of the people, and suggested that the provision of probationary periods be brought back if necessary. He stated that if the Council does not possess the tools it needs, then the members need to procure said tools. Mr. Newton stated that, in his tenure, they fought to ensure there was accountability at hand, and asked that Council Members be diligent in their attentions towards administrative actions, particularly those related to budget, expenditures and contracts.

ADJOURNMENT

Council President concluded the public speaking portion at 7:20 PM.

ACCOLADES AND RECOGNITION

Mayor Ganim and the City Council recognized the outstanding and invaluable service of those who collectively responded to the devastating condominium fire at 215 Charles Street on December 31, 2015. They collectively honored those who put their lives on the line every day for the City and those from the community who selflessly came forth to give of themselves in providing hope and much needed support to the many residents and families affected by this event. They further recognized Council Member Herron, who was instrumental in spearheading aid initiatives.

PUBLIC HEARING

64-15 Public Hearing re: Disposition of City-Owned Property located at 48 Trowel Street.

The Mayor opened the public hearing and asked if anyone wished to speak in favor of the item.

John Marshall Lee came forward and presented the following statement:

Agenda Item 64-15: City Owned Property at 48 Trowel Street

The City of Bridgeport is an owner of land and buildings to an extent beyond its current or projected municipal requirements.

Such property can be put on the market and put to use that is productive and taxable. To fail to manage actively results in ANNUAL LOSS OF REVENUE, an opportunity COST.

Such property while it remains with the City may need maintenance or management to avoid blight at certain EXPENSE to the taxpayers.

Such property may become a source of risk whereby the City becomes a 'deep pocket' to be sued and settled with at taxpayer expense.

In the past month or so, the City is releasing such property for disposition. However, to increase the marketing potential, why is the market valuation or assessment currently showing on the City books as part of the 'disposition' information?

For the purpose of this hearing, what info has been submitted to the City Council for evaluation, if any? Vision Appraisal records indicate that the property has been in City hands for one month short of ten years. Why so long? What is the normal path for property, however received to find its way from non-taxpaying to taxable and listed so on the Net Grand List? Two buildings and .28 acre of Land carry a value of \$164,640 and assessment of \$115,250. These fail to be shown in the City posting. Why is that purposefully done?

When the disposition occurs, how are the Council members (and the public) informed of the date and the dollars recovered? Is there a list of all such properties and values that could become taxable by disposition? Which Council Committee is interested in actively promoting such behavior and helping in the advertising of the same? How many real dollars are sitting on the City books in such fashion?

Will you act on this matter in an OPEN, ACCOUNTABLE and TRANSPARENT manner that is also HONEST to the taxpayers? Time will tell.

Council Member Olson asked Mr. Coleman to speak on the points addressed by Mr. Lee.

Mr. Coleman stated that the disposition of the property came to the ECDE Committee at its last meeting, and, as per the direction of the Chair, the property was appraised. He stated that they requested permission to auction the property, sell the property to the abutter or sell the property to another party for a minimum of \$65,000. Mr. Coleman stated that part of the reason the process took so long was due to various different steps in the process, and that they typically set the property at one price, and if it doesn't sell for that price for a length of time, he approaches the committee again to discuss a new price.

He then asked if anyone wished to speak in opposition. Hearing none, he closed the hearing on 48 Trowel Street.

66-15 Public Hearing re: Disposition of Four City-Owned Properties located within the Seaview Avenue Industrial Park.

Mayor Ganim asked if anyone wished to speak in favor of the application.

Mr. Lee came forward and stated that he had no prepared comments for this item, but inquired about the values of the properties. He stated, in the interest of an open, accountable, transparent administration, the values of properties should be listed on the agenda item.

Mayor Ganim asked Mr. Coleman to provide background information on the item. Mr. Coleman stated that the locations are behind the Rotair Industries site. Mr. Latimer stated that the item involves an area designated as a municipal development plan site under state law. Mr. Latimer

stated that they were charged with taking on some of the rehabilitation of this area, and that they tracked down federal and state funds to do so. Mr. Latimer stated that the properties were acquired with federal and state funds, and that they put the proceeds of the sales towards the continuation of the project. Furthermore, this allows Rotair the use of the site legally.

Mayor Ganim asked if anyone wished to speak in opposition. Hearing none, he closed the public hearing on item 66-15.

There was some question as to how a reconsideration of the item would need to be conducted. Council Member Martinez clarified that the a motion must be made by a Council Member that voted with the prevailing side in the previous vote. She further stated that, should this item make it through to a vote for approval, it would hold its original position, and would not need to be referred back to committee.

Atty. Anastasi stated that the first vote would be to add the item to the agenda, the second is to reconsider the item, and the third is to approve or deny the item. He further stated that, in order to add the item to the agenda, there must be a vote of $\frac{2}{3}$ majority.

Council Member Brantley requested a roll call vote.

Mayor Ganim clarified that the vote was simply to add the item to the agenda for consideration.

The roll call vote was as follows:

Kathryn Bukovsky: Yes

Scott Burns: Yes

The motion failed to carry without a $\frac{2}{3}$ majority vote.

Council President McCarthy recognized Mr. Rosario and Mr. Ashton, present to show support for the City's budget, as well as Mr. Testa, the Democratic Committee Town Chairman.

Council Member Martinez took a point of personal privilege to thank Chief Perez for his efforts in addressing the recent uptick in illegal dumping throughout the City. She further thanked Mr. Flatto for helping make Carlson happen sans tax incentive, but stated that she would like to meet with the contractor on the site in order to ensure there are a sufficient number of minorities represented by the workers on site. Mayor Ganim answered that the language in the City's contract with said contractor reflect this, and thus this is an appropriate time to bring this up during the next phase of moving forward with this partnership. Council Member Martinez stated that she has seen improvements in the East End, and thanked the Administration for their dedication. She further stated that O&G has been a large issue, and that focus of Public Facilities, the Mayor, and the Administration is very appreciated.

Council Member Brantley took a point of personal to recognize the recent accomplishments in the City's youth organizations, including the Access Program, which focuses on STEM education, who recently attended the National Society of Black Engineers Conference in Boston. She also referenced the Village Initiative and College Prep Program, who took Bridgeport students on college tours throughout the country, including stops in Chicago, Kentucky and North Carolina. Council Member Brantley commended Chief Perez and the Mayor for their focus on the anti-dumping initiative. She expressed concern that the media has stated that dumping has 'been allowed' and stated that she didn't believe any of the previous administrations had allowed or encouraged the illegal dumping to take place. She stated that there are hotspots for these illegal activities on Wood, Colorado, Grove, Railroad, and State. Council Member Brantley stated that she has experienced issues with refuse from illegal dumping on her own property's back fence, further stating that she looks forward to work on these problems in the future as a collective.

Council Member Paoletto stated that it was a shame some members of the Council let politics get in the way of decisions regarding certain appointments, which would move the City forward. He stated that they all have to come together to move things forward, and that they cannot work for everyone if they are fighting one another.

Council Member Olson stated that the item Council Member Paoletto was referencing was defeated 10 to 8 during the last Council Meeting, and that they should find another candidate who passes muster.

Mayor Ganim stated that the budget, as required by charter, must be submitted no later than tomorrow, April 5th. He stated that the City Clerk will be given a copies of the budget tomorrow, and asked that Council Members sign out their copies so they can ensure they receive them. He stated that Bridgeport is struggling through challenges that are still part of the budget inherited in December, and that they saved \$3.5 million through bond refinancing. Mayor Ganim stated that

the budget has to be fiscally sound, and that he believes the budget to be presented will meet those goals while minimizing spending in any non-discretionary area. He stated that the only area where there has been an increase in funds has been in the area of public safety, where he proposed a commitment to Police maintenance up to more acceptable levels, though even in this case, they intend to maintain as many cost saving measures as possible. Mayor Ganim stated that they are relying on the State to follow through with the commitments made, and that there is no uniform budget in the State. He stated that they will move forward based on projections and estimates in the governor's budget, which is usually the most reliable. He further stated that they can increase items or revenue or cut them, should necessity demand.

Mayor Ganim stated that Senate Bill 1, as sponsored by the President of the Senate and Speaker of the House, is one of the first definitive steps towards regional redistribution of resources. He stated that the bill acknowledges the inequity of property taxes, and will cause the mil rate to be reduced by 10 mils in regards to automobiles, going from 40 to 45 - 30 - 35, seeing a reduction as of July 1st. Mayor Ganim stated that when a percentage of revenue, there is a gap in the budget, and that the state has addressed this gap in the same proposal. He stated that this takes money that would normally go into this gap and redistributes it proportionately, and in some ways this favors cities like Bridgeport. He stated that they will still have the benefit of a 10 mil tax cut, and that in the City's budget, there have not only been cost savings and freezes, but also furloughs for non-union City employees. Mayor Ganim stated that they met with Union leaders this afternoon, and asked them to join the Administration in cost-saving measures or concessions of \$5 million. He stated that the first step towards savings, in lieu of layoffs, is in early retirements, and that they are offering an early retirement program to qualified city employees. Mayor Ganim stated that the Director of Labor Relations has been given his direction to meet with the unions and calculate savings.

Mayor Ganim stated, on a closing note, that Wednesday is Bridgeport Day in the city of Hartford. He stated that, since the City has so much hanging in the balance regarding the budget, they should show their support in force for their legislators and the governor's budget. He stated that the Administration will provide whatever needed to help people get to Hartford.

Council Member Brantley asked if transportation would be provided for those who wish to attend. Mayor Ganim answered in the affirmative, stating that Ms. Malheiro would take the lead in coordinating said transportation.

Council Member Olson took a point of personal privilege to commend Mayor Ganim for being the first mayor in a long while to speak of a partnership between the Mayor's office and the Board of Education. Mayor Ganim thanked Council Member Olson.

Re: **SETTLEMENT OF CLAIM
JADEE CLEGG V. PAUL LENGYEL AND THE CITY OF BRIDGEPORT**

Dear Honorable Members:

The Office of the City Attorney proposes to settle the above referenced litigation in the amount of \$19,500.00 payable to Albert Carocci, Esq., Trustee for Jadee Clegg. This action claims personal injuries suffered by Ms. Clegg when, on June 5, 2011, she was operating her motor vehicle in a northerly direction on Park Avenue at or near its intersection of North Avenue, when she was struck by a fire truck operated by Paul Lengyel damaging the left side of her vehicle and causing Ms. Clegg to sustain various personal injuries.

Pursuant to the City Council's amended Ordinance Section 2.10.130, this Office hereby provides notice of its intent to settle this matter in accordance with the terms set forth in said Section 2.10.130.

If you wish to discuss the details of this case or have any questions, please feel free to contact me. If I am not immediately available, please speak with my legal assistant, Margo Litz, who will then follow-up with me. Further, if I do not hear from you within the twenty (20) day time period provided by the Ordinance, I will proceed to finalize settlement of this matter.

Very truly yours,

Re: NuPower Thermal Bridgeport District Energy; heating loop project

Dear Honorable City Council Members:

Please find attached for your review and consideration a resolution related to the Bridgeport District Thermal heating loop project. The project is intended to constructively utilize waste heat from the Wheelabrator Plant and the UI fuel cell at the former landfill to provide lower cost space heating and domestic hot water for a large number of local buildings, including the University of Bridgeport and in the downtown. Many properties may ultimately benefit from the project, making them more affordable to occupy and more generally attractive for all types of tenants and new investment.

The project requires an estimated \$28.5 Million investment to design and construct the heating loop. The project developer must invest nearly \$4 Million of its own, and assume approximately \$15 Million in debt. The project will not produce any significant cash flow to repay debt or provide a return to investors until numerous properties are connected and property owners pay for the service; for this reason the project will have very little ability to pay property taxes in the initial stages of operation.

The project's taxable property is expected to be classified entirely as Personal Property. The project is planned to be located entirely within the state-designated Bridgeport Urban Enterprise Zone. OPED is requesting that the City Council approve a phase-in of the assessment for the Personal Property in a manner that is typically only done for Real (estate) Property, but is allowed by municipal action under Section 32-71(e) of the Connecticut General Statutes.

Thank you for your consideration of this matter.

Sincerely,

David Kooris
Director

A Resolution Authorizing the Use of the Enterprise Zone Statute to Enable the
Development of the Bridgeport Thermal District Project

WHEREAS, NuPower Thermal LLC is proposing to invest an estimated \$28.5 Million into the design and development of a heating loop project (Project), intended to constructively utilize waste heat from the Wheelabrator plant and the UI fuel cell in Seaside Park to provide lower cost space heating and domestic hot water for a large number of local buildings; and

WHEREAS, many properties in the South End and Downtown of the City may ultimately benefit from the Project, making them more affordable to occupy and more generally attractive for all types of tenants and new investment; and

WHEREAS, the Project, requires and has attracted significant State of Connecticut assistance in the form of a possible grant and a subsidized commercial loan which have not yet been finalized; and

WHEREAS, the Project has virtually no ability to pay property taxes until numerous properties are connected and property owners pay for the service, which is anticipated to take a significant period of time; and

WHEREAS, Section 32-71(e) of the Connecticut General Statutes allows "Any such municipality may provide any additional tax abatements or deferrals as it deems necessary for any property located in any such enterprise zone."; and

WHEREAS, the Office of Planning and Economic Development, in consultation with the National Development Council, has determined that the deferral schedule provided for in Section 32-71(a) of the Statutes would greatly enhance the Project's ability to finalize the State's grant and loan subsidy and successfully operate once developed; and

WHEREAS, even with a reduced property tax obligation as defined in the schedule found in Section 32-71(a), the Project is expected to generate an average of nearly \$200,000 of property taxes annually over a thirty year period, with virtually no costs of services to be absorbed by the City:

THEREFORE, BE IT RESOLVED, that the following assessment schedule be applied to the Bridgeport Thermal District Project: 1st Year, 100% Deferred; 2nd Year, 100% Deferred; 3rd Year, 50% Deferred; 4th Year, 40% Deferred; 5th Year, 30% Deferred; 6th Year, 20% Deferred; 7th Year, 10% Deferred, with the 1st Year commencing on the October 1st Grand List most immediately following the beginning of construction of the project; and

FURTHER, BE IT RESOLVED, that the Director of the Office of Planning and Economic Development, in consultation with the Office of the City Attorney, is authorized to enter into an assessment fixing agreement with NuPower, Thermal LLC, and take all other actions consistent with the intent of this resolution.

Sec. 32-71. Fixing of assessments in enterprise zones. (a) Any municipality which has designated any area as an enterprise zone pursuant to section 32-70 shall provide, by ordinance, for the fixing of assessments on all real property in such zone which is improved during the period when such area is designated as an enterprise zone. Such fixed assessment shall be for a period of seven years from the time of such improvement and shall defer any increase in assessment attributable to such improvements according to the following schedule:

Year	Percentage of Increase
	Deferred
First	100
Second	100
Third	50
Fourth	40
Fifth	30
Sixth	20
Seventh	10

Notwithstanding the provisions of this subsection, a municipality may negotiate the fixing of assessments on the portion of improvements, by a taxpayer, which exceed a value of eighty million dollars to real property which is to be used for commercial or retail purposes. Notwithstanding the provisions of chapter 203, no such improvements shall be subject to property taxation while such improvements are being constructed.

(b) Any fixed assessment on any residential property shall cease if: (1) For any residential rental property, any dwelling unit in such property is rented to any person whose income exceeds two hundred per cent of the median income, as determined by the United States Department of Housing and Urban Development, for the area in which the municipality containing the residential rental property is located; or (2) for any conversion condominium declared after the designation of the enterprise zone, any unit is sold to any person whose income exceeds two hundred per cent of the median income, as determined by the United States Department of Housing and Urban

Development, for the area in which the municipality containing the residential rental property is located.

(c) In the event of a general revaluation by any such municipality in the year in which such improvement is completed, resulting in any increase in the assessment on such property, only that portion of the increase resulting from such improvement shall be deferred. In the event of a general revaluation in any year after the year in which such improvement is completed, such deferred assessment shall be increased or decreased in proportion to the increase or decrease in the total assessment on such property as a result of such revaluation.

(d) No improvements of any real property which qualifies as a manufacturing facility under subsection (d) of section 32-9p shall be eligible for any fixed assessment pursuant to this section.

(e) Any such municipality may provide any additional tax abatements or deferrals as it deems necessary for any property located in any such enterprise zone.

History: P.A. 81-445 effective July 1, 1982; P.A. 82-435 provided scale of fixed assessments, inserted Subsecs. (c) and (d) concerning computation of and eligibility for such fixed assessments and inserted Subsec. (e) allowing for additional tax abatements or deferrals by municipalities; P.A. 83-558 amended Subsec. (e) to remove the word "real" and thereby allow for municipal tax abatement on any property; P.A. 94-241 added provision in Subsec. (a) authorizing municipalities to negotiate fixing of assessments on portion of improvements, effective July 1, 1994; P.A. 00-194 amended Subsec. (a) to provide that improvements are not subject to property taxation while under construction, effective June 1, 2000; P.A. 09-93, effective June 2, 2009, and P.A. 09-234, effective July 9, 2009, both amended Subsec. (b) to change threshold from the median family income of the municipality to the median income for the municipality's area as determined by the United States Department of Housing and Urban Development.

RE: District Thermal Loop Energy Project

BACKGROUND

The City of Bridgeport (City) has requested the National Development Council (NDC) to review the financial structure for the district energy project and determine the appropriateness of providing a tax incentive through the State’s Enterprise Zone (EZ) program. NDC is a 501(C) 3 national economic development advisory firm which is routinely requested by our municipal clients to analyze the appropriateness and sizing of financial incentives used to attract investment in underserved communities throughout the country.

SUMMARY

NuPower Thermal LLC (“NuPower”) is proposing to develop a \$28.5 million district energy project (the “Project”). The project, utilizing European low temperature heating and cooling technology, will capture waste heat from existing power plants (Wheelabrator waste recovery and UI fuel cell) to provide space heating and hot water services to a downtown thermal loop. The 21 megawatt system will serve mostly institutional customers including University of Bridgeport, Housatonic Community College, the City of Bridgeport, Webster Arena, and People’s United Bank. The thermal loop is expected to reduce both the heating costs and greenhouse gas emissions. The customer savings will increase over time as a result of controlled escalation, avoidance of fossil fuel and reduced thermal customer capital costs.

FINANCIAL STRUCTURE AND TAX INCENTIVE

NuPower is has structured the following capital stack for the \$28.5 million project. The majority of the capital investment is piping network, consisting of a walled steel and plastic pipe for the “closed loop” thermal system under the City’s public streets.

Commercial Loan	\$15,600,000	55%
State Grant	\$9,000,000	32%
Equity	\$3,900,000	14%
TOTAL	\$28,500,000	100%

Pursuant to Section 32-71 of the Connecticut General Statutes (CGS), any municipality which has designated a targeted area as an Enterprise Zone (EZ) is authorized to fix assessments on all real property through a seven-year abatement schedule. While CGS 32-71 referenced “real property,” Public Act 83-558 provides the municipality the discretion to provide benefits for personal property. As the proposed capital investments by NuPower would be considered personal property and located in the zone, the City has the option of applying the phase-in schedule on personal property taxes. Based upon this phase-in schedule, NuPower would save approximately \$1.4 million in personal property taxes during the first seven years based but pay an estimated \$4.4 million (\$193,000 annual average) during the first thirty years of operations, as illustrated in the following chart.

Year	Estimated Assessment of Fixed Assets	Annual Taxes at Full Assessment	Abatement Schedule Per EZ	Annual Net Taxes through EZ Abatement Schedule
	<i>in 000s</i>	<i>in 000s</i>		<i>in 000s</i>
1	\$11,188	\$472	100%	\$0
2	\$10,599	\$447	100%	\$0
3	\$9,421	\$398	50%	\$199
4	\$8,244	\$348	40%	\$209
5	\$7,066	\$298	30%	\$209
6	\$5,888	\$248	20%	\$199
7	\$4,711	\$199	10%	\$179
8 - 30		\$3,429	0%	\$3,429
TOTAL		\$5,839		\$4,423
			Savings	\$1,416

While this Danish technology is reported to be widely utilized throughout Europe, this thermal loop heating system is still considered to be pioneering domestically. NuPower deserves credit for assembling an experienced development and investment team and investing substantial amount of time and money during an multi-year predevelopment and due diligence period.

While the project is the beneficiary of a Connecticut Energy Conservation Fund grant, the reported financial returns are below market for an alternative renewable energy system. While the \$1.4 million in tax savings accorded through the use of an EZ program does not increase the return ratios to market, the tangible savings are important to the development team and demonstrates the City's support for the project. The district energy project will result in additional widespread benefits beyond the \$4.4 million in estimated personal property taxes. Those additional tangible and intangible benefits include;

- Catalyzing additional development and investment.
- Complementing the existing nationally recognized Eco-Industrial Park.
- Creating jobs; 20 direct and 80 construction jobs.
- Providing energy costs savings to some of the City's largest employers and anchor institutions.

Should you have any questions and require additional information, I would be happy to speak to you or other City officials as necessary.

A Resolution
Authorizing Capital and Infrastructure Investments in
Support of Mixed Income Housing Development
Crescent Crossings Phase 1B

Whereas, Crescent Crossing Phase 1B (the “Project”), to be located at or near 252 Hallett Street (the “Property”), is the second phase in a multi-phased development for the Property, the first phase of which is currently funded and under construction;

Whereas the Project represents an approximately \$33 million dollar investment in the new construction of 84 units of mixed-income rental housing, including 66 LIHTC eligible affordable housing units including up to, but no more than 28 units (1/3 of the total) of public housing replacement units from Marina Village;

Whereas, Crescent Crossings LLC, as directed by the JHM Financial Group of Stamford, is the “Developer” of the Project;

Whereas, there are site work and site costs related to clean up of the site, flood protection elevation of the site, and foundational capping required to protect from flooding, radon and other conditions;

Whereas, the construction financing and permanent financing for the Project in the approximate amount of \$33 million are anticipated to come from a variety of sources including Private Mortgage Financing, Federal LIHTC, State of Connecticut Department of Housing CHAMP Funds, State of Connecticut CDBG-DR Funds, Developer Equity and US Department of HUD HOME Funding;

Whereas, the City seeks approval to invest approximately \$1.95mm in capital improvements related to the Project, (the “Capital Investment”);

NOW THERE BE IT RESOLVED that the City reallocate \$1,250,000 of bonded capital funds, approved as part of the Council Resolution # 55-14 FY16 Capital Improvement Program (CIP) for Land Management purposes and received as premium bond proceeds from the FY2016 Series A bonds issued in 2016 pursuant to Council Resolution 29-15, and authorize such funds for use for a capital project for Land Management - Crescent Crossing Phase 1B;

AND THEREFORE BE IT FURTHER RESOLVED that an additional \$700,000 of bonded capital funds are hereby approved as an amendment to the FY16 Capital Improvement Program (CIP) for Land Management purposes for this capital project for Land Management - Crescent Crossing Phase 1B, with the intent that this additional amount of \$700,000 be part of a future FY17 bond issuance by the City when such bond issuance resolution may be approved by the City Council;

BE IT FURTHER RESOLVED that the Property and the Project shall be fully taxable and pay all taxes due at all times;

BE IT FURTHER RESOLVED that in bidding and awarding contracts relevant to both the hard and soft costs of the Project, the Developer shall comply with City Ordinance Chapter 13.12.130, "Minority Business Enterprise Program," with specific reference to the goals established therein with respect to the utilization of Minority-owned Businesses, Women-owned Businesses, African-American-owned Businesses, and Small Local Bridgeport-based Business Enterprises;

BE IT FURTHER RESOLVED that the Mayor or the Finance Director, or his designee, is authorized to negotiate and execute such other agreements and take such other necessary or desirable actions in furtherance of the Project and consistent with this resolution as may be in the best interests of the City.

BE IT FURTHER RESOLVED, that having received the recommendation of the Mayor of the City of Bridgeport (the "City") with respect to the action authorized herein, the City Council of the City of Bridgeport (the "City Council") hereby approves the appropriation of the amounts necessary to fund those certain capital improvement projects set forth on Exhibit A attached hereto and made part hereof (the "Projects") in a principal amount not to exceed \$6,750,000 and the issuance of general obligation bonds secured by the City's full faith and credit (the "Bonds"), in a principal amount not to exceed \$6,750,000 (exclusive of Financing Costs, as hereinafter defined) for the purposes of funding the Projects; and (ii) financing such additional costs and expenses in the amount not to exceed ten percent (10%) of such authorization, as the Mayor, the Finance Director, and the Treasurer (collectively, the "Officials") shall approve for the funding of necessary and appropriate financing and/or issuance costs including, but not limited to legal, advisory, credit enhancement, trustee, underwriters' discount, printing and administrative expenses, as well as the cost of the establishment and maintenance of any reserve pursuant to Chapter 109, Chapter 117 and other chapters of the Connecticut General Statutes; and

BE IT FURTHER RESOLVED, the Officials are further authorized on behalf of the City to make temporary borrowings as authorized by the General Statutes and to issue temporary notes of the City in anticipation of the receipt of proceeds from the sale of the Bonds or the Refunding Bonds to be issued pursuant to this resolution and such notes shall be issued and renewed at such time and with such maturities, requirements and limitations as provided by Statute; notes evidencing such borrowings shall be executed in the same manner as if they were bonds and the officials shall determine the date, maturity, interest rates, form and manner of sale, including negotiated sale, and other details of said notes consistent with the provisions of this resolution and the General Statutes and shall have all powers and authority as in connection with the issuance of bonds; and

BE IT FURTHER RESOLVED, that the City Council authorizes and approves that the Bonds and the Refunding Bonds be secured by the City's property taxes, including interest, penalties and related charges pursuant to Chapter 117 and other chapters of the Connecticut General Statutes, and, if deemed necessary or appropriate by the Officials and in the City's best interest, hereby authorizes the officials (i) to establish a property tax intercept procedure and a debt service payment fund pursuant to Chapter 117 of the Connecticut General Statutes §7-560 et seq., and other Chapters of the Connecticut General Statutes, on such terms as the Officials deem necessary or appropriate, and (ii) all further actions which the Officials deem necessary or appropriate to so secure the Refunding Bonds or which are contemplated by law; and

BE IT FURTHER RESOLVED, that the Officials, if they determine it to be advisable, necessary or appropriate, hereby are authorized, on behalf of the City, to enter into an indenture of trust and/or a supplemental indenture of trust (collectively, the "Indenture") with a bank or trust company located within or without the State of Connecticut (the "Trustee"), and to covenant (i) if the Bonds and the Refunding Bonds are issued pursuant to such Indenture that all or a portion of the City's property taxes shall be paid to the Trustee and be held in trust for the benefit of the holders of the Bonds and the Refunding Bonds as provided in Chapter 117 and other Chapters of the Connecticut General Statutes and (ii) the terms on which any payments or reserves securing the payment of the Bond and the Refunding Bonds will be paid, and the terms of any reserve or other fund for the benefit of the bondholders; and, in any event, to amend or supplement the Indenture containing such terms and conditions as the Officials shall determine to be necessary or advisable in the best interest of the City, the execution thereof to be conclusive evidence of such determination; and

BE IT FURTHER RESOLVED, that the City Council hereby authorizes the Officials, if the Officials determine it is in the City's best interest, to acquire, on behalf of the City, bond insurance or other forms of credit enhancement guaranteeing the Bonds or the Refunding Bonds on such terms as the Officials determine to be appropriate, such terms to include, but not be limited to, those relating to fees, premiums and other costs and expenses incurred in connection with such credit enhancement, the terms of payment of such expenses and costs and such other undertakings as the issue of credit enhancement shall require; and the Officials, if they determine that it is appropriate, are authorized, on the City's behalf, to grant security to the issue of the credit enhancement to secure the City's obligations arising under the credit enhancement, including the establishment of a reserve from proceeds of the Bonds or the Refunding Bonds; and

BE IT FURTHER RESOLVED, that the City Council hereby authorizes the Officials to determine the date, maturity, prices, interest rates, form, manner of sale (whether by negotiation or public sale) or other terms and conditions of the Bonds and the Refunding Bonds including the terms of any reserve that might be established as authorized herein and whether any of the Bonds and the Refunding Bonds issued will be issued as taxable bonds, all in such a manner as such Officials shall determine to be in the best interest of the City and to take such actions and to execute such documents, or to designate other officials or employees of the City to take such actions and to execute such documents, as deemed necessary or advisable in the best interests of the City by such Officials in order to issue, sell and deliver the Bonds and the Refunding Bonds; and

BE IT FURTHER RESOLVED, that the City Council hereby authorizes the Officials to call irrevocably for redemption such of the callable maturities of the Prior Bonds, as they shall determine to refund from the proceeds of the Refunding Bonds or other moneys as they may determine to make available for this purpose, and to defease such Prior Bonds by executing and delivering an escrow agreement in such form and upon such terms as they shall approve, such approval to be conclusively evidenced by their execution thereof. The Officials are hereby authorized, on behalf of the City, to make representations or agreements for the benefit of the holders of the Refunding Bonds which are necessary or appropriate to ensure the exemption of interest on the Refunding Bonds from taxation under the Internal Revenue Code of 1986, as amended; their respective approvals to be conclusively evidenced by their signatures on any such agreements or representations relating hereto; and

BE IT FURTHER RESOVLED, that the City Council hereby authorizes the Officials in connection with the issuance of the Bonds and the Refunding Bonds to execute and deliver on behalf of the City such reimbursement agreements, remarketing agreements, standby bond purchase agreements, interest rate swap agreements, and any other appropriate agreements and the Officials deem necessary, appropriate or desirable to the restructuring of the City's debt of which the Bonds and the Refunding Bonds are a component, and the Officials are hereby authorized on behalf of the City to secure the payment of such agreements with the full faith and credit of the City, if they deem it necessary, appropriate or desirable; and

BE IT FURTHER RESOLVED, that the Bonds and the Refunding Bonds shall be signed by the Mayor, the Treasurer and the Finance Director provided that such signatures of any two of such officers of the City affixed to the Bonds and the Refunding Bonds may be by facsimiles of such signatures printed on the Bonds and the Refunding Bonds, and each of such Officers and any designee of any of them is authorized to take such actions, and execute such agreements, instruments and documents, on behalf of the City, that they deem necessary, appropriate or desirable to consummate the intendment of this and the foregoing resolutions; and

BE IT FURTHER RESOLVED, that the City Council hereby authorizes the officials in connection with the issuance of Bonds and the Refunding Bonds and to allocate any unused bond proceeds, consistent with the applicable tax and other laws, as deemed to be necessary or advisable in the best interests of the City by the Officials.

CITY CLERK

Attached is the General Manager's Proposed Budget for Fiscal 2016-2017

The proposed user rate in this budget is \$5.945 which is \$.001 lower than the user rate for Fiscal 2015-2016.

The major changes in costs in this budget are primarily in the following areas:

The Operation and Maintenance contract fee is higher by \$596,843 due to the expected contract minimum CPI Index increase of 2.5% and increase in chemical costs.

Natural gas and fuel is expected to remain close to current price with a modest increase over the fiscal year.

Bad Debts are lower by \$75,000 due to normal expected collections.

Sewer rehabilitation is higher by \$500,000 for anticipated heavy cleaning cost for replacement and lining of sewers in the CSO projects where CT DEEP funding does not cover this cost when needed prior to sewer lining.

The equipment area includes replacement and or rehabilitation of various equipment at both treatment facilities.

Debt Services payments on loans and bonds decreased by \$1,100,000 for the prior fiscal year.

Operating reserves are unchanged but may be needed for any increased cost beyond contractual amounts for sludge disposal, chemical costs and equipment repairs.

The Revenue area has changed versus last year in the following areas:

Total anticipated Bridgeport sewer user revenue is lower due to expected water usage.

Revenues from outside communities are lower due to expected lower water usage.

Septic revenues are higher by \$300,000 due to an increase in ticket sales due to higher tickets cost that were implemented in Fiscal 2015.

This budget includes \$640,000 new bond funds to cover capital expenditures since the City in planning to issues Bonds in the Fall of 2016.

ACCOUNTING POLICIES

FISCAL YEAR

The City of Bridgeport's Fiscal Year begins July 1 and ends June 30.

BALANCED BUDGET

The Charter of the City of Bridgeport mandates a balanced budget. For the purposes of meeting this requirement, each year a budget is adopted in which the projected expenditures are equal to the projected revenues.

BASIS OF ACCOUNTING

The City of Bridgeport's accounting system is operated on a fund basis. A fund is a fiscal and accounting entity with a self-balancing set of accounts in which cash and other financial resources or balances are recorded and segregated to carry on specific activities or attain certain objectives in accordance with specific regulations and limitations. The operations of the general fund are maintained on a modified accrual basis, with revenues recorded when measurable and available and the expenditures recorded when the services or goods are received and liabilities are incurred. In contrast, accounting records for the City's enterprise, pension and nonexpendable trust funds are managed on the accrual basis of accounting. The types of funds utilized by the City are as follows: general; special revenue; capital projects; enterprise; and trust and agency. The type and number of individual funds established is determined by GAAP and sound financial administration.

BUDGET PROCEDURE

The Mayor's annual budget is developed by the City's Office of Policy & Management (OPM). The budget is submitted to the City Council, which in turn makes additions and changes as necessary before turning it over to the Mayor for approval. The City maintains budgetary control through the Office of Policy & Management. The objective of budgetary control is to ensure compliance with the legal provisions embodied in the annual adopted budget approved by the City Council. The level of budgetary control is established by organization, agency, appropriation and object. The City of Bridgeport also utilizes an encumbrance accounting system as one technique for accomplishing budgetary control. Encumbrances reserve appropriations which have been obligated through purchase orders or other contractual documents. Encumbrances are reported as reservations of fund balance at the end of the year. Transfers of certain appropriations between departments require the approval of the City Council. The City of Bridgeport's Capital & General Fund Budgets must be adopted by the City Council and approved by the Mayor.

INTERNAL CONTROLS

The management of the City of Bridgeport is maintained through a control structure designed to ensure that the assets of the City are protected from loss, theft, or misuse and to ensure that adequate accounting data is compiled to allow for the preparation of financial statements in conformity with GAAP. The control structure is designed to provide reasonable assurance that these objectives are met. The concept of reasonable assurance recognizes that the cost of a control should not exceed the benefits likely to be derived from that cost and that the valuation of costs and benefits requires estimates and judgments be made by management. In addition, the City of Bridgeport has an internal audit staff responsible for monitoring the various City departments in compliance with the City Charter, ordinances, and all other policies and procedures.

As a recipient of Federal, State and local financial assistance, the City of Bridgeport is responsible for ensuring adequate internal control policies and procedures are in place to ensure

FY 2016-2017 PROPOSED GENERAL FUND BUDGET
 BUDGET SUMMARY BUDGET & ACCOUNTING POLICIES

and document compliance with applicable laws and regulations related to these programs. This internal control structure is subject to periodic evaluation by management as well.

LEGAL DEBT LIMIT

The total overall statutory debt limit for the City is equal to seven times annual receipts from taxation, or \$2,084,815,992. All long-term debt obligations are retired through General Fund appropriations or user charges. The overall statutory debt limit for the City is equal to seven time annual receipts from taxation or \$2.04 billion. As of June 30, 2015, the City recorded long-term debt of \$647.8 million related to Governmental Activities and \$41.8 million related to Business-Type Activities, well below its statutory debt limit. For more information on debt service, see the debt service section.

RISK MANAGEMENT

The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The City carries commercial insurance for insurable risks of loss except for general liability, workers' compensation and employee health and dental insurance. Coverage has not been materially reduced, nor have settled claims exceeded commercial coverage in any of the past three years.

The City carries no insurance coverage for losses arising out of workers' compensation claims. These claims are paid from the General Fund. This is accounted for in the governmental activities of the government-wide statements.

The City maintains a group health and dental self-insurance plan to pay for medical claims of current and retired City employees and their covered dependents. Approximately 4,151 active employees and 3,763 retirees receive their health coverage through this plan. Payments related to these claims are made by an outside administrator under an administrative services contract and are accounted for in the Internal Service Fund. The current contracts require that approximately \$2,461,540 be deposited with the amount being recorded as a prepaid asset in the accompanying balance sheet. As of June 30, 2015, the amount of prepaid asset in the fund is \$2,461,540.

The liability for general liability, workers' compensation and group health insurance includes all known claims reported plus a provision for those claims incurred but not reported, net of estimated recoveries. The liability is based on past experience adjusted for current trends and includes incremental claim expenditures. The liability for workers' compensation claims is calculated using actuarial methods. Changes in the reported liability are as follows:

A reconciliation of changes in the aggregate liabilities for claims for the 2001-2015 fiscal years:

AUDIT

State Statutes require an annual audit conducted by independent certified public accountants. Portions of these audits are included in the City's Comprehensive Annual Financial Report, and these can be accessed through the City's website, http://www.bridgeportct.gov/filestorage/89019/89745/Bridgeport_FY2015_Financial_Statements.pdf

UNDESIGNATED FUND BALANCE POLICY

PURPOSE

To maintain a balance of funds within the total unreserved, undesignated fund balance to be available for unforeseen contingencies.

Definition: Unreserved, undesignated fund balance is the remaining balance available following the reduction for "resources not available for spending" or "legal restrictions" (reservation) and "management's intended future use of resources" (designation).

POLICY

The sum of all components identified for the undesignated fund balance level will be set at no less than 8.00% of annual operating expenditures and other financing uses (transfers out) of the prior audited fiscal year with the annual approval by the City Council. In the event that the undesignated fund balance exceeds 12.00%, the amount exceeding this percentage may be available for appropriation at the discretion of the Mayor with the approval of City Council.

RATIONALE

The City of Bridgeport recognizes the importance of maintaining an appropriate level of undesignated fund balance on a Generally Accepted Accounting Principles (GAAP) basis to withstand short-term financial emergencies. After evaluating the City's operating characteristics, its overall financial health, the diversity and flexibility of its tax base, the reliability of non-property tax revenues sources, the City's working capital needs, the impact of state policies regarding tax exempt properties and PILOT reimbursements on City revenues, Brownfield policies, the national, state and local economic outlooks, emergency and disaster risks, other contingent issues and the impact on the City bond ratings of all these factors, the City of Bridgeport hereby establishes goals regarding the appropriate handling and funding of the undesignated fund balance.

The City of Bridgeport's formal undesignated fund balance policy shall be to maintain adequate unencumbered reserves to accomplish the following objectives:

- (1) Have sufficient funds available for appropriation for unforeseen expenditures or unforeseen shortfalls in revenue after adoption of the annual budget ; and
- (2) Avoid unexpected spikes in the mill rate caused by non-reoccurring revenues.

REPLENISHMENT OF SHORTFALL

The undesignated fund balance of the General Fund may fall below the approved minimum level due to fluctuations between planned and actual revenues and expenditures, other financial emergencies or catastrophic events of an unforeseen nature. When an audited shortfall is reported in the Comprehensive Annual Financial Report (CAFR), it must be rebuilt during the following ensuing fiscal years. This will be achieved by adding an annual appropriation, during the budgeting process of a minimum of 10% of the difference between the fund balance policy level and the undesignated fund balance presented in the latest audited statements.

When dealing with the unanticipated sale of municipal assets, no less than 50% of the "gain on sale of city asset" must be deposited toward the undesignated fund balance until the 12.00% goal has been achieved.

The maintenance of undesignated levels is not to be construed as surpluses or over-taxation by the City. Rather, it is an element of sound fiscal management required for sustaining a high credit rating and financial management flexibility.

DESCRIPTION OF FUND STRUCTURE

The accounts of the City of Bridgeport are organized on the basis of funds and account groups, utilizing a fund structure in which fund activities are aggregated for specific purposes. A fund is a combination of related accounts used to maintain control & accountability of resources that are dedicated to specific activities or objectives. The City of Bridgeport, like other state & local governments, uses fund accounting to ensure appropriate fiscal control and to demonstrate our compliance with accepted accounting principles set forth by the Governmental Accounting Standards Board.

Detailed financial schedules for all of the funds described below are *not* contained within this budget document. This document includes information on the General Fund, as well as some detail on the Internal Service Fund, and Capital Project Funds. Of these funds, only the General Fund is subject to appropriation. Detail on the other funds described below can be found in the City's Comprehensive Annual Financial Report, prepared by the Finance Department, and can be accessed through the City's website, <http://www.bridgeportct.gov/finance>. Grateful acknowledgement of the assistance of the Finance Department in providing certain schedules and detail from the 2015 CAFR is noted here, and we have provided attribution for these throughout the budget book, as is applicable.

GOVERNMENTAL FUNDS

The City of Bridgeport maintains 21 individual governmental funds. The major funds of these 21 are discussed below.

THE GENERAL FUND is the primary operating fund of the city. It is the largest fund which encompasses traditional governmental services, and is used to account for all financial resources except those required to be accounted for in another fund. The General Fund is primarily supported by the property tax. General Fund revenues are displayed by type in the Revenue Summary section of this budget and by department in the Budget Detail section. Appropriations are also listed by department in the Budget Detail section. Governmental funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized when they are both measurable and available.

SPECIAL REVENUE FUNDS are used to account for revenues dedicated for a specific purpose. These funds are prescribed by Federal or State program guidelines regarding the distribution or use of revenues.

THE DEBT SERVICE FUND is used for the accumulation of resources for, and the payment of, general long term bonded debt to be issued in future years.

BOARD OF EDUCATION FUND This fund accounts for the operations of the Board of Education, except for those required to be accounted for in another fund.

CAPITAL PROJECT FUNDS are utilized for various construction projects as well as the purchase of the City's fleet inventory. Capital Project Funds are used to account for the proceeds of general obligation bonds and other financing sources for the planning, acquisition and construction or improvement of major capital facilities such as new schools and urban renewal projects.

PROPRIETARY FUNDS

ENTERPRISE FUNDS are used to report activities that are financed and operated in a manner similar to a private business enterprise. In the case of the City of Bridgeport, the Water Pollution Control Authority or WPCA, is one such fund which accounts for the activities of the City's two sewage treatment plants, sewage pumping stations, and collection systems for the City of Bridgeport. These funds are covered in the Finance Department's Annual Financial Report, but not in this document.

THE INTERNAL SERVICE FUND was established by Ordinance to account for self-insured health benefit activities of the City, Board of Education (BOE) and all other departments. Governmental Accounting Standards allow for the use of Internal Service Funds for risk financing activities. The Internal Service Fund is a proprietary type fund, which utilizes the accrual basis of accounting. The use of a separate fund for self insured benefit activities can help smooth the impact of severe claims fluctuations which can now occur in the General Fund. Funding will be provided through the annual General Fund Budget which will separately identify the City, BOE, BOE Grants and Nutrition portions. The amount budgeted will be the amount transferred to the Internal Service Fund. Contributions will be also be made by the WPCA and Grants. Employee contributions will be made directly to the Internal Service Fund. Interest and investment income earned by the fund will be used to pay expenses of the fund. Investment of available funds will be made by the City Finance Director and Treasurer in accordance with Connecticut General Statutes.

FIDUCIARY FUNDS

Fiduciary funds are used to account for resources held for the benefit of parties outside the government. These funds are not reflected in government-side financial statements because the resources contained within these funds are not available to provide services for the City's constituents. The City of Bridgeport has four pension trust funds that support the pensions of City employees. The accounting used for fiduciary funds is much like that used for proprietary funds, and again, is covered in some detail in the Finance Department's Annual Financial Report, but not in this document.

THE BUDGET PROCESS

MAYOR RECOMMENDED PREPARATION

City departments begin preparation and documentation processes for the budget in January. The Office of Policy & Management reviews all submitted department requested documents; verifies contractual obligation thresholds, calculates all formula-driven data, and presents a draft budget to the Mayor and selected staff. In accordance with the City Charter, Chapter 9, Section 5(c) the Mayor, no later than the first Tuesday in April of each year, must present to the City Council a proposed budget for the ensuing fiscal year as prescribed in that same section.

CITY COUNCIL PROCESS

The City Council's Budget and Appropriations Committee, under City Council rules, will set a schedule for budget deliberations and in accordance with City Charter, shall hold at least one public hearing before taking final action on the proposed budget and mill rate. The City Council Budgets & Appropriations Committee reports its changes to the Council as a whole in the form of a budget amendment resolution. The City Council has the power to reduce or delete any item in the budget recommended by the Mayor by a majority vote of the council members present and voting. It shall have the power to increase any item in said budget or add new items to said budget only on a two-thirds (2/3) affirmative vote of the entire membership of the council. The budget adopted by the City Council shall be submitted to the Mayor not later than the second Tuesday in May of each year. The Mayor shall sign the adopted budget or within fourteen days after adoption of the budget, the Mayor may veto any action taken by the City Council. The veto power of the Mayor shall be that of line item veto only, and any such veto may be overridden by a two-thirds (2/3) vote of the entire membership of the City Council. If the Mayor shall disapprove any action of the City Council, he shall, no later than the close of business of the fourteenth day,

return the proposed budget to the City Council with a statement of objections. Thereupon, the President of the City Council shall call a meeting to be held no later than seven days after the receipt of the Mayor's veto. If the City Council fails to adopt a budget by the second Tuesday in May of any year, the proposed budget of the Mayor shall become the budget of the City for the ensuing year.

The General Fund is primarily funded by the property tax. Governmental funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized when they are both measurable and available. Revenues are considered to be available when they are collectible within the current period, or soon enough thereafter, to pay liabilities of the current period.

FY 2016-2017 PROPOSED GENERAL FUND BUDGET
 BUDGET SUMMARY

GENERAL FUND OVERVIEW

The primary source of revenues in the City of Bridgeport is property taxes. The second largest source of revenue is Intergovernmental Revenue—which includes aid to public schools, Education Cost Sharing, and funding for federal school lunch programming. Education Cost Sharing funds from the state help to provide essential funding for schools in urban areas where student need is great and local funding for schools can strain local budgets. Bridgeport's Proposed budget is created based on revenue predictions from the State of Connecticut's proposed budget.

BRIDGEPORT AT A GLANCE

FORM OF GOVERNMENT

Bridgeport is governed by its City Charter which was adopted by the state legislature in 1907 and revised in 1912 and 1992. The city operates under a Mayor-City Council form of government. The Mayor serves a four-year term. The Mayor sets policy, makes nominations and appointments to boards and commissions, and presides at City Council meetings. In addition, the Mayor acts as official City representative and liaison with various governmental and private agencies and oversees the financial aspects of the City government. Mayoral authority comes from the City of Bridgeport's charter, Municipal Code, and the State of Connecticut General Statutes.

The City Council consists of 20 members elected to two-year terms. Each of the ten council districts is represented by two council members. The City Council holds regular meetings twice per month. Major responsibilities of the City Council include enacting ordinances necessary to govern the City and adopting the budget. Together the Mayor and the City Council oversee the five line divisions: City Clerk, Water Pollution Control Authority, Libraries, Department of Education, and the Registrar of Voters.

The Chief Administrative Officer (CAO), a mayoral appointee, is responsible for coordinating the management and implementation of operational policies and practices for the Mayor. The CAO is the liaison between the Mayor and the head administrators of the City's departments which include: The Office of Policy & Management, Civil Service, the Fire Department, the Police Department, Planning & Economic Development, Finance, Public Facilities, Health & Social Services, Labor Relations, the City Attorney, Weights & Measures, and Information Technology.

The only elected board in the City, aside from the City Council, is the Board of Education. This board consists of nine members elected to staggered four-year terms, and meets once a month. In addition, there are 18 appointed boards and commissions whose members are volunteers who have been appointed by the Mayor. These consist of the following: Board of Assessment Appeals, Board of Public Purchases, Bridgeport Redevelopment Agency, Cable Advisory Board, Civil Service Commission, Commission on Aging, Ethics Commission, Fair Housing Commission, Fair Rent Commission, Fire Commission, Harbor Management Commission, Historic Commission No. 1, Housing Authority, Housing Site Development Agency, Parks Commission, Planning & Zoning Commission, Police Commission, Port Authority Commission, Stratfield Historic District Commission, Water Pollution Control Authority Commission and the Zoning Board of Appeals. Additionally, the City appoints members to serve on the boards of regional planning agencies including the Greater Bridgeport Regional Planning Agency and the Greater Bridgeport Transit Authority.

GEOGRAPHY

Bridgeport is Connecticut's largest city with a population estimated at 146,425 residents. Located along Long Island Sound at the mouth of the Pequonnock River, the city has an area of 19.4 square miles. Bridgeport experiences warm to hot and humid summers and cold, snowy winters. These seasonal extremes are somewhat moderated by Long Island Sound. This results in a lower average temperature in summer and moderate snowfall, as compared to our neighbors inland. The city receives 41.7 inches of precipitation and around 25.6 inches of snowfall in an average year. The snowiest winter on record occurred in 1996 when Bridgeport received 76.8 inches in total accumulation. Bridgeport is located on Long Island Sound and is bordered by Fairfield, Connecticut to the West, Stratford, Connecticut to the East, and Trumbull, Connecticut to the North.

COMMUNITY PROFILE

Bridgeport was originally a part of the township of Stratford. The first recorded settlement here was made in 1659. It was called Pequonnock until 1695, when its name was changed to Stratfield, due to its location between the already existing towns of Stratford and Fairfield. In 1800 the borough of Bridgeport was chartered and in 1821 the township was incorporated. The city was not chartered until 1836. The city's location on the deep Newfield Harbor supported shipbuilding and whaling endeavors in the mid 19th century. Later, rapid industrialization and the presence of the railroad made Bridgeport an ideal manufacturing center producing Bridgeport milling machines, saddles, corsets, carriages, brass fittings, sewing machines and ammunition. By 1930, Bridgeport was an industrial center with more than 500 factories and a thriving immigrant population.

FY 2016-2017 PROPOSED GENERAL FUND BUDGET
BUDGET SUMMARY BRIDGEPORT IN CONTEXT

In the early 21st century, Bridgeport is rebounding from a loss of jobs and population, and is transitioning into a role as both a bedroom community for New York City, and as oasis of relatively low-cost housing in the otherwise prohibitively expensive Fairfield County. Located just 60 miles from New York City and 60 miles from Hartford, CT, Bridgeport is accessible via a variety of transportation modes, it is ideally suited to families seeking a refuge from the high cost of living in lower Fairfield county.

Bridgeport supports two large hospitals—St. Vincent’s and Bridgeport Hospital. It is located on the Metro-North commuter line, which offers daily service to New York City, and regional service to the shoreline of Connecticut and to the Waterbury area. Bridgeport is also a stop on Amtrak’s train lines, including the high-speed Acela service. Ferry service to Port Jefferson, Long Island is offered from Bridgeport’s harbor, and local and interstate bus service is also available. The port of Bridgeport is one of three deep-water ports in the state. Bridgeport owns Stratford’s Sikorsky Memorial Airport. Bridgeport’s location in the middle of a confluence of highways—among them Interstate 95, the Merritt Parkway, Route 8 & Route 25, and Route 1 connect the City to many other regions. Institutions of higher learning housed in the City include The University of Bridgeport, Housatonic Community College, St. Vincent’s College, and Bridgeport Hospital School of Nursing. The Bridgeport School system educates more than 20,000 children, making it the second largest school system in the state.

The Arena at Harbor Yard and the Klein Memorial Auditorium host regional and national performances of musical acts and sporting events. Regional theater is in evidence at the Downtown Cabaret Theatre and the Bridgeport Theatre Company. Additionally, the City of Bridgeport is home to 45 parks which encompass 1,330 acres of open space.

DEMOGRAPHICS AND ECONOMICS

Bridgeport is Connecticut’s largest city with a population estimated at 146,425 residents.

The Bridgeport economy, like the State economy, continues to be impacted by the effects of the national, regional, and statewide recession that started in 2003. The City’s annual average unemployment rate is 8.7%, down slightly from 11.8% annual average last year.

The City of Bridgeport’s tax base continues to hold steady, Bridgeport’s 2013 Grand List grew by 0.9 percent to a total Net Grand List of \$7 billion.

By category, the changes in the Grand List are as follows: net motor vehicles increased by 1.7 percent, or \$6.9 million; net personal property increased by 0.95 percent, or \$61 million; and net real property decreased by .084 percent or \$4.9 million. The overall Gross Grand List (prior to deduction of all exemptions and exempt property) increased by \$53,484,330 million. Exempt real estate now comprises \$3,203,551,376 billion, an increase of 1.7 percent over 2011.

FY 2016-2017 GOALS

- 1) Eliminate the city's financial deficit through short and long-term cost saving measures and increased revenues.
- 2) Significantly increase government transparency through the creation and launch of Open Bridgeport and the creation of an Office of Governmental Accountability.
- 3) Continue to grow the city's tax base by increasing the city's ability to attract and retain sustainable economic and community development.
- 4) Continue to promote efficiency and accountability throughout city government through the CitiStat program, the City's online citizen service request system, TQM (Total Quality Management) system, and employee training.
- 5) Continue to work together with the Board of Education to improve Bridgeport schools by continuing our investment in building new state-of-the-art schools, including the capital improvements being made to Central, Harding, and Bassick high schools.
- 6) Strengthen alliances with community groups and support initiatives that will benefit the City's quality of life.
- 7) Support diversity at all levels in government through progressive hiring practices, human resources and labor relations, and by supporting our Small and Minority Business Resource Office which provides resources and support for local minority contractors, develops best practices, policies and procedures to ensure that the City's Minority Contracting Business Enterprise Goals are achieved.
- 8) Focus efforts to combat blight and strengthen neighborhoods through a comprehensive city program of neighborhood stabilization.
- 9) In partnership with the Police Chief, work together to formulate strategic initiatives that combat crime and support successful neighborhood policing.

- (1) * Due to the transition to Munis, I am unable to acquire the data that is requested.
 (2) **BOE discontinued the use of Dept 899, so I can no longer distinguish between Board of Education & Board of Education Grants.

FY 2016-2017 GOALS

- 1) Use Purchasing webpage to more effectively communicate and disseminate:
 - Place Title 6 information
 - Update Board of Public Purchases information
 - Create recurring forms library
- 2) Work with contracting officers to perform more city wide bids.
- 3) Investigate possibility of initiating P-Card (Purchasing card) program.
- 4) Complete archiving.
- 5) Establish relationship with EZIQ for construction projects.
- 6) Work with Finance Director on Purchasing Department reorganization.
- 7) Get revised Purchasing Ordinance back before the Common Council for approval.

FY 2015-2016 GOAL STATUS

- 1) Become more proficient and independent in the risk management function. To better analyze project specifications/requirements to determine level/type of insurance coverage. Review endorsements to insure that they adequately meet City requirements.
6 MONTH STATUS: *This is a specialized area of expertise that resides in the City Attorney's Office.*
- 2) The expeditious transition of contract compliance responsibilities to a contract compliance officer. Currently responsibilities reside with consultants and office personnel. These tasks include certified payrolls, Minority Business Enterprise (MBE) compliance, site visitation and reporting.
6 MONTH STATUS: *Goal has been accomplished.*
- 3) Work with Finance Director to ultimately reorganize the Purchasing Department. This would include regular meetings with the Acting Purchasing Agent to discuss issues, needs and accomplishments.
6 MONTH STATUS: *Had initial meeting with Finance Director prior to her departure. I intend to open dialogue with the new Finance Director.*

FY 2016-2017 PROPOSED GENERAL FUND BUDGET
PURCHASING PROGRAM HIGHLIGHTS/APPROPRIATIONS

- 4) To further aid the administrations green procurement initiative.
6 MONTH STATUS: *Ongoing. We continue to distribute information and samples to departments.*
- 5) Continue the archive process which has fallen behind because of temporary staff reductions.
6 MONTH STATUS: *Ongoing.*
- 6) To continue to be transparent and open with regards to city procurement transaction.
6 MONTH STATUS: *Ongoing.*
- 7) Spend more time discussing with departments their needs & whether they are best served by doing RFQ/RFP/BID/ informal process.
6 MONTH STATUS: *Ongoing, as there are many new staff that require training.*
- 8) Work on more expedient means for MBE (Minority Business Enterprise) approval to cut down on time from award to notice to proceed.
6 MONTH STATUS: *At this point in time we are unsure as to who is monitoring the City's MBE program.*
- 9) Work with Board of Public Purchases to develop Purchasing Policies.
6 MONTH STATUS: *Ongoing, currently working on procedures for sole/single source purchases.*
- 10) Investigate and make use of additional features and capabilities offered by BidSync, our procurement partner.
6 MONTH STATUS: *It has been determined that many new features require expenditure of additional funds.*

FINANCE DIVISIONS
TAX ASSESSOR

MISSION STATEMENT

The primary statutory responsibility of the Department of Assessment is to develop the annual Grand List of Taxable and Exempt properties and to assure fair valuation and equitable distribution of assessment for all property owners. The statutory obligation of the Assessment Department is to discover, value, and list real and personal property consistent with state law. The Department of Assessment staffed by nine full-time employees.

Grand List includes three principal categories: 1) Real Estate; 2) Personal Property; and 3) Motor Vehicles. The net taxable Grand List for October 1, 2010 (FY 2011-2012) was composed of approximately 34,650 parcels of Real Estate, approximately 4,875 Personal Property accounts, and approximately 72,500 Motor Vehicles. Included in the continuous maintenance of the Grand List is the administration of approximately 10,000 personal exemptions, 1,245 elderly tax credits, and approximately 150 Commercial Personal Property Exemptions. There are approximately 1,930 parcels of Tax Exempt Real Property (churches, schools, charitable organizations, etc.) totaling approximately \$2.89 Billion.

FINANCE DIVISIONS
TREASURY

MISSION STATEMENT

Our mission is to act as the custodian of all funds belonging to the City of Bridgeport. Our objectives include maximizing on-line Banking Services from each Financial Institution to expedite wire transfers, stop payments, and check retention needed for research purposes. We work with Financial Institutions to implement on-line investment practices, and deposit and invest all funds in any national or state bank/trust company. We comply with all regulations, orders and ordinances made by the City Council. Our activities include the distribution of all payroll and vendor checks. In addition, we make all payments for Debt Service and prepare and maintain all records of monetary transactions for the City of Bridgeport.

MANDATED SERVICES

The Registrar of Voters is responsible for registering voters and conducting Federal, State, Special and Local elections. The Registrar prepares the published notices of elections and lists of offices for which candidates are to be nominated. It is the Registrars' duty to accept and check the nominating petitions of candidates for office. The Registrar is also required to establish and revise voting precincts, provide for the tabulation of returns on election night and conduct the official canvass of votes cast. The Registrar is also responsible for the following:

- 1) Responsible for conducting hand count of machine read ballots after elections if jurisdiction is subject to audit.
- 2) Responsible for completing and filing audit paperwork with the Secretary of State.
- 3) Able to hire additional officials on Election Day, the day after the election if the need arises.
- 4) Mandated to electronically update voter file with information as to who voted after every election.
- 5) All challenge and provisional ballot supplies which used to be provided by the Town Clerk must now be provided by the Registrar.
- 6) Responsible to determining the amount of ballots that will be ordered for use at each polling place (Registrar must now pay for the printing of the ballots).
- 7) Able to determine if two shifts of election officials will be used at an election without legislative body approval.
- 8) Assume the Town Clerk's responsibility for providing polling place supplies to moderators on the day before the election.
- 9) Responsible for training poll workers on the proper procedures to follow including the procedure to accommodate an individual who is at the polls but are unable to enter the polling place (curb-side voting).
- 10) Responsible for storage of all voted ballots after the election and up until the 14 day lock-down period has expired or the audit is complete. After the 14 day lock-down the Registrar must (1) transmit the absentee ballots for long-term storage and (2) keep all voted ballots used at the polls for long term storage.
- 11) Responsible for training Absentee Ballot election officials; and poll workers on the proper procedures to follow including the procedure to accommodate an individual who is at the polls but are unable to enter the polling place (curb-side voting).
- 12) Responsible for storage of all voted ballots after the election and up until the 14 day lock-down period has expired or the audit is complete. After the 14 day lock-down the Registrar must (1) transmit the absentee ballots for long-term storage and (2) keep all voted ballots used at the polls for long term storage.
- 13) Responsible for training Absentee Ballot election officials.
- 14) Responsible for providing supplies for a paper ballot election. An Election where no voting tabulators are used.
- 15) Responsible for assisting and ensuring that the Head Moderator completes and files the Head Moderator's Return with the Secretary of the State.

GENERAL GOVERNMENT DIVISIONS

CITY CLERK

MISSION STATEMENT

To provide clerical staff and support to the City Council and their standing and special committees; to provide accurate records of actions and proceedings of the City Council to all Council members, municipal departments, and interested citizens under the requirements of the State of Connecticut's Freedom of Information Act. To act as guardian of the City seal, affixing only to proper and valid municipal documents and to accept and record all services, summonses and writs against the City.

Under the City Hall Committee division, the staff provides clerical assistance to the City Hall Committee (a three-member board) consisting of the City Clerk, the City Council President, and the Director of Finance. This committee is charged by Charter with the upkeep of the City Hall building, the assignment of office space, the sale of various City owned properties, and the assignment, questions, and complaints relating to the City Hall parking facilities.

We value: responsiveness to the needs of all customers; neutrality and professionalism; fostering honest, open communication between the public, Council and staff; personal and professional commitment to quality customer service; and consistency, fairness, mutual respect and courtesy in our work environment.

FY 2016-2017 GOALS

- 1) Continue to provide courteous and professional service to elected officials, city staff and most importantly the citizens of the City of Bridgeport.
- 2) Continue to assist departments with research and document retrieval in a timely manner.
- 3) Begin researching on a records management system for the files in the City Clerk's vault. This will serve as a time and cost savings to the City as follows:
 - Time savings
 - faster filing and retrieval of information
 - fewer misfiles
 - higher staff efficiency and productivity
 - Cost Savings
 - less frequent purchase of filing equipment and supplies
 - less space used for filing in the vault
 - less time spent on filing
 - less costly recovery of council records

(Higher productivity and lower costs are the main benefits of good file management)

FY 2015-2016 GOAL STATUS

- 1) To continue to provide support to the City Council, City Departments and residents by preparing and distributing materials in a timely, efficient, and streamlined manner, with an emphasis on electronic access initiatives that increase information availability while reducing cost where possible.
6 MONTH STATUS: *Ongoing and continuous.*
- 2) Begin implementing new internal forms for City Clerk Staff for processing of City Council Submissions and resolution form for City Council members as well. The prior forms are outdated with information having to be written or manually typed. The new forms will have fields already entered and more user friendly for quick input of City Council Submission items.
6 MONTH STATUS: *Completed.*
- 3) Begin discussion with City Clerk on re-opening office to five days a week.
6 MONTH STATUS: *Completed. The office is now open five days a week.*

FY 2016-2017 PROPOSED GENERAL FUND BUDGET
CITY ATTORNEY PROGRAM HIGHLIGHTS

FY 2016-2017 GOALS

- 1) Provide legal representation to the City of Bridgeport, its officers, employees, the City Council and its committees, and all Boards and Departments.
- 2) Supplement in-house personnel resources to further reduce reliance on outside legal counsel.
- 3) Refine legal support to the Administration and the City's lobbyists with respect to managing priority City legislative initiatives.
- 4) Support major infrastructure projects that the office is partnering on with other departments (i.e. The Airport's runway relocation & safety zone installation, WPCA regionalization, and School Building Committee construction).
- 5) Promote team goals and team litigation and to maximize delivery of legal services.
- 6) Prioritize proper and timely reporting in accordance with State and Federal reporting requirements.
- 7) Maximize workload and performance data via Abacus Law program to increase efficiency of service delivery. Analyze workload and performance data via Abacus Law program to produce risk and loss management initiatives for discussion with Administration and City Council.
- 8) Promote case review procedures providing case review within 90 days. When an exposure is identified, prioritize subsequent case review-based exposure and implement appropriate defense handling thereafter. This will significantly cut down on backlogged cases in this department.
- 9) Continue to reduce number and dollar amounts of payouts for claims and lawsuits filed against the City, its officers and employees.
- 10) Encourage/foster professional training to improve personnel performance.
- 11) Increase legal services level to standing agencies, boards, commissions and committees.

FY 2015-2016 GOAL STATUS

- 1) Together with the City Council's Special Rules Committee, draft and procure adoption of revised Rules of the City Council to facilitate efficient Council proceedings.
6 MONTH STATUS: *We continue to provide legal representation and guidance to the City Council and its committees.*
- 2) Supplement in-house personnel resources to further reduce reliance on outside legal counsel.
6 MONTH STATUS: *This remains a critical goal we are working towards.*
- 3) Support major infrastructure projects that the office is partnering on with other departments (i.e. The Airport's runway relocation & safety zone installation, WPCA regionalization, and School Building Committee construction.).
6 MONTH STATUS: *This remains a critical goal we continue to support for both cost savings and infrastructure improvements.*
- 4) In conjunction with the CAO and Purchasing Department, present proposed amendments to the City Council regarding the City's current Purchasing Ordinance and Purchasing Board's rules, regulations, policies and procedures of procurement of excess liability insurance coverage.
6 MONTH STATUS: *Ongoing.*
- 5) Reorganize staff attorney work groups (litigation, business/development, administrative law support, and legal opinions/advice) to maximize delivery of legal services.
- 12) 6 MONTH STATUS: *We are working to promote team goals and team litigation to maximize delivery of legal services.*
- 6) Continue to reduce number and dollar amounts of payouts for claims and lawsuits filed against the City, its officers and employees.

FY 2016-2017 PROPOSED GENERAL FUND BUDGET
CITY ATTORNEY PROGRAM HIGHLIGHTS/ APPROPRIATION SUPPLEMENT

6 MONTH STATUS: *Ongoing effort, coordination and communication between departments is critical in some instances, we have implemented a monthly meeting between key stakeholders to foster communication and cooperation to reduce liability impacts in preventable situations.*

7) Encourage/foster professional training to improve personnel performance.
6 MONTH STATUS: *Ongoing.*

8) Increase legal services level to standing agencies, boards, commissions and committees.
6 MONTH STATUS: *As always, we work to provide legal council to all interested agencies, boards, commissions and committees whose conduct impacts the City of Bridgeport from a legal standpoint.*

GENERAL GOVERNMENT DIVISIONS
ARCHIVES & RECORDS

MISSION STATEMENT

This department directs the orderly and systematic maintenance, preservation, and disposition of the records of the City of Bridgeport in compliance with State and Federal laws. To do so it operates a records center for the storage of non-current records, and an archive for the City's permanent and historical documents. The program encourages the efficient and economical organization and retrieval of information. The Records Manager/Archivist assists other departments in solving records and filing problems, arranges for the destruction of obsolete materials, microfilms permanent records, and answers a variety of questions from the public about the City's past and present operations.

FY 2016-2017 GOALS

- 1) Complete update of records center database to reflect current boxes and current locations of all city records stored at the center.
- 2) Continue to purge records as retention period is legally satisfied.
- 3) Work with Information Technology Director and City Attorney to develop a formal Electronic City Records Policy which will identify what is a record and who should be its custodian and for how long and in what format it should be retained. The group will work in concert with the Public Records Administrator in Hartford.
- 4) Guide departments with proper record preparation for archiving and transfer of documents to the center.

FY 2015-2016 GOAL STATUS

- 1) Complete inventory of all in-active records on top level of records center. This includes identifying all boxes and certifying their locations within the center and in the data base.
6 MONTH STATUS: *Inventory has been completed.*
- 2) Continue with destruction and recycling of inactive records.
6 MONTH STATUS: *Inventory of Records Center has been completed. Data of record locations and purge of box numbers must be entered into the Record Center database.*
- 3) Work with the Department of Aging on purging of records.
6 MONTH STATUS: *The Department of Aging records have been legally purged.*

FY 2015-2016 ADDITIONAL ACCOMPLISHMENTS

- 1) Have begun the process of reviewing, organizing and preparing records stored at the Social Services office at 759 East Main Street for preparation to seek legal permission to destroy and purge. I am working with the staff at their site until the process is completed. I expect it will take up to 6 months to finish.

6 MONTH STATUS: *Conducted typing with increased speed and accuracy requirement and written examination; oral exams in process.*
- 5) Conduct Custodian I entry level exam and Custodian IV promotional exam.
6 MONTH STATUS: *Custodian IV scheduled for March 19, 2016; Custodian 1 postponed until summer 2016.*
- 6) Continue successful expansion of the non-competitive division through the systemic elimination and restructuring of the competitive division for civilian jobs.
6 MONTH STATUS: *2 positions converted to open-competitive division: Maintenance Mechanic (FD), Data Coordinator.*
- 7) Continue Civil Service green efforts to expand the use and availability of the online application "applicant tracking" feature of MUNIS to eliminate the walk-in traffic and paper applications.
6 MONTH STATUS: *Financial issues present roadblocks for implementation of applicant tracking.*
- 8) Continue and expand the use of social media such as Twitter, Facebook, Instagram etc. to post testing and hiring opportunities.
6 MONTH STATUS: *The use of social media has proven to be very successful, without fees and significant costs, and will continue to be utilized.*

FY 2015-2016 ADDITIONAL ACCOMPLISHMENTS

- 1) Successful transition of retirements into the MERS (Municipal Employees Retirement System) pension plan as well as the integration of Police and Fire Pension Plan A and B members.
- 2) Organization of department documents and archiving and destruction to keep work environment clean and safe. Use of more digital filing.
- 3) Streamlined the seasonal hiring process to accommodate 800 seasonal employees in a smooth and efficient manner.
- 4) Expanded use and formalization of pre-employment background process by retaining a security vendor.
- 5) Updated and streamlined the test day registration process from 3 hours to 1 hour with use of technology for both written and oral processes.
- 6) Included prominent community and civic leaders in the oral interview process for entry level police applicants.
- 7) No challenge to "content" on any Civil Service Public Safety and other exams and continued improvement of procedures associated with the examination process.
- 8) Significantly reduced timeline from exam inception to completion from two to three years experienced in past.
- 9) Exam customer feedback currently running A+; general public either in person or via telephone has been very positive and appreciative of extended information and assistance. Department has offered orientation sessions prior to exams to ease candidate anxiousness and provide opportunities to ask questions and get answers.

FY 2016-2017 GOALS

- 1) Affordable Care Act (ACA) Compliance: Undertake initiatives to expedite reporting requirements and evolving regulations under the Act. ACA reporting for 1095-C forms is a labor-intensive project requiring substantial manual intervention. Excise Tax: The effective date of the tax was postponed from 2018 to 2020 however this merely postpones the development of strategies to deal with the huge cost of the tax if it is not repealed or modified. We will need to begin planning for the onset of this tax.
- 2) Data acquisition for actuarial report on "Post Employment Benefits Other than Pensions." This is a biennial project that is labor intensive and time consuming. We will investigate initiatives that will speed the acquisition of this data.
- 3) RFPs: The following RFPs are scheduled for the coming fiscal year: vision benefits, short term/long term disability benefits, dental benefits and possibly medical benefits.
- 4) Medicare medical benefits: We will investigate the feasibility of moving our Medicare retirees to a self-insured format beginning in January, 2017.
- 5) Medicare prescription benefits: We will evaluate the success of the recent additions to the federally subsidized Employer Group Waiver Plan (EGWP) as well as consider feasibility of adding new retiree groups to the program.

FY 2015-2016 GOAL STATUS

- 1) The provisions of the Affordable Care Act become more rigorous in fiscal year 2015-2016. We will work to assure that we meet the standards for offering coverage to 95% of our full time workers. Affordability will be a greater issue next year as premium cost share continues to rise. We will develop goals to monitor compliance with this issue to afford the Administration the opportunity to decide on a course of action which will be either to pay a

FY 2016-2017 PROPOSED GENERAL FUND BUDGET
GRANTS PERSONNEL/BENEFITS PROGRAM HIGHLIGHTS

potential penalty for employees for whom the benefits are not affordable or provide a benefit program. We will continue to evaluate our strategy relative to the excise tax which takes effect in 2018. Out of Pocket Maximums of \$6,350 for individuals and \$12,700 for families will take effect on 7/1/15. The greatest impact of this provision will affect prescription drug benefits. Benefits deemed Essential Health Benefits (EHB) cannot be subject to calendar year maximums as of 7/1/15. The City previously eliminated this limitation on its benefits.

6 MONTH STATUS: *Complying with Employer Mandate to offer coverage to 95% of full time employees calls for monitoring the work hours to seasonal/part-time employees who do not receive health benefit to assure that they remain under the 30-hour average work week. Seasonal worker hours are captured each week and notices are regularly issued to departments employing these workers. A second requirement of the Employer Mandate calls for determining the affordability of insurance for all employees. Affordability is defined as the cost of benefits not exceeding 9.5% of W-2 wages. The City has about 50 people for whom benefits are not affordable; the Board Of Education has substantially more. The excise tax requirements while a potential problem for most municipalities in the northeast has been postponed two years.*

- 2) Workers Compensation: We shall explore the feasibility of paying heart and hypertension claims through the group carrier rather than through workers compensation.

6 MONTH STATUS: *Research into this initiative suggests that while theoretically possible it will be impractical to implement. CIGNA has no experience administering such a program.*

- 3) Requests for Proposal: Five RFPs are under consider for fiscal year 2015-2016: Physical exams and Workers Compensations office visits; Workers Compensation Actuarial firm; Medicare Broker, Dental Benefits, and Group Life Insurance.

6 MONTH STATUS: *An RFP for physical exams and workers compensation office visits was completed and an award was made to St. Vincent's Urgent Care facility. An RFP for a workers compensation actuarial firm was completed and an award was made to Financial Risk Analysts of North Carolina. An RFP for a Medicare Broker was completed and an award is pending. An RFP for group life insurance was completed and an award was made to Aetna Life Insurance. An RFP for dental benefits is postponed to FY-17.*

- 4) Wellness: We shall focus efforts on the principal factors people can control in preventing disease: weight management, smoking cessation, preventive care. In addition, we shall explore programs encouraging employees to complete the health risk assessment.

6 MONTH STATUS: *A number of voluntary programs have been conducted including biometric program where employees are invited to input data regarding their health risk factors and receive a report from CIGNA, yoga and zumba exercise programs, sponsored by CIGNA are conducted weekly, weight loss and nutritional programs have been conducted.*

FY 2015-2016 ADDITIONAL ACCOMPLISHMENTS

- 1) Affordable Care Act Reporting: Form 1095-C's have to be issued to each employee and retiree reporting on the months that they had coverage in CY-15 and whether or not the coverage was affordable. This is a massive undertaking not only calling for calculation of the information but feeding into the MUNIS payroll system so it can be reported to employees and retirees.
- 2) Medicare prescription benefit program: Two additional groups of Medicare retirees were added to the Employer Group Waiver Plan (EGWP) a federally subsidized program which produces substantially more federal subsidies than its predecessor Retiree Drug Subsidy program. For FY-17, we project subsidies under this program to approach \$3 million. The

GRANTS PERSONNEL/BENEFITS PROGRAM HIGHLIGHTS/ APPROPRIATION SUPPLEMENT

- 3) one downside to the EGWP program is that subsidies are paid retroactively in the 12-to-24 period following the conclusion of the calendar year.
- 4) Workers Compensation Brochure describing the program and the medical care network was revised and issued to all employees.

GENERAL GOVERNMENT DIVISIONS

LABOR RELATIONS

MISSION STATEMENT

The Labor Department negotiates and administers the collective bargaining agreements between the City of Bridgeport and all Unions and Associations. We manage and/or coordinate human resources activities, counsel and advise management on labor relations and human resources issues, and resolve grievances and labor relations disputes. In addition, we handle arbitrations, State Labor Relations Board (SLRB) hearings and related or similar proceedings. Our objectives include: negotiating open collective bargaining agreements on time and within budget. Arbitration, if necessary, to achieve an acceptable collective bargaining agreements, reducing the number of grievances filed, increasing the number of successful grievance arbitrations, and improving coordination and management of human resource issues.

FY 2016-2017 GOALS

- 1) To prepare a City budget that connects the missions, goals and objectives for all City departments and divisions to the service and performance of that work.
- 2) To collect data reflecting performance levels for service for all City departments. To analyze department performance levels using history, benchmarking and other comparative analysis methods and integrate these measures into the City budgets. To support related endeavors in the CitiStat Program, and to work to make this a performance-based culture.
- 3) Continue to support City departments financially and operationally in providing necessary services to their customers.
- 4) To maintain and control through the fiscal year, the City-wide and department budgets.
- 5) To develop, maintain, and produce monthly reports throughout the fiscal year detailing justifications and documentation for all City expenditures.
- 6) To provide support and guidance in budgeting and financial management decision making to other departments.
- 7) To provide budgeting support to all grants received by the City of Bridgeport.
- 8) To support the payroll system and their team.

FY 2015-2016 GOAL STATUS

- 1) To prepare a City budget that connects the missions, goals and objectives for all City departments and divisions to the service and performance of that work.
6 MONTH STATUS: *For the seventh time, the Bridgeport Budget book received a distinguished budget award from the Government Financial Officer's Association. This awards program was established in 1984 to encourage and assist local governments to prepare budget documents of the very highest quality. Budget reviews are conducted by selected members of the GFOA professional staff and outside reviewers. Only those budgets that meet the criteria outlined in the process receive awards. Criteria are based upon guidelines established by the National Advisory Council on State and Local budgeting and the GFOA's recommended practices on budgeting.*
- 2) To maintain an effective City-wide System for Performance Management.
6 MONTH STATUS: *We continue to refine our performance management templates and use the information from them to enhance our budget book.*
- 3) Continue to support City departments financially and operationally in providing necessary services to their customers.
6 MONTH STATUS: *This process is continuous.*
- 4) To maintain and control through the fiscal year, the City-wide and department budgets.
6 MONTH STATUS: *This process is continuous.*
- 5) To develop, maintain, and produce monthly reports throughout the fiscal year detailing justifications and documentation for all City expenditures.
6 MONTH STATUS: *OPM closely monitors spending and revenues continuously. Monthly reports are produced by the Finance Department in concert with OPM.*
- 6) To provide support and guidance in budgeting and financial management decision making to other departments.
6 MONTH STATUS: *OPM has played a central role in the support and training of all departments in the new financial system. We continue to provide a variety of budgeting and financial management support mechanisms to other departments throughout the year.*

- (1) A complete update of our WAN (Wide Area Network) and LAN (Local Area Network) was completed in December 2007. We do not anticipate any new activity in this area unless there are building changes, which are difficult to predict. This accounts for the zeroes in WAN & LAN lines planned & total connected in the 2008-2009 column.
- (2) AMACs are requests filed when workers need their computers added, moved or changed.

FY 2016-2017 GOALS

- 1) Complete projects on hold from previous fiscal year.
- 2) Implement new permits, licenses, and inspection application.
- 3) Complete staffing enhancements to cover public safety divisions 24/7/365

FY 2015-2016 GOAL STATUS

- 1) Complete Voice over IP Rollout.
6 MONTH STATUS: *on hold.*
- 2) Implement hybrid cloud email and collaboration.
6 MONTH STATUS: *on hold pending 2017 operating budget request.*
- 3) Expand data storage.
6 MONTH STATUS: *expanded for security cameras.*
- 4) Implement e-discovery tools.

(1) Please note that due to the Public Safety Communications Center's taking over all dispatch function, the reported total call volume from 2010-2011 forward includes Fire dispatch calls as well.

FY 2016-2017 GOALS

- 1) Hire, train, graduate and field-train two more classes of at least 32 police officers.
- 2) Continue to execute the promotional plan to include a request for a Lieutenant's test.
- 3) Purchase, outfit and deploy a number of new marked police vehicles in accordance with the Capital Budget plan.
- 4) Continue to pursue the construction of a new police facility.
- 5) Continue to revise the Department Manual.
- 6) Continue to support the Mayor's Violent Crime Reduction Task Force.
- 7) Complete and begin to utilize the new firearms training facility.

FY 2015-2016 GOAL STATUS

- 1) Hire, train, graduate, and field-train a class of 32 police officers; hire and begin to train a second class of 32 police officers.
6 MONTH STATUS: Class 37 of the Bridgeport Police Training Academy will begin on February 29, 2016. It is anticipated that there will be at least 32 Bridgeport recruits participating in the class. Planning has already begun for Class 38, which is anticipated to begin at some time in the beginning of the next Fiscal Year with at least 32 more recruits.
- 2) Continue to execute our promotional plan in conjunction with Civil Service; promote all ranks as needed and funded.

6 MONTH STATUS: *Since July 1, 2015, we have, in cooperation with the Civil Service Commission, conducted a Captain's Test, thereby establishing promotional lists for Detective, Sergeant Lieutenant and Captain. From these lists, 8 Detectives, 4 Sergeants, 6 Lieutenants and 4 Captains have been promoted during the first 6 months of this Fiscal Year.*

- 3) Fully participate in the implementation and opening of the Center for Family Justice.
6 MONTH STATUS: *Construction delays have pushed back the opening of the physical plant, however, the Bridgeport Police Department's commitment to the Center for Family Justice, together with our neighbors from Fairfield, Stratford, Trumbull, Monroe and Easton Police Departments remains strong. The tentative opening date is now March 1, 2016. Domestic Violence Prevention remains a top priority of the this Department, as evidenced by the adoption of the Lethality Assessment Program (LAP), which is intended to reduce the chances of a victim of Domestic Violence from being seriously harmed or killed.*
- 4) Continue our traffic calming and safety program in conjunction with the Mayoral initiatives in this area. Focus on our pedestrian and traffic safety program, continue to collaborate with other City departments and stakeholders with the ultimate goal of reducing traffic related accidents, injuries, and deaths.
6 MONTH STATUS: *We continue to meet weekly with representatives from the Patrol, Traffic and Parking Enforcement Divisions in order to report on, analyze and prevent traffic crashes and moving violations. As a result of the new bargaining agreement with Local 1159, Parking Enforcement Officers are now able to leave the Downtown area and enforce parking rules throughout the City. This has increased compliance with Parking Regulations, and also increased revenues from parking fines.*
- 5) Provide mandatory training on the new collective bargaining agreement upon ratification of such contract.
6 MONTH STATUS: *We expect that the new contract will be printed and distributed to all members as required during the second half of this fiscal year. Once contracts have been distributed, then training will be scheduled.*
- 6) Complete and begin to utilize the new firearms training facility.
6 MONTH STATUS: *Due to construction delays at the site designated for the Public Facilities truck repair and maintenance facility, the Police Department has yet to be able to take possession of the building designated as the new firearms training facility. We hope to be able to take possession of the building before the end of this fiscal year.*
- 7) Continue to implement a wide array of technology related initiatives and projects, some currently underway and some planned in areas that include, but are not limited to time and attendance software, RMS, digital PR-1, body cameras, LPR and stationary cameras, ticket printers for marked patrol vehicles, e-crash software, etc.
6 MONTH STATUS: *E-crash software has been successfully deployed. A digital PR-1 is currently in beta testing. The implementation of e-crash and PR-1 projects will support the establishment of a Records Management System. The Detective Bureau has established a full-time DIVIRT (Digital Imaging and Video Recovery Team) squad. Digital video has proved to be very valuable evidence in a number of significant cases here in Bridgeport. As video surveillance becomes more and more ubiquitous, in both the public and private sector, this digital evidence becomes more and more important to solving crimes. The Department currently has a number of options when deciding to fund and implement Body-Worn Cameras. Discussions and review are ongoing on how best to proceed.*
- 8) Continue the Police Departments participation in Project Longevity.

6 MONTH STATUS: *Project Longevity Bridgeport, an anti-violence initiative supported by the Governor, the US Attorney and the City of Bridgeport, seeks to reduce serious violence in the community using a unique combination of Community Involvement, Social Services and Focused Policing to positively influence group dynamics. With the support of State and Federal Law Enforcement, Parole and Probation, the Bridgeport Police Department endeavors to provide a focused deterrence strategy to those groups who do not heed the message of Project Longevity, which is: 1) Group members are valued members of our community; 2) Violence will no longer be tolerated in our community and must stop; and 3) We will provide support on securing a range of needed services to help you avoid in engaging in criminal activity. Project Longevity has worked with 75 clients, providing assistance of all types, in the past year.*

- 9) Continue to revise the Department Duty Manual.

6 MONTH STATUS: *To date, one policy has been approved by the Board of Police Commissioners during the first half of FY 15-16. This is an ongoing project.*

- 10) Complete a preliminary needs assessment along with artist renderings of a new police headquarters facility.

6 MONTH STATUS: *At this point, no funds have been released to conduct the needs assessment and renderings of a new police headquarters facility, although this continues to be a goal for the Bridgeport Police Department.*

PUBLIC SAFETY DIVISIONS
FIRE DEPARTMENT

MISSION STATEMENT

We, the members of the Bridgeport Fire Department, are dedicated to serving the people of the City of Bridgeport. We will safely provide the highest level of professional response to fire, medical, environmental emergencies and disasters, either natural or manmade. We will create a safer community through our extensive participation in Fire Prevention, Code Enforcement and education for the public and department members. Our goal is to provide twenty-four (24) hour emergency service for the protection of life and property within a four (4) minute response time frame.

FY 2016-2017 GOALS

- 1) Seek Capital funding to replace a Fire Aerial Ladder / Pumper, Engine #16, Quint. This vehicle is a 1996 Pierce Quint which is twenty years old with high engine hours / mileage.
- 2) Seek Capital funding to replace four aging ancillary staff vehicles. Three of these vehicles are 2007 Ford Explorers with over 100,000 miles and the other vehicle is a 2002 Minivan with high mileage.
- 3) Apply for an Assistance to Firefighters grant with the hopes of being awarded a grant to replace 29 Self Contained Breathing Apparatus, 10 Thermal Imaging Cameras and 7 Commercial Washer / Extractor machines for laundering Firefighter turnout gear.
- 4) Conduct a Firefighter entry level examination and establish a hiring list to fill 12 current vacancies and an additional 6 vacancies that are anticipated in April due to retirements.
- 5) Conduct a promotional exam for the position of Fire Equipment Mechanic in order to fill vacancies in the Maintenance Division.
- 6) Continue to promote and market our smoke alarm program, "Safe Asleep", which is now in its eleventh year, by getting the message out to all Bridgeport residents as to the importance of working smoke alarms.

- 7) Enhance the City's Emergency Response Teams (CERT) with a goal of 200 additional trained volunteers.
- 8) To implement a strategy or contest for each Neighborhood or Council District to have at least one CERT team trained.
- 9) Continue to enhance the City's Bridgeport Virtual Shield Strategy to include additional community stakeholders to assist in crime reduction, disaster situational awareness and overall continuity of operations.
- 10) Continue to update the City's All Hazards Emergency Operations Plan and Continuity of Operations Plans (COOP).
- 11) Enhance the implementation of the emergency training program for city employees and buildings regarding all hazards and safety prevention, preparedness, response and recovery.
- 12) Continue to implement and link the Emergency Operations Center VEOCi (Virtual Emergency Operations Center) program with other City programs so that we can obtain seamless information sharing and data collection.
- 13) To implement the Student Tools for Emergency Planning (STEP) into all 5th Grade Curriculum District wide
- 14) Continue to work with FEMA (The Federal Emergency Management Agency) and the State to recover from the impacts of Tropical Storm Irene and Super Storm Sandy.
- 15) Enhance our designation as a 'Heart Ready' City by providing over 50% of employees and community members with CPR/AED training. This also includes providing every city owned building with an AED (automated external defibrillator) machine.
- 16) Assist in the revision of key stakeholder emergency plans and employee training.
- 17) Continue to assist the schools with all hazards planning and training.

FY 2015-2016 GOAL STATUS

- 1) Seek Capital funding to replace a Fire Ladder truck, two Fire Engines, three Training vehicles and two Fire Marshal vehicles.
6 MONTH STATUS: The two Fire Marshal vehicles have been purchased and are currently being used by Inspectors in the Fire Marshal Division. Capital funds have been appropriated for the Ladder Truck and the procurement process has begun. Capital funds have not been approved in this fiscal year for the two Fire Engines or the three Training vehicles.
- 2) Seek Capital funding to replace the current Zetron Station Alerting System which is old and failing. Replacement parts for repairs to the system are becoming harder to obtain.
6 MONTH STATUS: Capital funds have been appropriated to replace the current Zetron Station Alerting System and the specifications and price quotes are being sought.
- 3) Conduct Promotional Examinations for the positions of Deputy Chief Executive Officer, Fire Captain and entry level Firefighter.
6 MONTH STATUS: The examination process has been completed for the position of Deputy Chief Executive Officer and finalist candidates are being interviewed at the time of this printing. The Fire Captain examination was held and one candidate has now been promoted to Captain. The entry level Firefighter exam is currently being developed and a recruitment team has been actively recruiting candidates from the community to participate in the testing process. The written exam is scheduled to be given this spring.
- 4) Hire 12 new recruit Firefighters for the fall 2015 class at the Connecticut State Fire Academy to replace an anticipated 12 retirements that are expected by then.
6 MONTH STATUS: Once the entry level examination process is complete and there is a final hiring list established, it is the intention of the Department to fill the current 12 vacancies along with an anticipated 6 additional vacancies due to retirements that are expected this April.

- 5) Continue to promote and market our smoke alarm campaign, "Safe Asleep", which is currently in the tenth year since its inception, by getting the message out to the residents of the City of Bridgeport as to the importance of working smoke alarms in the home.
6 MONTH STATUS: *The Department continues to market and promote the importance of working smoke alarms in the home and continues to install smoke alarms every week. As of the date of this printing, over 48,000 smoke alarms have been installed in homes within the City.*
- 6) Continue to seek funding opportunities in the form of grants to sustain the tremendously successful smoke alarm program.
6 MONTH STATUS: *The Department applied for an Assistance to Firefighters grant this past year to fund the "Safe Asleep" program for another year but unfortunately were not awarded this time. The Fire Department will continue to seek opportunities to apply for grant funding in the future to fund this tremendously successful program.*
- 7) Enhance the City's Emergency Response Teams (CERT) with a goal of 200 additional trained volunteers.
6 MONTH STATUS: *At this time we are 75 persons short of our goal of 200 additional trained CERT Members.*
- 8) To implement a strategy or contest for each Neighborhood or Council District to have a CERT team.
6 MONTH STATUS: *This goal has been placed on hold due to the change of administration and city council members and will resume July 1, 2016.*
- 9) Continue to enhance the City's Bridgeport Virtual Shield Strategy to include additional community stakeholders to assist in crime reduction, disaster situational awareness and overall continuity of operations.
6 MONTH STATUS: *We are continuing discussion with the Downtown Special Services District, Universities and other stakeholders to leverage commonality of equipment and operations.*
- 10) Continue to increase the community partnerships for the vulnerable population.
6 MONTH STATUS: *We have pulled together a comprehensive vulnerable population committee and team to assist the Emergency Operations Center.*
- 11) Seek to increase the number of residents and businesses in the City's Reverse 911 System.
6 MONTH STATUS: *This has been a challenge due to social media and a new strategy is needed.*
- 12) Continue to update the City's All Hazards Emergency Operations Plan (EOP) and Continuity of Operations Plans (COOP).
6 MONTH STATUS: *The City's All Hazard EOP has been updated and will continue to be updated as lessons are learned from emergencies and disasters, for instance most recently the Charles Street Fire response and recovery.*
- 13) Implement an emergency training program for city employees and buildings.
6 MONTH STATUS: *We conducted a full training seminar in November 2015. We will conduct another one on the Spring/Summer timeframe.*
- 14) Continue to implement and link the Emergency Operations Center VEOCi (The Virtual Emergency Operations Center) program with other City programs so that we can obtain seamless information sharing and data collection.
6 MONTH STATUS: *We are continuing to enhance the VEOCi system to become fully intra-operable with other city run systems.*
- 15) To implement the Student Tools for Emergency Planning (STEP) into all 5th Grade Curriculum District wide.

FY 2016-2017 PROPOSED GENERAL FUND BUDGET
FIRE DEPARTMENT PROGRAM HIGHLIGHTS

6 MONTH STATUS: *We held training for over 150 5th Grade Lighthouse Program Students in 2015. We are beginning the implementation of the 2016 training schedule.*

- 16) Continue to work with FEMA (The Federal Emergency Management Agency) and the State to recover from the impacts of Tropical Storm Irene and Super Storm Sandy.

6 MONTH STATUS: *There remains one project, the Al Bennett Pier that is being held up due to updated engineering costs. Project is undergoing FEMA approval.*

- 17) Become a 'Heart Ready' City by providing over 50% of employees and community members with CPR/AED training. This also includes provide every city owned building with an AED machine.

6 MONTH STATUS: *We achieved this status and are in the process of enhancing this certification with advanced training.*

FY 2015-2016 ADDITIONAL ACCOMPLISHMENTS

- 1) The Bridgeport Fire Department received 23 UASI portable radios through a grant from the Department of Homeland Security, State of Connecticut, Region One that will provide the department with the ability for communications interoperability at multijurisdictional, large scale incidents involving mutual aid with other cities and towns.
- 2) Purchased 13 Apple ipads for the Inspectors in the Fire Marshal Division to use in the field while conducting inspections utilizing the Fire Inspection module of Firehouse software. This technology will allow the Inspectors in the field to perform a more efficient inspection in less time by using touch screen technology to record inspection data.
- 3) RYASAP, our partner in the "Safe Asleep" program, along with an Inspector from the Fire Marshal Division, conducted Fire Safety education in the Bridgeport Elementary Schools by administering the Masters of Disaster curriculum that is centered on a series of lesson plans that help educate children about the importance of Fire Prevention and Safety.
- 4) In December of 2015, the "Safe Asleep" program reached the number of 48,000 smoke alarms installed for Bridgeport residents that otherwise did not have working smoke alarms in their homes.
- 5) The City of Bridgeport became a "Heart Ready" City and will be awarded in 2016.
- 6) The City of Bridgeport was a recipient of an over \$30 million dollar resiliency grant based on the Rebuild by Design partnership, which the Office of Emergency Management and Homeland Security (OEHMS) was a key stakeholder in.
- 7) The OEMHS helped coordinate the response and recovery efforts of the State's largest displacement of fire victims (Charles Street) with over 120 individuals.
- 8) OEMHS implemented resiliency training for Housatonic Community College's nationally recognized Forward Resiliency program to its Information Technology and Health Care professionals/students.
- 9) Successfully reached out to over 150 Lighthouse Program 5th Graders and trained them in the Student Tools for Emergency Planning (STEP) program.
- 10) Successfully held a training seminar for over 150 local Child Care providers at the Emergency Operations Center to teach them about emergency planning, training, response and recovery components to reach successful all hazards resiliency.
- 11) In 2015 the OEMHS ran 11 preparedness outreach campaigns to various community groups and targeted approximately 10,000 citizens from those campaigns.
- 12) In 2015, OEMHS offered and instructed 250 Emergency Management related classes that helped train 1576 individuals.
- 13) OEMHS conducted over 150 all hazards emergency drills and exercises at our local schools and universities.
- 14) The OEMHS has successfully trained 18 CERT members to understand basic American Sign Language to assist in our shelters.
- 15) The OEMHS has successfully implemented the EOC Virtual program called VEOCi so all EOC Teams can share information.
- 16) The OEMHS has successfully trained 49 CERT member to open up and break down a basic mass shelter operation. We plan to provide additional trainings in April and May 2016.

FY 2016-2017 PROPOSED GENERAL FUND BUDGET
 FIRE DEPARTMENT APPROPRIATION SUPPLEMENT

17) The OEMHS has successfully trained over 50 residents in CPR & AED and has a strategic plan in place to train over 200 residents in CPR & AED by May 2017.

PUBLIC SAFETY COMMUNICATIONS

MISSION STATEMENT

The mission of the Emergency Communications and Operations Center is to protect the lives and property of citizens in the City of Bridgeport. This is done by providing 24-hour emergency 9-1-1 call taking, dispatching and emergency assistance by mobilizing and deploying personnel and resources, updating emergency operations plans and strategies, training emergency personnel, managing the emergency operations system, and warning and informing the public of emergencies and disasters. We strive to provide the highest degree of professionalism while providing service to citizens and public safety personnel.

FY 2016-2017 GOALS

- 1) To implement the State's Next Generation 911 initiative in the Bridgeport Communications Center. To include such features as texting to 911, operational reporting functions and overall Center management components.
- 2) To update all Emergency Communication Center's policies, procedures and standards to incorporate collaboration amongst all staff members, police, fire, EMS and emergency management teams.
- 3) To enhance our Quality Assurance process to include a 360 degree evaluation of all staff members.
- 4) To enhance and update all Citywide Communication Systems and their coverage deficiencies.
- 5) To research the feasibility of all Telecommunicators to perform Emergency Medical Dispatch.
- 6) To incorporate a community education program on the usage of 9-1-1 and its functionality.
- 7) To accomplish and achieve over 90% minimal call answering standards as reflected in the State's 9-1-1 metric.
- 8) To develop a comprehensive strategy for the back-up of the Emergency Communications Center in the event of an emergency relocation.
- 9) To implement a new schedule for the Emergency Communications Center Personnel to minimize "burn-out", enhance operational effectiveness, and to assist in overtime reduction.
- 10) To incorporate a 9-1-1 Center where all first responders, emergency management teams, community and staff members are collaborating and working together.
- 11) To work with the Bridgeport Department of Central Grants in obtaining and leveraging additional funding sources.

FY 2015-2016 GOAL STATUS

- 1) The Public Safety Communications Center (PSCC) will continue to coordinate with the Police Department to relocate critical radio equipment from Whittier School to a new site. This is necessary since the school is no longer accessible to technicians, vendors and the like. The new location will provide a long term solution for the location of the equipment and enhance radio coverage for the field units where currently there is limited reception and intermittent coverage. A capital project request has been made for this project last year and this year, and at this time no funding source has been identified.

FY 2016-2017 PROPOSED GENERAL FUND BUDGET
PUBLIC SAFETY COMMUNICATIONS PROGRAM HIGHLIGHTS

6 MONTH STATUS: *We have met with Northeastern Communications to discuss two valuable locations that will provide the solution for coverage. Possible funding through COPS (Community Oriented Policing Services) technology grant, or 2016-17 Capital Funding request.*

- 2) The Public Safety Communications Center will research and review demos of potential logging recorders in order to purchase a new system. This is necessary due to the architecture of the State's Next Generation 911 telephone system which will be installed this coming year. Our current system will be obsolete and incompatible once NG911 is installed and in production. A capital project request was submitted last year and this year for this item due to the cost. At this time, no funding source has been identified.

6 MONTH STATUS: *An updated version of the same logging recording system will be utilized and funding will come through budgetary operating costs.*

- 3) The Public Safety Communications Center will continue to coordinate and assist the Fire Department with replacing their Zetron Alerting System which is unreliable and antiquated. Currently the Fire Department is seeking grant funding for this new system.

6 MONTH STATUS: *This is being finalized as part of the COPS (Community Oriented Policing Services) Technology Grant and should be installed by end of the fiscal year.*

- 4) The Project Manager will coordinate with the City's Office of Planning and Economic Development to research and develop a process whereby the GIS (Geographical Information System) layers are updated to further meet the demands of the first responders.

6 MONTH STATUS: *GIS Department is currently working with our dispatch software vendor.*

- 5) The Project Manager will continue to perform various tasks to update technology within the Center. These updates are necessary to ensure optimum performance of the equipment. This will include the replacement of computers, printers, monitors and other equipment pertaining to operational functionality.

6 MONTH STATUS: *Our City's Information Technology department is working with the various dispatch vendors to accomplish this ongoing goal at this time.*

- 6) The Public Safety Communications Center will continue to coordinate with the Police and Fire Departments to provide necessary data to meet their needs.

6 MONTH STATUS: *This is an ongoing process.*

- 7) The Project Manager will perform a technology refresh on computers that are used to handle 911 and administrative telephony, as well as police and fire radio transmissions.

6 MONTH STATUS: *Our City's Information Technology department is working on this ongoing effort.*

- 8) The Training Division will continue its ride along program for all Telecommunicators with the police and fire departments.

6 MONTH STATUS: *Over 50% of the Telecommunicators have achieved this training effort.*

- 9) The Training Division will complete cross training for the employees in the radio, call taking, data management and police and fire disciplines.

6 MONTH STATUS: *Currently 48% of staff have been cross trained.*

- 10) The Public Safety Communications Center has requested additional Supervisory staff in order to improve scheduling, coverage of the Center and to implement some new programs requiring a supervisor's oversight.

6 MONTH STATUS: *Due to City budget constraints this goal is placed on hold.*

- 11) The Public Safety Communications Center has requested a part time receptionist position to greet visitors at the main entrance to ensure all visitors are signing in, as required enhancements

FY 2016-2017 PROPOSED GENERAL FUND BUDGET
PUBLIC SAFETY COMMUNICATIONS PROGRAM HIGHLIGHTS

for building security. This will allow the full time budget policy analyst to focus on payroll, budgetary items and other projects.

6 MONTH STATUS: *This has not been accomplished due to budget constraints.*

- 12) The Public Safety Communications Center will continue to work with the Health Department, Police Department, Fire Department, Tax Office and other internal Departments to increase registrations for the Smart911 system.

6 MONTH STATUS: *To date the City has 150 registered Smart911 subscribers.*

- 13) The Public Safety Communications Center will reach out to the citizens of Bridgeport to register for the Everbridge Emergency Notification System. The Everbridge system is used on a continuous basis to alert the citizens of Bridgeport of impending snow storms, evacuations, natural disasters, and missing persons. The more people we can get registered in the system the more people we can reach during emergencies.

6 MONTH STATUS: *This is a State effort and registration has been encouraged through the State site.*

- 14) The Public Safety Communications Center will continue to work with the grants office to identify funding opportunities in order to facilitate ongoing and new projects.

6 MONTH STATUS: *This is an ongoing goal.*

- 15) The 911 Public Education efforts will continue, of course this is dependent on staffing.

6 MONTH STATUS: *This is an ongoing community education effort.*

- 16) The Public Safety Communications Center will continue its ongoing efforts to support the Mayor's BGreen initiatives by purchasing paper and office supplies that are environmentally friendly.

6 MONTH STATUS: *To date 100 percent of the paper, printer/toner cartridges are recycled via the vendor.*

FY 2015-2016 ADDITIONAL ACCOMPLISHMENTS

- 1) Under current leadership the Bridgeport Emergency Communications Center has accomplished a 90% call answering metric based upon the State's standards. This is the first time in the history of the combined Center that this was accomplished.
- 2) Under current leadership the Bridgeport Emergency Communications Center's manpower has been streamlined to a more efficient operation in an effort to minimize "burn-out" amongst its members. In addition, it has minimized overtime spending.
- 3) Under current leadership an implementation of an Employee of the Month Award has been incorporated for key staff members.
- 4) The Bridgeport Emergency Communications Center has achieved 100% compliance for the NCIC V2 program that is a required State-wide program.
- 5) The Bridgeport Emergency Communications Center has adopted the Bridgeport Emergency Operations Center VEOCI system to streamline emergency management team notifications and information sharing before, during and after incidents.

PUBLIC FACILITIES DIVISIONS
PUBLIC FACILITIES ADMINISTRATION

MISSION STATEMENT

The Mission of Public Facilities Administration is to plan, organize, staff, direct and manage all units of the Public Facilities Department under its jurisdiction as prescribed in the City Charter. In this capacity, Public Facilities advises the Mayor, City Council and all boards, commissions and departments in matters relating to Public Facilities and infrastructure. The Public Facilities Department is comprised of fourteen divisions: Roadway, Sanitation/Recycling, Transfer Station, Municipal Garage, Facilities Maintenance, Parks, Recreation, Golf Course, Engineering, Airport, Harbormaster, Zoo, Construction Management Services and Public Facilities Administration. The Administration division provides payroll, personnel, budgeting, financial, purchasing, administrative, capital, construction, permits, organizational, supervisory and management services for all of the rest of the Department.

FY 2016-2017 GOALS

- 1) Continue process of assuming Construction Management Services in-house using Administrative staff.
- 2) Relocate Municipal Garage from existing facility at Asylum Street to 990 Housatonic to improve vehicle maintenance and longevity while improving worker productivity and efficiency.
- 3) Finish redesign and schedule construction of Downtown Intermodal Transportation area, improving connections between the Water Street train and bus stations, providing improved pickup/drop-off access, beautification, and enhanced way-finding signage and pedestrian improvements for the safety of walkers.
- 4) Continue trends in reduced energy consumption and expenditure levels.
- 5) Continue to reduce refuse tonnage and increase recycling thereby continuing to reduce tip fee expenses and increase recycling revenue.
- 6) Continue improvements to City facilities including buildings, parks and streets.
- 7) Continue to upgrade vehicle and equipment fleet.
- 8) Execute reduction of daily sanitation routes from twelve to eleven.

FY 2015-2016 GOAL STATUS

- 1) Continue trends in reduced energy consumption and expenditure levels.
6 MONTH STATUS: *Partially meeting goal. For first time in eight years, both electric utility consumption and expenses are up from previous year due to increased rates and skyrocketing streetlight kwh (kilowatt hours) consumed and expensed. The streetlight consumption the last four months of FY15 was more than double the levels of FY14, causing the whole fiscal year to increase by more than 20%. We are examining the reasons with United Illuminating (UI) for the dramatic increase in streetlight consumption, but have yet to resolve the issue. LED changeovers to be complete by spring 2016 should reduce the consumption and expense but no good explanation yet exists for the huge increase at the end of FY15 for streetlights. Rates were higher in FY15 than FY14 by 40%, contributing to the overall increase, but that helps to explain expense, not consumption. Rates in effect from December 2016 through December 2017 should help by approximately 11% (see Facilities Maintenance section).*

Gas Utility Expenses declined for FY15 after having bounced back up in FY13 and FY14. Both consumption and expense have reached new lows. Expense for FY15 was approximately half of the expense for FY07 or FY08, primarily due to very low rates. See utility detail tables and graphs in Facilities Maintenance section.

- 2) Continue to reduce refuse tonnage and increase recycling thereby continuing to reduce tip fee expenses and increase recycling revenue.
6 MONTH STATUS: See Sanitation section for detailed analysis. Increase from Single Stream recycling contributing more than \$130k new savings each year from tip fees avoided. New contract in effect since July 1, 2013 pays approx \$100k per year new revenue. Combining all tip fees avoided (not just the increase from Single Stream just mentioned) plus the new revenue, recycling is worth more than \$440k per year to the City.
- 3) Continue to assist in consolidation of City properties, reducing utility and maintenance costs, while generating opportunities for economic development, increasing the property tax base.
6 MONTH STATUS: Multi-year effort. Goal met. Consolidation of properties during past few years includes the relocation of several departments and offices from City Hall to Margaret Morton Government Center (MMGC), from the Health Department Building at 748 East Main Street to MMGC, McLevy Hall into MMGC, and relocation of Education offices at 948 Main Street to City Hall. Those were all performed prior to the current fiscal year, with nothing additional in FY16. Remarkably, despite all the moves of people into City Hall and the MMGC, consumption and expenses have DEcreased across the combination of City Hall and MMGC over seven years. The City's two largest non-school buildings consumed 244,291 fewer kilowatt-hours in FY14 than in FY08, despite all the moves into these buildings. Six percent less electricity was consumed in FY14 than in FY08, which combined with the rate reductions, led to a 13% reduction in electric expense for these two buildings in FY14 compared to FY08. Those trends have continued into FY15 and FY16, marking a sustained carbon footprint reduction and expense reduction!
- 4) Continue improvements to City facilities, including buildings, parks and streets.
6 MONTH STATUS: Meeting goal. Completed one of the largest expansions of City Parks in recent history, with seven additional playgrounds (Park City Magnet, Cross, Success, Seaside, Puglio, Columbus and Nanny Goat), six new basketball courts (Cross, Curiale, Columbus, Longfellow, Went and Nanny Goat), eight new splashpads (Curiale, Success, Puglio, Seaside, Went and Park City Magnet), new Ripken Little League and soccer fields (Marin, Blackham, Puglio, and Columbus). The City also performed one of its largest paving programs in recent years, re-paving more than two hundred streets, investing more than \$5M in capital infrastructure.
- 5) Continue to upgrade vehicle and equipment fleet.
6 MONTH STATUS: Meeting goal, multi-year program. See Garage section for full description of equipment upgrades, including two mason dumps for snow, madvac and water wagon, among others.
- 6) Continue to work with Education Department on energy efficiency and recycling in City schools.
6 MONTH STATUS: Meeting goal. Multi-year effort. Trends and activities initiated in previous years continuing: Main Street Power completed installation of two solar photovoltaic systems at Cesar Batalla and Blackham schools during FY13. FY14 added installation of solar photovoltaic systems at Barnum, Waltersville, JFK and Tisdale schools (see detailed summary in Facilities Maintenance section). As for recycling, Public Facilities took over refuse and recycling routes from Education Dept July 1, 2012 and continues to provide service in-house, saving approx \$160k per year. Education department instituted new recycling program in all K-8 schools starting Sept 2013 and has decreased their solid waste by approx 10% despite adding more than 350k sq ft of new schools, including Fairchild Wheeler Inter-District Multi-Magnet High School, Classic Studies Annex and Pride Academy. Schools routes had been nine out of ten days refuse with only one day every other week recycling, but during FY14 turned around to three days refuse and two days recycling every week. Schools' recycling efforts ripple through community, increasing rates among households, but also contribute more than \$15k savings directly in tip fees avoided.

- 7) Work through initiatives of Mayor's Office to increase coordination and sharing of resources with Education Department, reducing duplication, providing new efficiencies and streamlining across the organizations where possible, building on the refreshed cooperation between the departments.

6 MONTH STATUS: *Renewed Memorandum of Understanding between Board of Education (BOE) and City that saves the BOE and taxpayer over \$400,000 in salary costs alone by utilizing City personnel management and project task positions. City equipment and resources are optimized and shared with BOE resulting in savings from not having to use outside contractors. Examples include:*

- a. *Garbage / recycling collection - City provides services well below what BOE was paying an outside contractor saving taxpayers \$160,000 a year.*
 - b. *Demolitions -- BOE was able to save \$8,000 in the disposal of portable classrooms by utilizing City dumpsters and personnel for hauling.*
 - c. *Snow removal- Public Facilities and BOE coordinating snow removal at school facilities instead of paying outside contractors.*
 - d. *Security- City personnel are managing security upgrades of surveillance and building access in addition to auditing of outside contractor monitoring fees resulting in over a \$100,000 savings.*
 - e. *Sidewalk and pavement repairs/replacement- City has allocated approx \$150k to the repair and replacement of sidewalks around school grounds. Pavement repairs and patching of school lots have been performed by City forces utilizing recycled asphalt saving BOE expenses of hiring contractors and paying for materials.*
 - f. *Sweeping- BOE utilized City Roadway forces to perform sweeping and cleaning of school lots.*
 - g. *Tree trimming- City forces have been used to correct and cleanup damaged trees.*
 - h. *Hauling support- BOE forces were able to avoid outside contractors saving \$15,000 in cleaning up courtyards at Harding High School by coordinating City forces hauling of brush to the compost center while BOE forces cleared the courtyards.*
 - i. *Secured a five year lease extension of the School Building Operations Facility located at 1085 Connecticut Ave, extending efficiencies from having all BOE Operations under one roof, with vehicles and equipment inside protected from weather. This extension incorporates an additional 3,500 square feet while maintaining a flat rate for the first year of the extension that yields an eight percent decrease in the cost per square foot year one. The rent then increases three percent for the following four years. This extension eliminates the disturbance to operations and the cost of relocating, allowing BOE forces to concentrate on the maintenance and repair of the schools. An extensive search throughout the City resulted in no other alternatives available that met the needs and budget restraints.*
 - j. *Created and utilizing Energy Tracker for the BOE schools to increase awareness of energy use with the goal of reducing energy consumption by 10 percent utilizing behavioral changes that can result in savings up to \$600,000 a year for the BOE.*
 - k. *Bringing school landscaping in-house thus avoiding over \$150,000 of outside contractor expenses and netting a \$30,000 savings to the BOE.*
 - l. *Performing internal audits and diligent utility bill review has produced over \$30,000 in savings due to billing errors, elimination of unnecessary accounts, and changes to favorable rated classes.*
- 8) Relocate Municipal Garage from existing facility at Asylum Street to 990 Housatonic to improve vehicle maintenance and longevity while improving worker productivity and efficiency.
6 MONTH STATUS: *Multi-year project. Completed subsurface conditions analysis FY15. Completed contract for design and engineering of pre-fabricated building. Design performed, but bids solicited too high. February 2016 redesign to help reduce estimated construction costs.*
- 9) Execute reduction of daily sanitation routes from twelve to eleven.
6 MONTH STATUS: *Ongoing process. Plan under review by Labor Relations.*

FY 2015-2016 ADDITIONAL ACCOMPLISHMENTS

- 1) Reorganizing Construction Management Services division since mid-December 2015. Absorbing those duties under Public Facilities Administration, ending costly relationship with outside vendor, avoiding approx \$1M in annual expenses.
- 2) Administering capital improvement projects at numerous locations, including Fire Headquarters/Engine 1, Engine 10, Downtown Intermodal/Water Street Train Station, new Public Facilities Garage, City Hall, Margaret Morton Government Center, Police HQ and stations, Seaside Park, Harbor Yard, Wonderland of Ice, Airport, Burroughs Library, Knowlton Park, Fairchild Wheeler Golf Cart Barn, Zoo Improvements and Ferry Terminal, citywide paving program, Broadbridge Avenue Culvert, Main Street traffic signal improvements, Arctic St and Capitol Ave bridge improvements design, and more.
- 3) Administering large third-party projects including United Illuminating (UI) solar panel lease project at old landfill, design approval and grant award for microgrids at two locations and anaerobic digester with Water Pollution Control Authority (WPCA).
- 4) Continuing to save approx \$160k per year by taking schools' sanitation and recycling routes in-house during FY13. Cooperation efforts between City and Education Department meant Public Facilities newly responsible for refuse and recycling at schools July 1, 2012. Public Facilities terminated the existing \$265k contract with outside hauler, purchased new front-loader truck, evaluated need and purchased dumpsters for 39 locations and was providing service in-house by the time school started September 2012.

PUBLIC FACILITIES DIVISIONS
MUNICIPAL GARAGE

MISSION STATEMENT

The Municipal Garage has some responsibility for all City Vehicles. The entire fleet is registered through the Garage while maintenance is divided. The Garage maintains all City vehicles except for those utilized by the Police and Fire departments. The Garage schedules and performs routine maintenance to assure fleet safety, performs extensive repairs in-house, supervises repairs performed by outside vendors and maintains an inventory of parts to service vehicles and equipment. We operate within all State and Federal Standards.

The Garage performs these functions, totaling more than 4,400 work orders annually on more than 500 vehicles and pieces of equipment, with one foreman, five mechanics, one welder, one servicer, one inventory-keeper and one clerk.

FY 2016-2017 GOALS

- 1) Help create a new Fleet Maintenance Garage to improve maintenance and efficiency, replacing current Garage which is too small and not suitable for heavy truck repair.
- 2) Remove from service elements of old fleet that are either not being used or have depreciated any value from years of service.
- 3) Reduce outside repairs by half compared to the current fiscal year (FY16).
- 4) Create a wash and clean schedule for all vehicles and equipment to help parts last longer, improve efficiency of repairs and appearance of vehicles and equipment.
- 5) Create a repair and maintenance schedule for all departments to help keep vehicles and equipment in better condition and lasting longer.
- 6) Purchase snow trucks, sanitation trucks, street sweepers and other equipment to replace equipment exceeding twenty years of age.
- 7) Refresh and train garage employees and department supervisors on RTA fleet management software.
- 8) Reconstruct our 2000 Chevy K2500 service truck with the proper tools and updated equipment to make service calls more efficient, to prevent down time, and to help reduce outside tow expense.
- 9) Purchase coolant flush machine to drain and refill coolant at flip of switch.
- 10) Continue to increase tire-recapping program.
- 11) Continue use of synthetic lubricants and oil analysis program.

FY 2015-2016 GOAL STATUS

- 1) Construct and complete new vehicle maintenance facility at 990 Housatonic.
6 MONTH STATUS: *Multi-year project. Completed subsurface conditions analysis in FY15. Completed contract for design and engineering of pre-fabricated building. Design performed, but bids solicited were too high. February 2016 redesign to help reduce estimated construction costs.*
- 2) Continue to increase tire-recapping program.
6 MONTH STATUS: *Meeting Goal. Performing more tire recaps than purchasing new tires, saving on average more than \$300 per tire.*
- 3) Strictly adhere to preventive maintenance schedule for the city fleet in order to provide reliable vehicles for city employees and comply with all state and federal standards.
6 MONTH STATUS: *Meeting goal. Working with each department on scheduled repairs and service.*

FY 2016-2017 PROPOSED GENERAL FUND BUDGET

MUNICIPAL GARAGE

PROGRAM HIGHLIGHTS

- 4) Continue to research new technologies and to schedule training classes in order to familiarize all mechanics and vehicle operators with the latest technologies.
6 MONTH STATUS: Partially meeting goal. Have brought in reps from other cities and towns to train on new equipment, however FY16 training is lagging due to shortage of mechanics in Garage as well as vacant top position.
- 5) Continue enforcement of the Vehicle Idling Policy through GPS reports which have reduced exhaust emissions and saved fuel.
6 MONTH STATUS: Partially meeting goal, ongoing effort. Policy established, GPS reports utilized, enforcement dependent on prioritization.
- 6) Continue to use synthetic lubricants and oil analysis program to extend drain intervals, reducing oil, parts and labor costs.
6 MONTH STATUS: Meeting goal. This is an ongoing, multi-year effort. Consistently adding vehicles to the program (approximately 20 per year), reducing fluid changes by approximately one-third, saving more than 250 worker-hours per year.

FY 2015-2016 ADDITIONAL ACCOMPLISHMENTS

- 1) The Municipal Garage and other departments were trained and certified on Echo and Shindaiwa carburetor adjustments, enabling our technicians to adjust carburetors on these brands in compliance with EPA regulations.
- 2) Purchased two Mobile Oil Pump Kits (oil/coolant pumps with a digital oil control valve meter attached to a portable cart that can hold up to 400-lb = 55-gallon drum) which provide a safe and efficient alternative for mechanics to fill equipment with fluids. Instead of climbing up and down a truck with a full bucket multiple times, mechanics only need to wheel the cart over and pump out the fluid.

- 3) Purchased Lubri-Care BG Dawg II Power Flush and Fluid Exchange System for flushing and filling transmission fluids. Designed to flush small vehicles to heavy duty trucks and equipment in a reasonable time, provides improved efficiency for changing fluids, helping to extend transmission life.

- 4) Purchased two 2015 Ford F-550 mason trucks with Western 9 ft plows and an electric Fisher sander for the Roadway Department. Equipped with dependable 6.8L V-10 gas engines, the two trucks are great additions to our fleet and will be used for plowing small streets and dead end roads.
- 5) Purchased a 2016 Ford F-350 Super Duty with a Western plow for Fairchild Wheeler Golf Course to assist with snow removal.
- 6) Purchased a used enclosed-cab Madvac vacuum high-volume litter collector that can be used on rainy days.
- 7) Purchased 1,000-gal Water Wagon along with a 2016 Ford F-350 Crew Cab for the Parks Department to water trees and plantings throughout Parks and City facilities. The Water Wagon is on a commercial-grade trailer and is Department of Transportation compliant for use on public roadways, and is also equipped with a Western 9-ft plow to assist with snow removal.

- 8) Continued to sell old vehicles and equipment through publicized auctions as we gained new equipment through replacement.

PUBLIC FACILITIES DIVISIONS
FACILITIES MAINTENANCE

MISSION STATEMENT

The Facilities Maintenance Division is centrally involved in a wide range of functions: keeping the physical condition of all City Buildings (with the exception of Education Buildings) properly repaired and maintained, including heating and air conditioning, electrical, plumbing, carpentry, painting and masonry; providing custodial services for all City properties; administering utility consumption, rate purchases and energy efficiency programs throughout the City, including streetlights, traffic and decorative lights; maintaining all traffic signals and decorative lighting; assisting in evictions and capital projects; providing venues and decorations for numerous special events and programs.

The Facilities Maintenance Division provides operational and maintenance service and repairs for more than three dozen locations and all traffic and decorative lights with nine tradesmen (two plumbers, four electricians, one painter, one carpenter and one mason) and one maintainer; provides custodial services for fourteen locations and numerous special events with twenty positions; devotes one maintainer daily to assisting with evictions; all with support and management provided by Administration.

FY 2016-2017 GOALS

- 1) Complete roof replacements at Fire Headquarters/Engine 1 and old Engine 10.
- 2) Construct new Public Facilities Garage at 990 Housatonic Ave.
- 3) Continue to drive down utility consumption and expenses across all City accounts.
- 4) Convert United Illuminating (UI) streetlights to LEDs to improve lighting quality of streets which will result in safer vehicular travel flow as well as give residents an added feeling of security. This conversion will also reduce power consumption resulting in approximately \$400,000 yearly savings and reduced greenhouse emissions.
- 5) Continue upgrades of energy management systems.
- 6) Replace decorative light wiring at various locations.
- 7) Replace outdated boilers and air handler systems with high efficiency units.
- 8) Complete installation of Micro-grid at City Hall which will result in a "fail safe" premium power supply for City Hall, Police Headquarters and the New Golden Hill Senior Center in the event of a power interruption due to weather, grid failure or other unanticipated event at comparable costs to those provided by UI. This 20-year combined heat and power plant will also provide savings of approximately \$35,000 per year in thermal energy as hot water for heating and domestic purposes along with reductions in greenhouse gases as result of higher efficiencies due to the cogeneration plant. As an added benefit there will be approximately \$100,000 of new energy efficiency measures installed at no capital cost to the City.
- 9) Complete installation of Anaerobic Digester at Westside Treatment Plant (WTP). This facility will digest both the Eastside and Westside Waste Treatment Plant's sludge, reducing it in half, removing approximately 200 trucks from the road per month while producing a biogas that will fuel a generator set to supply power the WTP. In addition to the sludge digester, a food digester will be included that will break down organic wastes also supplying fuel for the generator with the remaining residual solids being suitable to convert to fertilizer. The combination of these two digesters will provide enough fuel to produce 9,500,000 kwh of the approximate 11,000,000 kwh used to power the Westside Treatment Plant. This facility will increase the resiliency of the WTP by being able to operate and supply power should the electric grid go down. As an added financial benefit the purchased power will be at a 12 percent discount from what the City buys for the rest of its power needs. Thermal Energy from the generators will be made available to the Water Pollution Control Authority (WPCA) at no cost.

FY 2015-2016 GOAL STATUS

- 1) Continue to drive down utility consumption and expenses across all City accounts.
6 MONTH STATUS: *Partially meeting goal. For first time in eight years, both electric utility expenses and consumption are up from previous year due to increased rates and skyrocketing streetlight kwh consumed and expensed. The streetlight consumption the last four months of FY15 was more than double the levels of FY14, causing the whole fiscal year to increase by more than 20%. Examining the reasons with UI for the dramatic increase in streetlight consumption, but have yet to resolve this issue.*

FY 2016-2017 PROPOSED GENERAL FUND BUDGET

FACILITIES MAINTENANCE

PROGRAM HIGHLIGHTS

LED changeovers to be complete by spring 2016 should reduce the consumption and expense but no good explanation yet exists for the huge increase at the end of FY15 for streetlights. Rates were higher in FY15 than FY14 by 40%, contributing to the overall increase as well. Rates in effect from December 2016 through December 2017 should help by approximately 11% (see below).

Gas Utility Expenses declined for FY15 after having bounced back up in FY13 and FY14. Both consumption and expense have reached new lows. Expense for FY15 was approximately half of the expense for FY07 or FY08, primarily due to very low rates. See utility detail tables above and graphs below

Electric Consumption -- All Except Education and Library

GAS UTILITY EXPENSES – ALL EXCEPT EDUCATION and LIBRARY

- 2) Monitor energy markets for most favorable commodity rate pricing, locking in when optimal.
6 MONTH STATUS: Meeting goal. Bridgeport along with neighboring municipalities successfully locked in Third Party Electric Generation Rates from December 2016 through December of 2017. Results in an 11% savings on the generation portion of the electric costs which equates to over \$500,000 to be shared by the City, Board of Education, Water Pollution Control Authority (WPCA) and Library Board.

- 3) Continue to increase use of solar photovoltaic on City and Education buildings.
6 MONTH STATUS: Meeting goal. Agreement signed with General Electric to provide solar power for the New Harding High School consisting of a 468 KW solar array that is expected to generate energy savings of \$80,000 per year.

- 4) Installation of a 5 megawatt UI energy facility consisting of 2.2 megawatt of solar on former Landfill and nearby 2.8 megawatt fuel cell.
6 MONTH STATUS: Meeting Goal. Punch list items being completed on UI's 2.2 Megawatt solar field located at the old landfill. The system is expected to be energized and commissioned in spring 2016 to join the 2.8 Megawatt Fuel Cell Facility that was commissioned in November 2015.

- 5) Identify and remove from service streetlights no longer meeting City needs, contributing to reductions in consumption and expenses.
6 MONTH STATUS: Ongoing, multi-year effort. Continuing process, but only a few removed from service this fiscal year.

- 6) Convert UI streetlights to LEDs to improve lighting quality of streets which will result in safer vehicular travel flow as well as give residents an added feeling of security. This conversion will also reduce power consumption resulting in approximately \$400,000 yearly savings and reduced greenhouse emissions.
6 MONTH STATUS: UI is performing conversion, which is supposed to be complete by Spring 2016. As of February 2016, invoices not yet available to identify any early savings.

-
- 7) Continue changeovers to LED bulbs at various locations including MMGC roof, Ferry Terminal, Train Station, parking lots, parks.
6 MONTH STATUS: *Meeting goal, part of ongoing, multi-year effort. Recent changeovers complete at Animal Shelter and Black Rock Senior Center, midway at Wheeler Center, starting at Margaret Morton Government Center (MMGC).*
- 8) Continue upgrades of energy management systems.
6 MONTH STATUS: *Meeting goal, part of ongoing, multi-year effort. Energy management system at Klein changed during mid-2015.*
- 9) Replace outdated boilers and air handler systems with high efficiency units.
6 MONTH STATUS: *Meeting goal, part of ongoing, multi-year effort. Boiler and air handling system at Klein changed during mid-2015.*
- 10) Complete installation of Micro-grid at City Hall which will result in a "fail safe" premium power supply for City Hall, Police Headquarters and the New Golden Hill Senior Center in the event of a power interruption due to weather, grid failure or other unanticipated event at comparable costs to those provided by UI. This 20-year combined heat and power plant will also provide savings of approximately \$35,000 per year in thermal energy as hot water for heating and domestic purposes along with reductions in greenhouse gases as result of higher efficiencies due to the cogeneration plant. As an added benefit there will be approximately \$100,000 of new energy efficiency measures installed at no capital cost to the City.
6 MONTH STATUS: *Meeting goal, project ongoing. City has signed agreement with developer for the design, construction and operation of the micro-grid. The City has also successfully secured Virtual Net Metering Credits so that excess power generated can offset other City building costs.*
- 11) Complete installation of Anaerobic Digester at Westside Treatment Plant (WTP). This facility will digest both the Eastside and Westside Waste Treatment Plant's sludge, reducing it in half, removing approximately 200 trucks from the road per month while producing a biogas that will fuel a generator set to supply power the WTP. In addition to the sludge digester, a food digester will be included that will break down organic wastes also supplying fuel for the generator with the remaining residual solids being suitable to convert to fertilizer. The combination of these two digesters will provide enough fuel to produce 9,500,000 kwhr of the approximate 11,000,000 kwhr used to power the WTP. This facility will increase the resiliency of the WTP by being able to operate and supply power should the electric grid go down. As an added financial benefit the purchased power will be at a 12 percent discount from what the City buys for the rest of its power needs. Thermal Energy from the generators will be made available to the WPCA at no cost.
6 MONTH STATUS: *Meeting goal, project ongoing. A joint effort consisting of WPCA, City, outside environmental firm (AECOM), and developer (Anergia) personnel successfully obtained a \$2M state grant for environmental remediation of the site to be used for the digester, enabling the project to continue forward. Developer has already received then necessary state permits for the facility.*
- 12) Create and utilize Five year Building Improvement Plan for Board of Education schools to organize repairs and replacements needed re: infrastructure, such as leaking roofs, deteriorating masonry walls, outdated school electrical power supplies, drafty windows, swimming pool facilities, bathrooms etc. in order to provide a clean, safe and healthy environment that is supportive of a positive learning atmosphere.
6 MONTH STATUS: *Goal met. Plan complete and being used for capital budget requests and grant applications.*
- 13) Create a Five year Energy Plan for schools to replace aging boilers, broken and energy intense air conditioners, antiquated lighting and uncontrollable HVAC spaces in order to improve the learning surroundings of the students
6 MONTH STATUS: *Goal met. Plan complete and being used for capital budget requests and grant applications.*
- 14) Improve Work Order System for Board of Education requests to reduce response time and costs of repairs in addition to identifying where resources are most needed. This will also aide in communication to customers of work status.
-

FY 2016-2017 PROPOSED GENERAL FUND BUDGET

FACILITIES MAINTENANCE

PROGRAM HIGHLIGHTS

6 MONTH STATUS: *Meeting goal, continuing effort. Currently trades personnel issued upgraded phones to be able to receive notifications while in the field and pull up work orders on the phones. Additionally, principals have been included in the work order notifications in order to improve communications.*

FY 2015-2016 ADDITIONAL ACCOMPLISHMENTS

- 1) Award of a \$1,716,536 general improvement grant from the State to Alliance District's School Buildings. An additional \$963,464 is expected to be granted via this March's amended application. Projects include boiler replacements, Air conditioning equipment replacements, masonry repairs, pool repairs and school grounds paving.
- 2) Central High School Reconstruct as New is proceeding forward with the first phase completed of the construction of the auxiliary gym and its use as a temporary classroom swing space that allowed the first move of students to occur on their return from the New Year break.
- 3) Dunbar School's Media Center Renovation completed and awaiting furniture.
- 4) Security Lockdown Hardware has been installed at Park City Magnet School.
- 5) Curiale School HVAC system's Variable Air Volume (VAVs) overhaul progressing with costs funded by state grant. These long neglected units will aid in more precise temperature control and lower energy consumption.
- 6) Winthrop School's Early Childhood School Grant work has commenced on installation of Pre-Kindergarden bathroom in classroom.
- 7) New Roosevelt School opened on time and within Budget for the 2015-16 school year.

PUBLIC FACILITIES DIVISIONS
ROADWAY MAINTENANCE

MISSION STATEMENT

The Roadway Maintenance division of Public Facilities maintains the City's 829 lane-miles of roads and streets. This maintenance includes street sweeping, pothole repair, asphalt patching, the collection of illegally dumped trash, evaluation of road conditions, re-paving, maintenance of all traffic signs and street markings, snow removal from street and parking lots, and barricading streets when assisting Police or Fire Departments during emergencies or during special events such as parades and festivals. In addition, the Roadway division conducts programs providing leaf collection and removal, Christmas tree disposal, cutting and removal of brush from City lots and abandoned buildings in coordination with the anti-blight initiative, sidewalk and curb repair, cleaning of catch basins and removal of downed trees during storms. The division also provides extensive backup manpower for Sanitation, Recycling and Transfer Station as well as assisting Maintenance with evictions and Parks with various projects.

FY 2016-2017 GOALS

- 1) Purchase additional snow trucks to update aging fleet.
- 2) Continue development of our employees through Public Works Academy covering: Professional & Communication Skills, Operational Safety, Road Fundamentals, Work Zone Safety/Flagger Certification, Chainsaw Safety & Storm Clean Up, and Winter Operations and Safe Snow Plowing.

FY 2016-2017 PROPOSED GENERAL FUND BUDGET

ROADWAY MAINTENANCE

PROGRAM HIGHLIGHTS

- 3) Continue development of our Management Team through Road Master Program covering: Basics of a Good Road, All About Asphalt Pavements, Principles of Drainage for Local Roads, On-the-Job Safety and OSHA Regulations for Local Road Personnel, Work Zone Safety for Maintenance Operations for Local Roads, Planning and Managing Local Road Snow and Ice Control Activities, Defensive Driving for Public Works, and Backhoe Safety and Operations.
- 4) Purchase additional Sweepers and Tenants to update fleet so we can keep up with litter control.
- 5) Continue to cross-train employees on all equipment where applicable to ensure the safe operation of equipment, to prepare employees for promotion and to better utilize employees and equipment.
- 6) Continue implementation of supervisor logs to monitor personnel and equipment, improve accountability, ensure proper equipment usage and maintenance, and to enhance productivity.

FY 2015-2016 GOAL STATUS

- 1) Increase productivity and efficiency of road patch repairs and potholes through utilization of recycled hot asphalt from our new asphalt reclaiming machine, and operating our new state-of-the-art high-powered milling machine. Goal is to apply 20-25 tons of hot-patch on a daily basis weather permitting.
6 MONTH STATUS: Partially meeting goal. Asphalt reclaiming machine purchased and in service, thereby allowing us to make use of large supply of millings. Operators continue to learn correct mix of materials and adjusting to new equipment. Hot patch purchased from outside vendors less than half of previous years and overall productivity up, but not yet to goal. Continuing to monitor operation of new equipment to utilize more effectively.
- 2) Continue development of our Management Team through OSHA 10-hr course, covering: Walking & Working Surfaces, Emergency Action Plan, Hazardous Materials, Personal Protective Equipment, Machine Guarding Safety, Electrical Safety, Hazard Communication, Hazardous Substances & Industrial Hygiene, Safety and Health Programs. Also utilize applicable leadership and management training through Housatonic Community College.
6 MONTH STATUS: Goal partially met. Most of Management Team have completed OSHA 10 course and will continue to have remaining management finish course.
- 3) Continue to cross train employees on all equipment where applicable to ensure the safe operation of equipment, to prepare employees for promotion and to better utilize employees and equipment.
6 MONTH STATUS: Meeting goal; ongoing, multi-year process. Over last 12 months, working in-house, assigned department supervisor to train groups in various aspects of jobs performed within Roadway, Sanitation, and Recycling. Supervisor now has effective summary and detailed forms for all the job functions for each title, along with relevant equipment for each division. Once training provided, supervisor checks off on the form the type of training, both sign and a copy placed in personnel file. Practice better prepares the employee for the numerous and varied job-functions involved while benefitting the Department with a more highly-skilled and capable workforce.
Also now scheduling and conducting theory classes on different job-functions, viewing relevant videos on proper operations, safety practices, snow & ice, sweeper and mad-vac operations, asphalt applications, and general work-zone operations. Goal is to have minimum one hour per month theory session for continued training and development.
Ten employees were selected for classroom and hands-on heavy equipment training on payload and backhoe.
A professional arborist conducted hands-on chain-saw training for employees, teaching safe work practices, proper operating of chain-saws, proper techniques cutting down trees, and safe practices during major storm clean-ups.

FY 2016-2017 PROPOSED GENERAL FUND BUDGET
ROADWAY MAINTENANCE PROGRAM HIGHLIGHTS

One-day training was coordinated with regional snow and ice professionals for all staff teaching safe work practices during snow and ice events, proper plow angles when pushing snow, proper techniques on banking snow at intersections, effective operating speeds, preventative maintenance of plows and sand spreaders, and best practices to avoid body fatigue when operating equipment for extended hours during work shifts. Competition conducted as part of training, with best participants advancing to state level, who then brought back trophies for outstanding performance in several areas.

Staff was provided annual work-zone safety training in entering-exiting equipment, defensive driving, safe lifting techniques, and poison ivy identification and avoidance training.

- 4) Continue implementation of supervisor logs to monitor personnel and equipment, improve accountability, ensure proper equipment usage and maintenance, and to enhance productivity.

6 MONTH STATUS: *Partially meeting goal; ongoing process. Supervisor roster in state of change. Once established, should work to re-implement logs.*

- 5) Continue to improve operational effectiveness throughout all daily activities by filling open positions.

6 MONTH STATUS: *Partially meeting goal. Filling positions when possible.*

FY 2015-2016 ADDITIONAL ACCOMPLISHMENTS

- 1) Spring-summer 2015 paving program of more than \$5M utilizing “hot-in-place” technology provided for paving rehabilitation of more than a hundred streets citywide.
- 2) Illegal dumping: total of 806 sites cleaned, removing 806 tons of bulk, 4 tons of scrap metal, and 171 scrap tires.
- 3) Loose leaf collection: total of 1,283 tons collected from the curb citywide.
- 4) Street sweeping: total of 4,762 lane miles swept, removing 247 truckloads of road debris.
- 5) Potholes: A total of 6,567 potholes repaired.
- 6) Patching: total of 174 patch repairs completed.
- 7) Neighborhood Cleanups continued targeting specific areas throughout the city to provide a thorough cleaning, needed maintenance and repairs. In total for this program, 320 lane-miles swept, 15 tons of litter picked up by mad-vac, 110.92 tons of illegal dumping removed, 120 street signs repaired, 640 potholes repaired, 150 parking stalls re-stripped, 376 stop-bars re-painted, and 90 handicap ramps re-painted. This project was specific to Friday and Saturday operations.
- 8) Completed transition of all departmental day-to-day statistics to B-CONNECTED Q-ALERT system to enhance reporting of departmental responses and results.

- 3) Continue training employees in safe operation of snow removal and operating snow equipment.

FY 2015-2016 GOAL STATUS

- 1) Purchase additional equipment for better snow removal, including snow blower attachment for the Loader, a snow box attachment to plow parking lots faster.
6 MONTH STATUS: *Goal not met. Continue to look into purchasing this equipment.*
- 2) Expand the number of snow routes from 28 to 32 to help clear the roads faster, making them safer, as well as reducing overtime and fatigue.
6 MONTH STATUS: *Goal not met due to not having enough trucks nor employees to fill these additional routes.*
- 3) Continue training employees in safe operation of snow removal and operating snow equipment.
6 MONTH STATUS: *Meeting goal; ongoing process. Continue to train in safe operation of snow removal equipment.*

FY 2015-2016 ADDITIONAL ACCOMPLISHMENTS

- 1) Purchased two new trucks to help in combating snow and ice events. These vehicles will also be utilized for other functions within the roadway division.
- 2) Transitioning all departmental day-to-day statistics to B-CONNECTED Q-ALERT system to enhance reporting of departmental responses and results. Reaction by residents indicates these tools improving customer service to residents, as well as improving efficiency.

PUBLIC FACILITIES DIVISIONS
SANITATION & RECYCLING

MISSION STATEMENT

Sanitation Division provides weekly curbside collection of all general household solid waste in the City in compliance with all applicable City, State and Federal health, environmental and safety regulations.

The Recycling Division removes recyclable materials from the solid waste stream through collection and transportation to a regional intermediate processing center as prescribed by City ordinance. Recycling provides bi-weekly curbside household recycling collection of glass, metal food containers, newspapers, HDPE & PETE plastics while also providing recycling of tires, white metal goods and batteries through the Transfer Station. In addition, Recycling removes and processes leaves and tree trimmings for composting and use in City landscaping projects. All services are provided with strict adherence to all applicable Environmental Protection Agency & Department of Environmental Protection regulations.

The Sanitation/Recycling Division accomplishes these tasks with 29 total full-time positions: one manager, one foreman, 2 supervisors and 25 maintainers. There are 12 daily sanitation routes and 4 daily recycling routes, with each route performed by crews of two.

SANITATION FY 2016-2017 GOALS

- 1) Building on success of Single Stream recycling as well as recent years' reductions in solid waste tonnages, re-evaluate all refuse routes to ensure balance required by collective bargaining agreement (maximum 12 tons per route) while also reducing number of daily refuse routes from twelve to eleven.
- 2) Take delivery and put into operation two new sanitation trucks, replacing two that have been in service at least fifteen years.
- 3) Update Toter inventory.
- 4) Coordinate Roadmaster training for Sanitation/Recycling foremen
- 5) Continue to maximize participation in new Single Stream recycling to divert more tonnage from costly solid waste to revenue-producing recycling.
- 6) Continue to reduce curbside solid waste tonnages through enforcement of recycling statutes and ordinances, education, refusing solid waste loads containing recyclables and citing residents for continual violations.
- 7) Continue safety training to sustain progress in prevention of work-related injuries and reduce open routes and related overtime, the number and expense of Workers' Compensation Claims, equipment damage due to improper operation, and absenteeism due to injury. Safety training will include: bending/lifting techniques, defensive driving, safe entrance/exit from vehicles and equipment, proper use of rollout carts and automated lifters, lock-out/tag-out training, blood-borne pathogen training.
- 8) Continue progress made through Safety Committee Meetings in areas of effective and consistent communication, teaching and advising employees of the different hazards, and especially an active investigation of injury claims, thereby continuing to reduce the number and severity of new claims as well as decreasing associated costs.

SANITATION / RECYCLING PROGRAM HIGHLIGHTS

SANITATION FY 2015-2016 GOAL STATUS

- 1) Take delivery and put into operation two new sanitation trucks, replacing two that have been in service at least fifteen years.
6 MONTH STATUS: *Accomplished. Two new sanitation trucks put in service.*

- 2) Promote recycling on sanitation trucks. Examples under consideration: "Bridgeport Recycles" and "Recycling makes cents."
6 MONTH STATUS: *Not meeting goal. Other activities prioritized.*

- 3) Coordinate OSHA (Occupational Safety & Health Administration) 10-hr training for Sanitation and Recycling foremen.
6 MONTH STATUS: *Accomplished. Foremen trained for OSHA 10.*

- 4) Coordinate leadership/management training to further develop management team.
6 MONTH STATUS: *Goal partially met. Foremen scheduled for Roadmaster training.*

- 5) Continue to maximize participation in new Single Stream recycling to divert more tonnage from costly solid waste to revenue-producing recycling.
6 MONTH STATUS: *Efforts ongoing, first four years' results excellent. Single Stream (no sort) recycling initiated September 2011. In first twelve months of Single Stream, delivered 5,155 tons of recycling, which was a 61% increase from the previous twelve months' 3203 tons. Growth continued through the second year of Single Stream (Sept 2012-Aug 2013) as citywide 5,346 tons of recycling were delivered. The third year of Single Stream saw continued growth up to 5,459 tons, or 2% over the previous year, quite an accomplishment given the lighter materials involved. That trend continued in fy15, with 5,669 tons collected, an increase of almost 4% over the previous year. Meanwhile solid waste tonnages citywide (all sources) during those same periods dropped from 60,436 in fy11, to 58,736 for fy12, 55,698 for fy13, 55,538 in fy14, and 55,224 in fy15. Solid waste tonnages can rise or fall for many reasons, only one of which is recycling. But if assume all new tons recycled would have entered the solid waste stream, then City avoided \$130k tip fee expense just from the first-year increase alone. The value of the tip fees avoided for all the tons of recycling in fy15 (not just the increase) was more than \$340k! Additionally, the City entered into a five-year contract effective July 1, 2013 that pays a guaranteed minimum for the Single Stream recycling and an additional bonus rate for clean cardboard, resulting in approx \$110k new revenue each year! Combining the tip fee avoided plus the new revenue, that means recycling is contributed more than \$450k to the City's Budget for fy15 alone! Over the past four years since going to Single Stream, the combination of tip fees avoided plus revenues received totals more than \$1.8M benefit to the City's Budget!*

- 6) Continue to reduce curbside solid waste tonnages through education and outreach regarding the economic benefits of recycling, thereby avoiding tip fee expense and reducing taxes.
6 MONTH STATUS: *Meeting goal, ongoing, multi-year effort. All residents received bilingual, color information packet when new recycling rollout carts delivered Sept 2011. Staff assesses loads daily and meets with residents as needed or requested to provide information. During fy13, more than 3000 households tagged for non-compliance with recycling ordinance, which were then followed up with educational efforts. Almost all cited households comply with recycling after this process, but efforts continued throughout fy14 and fy15, with 5000 households tagged each year. Additionally, through cooperation with Education Department, renewed educational efforts pursued directly with students, in hopes they influence their households to improve still more.*

- 7) Continue to reduce curbside solid waste tonnages through enforcement of recycling statutes and ordinances, refusing solid waste loads containing recyclables and citing residents for continual violations.
6 MONTH STATUS: *Meeting Goal, ongoing efforts combining education and enforcement. Staff continues to assess loads daily and meets residents to provide information. During fy15,*

FY 2016-2017 PROPOSED GENERAL FUND BUDGET
SANITATION / RECYCLING PROGRAM HIGHLIGHTS

approx 5,000 households tagged for non-compliance with recycling ordinance. Most all households are followed up with educational efforts. We continue to cite average 400 carts monthly. Educational efforts follow the first and second offenses, with loads rejected for third offense. Fourth offense warrants intervention by Anti-Blight, who can then issue monetary fines. Most households comply following this process. Anti-Blight involvement was necessary for fourth occurrences in approximately 100 cases in fy15. Enforcement continues; it's a key component to increasing recyclables to decrease tip fee expense and add revenue.

- 8) Building on success of Single Stream recycling as well as recent years' reductions in solid waste tonnages, re-evaluate all refuse routes to ensure balance required by collective bargaining agreement (maximum 12 tons per route) while also reducing number of daily refuse routes from twelve to eleven.

6 MONTH STATUS: *Partially meeting goal; multi-year, multi-department effort. Department has been pursuing decrease of daily refuse routes from twelve to eleven for several years. Plan for reorganization of refuse routes such that total number daily can be reduced by one while staying within collective bargaining agreement of maximum 12 tons per load completed by department during fy13 and submitted to Labor Relations. If plan fully authorized and implemented, annual savings projected at more than \$130k. Consideration and analysis along with discussions with appropriate bargaining units ongoing through Labor Relations as of February 2016.*

- 9) Coordinate an effective plan for equipment training and evaluating all employees on the various types of equipment, improving accountability, productivity, and efficiency.

6 MONTH STATUS: *Goal has been partially met by training all new employees how to operate Sanitation and Recycling trucks safely and effectively. Continued training on cleaning equipment, lock out tag out, operational safety, and stressing the importance of not backing up unless necessary.*

- 10) Continue safety training to sustain progress in prevention of work-related injuries and reduce open routes and related overtime, the number and expense of Workers' Compensation Claims, equipment damage due to improper operation, and absenteeism due to injury. Safety training will include: bending/lifting techniques, defensive driving, safe entrance/exit from vehicles and equipment, proper use of rollout carts and automated lifters, lock-out/tag-out training, blood-borne pathogen training.

6 MONTH STATUS: *Meeting goal; ongoing, multi-year effort. All foremen trained on Accident Investigation. Safety training courses conducted annually: proper handling of rollout carts, lock-out-tag-out training, safe operation of compactors/compaction blades. Researching and planning defensive driving course relevant to daily obstacles as well as professional heavy equipment training for payloader and backhoe operations (which also help to develop employees for higher classified positions). Also see status report for Recycling below.*

- 11) Continue progress made through Safety Committee Meetings in areas of effective and consistent communication, teaching and advising employees of the different hazards, and especially an active investigation of injury claims, thereby continuing to reduce the number and severity of new claims as well as decreasing associated costs.

6 MONTH STATUS: *Efforts ongoing. Automated cart lift, annual safety training, active TWP policy, detailed accident investigations and a zero tolerance enforcement approach of all applicable safety sensitive procedures continue to keep injury claims down driving more efficiency and more productivity. Supervisors attended refresher classes fy15 on proper accident investigations. All employees were given Workers Compensation pamphlets and trained on how the program works.*

SANITATION FY 2015-2016 ADDITIONAL ACCOMPLISHMENTS

- 1) Saving approx \$160k per year since taking schools' sanitation and recycling routes in-house. New cooperation efforts between City and Education Department meant Public Facilities responsible for refuse and recycling at schools July 1, 2012. Public Facilities terminated the

FY 2016-2017 PROPOSED GENERAL FUND BUDGET
SANITATION / RECYCLING **PROGRAM HIGHLIGHTS**

existing \$265k contract with outside hauler, purchased new front-loader truck, evaluated need and purchased dumpsters for 39 locations and was providing service in-house by the time school started September 2012. That savings continued through fy13, fy14, fy15 and into fy16 with additional benefit of reduction in schools solid waste tonnages and increases in recycling. Previous private-vendor contract meant City gained no direct benefit from Education Department's recycling and in fact had no information regarding how much schools were recycling. Now schools recycling counts toward City's totals, helping to improve revenue stream discussed above. New efforts at schools also has meant first significant decrease in solid waste tonnages in years despite adding new location in fy15. Schools solid waste decrease and recycling increase contributing approx \$15k to numbers discussed above.

- 2) Continued to perform twelve sanitation routes and four recycling routes daily despite reductions in staff.
- 3) Sanitation and Recycling Personnel included in snow rodeo and active snow training. Sanitation and Recycling staff involvement during major inclement weather snow events contributing factor in improving citywide snow response.
- 4) Sanitation and Recycling continue to lead Public Facilities operations in fewest number of injury claims and workers' comp lost time. Accomplishment admirable considering department history, illustrating effectiveness of accident investigations, shop-talk discussions, and zero tolerance approach

RECYCLING FY 2016-2017 GOALS

- 1) Re-examine condo pickup schedules, deployment of dumpsters and rollout carts to improve recycling participation at condos, continue to drive up tonnages and reduce complaints.
- 2) Continue program to identify top-recycling households and award them additional rollout cart(s).
- 3) Implement additional training for staff in heavy equipment, OSHA compliance, snow removal.
- 4) Continue enforcement strategy to increase recycling participation.
- 5) Continue aiding Education Department with sanitation and recycling collections increasing recycling participation in schools.
- 6) Re-enforce recycling participation within our City buildings.

RECYCLING FY 2015-2016 GOAL STATUS

- 1) Implement additional training for staff in heavy equipment, OSHA compliance, and snow removal.

6 MONTH STATUS: *Goal partially met. Foremen had OSHA-10 training. Entire department participated in snow training. Planning heavy equip for spring.*

- 2) Continue enforcement strategy to increase recycling participation.

6 MONTH STATUS: *Meeting Goal, ongoing efforts combining education and enforcement. Staff continues to assess loads daily and meets residents to provide information. During fy15, approx 5,000 households tagged for non-compliance with recycling ordinance. Most all households are followed up with educational efforts. We continue to cite average 400 carts monthly. Educational efforts follow the first and second offenses, with loads rejected for third offense. Fourth offense warrants intervention by Anti-Blight, who can then issue monetary fines. Most households comply following this process. Anti-Blight involvement was necessary for fourth occurrences in approximately 100 cases in fy15. Enforcement continues; it's a key component to increasing recyclables to decrease tip fee expense and add revenue.*

- 3) Continue aiding Education Department with sanitation and recycling collections increasing recycling participation in schools.

6 MONTH STATUS: *Ongoing, multi-year effort. Over four years, tonnages mostly up from same month previous year, but some momentum lost from April 2015 through Oct 2015; Nov 2015 through Jan 2016 stronger. Schools recycling tonnages by month below.*

6 MONTH STATUS: *Partially meeting goal; ongoing effort. Needs to be re-visited in light of changes in personnel and assignments.*

- 5) Implement program to identify top-recycling households and award them additional rollout cart(s).

6 MONTH STATUS: *Meeting goal. Initiated in Spring 2015, more than 200 top-recycling households identified by staff observation, bi-lingual flyers drawn up and accompanied issuing additional Toters. Program almost universally welcomed. Will repeat in Spring 2016.*

TRANSFER STATION

MISSION STATEMENT

The Transfer Station is owned and operated by the City of Bridgeport to provide for its residents and permitted small businesses safe, environmentally responsible access to refuse disposal and recycling services. The City provides the site itself, management of the site, a Weigh Master, a roll-off truck with driver employed by the City to provide for refuse disposal and recycling.

FY 2016-2017 GOALS

- 1) Reduce operator cost through new bid and contract.
- 2) Improve verification of city residents for access to Transfer Station, thereby reducing expensive tonnage/tip fee and improving accounting for tons delivered to disposal/burn-plant, while also charging commercial haulers as such.
- 3) Impose a charge to dispose tires and freon to offset what City pays to dispose items.
- 4) Install a more efficient security system, fencing, and lighting to cut down on vandalism.

FY 2015-2016 GOAL STATUS

- 1) Improve verification of city residents for access to Transfer Station, thereby reducing expensive tonnage/tip fee and improving accounting for tons delivered to disposal/burn-plant. Commercial haulers are to be charged as such.
6 MONTH STATUS: *Goal not met. Multi-year effort. During FY15 we initiated an analysis of neighboring municipal residential transfer stations assessing operations, software applications, residential ID-tags, load-tickets, studying potential future pricing for pick-up trucks versus mason-dumps, utility rack-body trucks. Examining different systems for allocating resident access and charges. Will pick back up during second half of FY16 and into FY17.*

- 2) Implement a drop-off site for the recycling of charity items. (Good-Will-Trailer on site with operator) intercepting goods, old-clothes, furniture, items of value otherwise being discarded into the waste stream offsetting tip.
6 MONTH STATUS: *Goal partially met with US-Again providing a dumpster to intercept old clothes before they enter the waste stream.*

- 3) Improve accountability to Contractor for grounds-keeping prevented maintenance, improving landscaping, litter control and overall contractual obligations.
6 MONTH STATUS: *Goal not met. Contractor has been put on notice numerous times to landscape and clean grounds. Practices for landscaping and litter control are inconsistent. New bid for operator contract being issued second half of FY16.*

FY 2016-2017 GOALS

- 1) To increase rounds to 62,000 and continue to increase the number of Tournament/Outings/Events. To this end we need to maintain the momentum and progress we've made improving the course conditions. We also aim to retain all new and long-standing Tournaments/Outing/Events partnerships.
- 2) To continue the strong partnership with the First Tee Program at Fairchild Wheeler and the Professional Golf Association and to increase Bridgeport youth involvement in the sport of golf. To continue the promotion, youth engagement and success of the First Tee Program at Fairchild Wheeler as the flagship model of First Tee's nationally recognized program and chapter consisting of 6 locations in the tri-state area. This goal includes increasing youth programs such as afterschool offerings, a pee-wee program and adding one week to the Nike Junior Golf Camp.
- 3) To continue to grow our relationship with Sacred Heart University (i.e. – Alumni Association Golf Outing/ Faculty and Student leagues).
- 4) To continue to increase advertising, visibility and accessibility of D. Fairchild Wheeler Golf Course through internet, print and social media.
- 5) To maintain and utilize environmentally sound techniques to improve drainage, grounds and overall landscape while preserving and protecting the natural habitat and wetlands that make the golf course a unique and special destination. To expand and continue to practice integrated pest management.

FY 2016-2017 PROPOSED GENERAL FUND BUDGET
FAIRCHILD WHEELER G.C. PROGRAM HIGHLIGHTS

- 6) To initiate plans for the following measures: complete reconstruction of bunkers, with priority sequence being the Black Course and Red Course to follow; reconstruction of drainage and re-seeding of the bowling green where First Tee Programs are held; cart path paving at the ladies tee at 8 Black, back Black 10-18 and Red course; maintenance garage area paving; and continuing enhancement of the welcome areas including paving around the front entrance planting bed on Easton Turnpike.

FY 2015-2016 GOAL STATUS

- 1) To increase rounds to 62,000 and continue to increase the number of Tournament/Outings/Events. To this end we need to maintain the momentum and progress we've made improving the course conditions. We also aim to retain all new and long-standing Tournaments/Outing/Events partnerships.
6 MONTH STATUS: We continue to perform as a strong outing golf course. Usually our staff books an outing for the following year on the day of the outing to retain our customers. We have also expanded outreach through our [Facebook](#) page.
- 2) To continue the strong partnership with the First Tee Program at Fairchild Wheeler and the Professional Golf Association and to increase Bridgeport youth involvement in the sport of golf. To continue the promotion, youth engagement and success of the First Tee Program at Fairchild Wheeler as the flagship model of First Tee's nationally recognized program and chapter consisting of 6 locations in the tri-state area.
6 MONTH STATUS: The First Tee at Fairchild Wheeler continues to grow each year. In addition to the First Tee, Golf Professional Stephen Roach operates a youth golf camp for nine weeks during the June, July and August months.
- 3) To continue to grow our relationship with Sacred Heart University (i.e. – Alumni Association Golf Outing/ Faculty and Student leagues).
6 MONTH STATUS: At this point we have golf lessons for the Jack Welch School of Business. Golf Professional Stephen Roach is the Club Golf Team Coach. Each year we hold two tournaments for Sacred Heart for the school of Business and the Lacrosse Team.
- 4) To continue to increase advertising, visibility and accessibility of D. Fairchild Wheeler Golf Course through internet, print and radio media.
6 MONTH STATUS: Golf Professional Stephen Roach utilizes a data base of almost 4000 people in Fairfield Ct. to connect for promotions and junior activity. We also use the website [Golf Now .com](#) to fill in open tee times during the week available through the [Wheel webpage](#).
- 5) To maintain and utilize environmentally sound techniques to improve drainage, grounds and overall landscape while preserving and protecting the natural habitat and wetlands that make the golf course a unique and special destination. To expand and continue to practice integrated pest management. To continue additional drainage improvements on red course holes 11 and 13. To establish clearly defined "no mow" areas at 13 Black in order to enhance and protect wildlife habitat and vegetation.
6 MONTH STATUS: Golf Course Superintendent Sam Kadi continues to utilize safe practices for pesticides and herbicides. The majority of golf course projects are done in house. Everyone is aware of the "No Mow" areas.
- 6) To beautify and enhance the visitor and player experience and welcome with plantings, improved parking and circulation as well as other customer service efforts. To improve and enhance the property with special attention to the welcome area and main clubhouse, cart paths, bunkers, tee boxes, grass lengths, and signage. To provide additional teeing space on 1 red, enlarging the existing tee by 200 square feet. To repair the cart path bridge at 4 red. To complete the new bridge at 10 red. To reshape and redirect the 13 Red Tee. To develop a capital program for improving red course bunkers. To repair certain black course bunkers that

BEARDSLEY ZOO

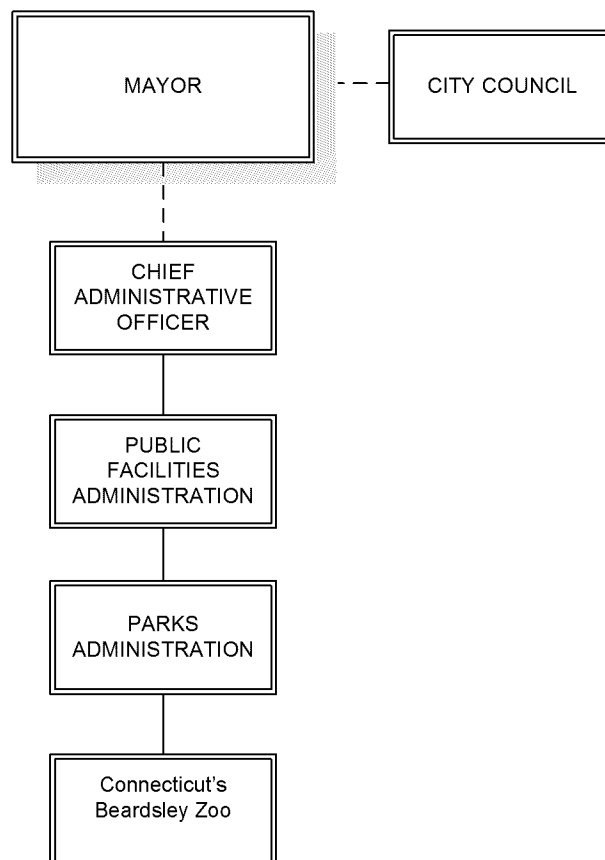

MISSION STATEMENT

Connecticut's Beardsley Zoo is dedicated to acquainting a diverse public to the delicate balance that exists between living things and their environment. Animal exhibits, plantings, graphics, and Zoo programs are presented in such a manner as to give the visitor a sense of awareness and concern for the intricate beauty and fragility of our planet. This mission is achieved by a formal master plan comprised of the following goals:

Education: Achieved through staff involvement and training, outreach and in-house formal programs, workshops, lectures, docent volunteers, natural animal exhibits, informational and interpretive graphics, and research utilizing staff, universities and other zoological facilities.

Conservation: Achieved through participation in endangered species programs such as AZA's Species Survival Program and additionally through professional animal and veterinary care and a comprehensive animal management policy.

Recreation: Achieved through state-of-the-art exhibit design, well-run visitor services and by maximizing the natural and park-like setting with formal and informal landscaping.

FY 2016-2017 GOALS

- 1) **Special Event:** The Zoo is looking to bring in a special program this summer. The Zoo will contract with a company to bring in a temporary exhibit of Penguins. This is to give our guests a new experience for the 2016 season. The exhibit will house 4 penguins and they will be contained in their own exhibit. A tent will be erected to house the exhibit and will also contain educational information, volunteers, and a merchandise area. Special feeding times will be implemented for guests who want an up-close experience. Educational programs will be conducted by staff in our Learning Circle and the Zoo's maze will be a polar experience. This project will impact all Zoo Departments. Marketing will have to be strong, development will look for sponsorships, visitor service will buy appropriate items for sale and education will develop new programs. The AZA (Association of Zoos & Aquariums) is working on a new program for endangered species and the African Penguin is one of those targeted animals to promote to the public. This will give us added exposure. The Zoo will budget over \$100,000 to this program and will work to increase revenue from gate, visitor services, membership and education.
- 2) **Special event:** Camel rides and Tortoise yard are slated to return this year. They have both proven to be popular with our guests.
- 3) **Conservation:** We are working with the Species Survival Plan to move our male Leopard out and bringing in a new male for breeding. The male we have is the brother to the female. Our Leopards (the most endangered large cats on the planet) are very valuable to the population in that they have come from Europe and have different blood lines to the captive United States population. This male will be young and will not be old enough to breed until next year.
- 4) **Conservation:** Again this year are not expecting any significant births. We are watching our Giant Anteaters, Otters and Lynx. Keeping our fingers crossed on them. The Amur Tigers may be put together in February for breeding.
- 5) **Education:** With the new pavilion constructed at the front plaza the Education Department is working on new interactive programs for our guests as they enter the Zoo. Hands on programs are very popular.
- 6) **Education:** The Conservation Discovery Corps, which offers teens the opportunity to gain hands on experience in conservation, is expanding with students from all around the region applying for acceptance. We, at this point, are not excluding any student who expresses interest. This will give us over 70 students this year. We will have enough for them to work on!
- 7) **Education:** Fairfield University Students are continuing to do research at the Zoo as part of a formal curriculum from the school. They have in the past presented their findings at the AZA (Association of Zoos & Aquariums) Annual Conference. Anteater, Prairie Dog and Amur Leopards are some of the animals they are working on.
- 8) **Conservation:** The Zoo acquired (for the first time ever seen at our Zoo) a male Red Panda. This very popular endangered species is now being housed by the Rain Forest. We will be designing a Red Panda exhibit that will be placed near but not too near our Leopard. This

new species for us should be a hit with our guests and we will look to bring in a female through the Species Survival Plan (SSP).

- 9) Project: Spider Monkey and Commissary projects are ready to go when we get the okay.
- 10) Project: Andean Bear Habitat. Funding should be close to being dropped after paperwork for project management is supplied to State.
- 11) Project: State Funded Parking Lot remediation will start construction this spring. This demonstration project is to remove surface water to the soil instead of sewer system. Educational graphics will be added to the area.
- 12) Project: The Zoo is looking at upgrading its IT infrastructure. Grants have been written and a RFP is being sent out. This is needed for operations, security, and educational programming.
- 13) Projects: With funding that has been secured from the Neighborhood Assistance Act the Zoo will replace the skylights on the Rainforest roof, add a living roof to the top of the rainforest and replace the roof on the Amur Tigers. These projects will help to reduce the energy cost in these areas.

FY 2015-2016 GOAL STATUS

- 1) Project: Pampas Plains is scheduled to be completed by late spring 2015. This exhibit will include Giant Anteaters, Chacoan Peccary, Rhea and Vicuna. The Vicuna are the smallest of the llama species of South America and have not been exhibited in the United States for the past thirty years. The exhibit will be viewed from a raised walkway and through covered, glass fronted stations. This is the major work for the Zoo for 2015.
6 MONTH STATUS: *Completed, 750k new exhibit.*
- 2) Conservation: The Zoo will work with the AZA and Peabody Museum on a Citizen Science program called FrogWatch. This program involves children and families to listen for frog calls to determine the health of the population of these species in a certain area.
6 MONTH STATUS: *Ongoing, will be working with this program over next five years.*
- 3) Conservation/Project: The Zoo will build an new exhibit in the Research Station for Hellbenders. These are the largest North American Salamanders and are an endangered species. As an AZA Species Survival Plan species we will exhibit them in a semi-natural exhibit. The important messages are that these salamanders need a very clean and cold stream in which to survive. Funding for this project has been completed.
6 MONTH STATUS: *Exhibit Completed.*
- 4) Education: The Zoo's Conservation Discovery Corps program was given a national award last fall from the AZA for excellence in education. The program will continue to grow and work off and on grounds on conservation programs and educational on grounds talks.
6 MONTH STATUS: *Funding in place and program is growing.*
- 5) Project: The Zoo Commissary should start construction this year along with the Spider Monkey Exhibit. Bids need to put out and received.
6 MONTH STATUS: *City capital projects on hold, commissary plans complete and ready for bid. Spider monkey documents ready for RFP.*
- 6) Guest Relations: The Zoo retained a consultant to review our guest service areas. His report was received and work has started to build upon his recommendations. New equipment and signage for the Café has been purchased. A new guest experience will be installed in the Carousel and the Gift Shop has been reorganized. We hope to experience an increase in revenue and guest satiation.
6 MONTH STATUS: *Initiatives being implemented. New Point of Sale (POS) system being investigated, new lighting to be installed, new signage.*
- 7) Conservation: We do not expect any important births this season. Lynx are still a possibility. Time will tell.
6 MONTH STATUS: *No significant births occurred this season.*

BEARDSLEY ZOO APPROPRIATION SUPPLEMENT

- 8) Guest Service/Education: The Zoo is looking to add a gazebo at the front gate area to aid in educational programs and to give area for guests to get out of the weather. Funding is being sought.
6 MONTH STATUS: *New pavilion near completion.*
- 9) Conservation: The Zoo will work with Save the Sound to complete the water remediation project for the Hanson Parking lot. Design has been completed and State should be funding the project.
6 MONTH STATUS: *Project to be started spring 2016.*
- 10) Project: The Zoo is working with the City to secure the funding for the Andean Bear Exhibit. This is a 2.5 million dollar capital funding project from the State. Contracts should be completed soon and design work should start this summer.
6 MONTH STATUS: *Funding held up at State Level. Paperwork is near completion.*

FY 2016-2017 GOALS

- 1) To provide recreation programs for youth, adults, and senior citizens in the Park City.
- 2) To develop new and innovative activities to engage children, youth, and young adults in educational, health conscious, and environmentally-friendly activities.
- 3) To expand opportunities for youth to support and reinforce good behavior. To coordinate the Boys and Girls Middle School Basketball League, Middle School Flag Football League, Middle School Soccer League, and Middle School Baseball, Softball, and Volleyball Clinics through the partnership with the Board of Education Athletics Department and reinforce the principles of sportsmanship and teamwork that the program inspires.
- 4) To provide exceptional support to youth and young adults who are entering the job field in Recreation and related areas. To continue the Lifeguard Swim Academy. The Lifeguard Academy trains youth and adults to staff our pools and beaches and provide water safety instruction, lifesaving skills, and other important life skills.
- 5) To expand upon the recreational activities offered to Adults and Senior Citizens in Bridgeport and to provide a progressive and varied assortment of fitness classes and other health related activities.
- 6) To continue the success of the Parks and Recreation Adult Softball League.
- 7) To continue to provide outstanding leadership and staff support at Seaside and Beardsley Parks and Pleasure Beach during the summer peak season most notably with lifeguard and checkpoint staffing.
- 8) To continue to foster relationships with other municipal departments and community organizations in an effort to deliver an assortment of activities to all Bridgeport residents.
- 9) To provide comprehensive up-to-date web content on the City website and Facebook Page detailing news and information about departmental programs.

FY 2015-2016 GOAL STATUS

- 1) To provide recreation programs for youth, adults, and senior citizens in the Park City.
6 MONTH STATUS: *All city residents are eligible to participate in the programs offered by the Recreation Department. Most of the programs offered are free or very-low cost. In July and August of 2015, the Seaside Park Summer Day Camp and Tennis Camp enrolled over 175 children. Family Swim nights were offered during July and August 2015 at the Blackham School swimming pool. The Night Recreation program started in November, 2015 and concludes in April, 2016 at five middle school sites throughout the city. This program provides recreation activities for over 1500 children and young adults. The Recreation Department has continued its partnership with the Department on Aging, as well as other senior community centers to bring senior citizens from all neighborhoods of the City together. Celebratory events at the Holy Trinity Greek Orthodox Church and the Mayor's Annual Senior Picnic at Seaside Park were a resounding success. The Parks and Recreation Department Softball League promoted health and fitness by inviting local adult teams to compete. For city residents and visitors to Seaside Park, the Recreation Department facilitated Seaside Park Lifeguard Safety to ensure the safety of thousands of visitors throughout the summer. In addition, athletic field usage and event permit requests were processed by the Parks and Recreation office staff throughout the year.*
- 2) To develop new and innovative activities to engage children, youth, and young adults in educational, health conscious, and environmentally-friendly activities.
6 MONTH STATUS:
 - To maintain the current structure of Night Recreation Programming while and continuing to attract more Bridgeport youth & young adults to participate.
The 2015-2016 Night Recreation program took place at 5 recreation sites at Blackham, Cesar Batalla, Geraldine Johnson, Jettie Tisdale and Luis Marin Schools. The program offers youths and young adults free opportunities to participate in supervised recreation activities three nights per week. Blackham School also includes a swimming pool staffed by department lifeguards during the Night

Recreation hours. The Night Recreation Program offered youth swimming lessons at Blackham School during Spring, 2016 with 100 participants.

- To enhance the experience for children ages 5-12 at Seaside Park Summer Day Camp and all ages for Tennis camp at Central High School and continue to provide these affordable and organized programs to working families in Bridgeport.
The 2015 Seaside Park Summer Camp was a tremendous success. The camp staff coordinated all the daily activities including trips to the Zip Line Adventure Park at the Discovery Museum, Beardsley Zoo, Bridgeport / Port Jefferson Ferry, Coco Key Water Resort, and Lake Compounce Amusement Park. The camp also took part in an Ultimate Frisbee and Disk Golf Demonstration to introduce new recreation activities for the campers.
The 2016 Tennis Camp joined up with Bridgeport Community Tennis and offered a free of charge camp at Central High School. The Tennis Program provided a great facility and exciting environment for the campers. Instructors were provided by Bridgeport Community Tennis. The tennis campers were given complimentary passes at the end of the camp season to attend the New Haven Tennis Open where the campers were involved in contests, meet-and-greet the professionals, and watching live-matches.

- 3) To expand opportunities for youth to support and reinforce good behavior. To coordinate the Boys and Girls Middle School Basketball League, Middle School Flag Football League, and Middle School Baseball and Softball Clinics through the partnership with the Board of Education Athletics Department and reinforce the principles of sportsmanship and teamwork that the program inspires.

6 MONTH STATUS:

- *Middle School Basketball League for boys and girls. 39 teams are participating with 20 boys teams and 19 girls teams for 2015-2016 season. The games take place at Bassick, Central, and Harding High Schools on Saturdays. The league runs from November, 2015 to March, 2016.*

- *Middle School Flag Football League for boys and girls. 12 schools are expected to participate in the league in the Spring 2016. The games will take place at Kennedy Stadium at Central High School and Freedom Park at Luis Marin School on Saturdays in April and May, 2016.*
 - *Middle School Baseball and Softball Clinics for boys and girls at Central High School on Saturdays. The clinics were run by the city high school baseball and softball coaches in September and October, 2015.*
 - *Middle School Soccer League for boys and girls. 12 schools are expected to participate in the league. The games will take place at Roosevelt and Columbus Middle Schools on Saturdays in April and May, 2016.*
- 4) To provide exceptional support to youth and young adults who are entering the job field in Recreation and related areas. To continue the Lifeguard Swim Academy. The Lifeguard Academy trains youth and adults to staff our pools and beaches and provide water safety instruction, lifesaving skills, and other important life skills.
6 MONTH STATUS: *The Recreation Department provides employment opportunities for seasonal positions. Jobs include Summer Camp Counselors, Night Recreation Counselors, Park Checkpoint Attendants, and Lifeguards. The Lifeguard Swim Academy will take place during Spring 2016. The Swim Academy is a program for applicants to train and build endurance to become proficient in all lifeguard skills and receive their required certifications. The Department supports and sustains this community of certified lifeguards with attention to maintaining their practice and skill set as required by the American Red Cross.*
- 5) To expand upon the recreational activities offered to Adults and Senior Citizens in Bridgeport and to provide a progressive and varied assortment of fitness classes and other health related activities.
6 MONTH STATUS: *The Recreation Department coordinated various activities for adults and senior citizens throughout the year including the Senior Picnic at Seaside Park in September, 2016 that served over 400 seniors and the Halloween Dinner at the Holy Trinity Greek Orthodox Church in October 2015 that served over 300 senior citizens. The Recreation Department also coordinates activities and programs for Bridgeport Seniors including Swimming, Arts and Crafts, Zumba, Line Dancing, and Chair Exercises. The Night Recreation Program offers supervised athletic activities for adults at the five night recreation centers and swimming nights for adults and families at the Blackham School swimming pool.*

- 6) To continue the success of the Parks and Recreation Adult Softball League.
6 MONTH STATUS: *The Parks and Recreation Department Adult Softball League at Seaside Park and Wentfield Park included 7 teams for the 2015 season. Teams played a 10 game schedule and a double-elimination playoff tournament. Over 100 adults participated in the league.*
- 7) To continue to provide outstanding leadership and staff support at Seaside and Beardsley Parks and Pleasure Beach during the summer peak season most notably with lifeguard and checkpoint staffing.
6 MONTH STATUS: *The Recreation Department facilitated the 7 day-a-week operation of park checkpoint booths from Memorial Day through Labor Day, 2015 at Seaside Park and Beardsley Park. Park checkpoints entail issuing park stickers and passes and the collection of fees for all vehicles entering the city parks. Checkpoint attendants were also on location at Pleasure Beach and handle the day-to-day operation including assisting at the boating docks, transportation for the public, operation of the concession stand and other duties to ensure the safety and provide any additional assistance.*
- 8) To continue to foster relationships with other municipal departments and community organizations in an effort to deliver an assortment of activities to all Bridgeport residents.
6 MONTH STATUS: *Other municipal departments have joined the Recreation Department at various events to support city-based recreation activities. The Department on Aging partners with the Recreation Department to coordinate various programs and activities for senior citizens. The Recreation Department and Board of Education Athletics partnership coordinates the Middle School Sports Program which includes baseball, softball, basketball, soccer, volleyball and flag football activities. The Department of Public Facilities and Board of Education have provided assistance for many recreation activities and events such as the Bridgeport Baseball Classic featuring local high school teams at Veterans Parks and Harbor Yard Ballpark. The Lighthouse Program and Parks and Recreation Department partnered up along with various youth sports leagues to plan and coordinate "Healthy Kids Day". The event takes place each summer at Seaside Park and introduces Bridgeport youths to different sports and to encourage a healthy lifestyle. Local sports organizations such as the Bridgeport American Youth Soccer Organization, Bridgeport Caribe Youth Leaders, North End Little League, Black Rock Little League, Bridgeport Chargers Youth Football, Bridgeport Raiders Pop Warner Football take part in the event and also have a relationship with the Parks and Recreation Department through scheduling of their events at Park fields and facilities.*

FY 2016-2017 PROPOSED GENERAL FUND BUDGET
RECREATION PROGRAMS PROGRAM HIGHLIGHTS

- 9) To provide comprehensive up-to-date web content on the City website detailing news and information about departmental programs.

6 MONTH STATUS: *The Parks and Recreation Department updates the website regularly to include new information for the public including recent photos and new offerings.*

The Parks and Recreation Facebook page is updated regularly to provide new information to the public including new offerings and activities. The Facebook page is also used as a tool to post weather cancellations and other pertinent information needed in a timely manner.

- (1) We have not had a nurse in some time; we will continue to request that a nurse come at least once a month.
- (2) Transportation provided includes trips to and excursions to various places of interest to seniors. We will inquire about a second functional bus to pick up the seniors at their residence as well as bring them to each center throughout the day.
- (3) Programs provided include swimming, exercise w/ equipment, ceramics, bingo, line dancing, arts & crafts, cards, billiards, dominos, ping pong.
We will strive to provide more parking for our senior members.

FY 2016-2017 GOALS

- 1) We are constantly striving to improve our membership numbers and to entice the seniors of Bridgeport to leave their homes to avail themselves of our services and recreational opportunities that will continue to enhance memory, cognitive ability, concentration and overall mental and physical capacities.
- 2) We will continue to provide varied nutrition, health, transportation & recreational opportunities to Bridgeport's senior population.
- 3) To retain and continue to enhance our relationship with the Parks and Recreation Department, towards exercise and arts and craft opportunities. This partnership shares resources, encourages interdepartmental relations, and has increased our membership numbers.
- 4) We have begun a cooperative agreement with the Benefits Department, who are hosting Zumba and Chair Exercise classes to city employees in our space after hours.
- 5) We are grateful to have replaced much of the old exercise equipment with new equipment due to the increased interest in health and wellness with our seniors. Much of the funding for this was supplied by Parks & Recreation. The Exercise Room has become one of the major highlights of our center.
- 6) Our office supply budget is presently very low and completely impractical. We support three centers including us and we need to provide office supplies yearly. We request this line be increased this fiscal year.
- 7) We will continue to provide seniors with new efficiency, automation and innovation to help with the registration, scheduling, tracking and reporting processes. This system will be used for tracking each senior member for a safer environment, providing accurate counts of seniors and the activities they enjoy and reduce lines signing into the center.

FY 2015-2016 GOAL STATUS

- 1) Our goals: to provide more services, recreation and seniors to participate in the programming we provide. It is essential for mental & physical well-being of seniors that they get out of the house & socialize with others.
6 MONTH STATUS: *We are constantly striving to improve our membership numbers and to entice the seniors of Bridgeport to leave their homes to avail themselves of our services and recreational opportunities that will continue to enhance memory, cognitive ability, concentration and overall mental and physical capacities.*
- 2) We are meeting our goals and improving our membership numbers.
6 MONTH STATUS: *We continue to expand our health and wellness programs. We strive to provide varied nutrition, health, transportation and recreational opportunities to Bridgeport's senior population. We recently connected with a new foot doctor that evaluates the seniors every three months. We provide seniors with opportunities for trips and excursions frequently through our Grandparents Group. The Wii video game continues to be a popular*

innovation as well as our state of the art bingo machine. We are adapting nicely to our new Eisenhower senior center. We no longer provide swimming to our members however the exercise room is well equipped with various machines available daily. We will constantly strive to improve and expand opportunities for our seniors.

- 3) We feel grateful to have enhanced our relationship with the Parks Department. This partnership shares resource, encourage interdepartmental relations and have increased our membership numbers. Our partnership with the Parks & Recreation Department has assisted us in maximizing value for the city while increasing opportunities for Senior programs.

6 MONTH STATUS: *To retain and continue to enhance our relationship with the Parks and Recreation Department, who will continue to provide us with health and wellness activities for our senior citizens. We are grateful for their support with our seniors even though there is no need for a Lifeguard or pool activities at this time. This partnership shares resources, encourages interdepartmental relations, and will continue to increase our membership numbers.*

- 4) Our centers have successfully adapted to the new touch screen sign in systems. The Bridgeport senior centers have been utilizing the new efficiency, automation and innovation toward registration, scheduling, tracking and reporting processes.

6 MONTH STATUS: *Our system will continue to be useful for tracking each senior member for a safer environment, by providing accurate counts of participating seniors. The more we become familiar with the system the more we will learn of the full potential of the program and how it can enhance support for our seniors.*

FY 2015-2016 ADDITIONAL ACCOMPLISHMENTS

- 1) We instituted a new and very popular chair exercise class.
- 2) We now have a nurse coming into the center once or twice a month to provide guidance and health screenings to our senior population.

PUBLIC FACILITIES DIVISIONS
PARKS ADMINISTRATION & MAINTENANCE

MISSION STATEMENT

The mission of the Parks Department is to provide well-maintained, enjoyable park grounds and facilities to enhance the quality of life for City residents and visitors; to preserve and protect open spaces; to provide opportunities for active and passive recreation; and to maintain the landscapes, structures, streams, and woodlands that exist within these areas. In addition, it is our goal to monitor and replace playgrounds that are deteriorated and/or fail to meet ADA standards in order to provide a safe and aesthetically pleasing recreational environment.

FY 2016-2017 GOALS

- 1) To continue to deliver extensive services to City residents and visitors throughout our 47 beautiful parks. To continue to work with the Administration, Police Department, Public Facilities and residents of Bridgeport to ensure safe recreational havens in all parks. This includes the development and implementation of a comprehensive maintenance programs for playgrounds, splash pads, synthetic turf fields, picnic pavilions and all park amenities and grounds. To focus on the establishment of a satellite maintenance crew on the East Side. To achieve this we have structured a routine maintenance schedule to provide maximum coverage for maintaining all our parks to the high standard of quality we continue to strive to meet and uphold. To prepare for Parks Maintenance work in the future by starting the planning necessary to replenish outdated equipment and vehicles as necessary to maintain an efficient workforce for all seasonal applications. The delivery of services includes raising awareness within the Parks and Recreation workforce while also promoting resident participation in volunteerism and keeping the parks clean.
- 2) To complete the following capital and/or grants parks projects: Alice Street Lot, Beardsley Park Master Plan, Black Rock Lighthouse on Fayerweather Island Coastal Engineering and Historic Preservation, Beardsley Park All-Inclusive Playground, Seaside Park Al Bennett Fishing Pier and Wayne Street Park.
- 3) To increase awareness, celebrate and restore historical assets such as Black Rock Lighthouse on Fayerweather Island, Seaside Park's Perry Memorial Arch and the Stratfield Cemetery Gate at Clinton Park with the help of financial assistance from grants.

Perry Memorial Arch at Seaside Park

- 4) To create and sustain the presence of high quality and healthy food concession offerings at the Grove and West Beach stands at Seaside Park and Pleasure Beach.
- 5) To upgrade restroom facilities at Beardsley Park, Luis Munoz Marin/Garfield Open Space, Seaside, Washington and Went Field.

- 6) To improve recreational trails, open space and welcome areas at Veteran's Memorial Park and explore the introduction of dog runs/dog parks on the premises.

Veteran's Memorial Park Walking Trails Entrance on Park Avenue

- 7) To continue to work closely with the Board of Parks Commissioners on projects and initiatives that prioritize the delivery of outstanding results and services to City residents and visitors who enjoy the parks, recreation programs and D. Fairchild Wheeler Golf Course. This includes the support of all large and small events permitted throughout the park system.
- 8) To enhance, maintain and protect the urban tree canopy through proper tree care and maintenance practices. To implement citywide street tree plantings and encourage community residents and neighborhoods to be engaged in environmental stewardship. To implement the second phase of the America the Beautiful Grant for planting in the Pequonnock and Rooster River Watersheds as well as the Community Development Block Grant funded Tree Planting Programs. To assist in the facilitation of the "Trees for Bridgeport" Street Planting Team to bolster grass roots planting initiatives.
- 9) To continue connectivity improvements along the City-maintained rights-of-way leading to and from Parks including esplanades as well as greenways, public waterfront access and pedestrian corridors. This includes coordinating the completion of the Pequonnock River Trail Signage with CTMETRO. To work closely with the Administration, Public Facilities and Engineering Department as well as the Office of Planning and Economic Development to achieve this goal.

Lighthouse Program students at Read School working with the Mayor's Conservation Corps and the Nature Conservancy, fall 2015.

- 10) To continue to work closely with all departments of the City of Bridgeport to improve services to residents and all who visit the largest municipality in the State of Connecticut. To develop and champion solid and strong relationships with the Bridgeport community, the City Council, all agencies, neighborhood groups and revitalization zones, organizations and entities that are partners, contributors and supporters of Bridgeport. Within the Downtown neighborhood, the department will strive to continue working in partnership with the Downtown Special Services District, local businesses and various active organizations. To work in tandem with the Trust for Public Land of Connecticut to put points on the board for the "Parks for People" initiative and achieve our collective goals to improve and increase educational, healthy living, and recreational opportunities for Bridgeport families. To start and complete the initial phase of construction at Johnson Oak Park and Tisdale School with the Trust for Public Land in partnership with the Board of Education, Jettie S. Tisdale School and with strong support from the East End Neighborhood Revitalization Zone and the East End community.
- 11) To expand the Parks and Recreation internet presence, including through social media networking and outreach. To engage residents to like [the City of Bridgeport Parks and Recreation Facebook Page](#). To spread the word about special events, share positive news about Bridgeport programs and support arts, culture and music in the parks as well as athletic, fitness and health programs, and youth education.
- 12) To examine opportunities to increase parks revenue streams that could help offset the City's overall operational expenses. This may include various aspects of park permitting, expanded parking permit requirements at specific locations, increased coordination with the Bridgeport Police Department for sticker enforcement, establish policy and procedure to collect concession license fees and outreach to all users of the park including athletic leagues with detailed information on fees.

FY 2015-2016 GOAL STATUS

1) To continue to deliver extensive services to City residents and visitors throughout our 47 beautiful parks and to support a healthier lifestyle by providing recreational havens for all city residents. To encourage, facilitate and guide public/private partnerships to maximize the benefit of the park system to all its users. This includes facilitating the addition of high quality amenities in our park system including the ability to support diverse programming. To build on the City's success of restoring access to Pleasure Beach for public enjoyment of this amazing park resource.

6 MONTH STATUS: *The City of Bridgeport added Nob Hill Neighborhood Park to its inventory, which provides a dog park, open space, picnic tables, game tables, a horseshoe and a bocce court, and a playground and splash pad in the Upper East Side Neighborhood. The City of Bridgeport continues to work with multiple non-profit organizations, neighborhood groups, businesses, educational institutions and other partners to improve the quality of our parks. Eleven (11) new synthetic turf fields were completed to benefit athletic programs in the City. (Eleven (11) New and improved playgrounds were built for families and children to enjoy in various neighborhoods. Seven (7) new splash pads were built to provide recreational safe havens for children and families to cool off during the hotter peak summer months. Seven (7) courts received new backboards and rims and were resurfaced to improve playability. To continue enhancements to Pleasure Beach a playground was built, picnic shade canopies installed, kitchen concession opened, a 60' American flag erected as a welcoming beacon at the Bathhouse, local bands performed on two Sunday afternoons and an awning was installed to shade Water Taxi passengers at Central Avenue Dock.*

Puglio Park Playground and splashpad.

- 2) To focus Parks Administration and Parks Maintenance resources on improvements needed across the citywide park system with particular attention to cleanliness, athletic field conditions, efficiency, facilities, restrooms, playgrounds, splash pads, signage, safety, security, lighting, fencing, landscaping and overall provisions of maintaining a high level of quality for all 47 parks. To upgrade restroom facilities at Beardsley Park, Luis Munoz Marin/Garfield Open Space, Seaside, Washington and Went Field. To create and sustain the presence of high quality and healthy food concession offerings at the Grove and West Beach stands at Seaside Park and Pleasure Beach. To increase awareness, celebrate and restore historical assets such as Seaside Park's Perry Memorial Arch and the Stratfield Cemetery Gate at Clinton Park with the help of financial assistance from grants. To improve recreational trails and open space at Veteran's Memorial Park.

6 MONTH STATUS: *Parks Maintenance continues to provide cleanliness throughout our parks; additional solar powered trash compactor and recycling stations have been deployed at playground and fields to improve efficiency.*

New Puglio soccer and lacrosse fields at Veteran's Memorial Park, July 2015.

Synthetic Turf Fields were completed at Kennedy Stadium, Luis Munoz Marin Open Space, Puglio Park, and at Blackham, Columbus and Roosevelt Schools. Washington Park and Went Field restrooms were repaired from vandalism to return to service. The All-Inclusive Playground at Beardsley Park features a small restroom facility has for the public to enjoy this summer 2016. At Seaside Park the Concession stands at West Beach remained in operation however the Grove was taken offline to be cleaned and prepared for a future concessionaire. The Parks and Recreation Department is preparing to initiate a capital funding request, outreach for partnerships and grants to restore Seaside Park Memorial Arch and the Stratfield Cemetery Gate at Clinton Park. Parks Maintenance continues to work with the Bridgeport Disc Golf community as well as parks staff to improve the recreational trails and open space at Veteran's Memorial Park. New park amenities include the Danny Martinez Domino Table Memorial Garden at Washington Park and new picnic area at Newfield Park built through a partnership with an East End community organization.

- 3) To complete the following capital and/or grants parks projects: Alice Street Lot, Beardsley Park Master Plan, Fayerweather Lighthouse Coastal Engineering and Historic Preservation, Knowlton Park Phase II, Nob Hill Park, Beardsley Park All-Inclusive Playground, Puglio Park Playground and Splash pad Improvements, Seaside Park Al Bennett Fishing Pier, Landscaping and Planting Improvements at the Soldiers and Sailor's Memorial, Elias Howe Monument, PT Barnum Statue, and the Gateway to West Beach and Wayne Street Park.
6 MONTH STATUS: *The City has met with the community to discuss improvements to Alice Street Lot and is currently preparing to initiate the process to utilize \$100,000 of PY41 Community Development Block Grant Funding for improvements at this neighborhood park. The Beardsley Park Master Plan has commenced, had numerous stakeholder meetings, and completed an online survey and looks forward to present final proposals for improvements. Fayerweather Lighthouse has gone out to bid and is in the contractual process to start construction.*

Bridgeport's Neighborhood Music Studios (<http://www.nstudios.org/>) perform at the Knowlton Park pavilion during its grand opening in June 2015.

Knowlton Park Phase II and Nob Hill Park has been completed. Beardsley Park All Inclusive Playground is over 80% complete and will also feature an expanded splash pad. Puglio Park Playground has been completed with a new splash pad, benches, shade structures and plantings. Seaside Park Al Bennett Fishing Pier has received an award for replacement of the pilings due to damage from Sandy. The City is awaiting FEMA notification to accept a revised budget for the Irene portion of work. Many landscaping and planting improvements were completed at Seaside Park. Wayne Street Park is still in preliminary stages of assessment in its grant implementation process.

- 4) To continue connectivity improvements along the City-maintained rights-of-way leading to and from Parks including esplanades as well as pedestrian corridors. To work closely with the Public Facilities and Engineering Department as well as the Office of Planning and Economic Development to achieve this goal through the City's Complete Streets Policy Implementation. **6 MONTH STATUS:** *The City planted over (12,000) twelve thousand bulbs including daffodils and tulips and almost 2,000 perennials in esplanades, gateways and parks. The Parks and Recreation Dept. continues to work with all departments to increase safe access to and from the parks for the local community. The department is working with the region to complete the Pequonnock River Trail signage at Beardsley Park.*

- 5) To initiate resiliency improvements and increase wildlife habitat at all parks along waterways including at Pleasure Beach, the establishment of a riparian buffer at Glenwood Park and Beardsley Park, the implementation of a dune re-nourishment and planting plan at St. Mary's by the Sea Beach, invasive species removal and native species planting at Svihra Park and along Islandbrook and in recreational trail areas of Veteran's Memorial Park, as well as developing a long term capital improvement and resiliency plan for Seaside Park that can be implemented within three to five years provided the City secures funding for comprehensive storm surge protection measures while also retaining and augmenting the natural beauty and functionality of the park.
6 MONTH STATUS:

FY 2016-2017 PROPOSED GENERAL FUND BUDGET
PARKS ADMINISTRATION PROGRAM HIGHLIGHTS

Resiliency efforts are ongoing. Plantings were completed at Pleasure Beach with the help of the Bridgeport Wildlife Guards in partnership with Audubon, CT. The Parks Maintenance may need to increase its maintenance of the riparian buffer completed at Glenwood Park. Invasive Species management and control remains a challenge the department would like to focus on in the coming year to enhance the experience and aesthetic beauty of the City's parks. The Parks and Recreation is participating in the Office of Planning and Economic Development's Waterfront Plan.

- 6) To continue to work closely with the Board of Parks Commissioners on projects and initiatives that prioritize the delivery of outstanding results and services to City residents and visitors who enjoy the parks, recreation programs and D. Fairchild Wheeler Golf Course.
***6 MONTH STATUS:** We continue to receive advice and guidance from the Board of Park Commissioners to inform the daily work of the Parks and Recreation Department. As recommended by the Commission, the Parks and Recreation Dept. has submitted a Community Development Block Grant application to facilitate an arts and cultural improvement at Seaside Park in the form of a shade structure that dually performs as a picnic shelter to host small concerts and events. Place-making amenities may also be added to enhance yearly events in this picnic area along Long Island Sound. We are also preparing to implement improvements to Diamond 1 at Beardsley Park in the fall 2016.*

- 7) To improve the Parks and Recreation Department City Website page to increase community engagement in celebrating, enjoying and improving the City's park system.
***6 MONTH STATUS:** The City continues to provide information via the City of Bridgeport website as well as disseminate information about programs in the City of Bridgeport through its Facebook page. On the City of Bridgeport website cameras capture an osprey nest at Seaside Park as well as alewife migration up the fish ladder online. Public Facilities has increased safety and security surveillance, rules and regulations signage at splash pads and through that program started exploring Wi-Fi hot spots that can be offered for the public to use throughout the City's park system. The B-Connected system remains an active conduit for direct communication to city residents to submit requests for parks maintenance, tree planting and various other Parks services.*

- 8) To enhance, maintain and protect the urban tree canopy through proper tree care and maintenance practices. To implement citywide street tree plantings and encourage community residents and neighborhoods to be engaged in environmental stewardship. To implement the second phase of the America the Beautiful Grant for planting in the Pequonnock and Rooster River Watersheds as well as the Community Development Block Grant funded Tree Planting Programs. To assist in the facilitation of the "Trees for Bridgeport" Street Planting Team to bolster grass roots planting initiatives.
***6 MONTH STATUS:** The Parks and Recreation Dept. planted over 500 trees this past year. We are preparing to implement the Watershed based plantings this coming springtime. In early 2015 the Parks and Recreation Dept. partnered with the Connecticut Urban Forest Council to provide a workshop on urban tree planting and as a result planted many trees in the City through resident and neighborhood organization partnerships, particularly at Seaside Village and in the future Black Rock. The Mayor's Conservation Corps, Lighthouse Program, Board of Education and Groundwork Bridgeport plus the Nature Conservancy were all partners in the Tree planting efforts as well.*

Students prepping for wood chip mulch distribution, fall 2015 at High Horizons School.

- 9) To continue to work closely with all departments of the City of Bridgeport to improve services to the residents and all who visit the largest municipality in the State of Connecticut. To develop and champion solid and strong relationships with the Bridgeport community, the City Council, all agencies, neighborhood groups and revitalization zones, organizations and entities that are partners, contributors and supporters of Bridgeport. This includes working closely with the Trust for Public Land of Connecticut and other groups on opportunities for public private partnerships. To propel and put points on the board for the “Parks for People” initiative to improve and increase recreational opportunities for children, healthy living initiatives, green infrastructure, open space and educational programming for all Bridgeport residents. To initiate construction work at Johnson Oak Park and Tisdale School “Parks for People Bridgeport Program” with the Trust for Public Land. Within the Downtown neighborhood, to continue the partnership with the Downtown Special Services District.
6 MONTH STATUS: *The Parks and Recreation Department continues to work closely with all departments to improve services. Grant funding has been secured for the first segment of construction work at Johnson Oak Park and Tisdale School Grounds.*

*1 - Used 3 vessels on weekends to patrol and assist lifeguards and Marine Police.

*2 - Number of Staff hours - Paid and Volunteer hours. No Overtime hours.

*3 - There are no hours for Security Plan, Drills for the harbormaster because there is a Security Facilities Administrator in place.

- Mooring Inspections are being conducted every other year, which leads to fluctuation in these numbers. For FY 12-13, all moorings will be inspected.
- I am currently marketing the underutilized mooring field in Johnson Creek, which I feel will be very attractive to the yacht club members currently on a slip waiting list at the East End Yacht Club and Miamogue Yacht Club. Of course, this field will also be available to the general public who can access their vessels from public access sites and possibly by water taxi.

FY 2016-2017 GOALS

- 1) Enforce the Harbor management Plan.
- 2) Oversee the Pleasure Beach Water Taxi's operation and maintenance.
- 3) Oversee the Landing Craft's operation and maintenance.
- 4) Support Parks, Public Facilities and other entities by transporting them to Pleasure Beach.
- 5) We will continue to work with all the marine groups and Departments to make our waterfront safe for the City of Bridgeport and our residents.
- 6) Continue to support the Swim Across the Sound by organizing all the Law Enforcements Fire Departments and the USCG (United States Coast Guard) Auxiliary.
- 7) We will continue to assist our lifeguards from our boats. We also place and remove all the swim buoys along Seaside's coastline.
- 8) Continue education of water related vessels for the public on water safety.
- 9) Continue to support the Marine Police and Fire units.
- 10) We will continue to work with Region 1 ConOps-LIS to obtain Homeland Security Grants and Training.

- 3) Support Parks, Public Facilities and other entities by transporting them to Pleasure Beach.
6 MONTH STATUS: *For 6-8 weeks straight we transported staff and their equipment to Pleasure Beach.*
- 4) We will continue to work with all the marine groups and Departments to make our waterfront safe for the City of Bridgeport and our residents.
6 MONTH STATUS: *It is an ongoing year round working with our Marine division and the USCG (United States Coast Guard).*
- 5) Continue to support the Swim Across the Sound by organizing all the Law Enforcements Fire Departments and the USCG (United States Coast Guard) Auxiliary.
6 MONTH STATUS: *We were able to recruit 24 Law Enforcement Departments, Fire Departments, Auxiliary USCG and Harbormasters to protect the swim from Long Island to Black Rock Harbor.*
- 6) We will continue to assist our lifeguards from our boats. We also place and remove all the swim buoys along Seaside's coastline.
6 MONTH STATUS: *We did put out all the swim buoys at Seaside Park and Pleasure Beach.*
- 7) Continue education of water related vessels for the public on water safety.
6 MONTH STATUS: *We have handouts we give boaters explaining boater safety.*
- 8) Continue to support the Marine Police and Fire units.
6 MONTH STATUS: *We are always are in communication with Police and Fire Departments concerning Safety, grants, Training and Dock Maintenance.*
- 9) We will continue to work with Region 1 ConOps-LIS to obtain Homeland Security Grants and Training.
6 MONTH STATUS: *We are continually attending the ConOps meetings to stay on top grants offered and communication with the USCG.*
- 10) Work with USCG (United States Coast Guard) updating Search and Rescue methods.
6 MONTH STATUS: *We are always in contact with the USCG concerning safety and navigation hazards.*
- 11) Continue to support the Pump Out Program.
6 MONTH STATUS: *We continue to support the Pump Out Program. This helps to maintain a clean and healthy harbor.*
- 12) Continue to maintain 6 vessels.
6 MONTH STATUS: *Three boats in the Harbormaster fleet stay in the water year round. Three boats are taken out of the water and winterized and shrink wrapped. Our office has 3 vessels and oversees 2 water taxis and a pump out boat.*

PLANNING & ECONOMIC DEVELOPMENT DIVISIONS
OFFICE OF PLANNING &
ECONOMIC DEVELOPMENT

MISSION STATEMENT

Our mission is to assist in the revitalization and development of the City of Bridgeport in order to create jobs, expand the tax base, foster public/private partnerships and improve the City as a place to live, work, and play. We implement the administration's development policies, programs, and projects.

Our staff is involved in planning and policy activities, transportation, business development, deal making, marketing, business finance, incentive programs and environmental matters. In addition we deliver technical expertise to other City departments, the business sector and residential communities. We work with State and Federal agencies to secure funding for large-scale long term public infrastructure improvements along the City's transportation corridors, waterfront and within the Central Business District.

BUILDING DEPARTMENT

MISSION STATEMENT

The Building Department issues permits and inspects work done to all buildings and other structures. Permits include building, electrical, plumbing, heating, air conditioning, fire protection sprinklers and extinguishing systems, refrigeration, demolition and signs. Applications for permits are reviewed for conformance to all applicable laws, codes and ordinances. A permit constitutes permission to proceed with the approved work. The purpose of permits and inspections is to ensure public safety, health and welfare insofar as they are affected by building construction, through structural strength, adequate exit facilities, fire safety, light and ventilation and sanitary equipment. The Building Department function is to secure safety to life and property from hazards incident to the design, erection, repair, removal, demolition or planned occupancy of buildings, structures or premises.

† Number of inspections varies per permit (typical minimum number below, excluding future additional required):

Electrical service change: 1 inspection
 Heating system replacement: 1 inspection
 Deck addition: 1 footing inspection; 1 framing/final inspection. Total: 2 inspections.
 Building renovation (plaster removed): 1 Existing framing inspection; 1 rough electrical inspection; 1 rough plumbing inspection; 1 rough heating inspection; 1 insulation inspection; 1 final building inspection; 1 final electrical inspection; 1 final plumbing inspection; 1 final heating inspection. Total: 9 inspections.
 New Single family dwelling: 2 footing inspections (perimeter walls plus interior column piers and/or porch/deck footings); 1 foundation inspection; 1 concrete slab inspection; 1 framing inspection; 1 wind resistant connector inspection; 1 electrical service inspection; 1 electrical rough inspection; 1 plumbing rough inspection; 1 heating rough inspection; 1 insulation inspection; 1 gypsum board inspection; 1 final building inspection; 1 final electrical inspection; 1 final plumbing inspection; 1 final heating inspection. Total: 16 inspections.
 Large projects require more numerous inspections of all phases of work. As an example, a school may require daily inspections of footings for four to five weeks. Continuous framing and trade inspections are needed as the construction is completed for those phases of work. Multiple days for each type of inspection are allocated for final inspections.

FY 2016-2017 GOALS

- 1) Protect the health, safety and welfare of the public. This will be achieved through the enforcement of applicable laws and codes to provide safe, energy efficient, accessible buildings in the City of Bridgeport.
- 2) Improve the turnaround time between calls for inspections and appointments.
- 3) Reduce open permit backlogs and increase issuances of Certificates of Occupancy.
- 4) Continue to seek ways to shorten the plan review process time.

FY 2015-2016 GOAL STATUS

- 1) Protect the health, safety and welfare of the public. This will be achieved through the enforcement of applicable laws and codes to provide safe, energy efficient, accessible buildings in the City of Bridgeport.
6 MONTH STATUS: *Continuing diligent plan review and inspections contribute to the goal. Active enforcement of violations also serves to protect the public.*
- 2) Improve the turnaround time between calls for inspections and appointments.
6 MONTH STATUS: *With the vacancy of Assistant Building Inspector position and high volume of permit activity has is increased the scheduled times for some inspections. Future projects will challenge department resources.*
- 3) Reduce open permit backlogs and increase issuances of Certificates of Occupancy.
6 MONTH STATUS: *The Building Department has endeavored to reduce open permit backlogs and issue certificates of occupancy. Permits are chosen weekly for follow-up final inspection appointments. The vacancy of Assistant Building Inspector has reduced the ability to perform the necessary functions to generate additional certificates.*

FY 2016-2017 PROPOSED GENERAL FUND BUDGET
BUILDING DEPARTMENT PROGRAM HIGHLIGHTS

State Building Code – Connecticut Supplement 29-252-1d (*effective December 31, 2005, amended August 1, 2009*)

101.1.1 Statutes. In accordance with the provisions of sections 29-252a and 29-253 of the Connecticut General Statutes, respectively, this code shall be the building code for all towns, cities and boroughs and all state agencies.

109.3. Required inspections. The building official, upon notification, shall make the inspections set forth in Sections 109.3.1 through 109.3.10.

109.3.1 Footing and foundation inspection. Footing and foundation inspections shall be made after excavations for footings are complete and any required reinforcing steel is in place. For concrete foundations, any required forms shall be in place prior to inspection. Materials for the foundation shall be on the job, except where concrete is ready mixed in accordance with ASTM C 94, the concrete need not be on the job. (*Foundation is new inspection requirement*)

109.3.2 Concrete slab and under-floor inspection. Concrete slab and under-floor inspections shall be made after in-slab or under-floor reinforcing steel and building service equipment, conduit, piping accessories and other ancillary equipment items are in place, but before any concrete is placed or floor sheathing installed, including the subfloor. (*Concrete slab is new inspection requirement*)

109.3.3 Lowest floor elevation. In flood hazard areas, upon placement of the lowest floor, including the basement and prior to further vertical construction the elevation certification required in Section 1612.5 shall be submitted to the building official.

109.3.4 Frame inspection. Framing inspections shall be made after the roof deck or sheathing, all framing, fireblocking and bracing are in place and pipes, chimneys and vents to be concealed are complete and the rough electrical, plumbing, heating wires, pipes and ducts are approved.

109.3.5 Lath and gypsum board inspection. Lath and gypsum board inspections shall be made after lathing and gypsum board, interior and exterior, is in place, but before any plastering is applied or gypsum board joints and fasteners are taped and finished. (*New inspection requirement*)

Exception: Gypsum board that is not part of a fire-resistance-rated assembly.

109.3.6 Fire-resistant penetrations. Protection of joints and penetrations in fire-resistance-rated assemblies shall not be concealed from view until inspected and approved.

109.3.7 Energy efficiency inspections. Inspections shall be made to determine compliance with Chapter 13 and shall include, but not be limited to, inspections for: envelope insulation *R* and *U* values, fenestration *U* value, duct system *R* value, and HVAC and water-heating equipment efficiency.

109.3.8 Other inspections. In addition to the inspections specified above, the building official is authorized to make or require other inspections of any construction work to ascertain compliance with the provisions of this code and other laws that are enforced by the department of building safety.

109.3.8.1 Electrical inspections. Required electrical inspections shall include installations of temporary services prior to activation; installation of underground piping and conductors after trenches are excavated and bedded and before backfill is put in place; rough inspections of installed wiring and components after the roof, framing, fireblocking and bracing are complete and prior to concealment; and final inspection after all work required by the permit is complete.

109.3.9 Special inspections. For special inspections, see Section 1704.

109.3.10 Final inspection. The final inspection shall be made after all work required by the building permit is completed.

109.5 Inspection requests. It shall be the duty of the holder of the building permit or their duly authorized agent to notify the building official when work is ready for inspection. It shall be the duty of the permit holder to provide access to and means for inspections of such work that are required by this code.

***ZBA APPLICATION PROCESS**

- 1) Review & acceptance at counter by staff.
- 2) Referral to Engineering & WPCA for review.
- 3) Petition returned to Zoning, Scheduled for consideration by subcommittee for placement on a monthly meeting by Zoning Official.
- 4) Record check for previous ZBA activity.
- 5) Legal ad written & submitted to Connecticut Post (Petitions to be published 10 days & 5 days before hearing).
- 6) Applicant notified, posting signs issued.
- 7) Agenda prepared & emailed or sent out. Minimum of 30 copies made for distribution at public hearing.
- 8) Hearing held, decisions rendered.
- 9) Decision notice published the Sunday following the hearing.
- 10) Decisions with conditions sent to applicants, minimum of a 60-day process.

FY 2016-2017 GOALS

- 1) To seek a full board of Commissioners of 5 regular and 3 alternates, to assure that the postponement of meetings and the deferment of applications will be a thing of the past, which will also bring us in compliance with the bylaws of the Zoning Regulations of the City of Bridgeport. Currently there are only 4 full members and 1 alternate member.
- 2) Establish a computer database of all field cards through the scanning process.
- 3) Follow through on the Civil Service directive of 12/08/15 to change the title and compensation of the Zoning Board of Appeals Data Analyst to (Zoning) Administrative Specialist, affiliated with the N.A.G.E. union.

FY 2015-2016 GOAL STATUS

- 1) To seek a full board of Commissioners of 5 regular and 3 alternates, to assure that the postponement of meetings and the deferment of applications will be limited whenever the regular Commissions are unable to attend. This will also bring us in compliance with the bylaws of the Zoning Regulations of the City of Bridgeport. Currently there are only 4 full members and 1 alternate member.
6 MONTH STATUS: *Due to member resignations we are still seeking a full Zoning Board of Appeals.*
- 2) To seek reestablishment of a clerical position that was eliminated due to budget lay-offs.
6 MONTH STATUS: *The Zoning Board of Appeals Data Analyst continues to do all clerical duties regarding the Planning & Zoning Commission without compensation.*
- 3) To establish a computerized database of all Zoning records to better serve the public in need of such information.
6 MONTH STATUS: *A Historical Preservation Grant was obtained to provide the funds to establish a database of all Zoning index cards. The Zoning Department had a more involved vendor in mind that would have scanned, created a database and cataloged all index cards until complete. Management of the project was taken out of our hands by The Office of Planning and Economic Development (OPED) and the vendor that was chosen could only provide an Optical Character Recognition (OCR) program rather than a read/write database. OPED also chose to hire a part-time intern who could not complete the project due to the depletion of the Grant funds. The project has been dormant since August 2015.*

FY 2016-2017 PROPOSED GENERAL FUND BUDGET
 ZONING BOARD OF APPEALS PROGRAM HIGHLIGHTS

- 4) To enhance the quality of life in the City of Bridgeport through the use of proven land use planning techniques.
6 MONTH STATUS: 213 complaints by Constituents and others have been resolved.

FY 2015-2016 ADDITIONAL ACCOMPLISHMENTS

- 1) The additional Zoning Inspector has decreased the department's response-time for the verification of complaints and the issuance of Zoning Compliance Certificates, and Letter of Zoning Compliance (requested by real estate attorneys, banks, and property owners).
- 2) Zoning Inspectors now have full access to the Town Clerk's land record database to accurately identify the correct and current property owners when issuing violations. Also, access to the land records enables staff to validate that variances have been filed.
- 3) The Inspectors continue to generate revenue due to their diligent "Order to Comply" violations that are resolved through the Zoning Board of Appeals applications.

Service Indicator Notes: Items can be heard individually or combined. A use variance by the Zoning Board of Appeals needs a special permit by Planning & Zoning. It may or may not need a final site review, coastal review or a soil erosion review. Some projects may just need a final site review. An application for conforming use not needing any variances but within 1,500 feet of a coastal waterway would only be scheduled for a Coastal Site Plan Review. So basically the numbers overlap and are confusing or misleading at best.

Complaints: Majority are referred from Anti Blight, Housing Code Enforcement, QAlert and City Council Members
Enforcement Activity: We verify the complaint, refer out or more than likely issue an Order to Comply, via registered mail. When postal receipt card is returned, another inspection performed. If letter comes back then property is posted with order to comply. If no action is taken on the part of the homeowner, a prosecutor's summons is requested; usually a court pre-trial date

FY 2016-2017 PROPOSED GENERAL FUND BUDGET
ZONING COMMISSION PROGRAM HIGHLIGHTS

is 30 to 45 days away. Day of pre-trial needs another inspection. Prosecutor will continue cases numerous times due to the search of the legal property owner. Every time there is a state's prosecutor hearing, an inspection is needed. It is not unusual to conduct 8 to 10 inspections before a property comes into compliance. It is not unusual to have a case open for 8 months, some well beyond a year. The Prosecutor has lengthened the response time and tightened up the notification process, which has seriously slowed the compliance resolution process.

FY 2016-2017 GOALS

- 1) Seeking 1 regular Commissioner and 2 alternate Commissioners to eliminate postponement of meetings and the deferment of applications due to the lack of quorums.
- 2) As the request to reestablish the clerical position for the Planning & Zoning Commission has never been addressed, the goal is to follow through on the Civil Service directive of 12/08/15 to change the title of the Zoning Board of Appeals' Data Analyst to (Zoning) Administrative Specialist to compensate for performing the 2 clerical positions.

FY 2015-2016 GOAL STATUS

- 1) To seek *1 alternate* Commissioner and *1 regular* Commissioner assuring that the postponement of meetings and the deferment of applications will be limited whenever several of the 9 regular Commissions are unable to attend. This will also bring us in compliance with the bylaws of the Zoning Commission of the City of Bridgeport.
6 MONTH STATUS: *A "full" Commission had been reached, but due to the new change in Administration 1 regular member retired in protest. The requested alternate members were never appointed.*
- 2) To establish a computerized database of all Zoning records to better serve the public in need of such information.
6 MONTH STATUS: *A Historical Preservation Grant was obtained to provide the funds to establish a database of all Zoning index cards. The Zoning Department had a more involved vendor in mind that would have scanned, created a database and cataloged all index cards until complete. Management of the project was taken out of our hands by The Office of Planning and Economic Development (OPED) and the vendor that was chosen could only provide an Optical Character Recognition (OCR) program rather than a read/write database. OPED also chose to hire a part-time intern who could not complete the project due to the depletion of the Grant funds. The project has been dormant since August 2015.*
- 3) To enhance the quality of life in the City of Bridgeport through the use of proven land use planning techniques.
6 MONTH STATUS: *213 complaints by Constituents and others have been resolved.*

FY 2015-2016 ADDITIONAL ACCOMPLISHMENTS

- 1) Additional Zoning Inspectors has enabled the resumption of inspecting properties to enforce the "Conditions of Approval" that were granted by the Planning & Zoning Commission. They also have decreased the response time for the verification of complaints.
- 2) Zoning now has full access to the Town Clerk's land record database allowing staff to validate that the applicant has filed their Planning and Zoning Commission "Special Permits." The Inspectors continue to generate revenue due to their diligent "Order to Comply" violations that are resolved through the Zoning Board of Appeals applications process for Variances, Certificate of Zoning Compliances, as well as Planning & Zoning Commission applications for Special Permits.

HEALTH ADMINISTRATION

MISSION STATEMENT

Our mission is to promote and protect the health of the people of Bridgeport through the provision of essential health services, monitoring of programs, enforcement of laws and ordinances, and collection of health information. Our objectives are to provide a stable and trusted vehicle of communication, education, training and collaboration between all Health & Social Service departments, divisions and programs. We endeavor to provide administrative leadership, support, and oversight. We strive to incorporate technology in order to provide a more efficient and effective Department, and to support and encourage community health care planning.

Note: New Initiatives/new grants or expansion: In 2014 – 2015 launched two new farmers markets with partners, the new wellness screenings in October, and the new homeless programs.

Existing Programs: The Institute for Community Research (IRC), diabetes education, and Elderly health screening (existing & outreach), (note elderly health screening was cut in December 2014)

Outreach programs consist of programs done in conjunction with other departments and the community like World AIDS Day, The Recovery & Substance Abuse Luncheon, Legislative Breakfasts, Medical Reserve Corps (MRC), Internship collaborations (FSW, SCSU), Community talks, collaborations with The Institute for Community Research (IRC), A1c Champions (diabetes education workshops) and presentations.

FY 2016-2017 GOALS

- 1) Continue the process of becoming an accredited health department – submitting our letter of intent and uploading necessary documents.
- 2) Complete the Bridgeport Community Health Needs Assessment and Community Health Improvement Plan.
- 3) Continue to work to build a qualified public health workforce by offering ongoing trainings to staff and offering placements to students to expand their exposure to public health fields. Offer at least 12 training opportunities to staff and mentor at least 10 interns.
- 4) Engage in at least two quality improvement efforts to better identify challenges and use data driven decision-making to address them.
- 5) Identify at least one structural change that will improve the health of Bridgeport residents and seek to implement this change.
- 6) Utilize the Community health needs assessment process with the Food Policy Council and The Disability Commission to better understand the struggles of those who are food insecure or who are living in food deserts, and the needs and concerns of residents with disabilities. Develop strategies to address those barriers.

FY 2015-2016 GOAL STATUS

- 1) Continue the process of becoming an accredited health department by applying to the Public Health Accreditation Bureau and submitting all required documentation to be reviewed.
6 MONTH STATUS: *In 2015-16 the health department has been working with the Primary Care Action Group to complete our Community Health Needs Assessment and Community Health Improvement Plan. Community meetings will be held in Spring of 2016 to establish final priorities for the regional plan. In addition health administration staff have been working to establish a revised city needs assessment – working with community partners on our two priorities from the prior improvement plan: smoking cessation and violence prevention. Bridgeport Dept of Health and Social Services has worked to modify their service indicators to be more reflective of the priorities set in our strategic planning work and those can be seen within these budget pages. We expect to submit our letter of intent and begin the process of uploading documentation by early 2016-17.*
- 2) Work collaboratively with the Food Policy Council and the Disability Commission to better assess, understand and develop plans to meet the needs of Bridgeport residents.
6 MONTH STATUS: *The Health department has been working on the Wellbeing survey with community partners and is performing that analysis. The Disability Commission has been reorganizing their structure and bylaws this year and prioritized access to parks and worked to ensure the new boundless playground had all amenities.*

FY 2016-2017 PROPOSED GENERAL FUND BUDGET
HEALTH ADMINISTRATION PROGRAM HIGHLIGHTS

- 3) Conduct at least one quality improvement effort annually to determine the success of our services and provide opportunity for client feedback.
6 MONTH STATUS: This year the health department has worked to assess language needs within the Vital Statistics office and demonstrated the need for a full-time person in place who can speak at least Spanish.

- 4) Continue collaboration with community partners to enhance outcomes through shared resources and joint action.
6 MONTH STATUS: Through collaborative work with Primary Care Action Group and Get Healthy CT we developed the first ever Faith and Food Conference to educate food pantry and soup kitchen staff and donors on the need to donate healthier food to reduce negative chronic disease outcomes among those most in need. The Know Your Numbers program has expanded to a year round effort conducted in collaboration with local nursing schools and medical providers. The health department is in process of conducting a community health needs assessment that will offer neighborhood data on “wellbeing” and the ability to compare and contrast to other large cities in the state. These efforts included dozens of community partners who worked together to fund this effort.

- 5) Implement and track use of technology to improve data collection efforts for continued programmatic improvement and enhancement.
6 MONTH STATUS: The health department is working with the Mayor’s Office to utilize a new data system which will better integrate programs across not only Health and Social Services but across all city departments.

The State of Connecticut Department of Public Health became aware of the city's Ordinance 2.110.160 – Fee for genealogical searches in the office of Vital Statistics which reads: "The office of vital statistics shall charge an established fee of forty dollars (\$40) for any search, including a certified copy thereof that it conducts upon request of the public. The search fee applied to all genealogical searches for records over 100 years old." The City was directed by the State's Staff Attorney to cease charging the fee on 12/22/2014. It was explained that the city office works for the State of Connecticut and must abide by its regulations. The current regulations do not allow for a search fee of any kind. I have directed my staff to cease charging the fee.

FY 2016-2017 GOALS

- 1) Begin issuing Municipal Identification Cards to increase City Revenue. Program should be modeled after a similar successful initiative by the City of New Haven in 2007. The program would support itself through fees.
- 2) Achieve and exceed revenue projection.
- 3) Launch and manage State's new Birth Registry program (Converse).
- 4) Study, research, advise and assist with preparation of a City's Electronic Records Policy.
- 5) Continue to serve as dual Manager of two major city departments: Vital Records and Archives located at two buildings.
- 6) Support Health Director as she submits letter of intent to begin Public Health Accreditation Board process to become an accredited health department. Complete quality improvement and performance management plans and establish them as a regular component of our daily activities to ensure we are fully meeting client needs and providing public health services at the highest levels.
- 7) Maintain 95% turnaround time for requests for information received by mail within five workdays.
- 8) Maintain 95% counter customer service turnaround time for in person visits within two to five minutes (in and out) of office.
- 9) Maintain 100% excellent customer service to all visitors. High quality customer service to the citizens we serve is a mandate and prerequisite commanded by the department manager.
- 10) Continue the ongoing rebinding and repair of the oldest Vital Statistics books.

FY 2015-2016 GOAL STATUS

- 1) Recommended the re-organization of the Vital Records department to Health Director and Civil Service.
6 MONTH STATUS: *Achieved 100% - Reorganization was supported and approved.*
- 2) Prepared new job descriptions for staff members which eliminated the position of Mini-Computer Operator in the department.
6 MONTH STATUS: *Achieved 100% - New Job Descriptions were written and approved. Mini-Computer Operator position was eliminated from organization chart.*
- 3) Prepared new salary scale representing in \$8,809 reduction to department's payroll.
6 MONTH STATUS: *100% achieved.*
- 4) Reorganization Plan was sanctioned by the NAGE union.
6 MONTH STATUS: *Achieved 100%.*
- 5) Re-Organization Plan received unanimous approval of Civil Service Commission on 1/13/2015.
6 MONTH STATUS: *Achieved 100%.*
- 6) Have submitted Civil Service Position Request Forms seeking permission to implement plan.
6 MONTH STATUS: *Achieved 100%.*
- 7) Partner with overall Health and Social Services to become an accredited health department in 2015 to leverage new resources and ensure the provision of cutting edge services and programs.
6 MONTH STATUS: *Ongoing. In 2015-16 the health department has been working with the Primary Care Action Group to complete our Community Health Needs Assessment and Community Health Improvement Plan. Community meetings will be held in spring 2016 to establish final priorities for the regional plan. In addition, health administration staff has been working to establish a revised city needs assessment – working with community partners on our two priorities from the prior improvement plan: smoking cessation and violence prevention. Bridgeport Department of Health and Social Services has worked to modify their service indicators to be more reflective of the priorities set in our strategic planning work and those can be seen with these budget pages. The Director expects to submit our letter of intent and begin the process of uploading documentation by early 2016-17.*
- 8) Recommend and implement the acceptance of credit cards to increase revenue and decrease cash handling.
6 MONTH STATUS: *Achieved 100%. Credit Cards are now accepted and processed at department. We accept Discover, MasterCard and Visa.*
- 9) Continue to provide high quality customer service to the people we serve.
6 MONTH STATUS: *Achieved 100%. Pamphlet was written and printed. One is in English and the other is in Spanish. The guide outlines the steps necessary to have a marriage license issued in the City of Bridgeport, recites the statutory regulations, and provides a list of Bridgeport Justices of the Peace with contact numbers.*

Please Note: (1) Sandwich, Beverage, Milk, Liquors Stores, Tobacco, Food Handler Course, Frozen Dessert and, Plan Review, Poultry were combined to Restaurant/Food Establishment.

(2) Nail Salons, Tattoo, Massage Parlors and Hair Braiding were added to Barbershop & Beauty

(3) Temporary Vendors were added to Vendor/Push Carts.

Restaurant and food establishments are inspected 1-4 times a year annually, not including re-inspections. All other establishments, including beauty shops, barber shops, nail salons, hair braiders, massage therapists, day care centers, and vendors and temporary vendors are inspected at least once annually.

FY 2016-2017 GOALS

- 1) Increase inspections for class 4 establishments from three times annually to four times annually.
- 2) Audit 20% of inspections monthly (for each inspector) with at least 10% in-person audits. This will ensure that inspections are completed in a standard manner and information is being debited correctly on state forms and entered correctly into digital health department system.
- 3) Revise ordinances to minimize risks to public health.
- 4) Ensure that every Class 3 and 4 establishments has a Qualified Food Operator to minimize potential risks of food borne illness outbreaks.
- 5) Increase the percentage of licensed public pools (from 10% to 90%) with a Certified Pool Operator on staff to prevent waterborne diseases and ensure public safety.
- 6) Seek ordinance change to require basic educational training course on overall safety as a prerequisite for licensure (annually) in the areas a Barber/Beauty, Nails. Develop a course and offer to establishments for a fee.
- 7) Continue the process of becoming an accredited Health Department by submitting letter of intent and uploading necessary documentation.

FY 2015-2016 GOAL STATUS

- 1) Implementation of the advance Food Course on a quarterly basis as a refresher course for Qualified Food Operators. At a recommended fee of \$50.00 per establishment.
6 MONTH STATUS: *We have conducted 2 Advanced Food Courses in June and January and served more than 40 businesses raising more than \$1000 in revenue. Additional course will be taught this year.*
- 2) Modify the applications of our digital system to be more compatible with our daily operations.
6 MONTH STATUS: *Working with vendor to make necessary changes.*
- 3) Create some new local ordinances that would be beneficial in promoting health from an environmental health perspective:
 - a) All dumpster companies must be responsible for the removable of their containers that are filled with waste/debris in a timely manner to prevent escalating public health problems.
 - b) Dumpsters must be required as part of the permitting process for any new construction or renovation of existing properties.
 - c) All re-inspections must be required to have a fee of a recommended \$100 per re-inspection.
 - d) Require a current updated drawing (floor plan) for existing establishments that change ownership or name at a minimum fee of \$100.
 - e) Require that all food handlers with the exception of those

FY 2016-2017 PROPOSED GENERAL FUND BUDGET
 ENVIRONMENTAL HEALTH PROGRAM HIGHLIGHTS/APPROPRIATIONS

already having a QFO take the basic food handler's course given by Environmental Health Department. f) Require all food related businesses to have a certified exterminator on contract to ensure that their establishment is rodent/insect free. g) Require all vendors itinerant to wear gloves in an effort to minimize bare hand contact.

6 MONTH STATUS: *The proposed ordinances are still under review in the City Attorney's office.*

- 4) Create a more efficient means of delivering alert messaging to a targeted population.
6 MONTH STATUS: *With the assistance of Terron Jones in the Emergency Operations Center there is now a system in place to provide public health alert messages throughout the city on items such as food recalls.*

- 5) Establish a basic educational training class in the Health Department for Beauty/Barbershops, and Nail Salons.
6 MONTH STATUS: *Training is being developed.*

- 6) Continue the process of becoming an accredited Health Department by applying to the Public Health Accreditation Bureau and submitting necessary documentation for review.
6 MONTH STATUS: *In the process of delivering our letter of intent to advance to the next level of accreditation.*

HOUSING CODE

MISSION STATEMENT

To enforce all applicable State statutes and municipal ordinances under Housing and Commercial Code (15.12 and 15.16) to ensure safe, clean and habitable housing, to provide assistance to low and moderately low-income neighborhoods and to prevent blight and slums. Housing Code also issues Certificates of Apartment Occupancy (rental certificates required for most multi-family properties within the City) and yearly rooming house and hotel licenses.

Housing & Commercial Code also provides inspection assistance to City agencies, including but not limited to: Fire Marshal, Police, Building Official, Zoning, Tax Collector, Environmental Health and Lead Paint Poisoning Divisions, OPED and Anti Blight Office, Community Development, City councilpersons and community groups. Outside agencies such as DCF, United Illuminating and Southern CT Gas Company also request inspections from the Housing & Commercial Code Enforcement.

CURRENT STAFF

- 1-ACTING DEPUTY ENFORCEMENT OFFICER
- 3-HOUSING & COMMERCIAL CODE INSPECTORS
- 1-MINI COMPUTER OPERATOR

It is very difficult to predict how many new complaints will be received in a given time period (tenants and citizens calling complaints/referrals daily and referrals are received infrequently from other departments. All of these factors directly impact the number of initial and re-inspections)

FY 2016-2017 GOALS

- 1) Increase revenue by enforcing existing and/or modified Certificate of Apartment Occupancy (CAO) ordinance for multi-family houses, including block-by-block canvassing of multi-family dwellings and court referrals for non-compliance.
- 2) Increase revenue by enforcing modified Rooming House/Hotel ordinance and court referrals for non-compliance.
- 3) Increase efficiency by streamlining workflow, implementing better reporting methods and quicker referrals to Housing Court/State's Attorney.

FY 2015-2016 GOAL STATUS

- 1) Improve Healthy Homes process – for better tracking and follow-up. Housing Code Acting Deputy Enforcement Officer to be included in discussions regarding possible integration of the National Healthy Housing Standard and the International Property Maintenance Code.
6 MONTH STATUS: *Healthy Homes has fallen behind due to lack of resources to enter data into State's Maven database. Recently, 3-health department staff members have been trained to use Maven, to alleviate the backlog and update information for the State.*
- 2) Increase quality of housing and potentially revenue by proposing raise in licensing fees - Certificates of Apartment Occupancy (CAO) and Rooming House/Hotels (no increase since 2008). In the process of reviewing the grand list to get a better estimate of how many multi-families exist and the feasibility of pursuing modified CAO ordinance to include all rental units – not just 3-families and above. Note – Limited inspectors puts priorities on complaint-driven inspections not proactive inspections at this time.
6 MONTH STATUS: *On January 26, 2016, the City Council Ordinance Committee approved Sections 15.12.280, increasing rooming house licensing fee from \$50.00 to \$75.00 for the structure and from \$5.00 to \$10.00 per room. The hotel licensing fee was also increased from*

FY 2016-2017 PROPOSED GENERAL FUND BUDGET
HOUSING CODE PROGRAM HIGHLIGHTS/APPROPRIATION SUPPLEMENT

\$100.00 per structure to \$125.00 and from \$5.00 to \$10.00 per room. The Ordinance Committee tabled CAO ordinance changes.

- 3) Increase efficiency of department: by updating necessary forms to better track Healthy Homes inspections, restore funding to pay for web-based database, utilize Qalert to improve response time.
6 MONTH STATUS: *A new daily inspection sheet has been created. A request has been made to restore \$2,500 in Computer Software line item. Staff members attended an informational session, introducing energov software (to be used in conjunction with Munis and to capture information from other databases like Visionappraisal).*

- 4) Continue to improve communication with site managers and maintenance staff at Park City Communities (formerly known as Bridgeport Housing Authority) to resolve complaints in housing projects and scattered sites and avoid housing code inspector involvement.
6 MONTH STATUS: *Over 20-complaints have been handled in conjunction with Park City Communities, including complaints of infestations, heating issues, high Carbon Monoxide readings, follow-ups and mold.*

- 5) Begin the process to become an accredited health department by applying to Public Health Accreditation Board (PHAB) and completing the necessary steps to be reviewed.
6 MONTH STATUS: *Work in progress by Health Director.*

FY 2016-2017 GOALS

- 1) Prevent lead exposures by identifying existing and potential lead hazards before children are affected. Conduct comprehensive lead inspection at all properties built prior to December 1978, where children dwell or frequent. Conduct at least 400 preventive home inspections in 2016-17.
- 2) Educate – provide general lead awareness information sessions so that parents, property owners, property managers can: identify lead hazards and the potential of lead hazards in their homes, and know the health effects elevated blood lead levels and how it affects the quality of life. Assist property owners and lead contractors with the selection of lead hazard control methods that are safe, effective, feasible and sustainable.
- 3) Code Enforcement - assure homeowners, contractors, and other parties subject to lead hazard control mandates achieve and maintain compliance. Assure compliance of HUD regulations, EPA rules, state statutes and local ordinances.
- 4) Identify children with elevated blood lead levels - via blood screenings held in schools, homes, daycares, health promotion events and office walk-ins. Assure that children identified with positive lead screenings obtain a confirmatory lead test. Screen at least 400 children in 2016-17.
- 5) Case Management - environmental and medical actions, maintain surveillance with Maven (database).
- 6) Assure blood lead levels reduce below level of action.
- 7) Assure safe hazard removal of sources identified in homes where children dwell or locations they frequent. Enroll eligible properties in Bridgeport Lead Free Families.
- 8) Increase revenue - by increasing fee collection and incorporating medical billing.
- 9) Increase awareness of lead poisoning through web-based efforts: maintain web page, facebook page, and participate in healthy homes twitter efforts.
- 10) Begin the process to become an accredited health department by applying to Public Health Accreditation Board and completing the necessary steps to be reviewed.

- 6) Assure blood lead levels reduce below level of action.

6 MONTH STATUS: *Beginning July 1, 2016 to December 30, 2016 Program Personnel recorded lower lead levels in 74 children.*

- 7) Assure safe hazard removal of sources identified in homes where children dwell or locations they frequent. Enroll eligible properties in Bridgeport Lead Free Families.

6 MONTH STATUS: *Beginning July 1, 2016 to December 30, 2016 Program Personnel recorded 110 hazard abatements.*

- 8) Increase revenue - by increasing fee collection and incorporating medical billing.

6 MONTH STATUS: *Beginning July 1, 2016 to December 30, 2016 Program Personnel recorded \$2,000 more in revenue than in the previous fiscal. We continually meet to determine best practice to bill for services.*

- 9) Increase awareness of lead poisoning through web-based efforts: maintain web page, facebook page, and participate in healthy homes twitter efforts.

6 MONTH STATUS: *No new progress.*

- 10) Begin the process to become an accredited health department by applying to Public Health Accreditation Board and completing the necessary steps to be reviewed.

6 MONTH STATUS: *In 2015-16 the health department has been working with the Primary Care Action Group to complete our Community Health Needs Assessment and Community Health Improvement Plan. Community meetings will be held in Spring 2016 to establish final priorities for the regional plan. In addition health administration staff has been working to establish a revised city needs assessment – working with community partners on our two priorities from the prior improvement plan: smoking cessation and violence prevention. Bridgeport Dept of Health and Social Services has worked to modify their service indicators to be more reflective of the priorities set in our strategic planning work and those can be seen within these budget pages. We expect to submit our letter of intent and begin the process of uploading documentation by early 2016-17.*

FY 2016-2017 GOALS

- 1) Continue the process of becoming an accredited health department – submitting our letter of intent and uploading necessary documents.
- 2) Utilize the Community health needs assessment process with the Disability Commission to better understand the struggles and concerns of residents with disabilities. Develop strategies to address those issues.
- 3) Hold at least one educational session for the disability community to address core concerns raised through the Community health needs assessment process.

FY 2015-2016 GOAL STATUS

Our goal is to continue to provide individuals with any disabilities with support in order to improve quality of life and assist in seamless immersion and/or participation within the community. This will be accomplished via the following objectives:

- 1) To improve the lives of disabled residents and their caregivers through case management services.
6 MONTH STATUS: *The disability office has worked to support disabled residents and their caregivers. With the support of the disability commission the office has been working to address accessibility in parks and to address concerns of residents in public housing.*
- 2) To make handicapped parking more accessible by streamlining the Handicap Parking Sign application process.
6 MONTH STATUS: *Partnering with the disability commission the disability office has shortened wait times for handicapped parking applications.*
- 3) To provide guidance and support to the Disability Commission to resolve or implement any policies and concerns pertaining to the Disabled community.
6 MONTH STATUS: *The disability commission meets monthly and is supported by the office of health administration.*
- 4) To advocate for the installation of the City’s first All-Inclusive Playground Park.
6 MONTH STATUS: *The commission is working with the Parks Department to ensure that all aspects of the park are accessible to people with disabilities- bringing up concerns such as parking and bathroom access.*
- 5) To review the City’s Disability Commission’s Ordinance to make it more effective in its mission to assist People with Disabilities.
6 MONTH STATUS: *The commission is seeking changes to the ordinance in collaboration with the City Attorney’s office to make it easier to achieve quorum. The commission had its second set of elections this year.*

HEALTH DIVISIONS: HUMAN SERVICES
LIGHTHOUSE PROGRAM

MISSION STATEMENT

The mission of the Lighthouse Program is to provide youth within the City of Bridgeport with opportunities to learn and grow in a structured environment. Objectives include providing 3,500 youth with quality after-school and summer educational and recreational programming in a structured setting; providing a minimum of 100 high school youth with meaningful year round employment opportunities; and increasing current advocacy and marketing efforts.

VISION STATEMENT

To provide a safe environment that compliments school day learning and fosters intellectual, cultural, physical, social and emotional development of children by partnering with and supporting the efforts of family, school, and community. Children, youth and adults will be provided with opportunities to become independent lifetime learners as well as innovative, creative, and productive citizens.

FY 2016-2017 GOALS

- 1) Maintain and expand on state, federal, and private funding to support after school and summer programs at existing sites and solicit funding to support two additional schools.
- 2) Work with the community and private sector in the development of a Trades Apprenticeship Program.
- 3) Expand upon high school offerings including additional training and employment programs by partnering with various Community Based Organizations.
- 4) Expand upon middle school opportunities through the Bridgeport Youth Club (BYC).
- 5) Submit letter of intent and begin Public Health Accreditation Board process to become an accredited health department. Complete quality improvement and performance management plans and establish them as a regular component of our daily activities to ensure we are fully meeting client needs and providing public health services at the highest levels.

FY 2015-2016 GOAL STATUS

- 1) Maintain and expand on state, federal, and private funding to support after school initiatives at existing sites including faith based institutions.
6 MONTH STATUS: *Applied for and received approval of 3 State Department of Education competitive after school grants for the 2015-16 school year totaling \$520,000. Applied for and received a \$7,500 private grant funding to support Summer Youth Employment 2015. Applied for and received \$4,000 in private grant funding to support Summer Youth Employment 2015. We have not sought any federal funding to support the program due to lack of time for researching these opportunities.*
- 2) Expand upon the 2015 Summer Youth Employment program
6 MONTH STATUS: *Doubled the number of available jobs for Bridgeport youth ages 16-18 from 50 during the summer of 2015 to 100 in 2015. Successfully graduated 18 youth as part of the NFTE (Network for Teaching Entrepreneurship) program.*
- 3) Expand upon Bridgeport Youth Club (BYC) program services for middle school youth to include 6th graders at all sites.
6 MONTH STATUS: *Site coordinators at all Lighthouse sites with 7th and 8th grades have included 6th graders interested in participating in BYC as opposed to the regular Lighthouse Program. Accepted applications from 44 coaches and club advisors to provide middle school sports and clubs to all Lighthouse sites with special focus on BYC youth participation.*
- 4) Partner with Network for Teaching Entrepreneurship (NFTE) to offer high school youth various program opportunities.
6 MONTH STATUS: *Partnered with the NFTE (Network for Teaching Entrepreneurship) program to provide eligible high school youth with business plan training over a two week period during the summer of 2015. Will be discussing the possibility of a late spring Customer Service training for up to 20 youth. Discussing the possibility of moving forward with a more comprehensive NFTE training for the spring semester to interested youth as a partnership. This would include the Youth Service Department financially supporting the request.*

FY 2015-2016 ADOPTED GENERAL FUND BUDGET
LIGHTHOUSE/YOUTH SERVICES PROGRAM HIGHLIGHTS/APPROPRIATIONS

- 5) Re-structure current Youth Service staffing to better meet needs of department
6 MONTH STATUS: *For the most part, this has occurred and staff is aware of their primary responsibilities. Each has been given the opportunity to comment as well if they felt a specific task was best suited for one of their co-workers. A complete list of job individual staff responsibilities is available for review if need be. However, a general idea appears below:*
- *Tammy Papa – responsible for all functions of the youth service department including Lighthouse Programs, Middle School Sports and Clubs, Training and Employment and YSB services.*
 - *Judith Marella – primarily responsible for state site based visits, data management, website updates, YSB grant site visits, and professional development*
 - *Marilyn Rodriguez – primarily responsible for financial management of incoming parent fees, and MUNIS activity with general oversight of all department administrative functions.*
 - *Mark Harp – primarily responsible for middle school clubs and sport programs as well as daily site visits.*
 - *Maryann Passe – primarily responsible for review of all Community Based Organization (CBO) invoices.*
 - *Through the process however, it was noted additional staff in the area of communications/social media, high school programming and community outreach would be of benefit to the department.*
- 6) Facilitate meetings with youth serving organizations on a quarterly basis.
6 MONTH STATUS: *This has yet to occur due to the volume of work currently taking place within the office. However, in preparation of a comprehensive citywide “summer learning” initiative for 2016, Youth Services will be inviting all Community Based Organization (CBO 's) to a meeting on shared vision and goals for all children participating in summer learning. Board of Education Early Childhood and Curriculum staff will be participating.*

FY 2015-2016 ADDITIONAL ACCOMPLISHMENTS

- 1) Successfully coordinated over 40 middle school clubs and sports activities for both the fall and spring sessions within Bridgeport Public Schools.
- 2) Laid the foundation to begin the first ever “Junior Council Person Program” which is set to take place in the late winter/early spring.
- 3) Youth Service staff is playing an active role in the planning of the upcoming citywide youth summit scheduled for April 1, 2016.
- 4) Successful implementation of the youth volunteer program.
- 5) Developed an expansive relationship with Leir Foundation receiving funding, multiple training opportunities for staff, and educational opportunities for youth.
- 6) Maintained working relationships, meet monthly, and established an open line of communication with organized sports leagues throughout Bridgeport.
- 7) Provided community based organizations with opportunities to attend over 20 scheduled professional development sessions.
- 8) Through a partnership with WEBE/WICC and the Paul Miller Buick Company, Lighthouse was able to provide close to 2,000 back packs and school supplies to youth during the 2015 summer and the same number of Christmas toys this past December.

FY 2016-2017 GOALS

- 1) Continue the process of becoming an accredited health department – submitting our letter of intent and uploading necessary documents.
- 2) Work with community partners to better understand and meet the needs of Bridgeport residents.
- 3) Implement at least one quality improvement effort to better understand programs and integrate client feedback into social service efforts.
- 4) Hold at least two community education and training events on emergency preparedness to ensure that those at highest risk have an appropriate plan in place and have ways to access information in a crisis.
- 5) Utilize the Community health needs assessment process with the Food Policy Council and The Disability Commission to better understand the struggles of those who are food insecure or who are living in food deserts, and the needs and concerns of residents with disabilities. Develop strategies to address those barriers.

FY 2015-2016 GOAL STATUS

- 1) To provide social services to meet the needs of individuals residing within the City of Bridgeport.
6 MONTH STATUS: *Bridgeport's Social Services office responded both to ongoing and emerging needs of residents with special outreach to seniors and disabled residents, those living in food deserts or who are food insecure. Social Services staff responded to emergencies (Charles Street fire) and ensured permanent relocation of all of those families as well as assisting with replacing items lost in the fire.*
- 2) To secure and expand funding to support individuals and families in need.
6 MONTH STATUS: *The department has partnered with other community agencies in applications to funders to support needs – particularly around food security and chronic diseases such as diabetes, asthma and heart disease.*
- 3) To empower under-served women, infants and children and the elderly through health and wellness education.
6 MONTH STATUS: *The department is working with the state office of early childhood to focus on current unmet needs of mothers of young children and their families, and is coordinating with the Bridgeport Prospers effort to plan for a two-generational solution for parents of young children, and forming collaborative efforts with outside organizations and*

FY 2016-2017 PROPOSED GENERAL FUND BUDGET
 SOCIAL SERVICES PROGRAM HIGHLIGHTS/APPROPRIATION SUPPLEMENT

programs to increase educational activities for seniors around chronic disease and depression among others.

- 4) To create a collaborative system in which partners work together to provide highly effective programs that improve the lives of those we served and strengthen our community.
6 MONTH STATUS: *Bridgeport's Department of Health and Social services is highly engaged in numerous planning efforts including: Wellbeing survey with Primary Care Action Group, Bridgeport Prospers, Bridgeport alliance for young children, Nurturing Families advisory council, and the Connecticut hoarding task force.*

- 5) To educate seniors about health insurance decisions.
6 MONTH STATUS: *The benefits counselor continues to meet with seniors daily at both the social services office and within the East Side Senior Center. Additional efforts to share this resource at other centers are being undertaken as well as program integration with other programs such as Aging with Grace.*

- 6) To provide Information & Referral Service (free of charge) on Medicare, Medigap, Medicare Managed Care, Medicaid, Long Term Care Insurance and other related state & federal programs.
6 MONTH STATUS: *See above.*

- 7) To provide community outreach, information and referral services on a wide variety of topics.
6 MONTH STATUS: *The Department of Health and Social Services fields more than 10,000 calls a year from concerned residents.*

- 8) Begin the process to becoming an accredited Health Department by applying to Public Health Accreditation Board and completing the necessary steps to be reviewed.
6 MONTH STATUS: *In 2015-16 the health department has been working with the Primary Care Action Group to complete our Community Health Needs Assessment and Community Health Improvement Plan. Community meetings will be held in Spring 2016 to establish final priorities for the regional plan. In addition health administration staff have been working to establish a revised city needs assessment – working with community partners on our two priorities from the prior improvement plan: smoking cessation and violence prevention. Bridgeport Dept of Health and Social Services has worked to modify their service indicators to be more reflective of the priorities set in our strategic planning work and those can be seen within these budget pages. We expect to submit our letter of intent and begin the process of uploading documentation by early 2016-17.*

FY 2016-2017 GOALS

The Bridgeport Public Library will continue to address the following six goals:

- 1) Bridgeport residents of all ages will find easy access to computers, computer support/instruction, and electronic information they need for everyday life.
- 2) All Bridgeport children and students will benefit from a new emphasis as well as commitment to them in all Bridgeport Public Library facilities, programs, and collections.
- 3) Bridgeport Public Library will become a valued destination for literacy in Bridgeport.
- 4) The Bridgeport Public Library will develop strategic partnerships and alliances throughout the city to benefit more residents.
- 5) Residents will become more aware of Bridgeport's libraries and consider them to be vital community resources center.
- 6) Bridgeport Public Library facilities, collections, programs, and staff will be repositioned to help focus on building community, helping people, and changing lives.

FY 2015-2016 GOAL STATUS

- 1) Bridgeport residents of all ages will find easy access to computers, computer support/instruction, and electronic information they need for everyday life.

6 MONTH STATUS:

- *The Library has increased its activity on Social Media sites, with Facebook being the most successful in reaching patrons. The website is continuously updated and through it patrons can access online databases, ask questions, and download music, movies, e-books and audio books as well as browse online magazines. An online shop can also be found on the*

website, and all proceeds help support the library. The library also continues to distribute its electronic newsletter that is published weekly.

- At the start of the strategic plan the Library had 104 computers for public use. The Library now has a total of 428 for the public and dozens of i-Pads. The new computers were deployed system-wide.
 - Envisionware software at all locations provides color and black and white printing as well as printing from mobile devices, laptops, and from home to library printers.
 - The library won a one year free subscription to Kidspeak – an online language product for children by participating of the Worldwide Welcome Contest sponsored by Recorded Books and it is now offered on our website under the Kids section.
 - In partnership with the Board of Education, public computers at the library now offer a shortcut to School Software and Information for easy access to parents and students. A link is also available on the library's website.
 - Universal Class normally costing an annual fee of \$189 is offered through the library's website for free, and it provides a variety of online classes including computer and technology learning courses from the very basic to more advanced programs.
- 2) All Bridgeport children and students will benefit from a new emphasis as well as commitment to them in all Bridgeport Public Library facilities, programs, and collections.

6 MONTH STATUS:

- The Library completed its citywide facilities master plan in 2014. In 2015, the Library purchased three sites located at 755 Central Avenue, 1174 East Main Street and 2534 East Main Street. A potential site is being explored for feasibility as a mixed use community library on Trumbull Avenue in partnership with the Bridgeport Housing Authority. The city council approved \$13M in bonding for the first three library facilities in August 2015. The timetable suggests that community engagement meetings will be held in April 2016, schematic designs should be completed by June and all projects should be out to bid this summer. Construction should start by late 2016. These new facilities will allow for expanded services in currently underserved areas, to students, children and the larger community.
- Homework Help is offered at the North and Black Rock branches.
- The library's online collection and resources in the Children and Teen's service areas continue to expand and include ABCMouse.com, Muzzy Online, free driving permit practice tests through Driving-Tests.org, E-prep for students seeking to prepare for exams, Mango & Transparent for language learning.
- Early literacy efforts include continued Story Time at all branches, technology and maker movement initiatives.
- Library card drives continued to be conducted at several schools year-round.
- Technology programming for youth included Hours of Code system-wide, Snap Circuits, Lego Robotics, Makey Makey, Lego Robotics and LittleBits Electronics.

- 3) Bridgeport Public Library will become a valued destination for literacy in Bridgeport.

6 MONTH STATUS:

- In 2013, the Library established a strategic partnership with Literacy Volunteers of Bridgeport (LVBPT) to position itself as a literacy provider and to accomplish this goal. LVBPT website is up and running and well utilized.
- LVBPT continues to collaborate with 5 other Literacy offices to organize statewide professional development opportunities for tutors.
- LVBPT continues its partnership with the Bridgeport Adult Education Department as a National External Diploma Program site (we are the only NEDP site in Bridgeport to serve male students).
- LVBPT continues to publish quarterly newsletters.
- LVBPT collaborated with many community partners to serve our clients, including: CLICC, Family Re-Entry, Ability Beyond, Bridgeport Towers, Burroughs Community Center, FSW, Kennedy Center, CT Works.

FY 2016-2017 PROPOSED GENERAL FUND BUDGET
LIBRARY SERVICES PROGRAM HIGHLIGHTS

- *LVBPT assists with Lee Y Seras' family literacy program.*
- *LVBPT registered 259 students in 2015 (152 English for Speakers of Other Language ESOL, 95 Basic Literacy BL, 12 National External Diploma Program NEDP.*
- *7 NEDP students earned diplomas in 2015.*
- *LVBPT provides English as a Second Oral Language (ESOL) instruction. Our students are adults over the age of 18 who want to improve their reading, writing and English speaking skills. They receive free tutoring in a small group setting 2 hours per week. We currently have students from 41 different countries, speaking at least 21 different languages.*
- *5 ESOL students obtained US citizenship in 2015.*
- *LVBPT has 50 volunteers and 14 new volunteer tutors completed training in 2015. Our tutors are adults over the age of 18 who volunteer their time to help others reach their learning goals. Tutors must have at least a high school diploma, must speak English clearly and are required to take a 15 hour training workshop. We provide free training and teaching materials for our tutors.*
- *In 2015, LVBPT received grants from the Rotary Clubs of Bridgeport and Fairfield, the Fairfield County Community Foundation and Pitney Bowes Foundation.*

4) The Bridgeport Public Library will develop strategic partnerships and alliances throughout the city to benefit more residents.

6 MONTH STATUS:

- *As part of a community building strategy which conforms to the Library's long range strategic plan, the Library is seeking to cut programming costs by building partnerships with external organizations that can provide no-cost workshops and activities, as well as utilizing inside talent to generate self-sustainable programs.*
- *A maker-space/business innovation center concept is being explored for the POP Room located on the first floor of the Main Library. Through a partnership with Housatonic Community College, the University of Bridgeport, Downtown Special Services District and the Small Business Development Center, the project seeks to provide local college students with the opportunity to explore their entrepreneurial ideas while mentoring younger generations and exposing the larger community to advanced technology.
The model seeks to integrate the hands-on, mentor-led learning environment of maker-spaces, with a business innovation center that provides tools to foster entrepreneurship for emerging, innovation-based enterprises.*
- *There are opportunities for community members to serve in advisory capacities to the City Librarian and Board of Directors. All library board committees and monthly meetings are open to the public and noticed through the city clerk's office. A more public presence is welcomed as the library moves forward.*
- *The City is eligible for up to \$1M dollars in funding from the Connecticut State Library's State Public Library Construction Grant (2016-2017) for distressed municipalities. The Central Grants Office can work with the City Librarian and Antinozzi Associates to submit a notice of intent in May 2016 and application by September 1, 2016. If selected, funds would be awarded in November 2016.*
- *The Bookmobile can be used to provide several city services including but not limited to registering to vote, getting a library card, city identification cards, paying taxes, purchasing copies of vital records (birth, death, or marriage certificates), paying for parking tickets and permits, etc. This concept could generate revenue for the city that hasn't been seen historically. Boston has been using a repurposed food truck since 2012 and the Library's bookmobile is easily adaptable. - A formal partnership with the Bridgeport Public Library and Bridgeport Public Schools is imperative. Hartford Public Library and the Hartford Public Schools launched an ambitious model called "Boundless" that could be better duplicated in Bridgeport. Quote from the Hartford Courant: "Hartford Public Library CEO Matthew Poland said Monday that it's a formal collaboration between two of Hartford's biggest educational institutions, one in which city librarians and teachers work together on basics such as programming — school literacy events and summer reading initiatives, for instance — and purchasing decisions." This important work for public schools and public libraries proves that with a strategic lens all things are possible. Attached please find a video that was created with funds from the Nellie Mae Foundation.

 - The Library continues to partner with numerous community based organizations and businesses including but not limited to Access Health CT, Apt Foundation, Black Rock Garden Club, Black Rock Rotary, Bridgeport Area Youth Ministry, Black Rock Rotary, Bridgeport Housing Authority, Bridgeport Police Mounted Horses, Bridgeport Police Athletic League, Bridgeport Public Schools, Bridgeport Senior's Services, Caribe Youth Athletic League, Center for Immigration Development, Connecticut Against Violence, Connecticut Coalition for Environmental Justice, Cook and Grow, Discovery Museum, Downtown Special Services District, Girls Inc., Ground Works Bridgeport, Hall Neighborhood House, Horizons, Juneteenth of Fairfield County, Latino Advocacy Foundation, Literacy Volunteers, Mayor's Office, Nehemiah Foundation, Parent Leadership Training Institute, Poets Realm, Rampage Skate Shop, Rotary Club of Bridgeport.
- 5) Residents will become more aware of Bridgeport's libraries and consider them to be vital community resources center.
6 MONTH STATUS: *The Library's long range strategic plan calls for establishing a library foundation. It is a critical time for the library to launch an aggressive capital campaign to offset the costs of library construction, programming and overall sustainability.*
- 6) Bridgeport Public Library facilities, collections, programs, and staff will be repositioned to help focus on building community, helping people, and changing lives.
6 MONTH STATUS: *The Library engaged the services of the Princeton, New Jersey based Library Development Solutions (Bridgeport natives Alan and Leslie Burger) to update the Library's long range strategic plan. Current timetable estimates completion of the planning process by May 2016.*

APPROPRIATION SUMMARY

*MBR=Minimum Budget Requirement, a provision of Connecticut's State Support for Education that sets a minimum sum per pupil that school districts must spend. ECS or Education Cost Sharing, aims to equalize some of substantial school funding disparities that municipalities with a large number of needy students encounter when trying to provide services. ECS provides for grants based on a formula that multiplies three factors: (1) a base aid ratio of each town's wealth to a designated state guaranteed wealth level (GWL), (2) the foundation, and (3) the number of each town's resident students adjusted for educational and economic need ("need students"). A per-student bonus is added for towns that are part of regional school districts. (A recent report from the Office of Legislative Research (OLR) on Education Cost Sharing reports on the present funding situation: <http://www.cga.ct.gov/2012/rpt/2012-R-0101.htm>)

ACCOUNTING SYSTEM: A total set of records that are used to record, classify, and report information on the financial status and operation of an entity.

ADA: Americans with Disabilities Act. The ADA prohibits discrimination in all employment practices, including job application procedures, hiring, firing, advancement, compensation, training, and other terms, conditions, and privileges of employment. It applies to recruitment, advertising, tenure, layoff, leave, fringe benefits, and all other employment-related activities.

ADOPTED BUDGET: The budget for the ensuing fiscal year that has been approved by the City Council & the Mayor.

AED: An automated external defibrillator is a portable electronic device that automatically diagnoses cardiac arrhythmias in patients and is able to treat them through defibrillation, which is the application of electrical therapy which stops the arrhythmia.

ALLOCATED COSTS (indirect cost rate): The concept of overhead budgeting is used primarily In Grant / Special Revenue Services and for Educational In-Kind reporting purposes. It is employed as a device to spread administrative costs to operating accounts in different funds to get a more accurate picture of true costs. Allocated costs can include both managerial and clerical salaries, as well as benefits, sick and annual leave, pensions and insurances of all the employees who work directly on a particular service or project.

APPROPRIATION: A legal authorization granted by the City Council to make expenditures and to incur obligations for specific purposes. An appropriation usually is limited in amount and time it may be expended.

ASSESSED VALUE (TAXABLE): As used in this document represents the total taxable book value of property in the City for Municipal purposes only. It is established each year by the filing of the Grand List with the State of Connecticut by the City Assessor.

ATTRITION: A reduction in the City's workforces as a result of resignations, retirements and/or terminations.

AUDIT: A study of the City's accounting system to ensure that financial records are accurate and in compliance with all legal requirements for handling of public funds, including those set forth by state law & City Charter.

BALANCED BUDGET: a budget projected wherein the projected expenditures are equal to the projected revenues. The Charter of the City of Bridgeport mandates a balanced budget.

BERC: The Bridgeport Economic Resource Center. BERC provides assistance and information to businesses wishing to relocate to or expand within the Greater Bridgeport, Connecticut area. BERC is a privately funded, non-profit organization created by a partnership of Greater Bridgeport businesses, utilities, institutions, city and state government.

BOE: Board of Education.

BOND: A written promise to pay a specific sum of money at a specified future date (maturity date) along with periodic interest paid at a specified percentage of the principal (interest rate). Bonds are used typically to manage long-term debt.

BOOTFINDER: The BootFinder, a hand-held device that looks like a radar gun and reads both moving and stationary license plates while searching for vehicles on which taxes are owed and those that are stolen. The BootFinder, named after the lock placed on the wheel of a scofflaw's car or truck, is connected to the city's motor vehicle tax records and its list of stolen vehicles and license plates. It is also attached to a laptop computer that alerts the user to "a hit" with an audio and visual signal.

BUDGET: A plan for the accomplishment of programs related to objectives and goals within a definite time period, including an estimate of resources required, together with an estimate of resources available.

BUSINESS-TYPE ACTIVITIES: provide the same type of services as a private entity, involve exchange relationships - that is, a fee is charged for services rendered and there is a direct relationship between the services provided and the fee charged for the services, and the entity is often a separate, legally constituted, self-sufficient organization although it may be subsidized by a government.

CAFR: An acronym that stands for Comprehensive Annual Financial Report. The CAFR is the industry standard financial report for local governments. The City's CAFR is recognized as meeting the highest possible level of reporting excellence and complies completely with GAAP.

CAMA: Computer assisted mass appraisal system, a computer system for the appraisal of real property, assessment administration and tax collection for a revaluation of property.

CAPITAL IMPROVEMENT PLAN (CIP): A plan for capital expenditures to be incurred each year over a five year period setting forth each capital project, the duration of the project, and the amount to be expended in each year of financing those projects.

CATEGORY (OF REVENUE OR APPROPRIATIONS): Grouping of similar line items. Refer to Budget Summary, Categorical Descriptions.

CBD: Central Business District.

CCTV: Closed circuit television. CCTV is the use of video cameras to transmit signals to a specific set of monitors. Often used for surveillance in areas where security is critical, such as banks, casinos, airports and other public spaces.

CDBG: Community Development Block Grant, a federal program that supports the development of housing and community projects.

COBRA: An acronym that stands for Consolidated Omnibus Budget Reconciliation Act, which provides certain former employees, retirees, spouses, former spouses, and dependent children the right to temporary continuation of health coverage at group rates. This coverage, however, is only available when coverage is lost due to certain specific events. Group health coverage for COBRA participants is usually more expensive than health coverage for active employees, since usually the employer pays a part of the premium for active employees while COBRA participants generally pay the entire premium themselves. It is ordinarily less expensive, though, than individual health coverage. See http://www.dol.gov/ebsa/faqs/faq_consumer_cobra.HTML for more information on the program.

CPPB: Certified Professional Public Buyer.

CRRA: Connecticut Resources Recovery Authority, the quasi-public agency that manages the municipal waste and recycling for the State of Connecticut.

CRS: Community Rating System. The National Flood Insurance Program's (NFIP) Community Rating System (CRS) is a voluntary incentive program that recognizes and encourages community floodplain management activities that exceed the minimum NFIP requirements. It is a program sponsored by the Federal Emergency Management Agency.

DEBT SERVICE: Principal and interest payment on bonds issued by the City to fund Capital and Other Projects. This includes debt service on past bond issues, as well as those anticipated in the current year of Capital Improvement Projects (C.I.P).

DECD: Department of Economic and Community Development.

DEP: Department of Environmental Protection.

DEPRECIATION: a decrease or loss in value.

DMV: Department of Motor Vehicles.

ECS: ECS or Education Cost Sharing, aims to equalize some of school funding disparities that municipalities with a large number of needy students encounter when trying to provide services. ECS provides grants based on a formula that multiplies three factors: (1) a base aid ratio of each town's wealth to a designated state guaranteed wealth level (GWL), (2) the foundation, and (3) the number of each town's resident students adjusted for educational and economic need ("need students"). A per-student bonus is added for towns that are part of regional school districts. (The Governor appointed a task force to re-visit the funding formula this year, and recommendations are outlined here: <http://www.cga.ct.gov/ed/CostSharing/Documents/2013/ECS%20TASK%20FORCE%20Final%20Report%201-23-13.pdf>).

ENTERPRISE FUNDS: A fund established to account for operations that are financed and operated in a manner similar to private business enterprises. The intent is that the full cost of providing the goods or services be financed primarily through charges and fees thus removing the expenses from the tax rate.

EOC: Emergency Operations Center. A central location that serves as a center for coordination and control of emergency preparedness and response for the region.

EPA: Environmental Protection Agency, a federal agency.

ESU: Emergency Services Unit. Similar to a SWAT Team, the ESU is a specially trained police unit that responds to critical incidents such as hostage situations.

EXPENDITURES: Total charges incurred for services received or assets purchased.

FEMA: Federal Emergency Management Agency.

FISCAL YEAR: a twelve-month period for which an organization plans the use of its funds. The City of Bridgeport's fiscal year begins on July 1 and concludes on June 30.

FTA: Federal Transit Administration

FTE: An acronym that stands for full time equivalent. Employee counts represent the budgeted sum of permanent, temporary and part-time employees.

FUND BALANCE: Represents the undesignated fund balance or excess of current assets over liabilities available for use along with current revenues to fund the various operating budgets.

FUND: A fiscal and accounting entity with a self-balancing set of accounts in which cash and other financial resources, all related liabilities and residual entities, or balances (and changes therein) are recorded and segregated to carry on specific activities or attain certain objectives in accordance with specific regulations, restrictions or limitations.

FUND STRUCTURE: The City's accounting system is organized and operated on the basis of funds or account groups, each of which is a separate accounting entity. Each fund is accounted for with a set of self-balancing accounts comprised of assets, liabilities, fund equity, revenues and expenditures or expenses, as appropriate. The three broad categories are GOVERNMENTAL FUNDS, PROPRIETARY FUNDS, and FIDUCIARY FUNDS. They are covered briefly here, and in greater detail in the budget summary, page 26 of this document.

GOVERNMENTAL FUNDS:

THE GENERAL FUND is used to account for the major general operations of the City, except those required to be accounted for in a separate fund.

SPECIAL REVENUE FUNDS are used to account for revenues dedicated for a specific purpose as prescribed by Federal or State program guidelines regarding their use.

DEBT SERVICE FUND is used for the accumulation of resources for, and the payment of, long term bonded debt.

CAPITAL PROJECT FUNDS are used to account for the proceeds of general obligation bonds and other financing resources for the planning, acquisition and construction or improvement of major capital facilities such as new schools and urban renewal projects.

PROPRIETARY FUNDS:

ENTERPRISE FUND Enterprise funds are used to account for the operations of activities that are financed and operated in a manner similar to a private business enterprise.

INTERNAL SERVICE FUND The City, by Ordinance, established an Internal Service Fund to account for self-insured health benefit activities of the City, Board of Education (BOE) and all other departments. Governmental Accounting Standards allow for the use of Internal Service Funds for risk financing activities.

FIDUCIARY FUNDS:

TRUST AND AGENCY FUNDS are used to account for resources held for the benefit of parties outside the government. The City of Bridgeport has four pension trust funds that support the pensions of City employees.

FY: An abbreviation for fiscal year, a twelve-month period for which an organization plans the use of its funds. The City of Bridgeport's fiscal year begins on July 1 and concludes on June 30.

GAAP ACCOUNTING: Standards established by the Governmental Accounting Standards Board, which the City must comply with.

GASB: An acronym that stands for Government Accounting Standards Board. GASB established standards for state and local governmental accounting in which financial reporting results in useful information for users.

GENERAL FUND: The major municipally owned fund, which is created with City receipts and which is charged with expenditures payable from such revenues.

GFOA: Government Finance Officers Association

GIS: Geographic Information System or geospatial information system. Designed to capture, store, analyze and manage data and associated information that is geographically referenced, GIS allows users to visualize data on a map.

GOVERNMENT-TYPE ACTIVITIES: Those activities used to account for financial resources used in the day-to-day operations of the government.

GPS: Global Positioning System.

GRAND LIST: The assessed value of all taxable property in the City.

HAZWOPER: Hazardous Waste Operations and Emergency Response Standard

HDPE: High-density polyethylene, a type of plastic.

HUD: Housing and Urban Development Agency.

INTERFUND TRANSFER: Payments from one administrative budget to another, which result in the recording of a receipt and an expenditure.

INTERNAL SERVICE FUNDS: Used to account for and finance the City's risk of loss for Employee Benefits, Workers Compensation, and other liabilities.

ISO New England: A regional transmission organization (RTO), serving Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island and Vermont. ISO stands for independent service operators. It was developed at the behest of Congress and the Federal Energy Regulatory Commission (FERC) to enable restructuring of the electric power industry.

ITC: intermodal transportation center

LAN: Local Area Network

LED: Light-emitting diode. This light source has a higher initial purchase price, but over the long term has a lower cost because they require much less power to output the same amount of light as a similar incandescent bulb.

LIABILITY: Debt or other legal obligations arising out of transactions in the past, which must be liquidated, renewed, or refunded at some future date.

LONGEVITY: Monetary payments to permanent full time employees who have been in the employ of the City for a set number of years.

MACH: Music and Arts Center for Humanity, a Bridgeport Arts organization.

MBE: Minority Business Enterprise Program. This program aims to implement a race and gender-conscious program to correct historic discrimination. It aims to reduce and eliminate aspects of the city's bidding and contracting processes that pose the greatest difficulties for Minority businesses.

MERF: the Municipal Employees Retirement Fund

MILL RATE: The Mill Rate is the rate of taxation levied on property subject to taxation under Connecticut General Statutes. One mill is equal to 1/1000 of a dollar. For example, a tax rate of 20 mills is equivalent to \$20 per \$1,000 of assessed value.

MODIFIED ACCRUAL: basis for accounting of all governmental funds and expendable trust and agency funds under which revenues are recorded when they become measureable and available. Expenditures are recorded when the liability is incurred, except for interest on general long-term obligations, which is recorded when due.

MRSA: Methicillin-resistant *Staphylococcus aureus* (MRSA) is a bacterium responsible for difficult-to-treat infections in humans. MRSA is a resistant variation of the common bacterium *Staphylococcus aureus*.

NRZ: Neighborhood Revitalization Zones.

NTOA: National Tactical Officer's Association.

OPED: Office of Planning and Economic Development.

ORDINANCE: A law set forth by a governmental authority; a municipal regulation.

PERF: Police Executive Research Forum. This national membership organization is comprised of police executives from the largest law enforcement agencies in the United States. They are dedicated to improving policing and advancing professionalism through research and public policy.

PETE: Polyethylene terephthalate, a type of plastic.

PILOT: An acronym that stands for payments in lieu of taxes. These property tax exemptions are granted to state-owned property, institutions of higher education & hospitals by the state of Connecticut. The payment is equal to a percentage of the amount of taxes that would be paid if the property were not exempt from taxation.

RECOMMENDED BUDGET: The proposed budget for the ensuing fiscal year that has been approved by the mayor and forwarded to the City Council for their review & approval.

REQUIRED RESERVE: The City of Bridgeport appropriates a \$1 million budgetary reserve. This is a longstanding practice which is a positive factor in the City's maintenance of its Bond Rating. All three rating agencies have acknowledged this budgetary practice.

REVENUES: (1) Increases in the net current assets of a governmental fund type from other than expenditure refunds and residual equity transfers; and (2) increase in the net total assets of a proprietary fund type from other than expense refunds, capital contributions and residual equity transfers.

RFP Depot: RFP Depot is an online bidding service designed to streamline the bidding process. RFP Depot offers an enhanced bidding process that allows bid solicitations via the internet. We anticipate the introduction of RFP Depot will simplify the bidding process for both vendors and departments.

RFP: Request for Proposal.

RFQ: Request for Quotation.

RYASAP: Regional Youth/Adult Substance Abuse Project, a community development organization based in Bridgeport.

SBE: Small Business Enterprise.

SERVICE INDICATORS: A statement describing an activity conducted or performed by the department/division. A department or division usually has many Service Indicators. Service Indicators provide information on whether service objectives are being met.

SLRB: State Labor Relations Board.

SPECIAL REVENUES: The use of these funds are prescribed by Federal or State program guidelines. Often, the source of these funds are federal and state grants that are to be used for specific projects.

STATEMENT 34: A proposed revision by the Governmental Accounting Standards Board (GASB) in GAAP Accounting, which requires changes in local government accounting and reporting.

SUBMITTED BUDGET: Departmental estimates of revenue and expenditures for the ensuing fiscal year, submitted to the Office of Policy & Management, which is reviewed and used in formulating the recommended budget.

SUPPLEMENTAL APPROPRIATION: Appropriations made by the City Council to cover expenditures that exceed the adopted appropriation level.

SURPLUS: That portion of prior year Undesignated Fund Balance to be used to offset current year tax revenues.

SWAT: a special police unit trained to perform dangerous operations.

SWEROC: Southwest Connecticut Regional Recycling Operating Committee.

TAX ABATEMENT: Legal reduction or cancellation of tax obligation.

TAX ANTICIPATION NOTES (TANS): Notes (or warrants) issued in anticipation of the collection of taxes, usually retirable only from tax collections, and frequently only from the proceeds of the tax levy whose collections they anticipate.

TAXABLE GRAND LIST: Reflects all property that is not subject to Section 12-81 of the Connecticut general Statutes which exempts from taxation federal, state, municipal, church, and school property if that property is used for the purpose for which the agent is exempted.

TOD: Transit Oriented Development

TRANSFERS IN/OUT: Transfers between city funds not technically considered revenues or expenses to either fund.

TRANSMITTAL LETTER: A document, in the form of a letter that accompanies the budget when it is presented to the City Council. It is written by the Mayor, in part to explain the considerations that went into the planning of the budget it is attached to.

TRUST FUND: Funds used to account for assets held by a government in a trustee capacity for individuals, private organizations, other governments and/or other funds.

TRANSITIONAL WORK PROGRAM: Transitional work, sometimes referred to as "light duty," is an interim step in the physical recovery of an employee who suffers an occupational or a non-occupational injury or illness that prevents the employee from working in his/her current position. Transitional work is designed to use job tasks or a combination of tasks and functions that an individual with work restrictions may safely perform. Transitional work assignments are offered to those employees who have supplied Human Resources with temporary work restrictions.

WAN: Wide area network, a computer network that covers a broad area.

WIC: Women, Infants & Children, a federal nutritional program.

WPCA: Water Pollution Control Authority.

City Council Date:	April 4, 2016

SECTION II RESOLUTION (PLEASE TYPE BELOW)

WHEREAS, Minnesota Avenue is adjacent to a major intersection comprised of East Main Street, Noble Avenue, Huntington Turnpike and Beardsley Park with numerous businesses, private and multifamily residences in the immediate area; and

WHEREAS, daily the intersection has an extremely heavy traffic flow consisting of motor vehicles, light and heavy duty commercial trucks along with police, fire and emergency medical response vehicles that may be answering calls for service; and

WHEREAS, the safe flow of traffic on these streets and through the intersection is regulated by traffic lights but often this traffic is suddenly and unexpectedly confronted by motor vehicles making left hand turns from Minnesota Avenue; and

WHEREAS, these turns are further made dangerous by the configuration of the corner and nearby businesses that significantly decrease the line of sight for exiting and oncoming traffic alike thus heightening the risk for a serious accident; and

NOW, THEREFORE, BE IT RESOLVED, that the City Council hereby requests the Board of Police Commissioners have the City Engineer study and make a recommendation for installation of a "No Left hand Turn" sign on Minnesota Avenue to prevent left hand turns from Minnesota Avenue onto Huntington Turnpike.

To the City Council of the City of Bridgeport.

The Committee on Economic and Community Development and Environment begs leave to report; and recommends for adoption the following resolution:

Item No. *08-15 (B) Consent Calendar

A Resolution Authorizing the Disposition of Certain City-Owned Properties by Auction, by Sale to Abutter, or by Sale to Community Based Housing Development Corporations

WHEREAS, over time by foreclosure and other conveyances, property comes to the ownership of the City of Bridgeport, much of which is blighted and deteriorated or consists of vacant lots, both buildable and non-buildable;

WHEREAS, the Bridgeport City Council has the legal authority to approve the disposition of City-owned property; and

WHEREAS, the one property listed in this resolution have been approved for disposition by the City Planning and Zoning Commission and subsequently by the City Hall Committee; and

WHEREAS, certain City-owned property are located between two abutting property owners and consist of small silvers or non-buildable lots such that the best strategy for disposing of such properties would be to transfer them to an abutting property owner for the highest offer available thereby adding value to the abutting property while adding to the City's tax base and decreasing the City's ongoing maintenance responsibilities; and

WHEREAS, certain City properties lend themselves to redevelopment for small scale infill housing development and affordable housing development, such as is constructed by various community-based housing development organizations; and

WHEREAS, certain City properties may be of such value that it would be in the City's financial interest to offer them at public auction to the highest responsible bidder; Now, therefore be it

RESOLVED, that with respect to the following one property listed within this resolution, the Mayor and/or the Director of OPED or their Designee is authorized to sale, lease, transfer or otherwise dispose of said properties by any of the three following methods:

- 1) Public Auction to the Responsible Bidder
- 2) Direct Sale to an Abutter Making the Responsible Offer
- 3) Direct Sale to a Responsible Community Based Housing Development Corporation, provided such Corporation agrees to pay full taxes on such Property;

CITY CLERK

City of Bridgeport, Connecticut

Office of the City Clerk

To the City Council of the City of Bridgeport.

The Committee on Economic and Community Development and Environment begs leave to report; and recommends for adoption the following resolution:

Item No. *09-15 (B) Consent Calendar

A Resolution Authorizing the Disposition of Certain City-Owned Properties by Auction, by Sale to Abutter, or by Sale to Community Based Housing Development Corporations

WHEREAS, over time by foreclosure and other conveyances, property comes to the ownership of the City of Bridgeport, much of which is blighted and deteriorated or consists of vacant lots, both buildable and non-buildable;

WHEREAS, the Bridgeport City Council has the legal authority to approve the disposition of City-owned property; and

WHEREAS, the seven properties listed in this resolution have been approved for disposition by the City Planning and Zoning Commission and subsequently by the City Hall Committee; and

WHEREAS, certain City-owned properties are located between two abutting property owners and consist of small silvers or non-buildable lots such that the best strategy for disposing of such properties would be to transfer them to an abutting property owner for the highest offer available thereby adding value to the abutting property while adding to the City's tax base and decreasing the City's ongoing maintenance responsibilities; and

WHEREAS, certain City properties lend themselves to redevelopment for small scale infill housing development and affordable housing development, such as is constructed by various community-based housing development organizations; and

WHEREAS, certain City properties may be of such value that it would be in the City's financial interest to offer them at public auction to the highest responsible bidder; Now, therefore be it

City of Bridgeport, Connecticut

Report of Committee on ECD and Environment
Item No. *09-15 (B) Consent Calendar

-2-

RESOLVED, that with respect to the following seven properties listed within this resolution, the Mayor and/or the Director of OPED or their Designee is authorized to sale, lease, transfer or otherwise dispose of said properties by any of the three following methods

- 1) Public Auction to the Responsible Bidder
- 2) Direct Sale to an Abutter Making the Responsible Offer
- 3) Direct Sale to a Responsible Community Based Housing Development Corporation, provided such Corporation agrees to pay full taxes on such Property;

BE IT FURTHER RESOLVED that the Mayor and/or the Director of the Office of Planning and Economic Development, or their respective designees, are hereby authorized to take all necessary actions and to do any and all necessary and appropriate things in furtherance of the objectives of this resolution.

Office of the City Clerk

To the City Council of the City of Bridgeport:

The Committee on Economic and Community Development and Environment begs leave to report; and recommends for adoption the following resolution:

Item No. *51-15 Consent Calendar

A Resolution Authorizing the Disposition of Two City-Owned Properties by Sale to Abutter

WHEREAS, over time by foreclosure and other conveyances, property comes to the ownership of the City of Bridgeport (the "City"), much of which is blighted and deteriorated or consists of vacant lots, both buildable and non-buildable;

WHEREAS, the Bridgeport City Council has the legal authority to authorize the disposition of City-owned property; and

WHEREAS, the two properties listed in this resolution (119 Johnson Street and 77 Johnson Street, herein referred to as the "Properties") have been approved for disposition by the City Planning and Zoning Commission and subsequently by the City Hall Committee; and

WHEREAS, the Properties are small vacant lots, (119 Johnson at .12 acres in size; 77 Johnson at .07 acres in size); and

WHEREAS, the Properties are located directly adjacent to abutting properties owned by Bridgeport Neighborhood Trust (the "Abutter") which proposes to incorporate the Properties into a larger affordable homeownership development project (consisting of approximately eight 2-family homes – the "Project"); and

WHEREAS, it is in the City's best interest to encourage homeownership and to create tax-paying properties; and

NOW, THEREFORE BE IT RESOLVED that the City Council authorizes the transfer of the following two properties to Bridgeport Neighborhood Trust for the total price of \$2.00 (Two dollars and no cents); and

BE IT FURTHER RESOLVED that the City Council authorizes the Director of OPED to execute any contracts or agreements, or to take any other such necessary actions consistent with and to effectuate the purposes of this resolution; and

BE IT FURTHER RESOLVED that the City Council shall not transfer title to the abutter until project financing is in place.

City of Bridgeport, Connecticut

Office of the City Clerk

To the City Council of the City of Bridgeport:

The Committee on Economic and Community Development and Environment begs leave to report; and recommends for adoption the following resolution:

Item No. *57-15 (Ref. #155-13) Consent Calendar

A Resolution by the Bridgeport City Council Amending the City's Authorization to Dispose of Property for the Cherry Street Adaptive Reuse Project

WHEREAS, pursuant to City Council Resolution Item #155-13, approved November 3, 2014, the City of Bridgeport (the "City"), acting through its Office of Planning and Economic Development ("OPED") acquired on April 2, 2015 the following four properties: 62 Cherry Street; 80 Cherry Street; 1341 Railroad Avenue; 1325 Railroad Avenue; (collectively, the "Phase Two Properties"); and

WHEREAS, the Phase Two Properties comprise the western half of a full city block in the City's West End Redevelopment Area (the "Block") which is slated to be redeveloped in its entirety by Bhagya Realty or its affiliate entity/ies (the "Developer") as a phased adaptive-reuse, mixed-use project (the "Project") pursuant to approvals granted by the City's Planning and Zoning Commission on May 14, 2014 and on May 28, 2015 (the "PZC Approval"); and

WHEREAS, the first phase of the Project (the "Phase One Improvements") shall be constructed primarily on the eastern half of the Block on Developer-owned properties now designated as 375 Howard Avenue; 1289 Railroad Avenue; 72 Cherry Street (collectively, the "Phase One Properties"); and

WHEREAS, the Developer has secured financing for the Phase One Improvements from the Connecticut Housing Finance Authority ("CHFA"); and

WHEREAS, in order to close on the CHFA financing, the Developer must demonstrate to CHFA that it has ownership or control via ground-lease of the property/ies to be used to provide the parking required (the "Parking") for the Phase One Improvements; and

Item No. *57-15 (Ref. #155-13) Consent Calendar

-2-

WHEREAS, the CHFA-required Parking for the Phase One Improvements is to be provided on a portion of the Phase Two Properties, as well as on discontinued portions of the public rights of way found along the perimeter of the Project along Hancock Avenue, Railroad Avenue, and Howard Avenue (the "Discontinued ROW"); and

WHEREAS, in order to facilitate the Developer's closing on the CHFA financing and the construction of the Phase One Improvements, the City wishes to transfer the Phase Two Properties and the Discontinued ROW to the Developer; Now, therefore be it hereby

RESOLVED by the City Council that provided that demolition and surface Parking shall be completed within 15 months of City Council approval (with reasonable extensions allowed for environmental issues), the Mayor or the Director of the Office of Planning and Economic Development is authorized, as per the City Attorney's direction as to forms and methods, to transfer the Phase Two Properties and the Discontinued ROW to the Developer for the advancement of the Project; and be it further

RESOLVED that the City's transfer of the Phase Two Properties and the Discontinued ROW to the Developer shall be conditioned upon its receiving from the Developer the greater of \$850,000 or the Developer's acceptance of the contractual obligation to complete at his own cost any and all of the demolition required to provide the Parking for the Phase One Improvements (with the form of such contractual obligation and the verification of such completion and of such cost all to be determined by the City); and be it further

RESOLVED that the City's transfer to the Developer of the Phase Two Properties and the Discontinued ROW shall be further subject to the Developer's acceptance of the contractual obligation to complete the Phase Two Improvements in a timely manner as per industry standards for securing financing and constructing Phase Two as per a schedule to be more specifically determined by the City; and be it further

in the West End Redevelopment Area
for the Cherry Street Adaptive Reuse Redevelopment Project**

WHEREAS, the block bounded by Cherry Street, Hancock Avenue, Railroad Avenue, Howard Avenue (the "Block") is located within the West End of the City, and within the West End Municipal Development Plan ("MDP") Redevelopment Area, as amended; and

WHEREAS, the Block contains over 300,000 square-feet of vacant and blighted buildings, all of which formerly housed industrial companies, and all of which are historic; and

WHEREAS, on May 24, 2014, Corvus Capital, LLC, (the "Developer") secured the Bridgeport Planning and Zoning Commission's Approval of its Mixed Use Adaptive Reuse Plan to convert the Block through historic renovation into 311 residential units, parking, open space, and approximately 60,000 square-feet of complementary commercial space, (the "Project"); and

WHEREAS, the Project is to be carried out in two phases, the first phase to be constructed on the eastern half of the Block and to comprise an approximately \$44 million investment in the development of 156 residential units, 60,000 square-feet of commercial space, and 40,000 square-feet of open space (such improvements to be known collectively as the "Phase One Improvements" or "Phase One"); and

WHEREAS, the second phase of the Project shall be constructed on the western half of the Block at a similar cost of approximately \$44 million and shall include approximately 165 residential units and related commercial, parking and open space (the "Phase Two Improvements" or "Phase Two"); and

WHEREAS, the eastern half of the Block consists of 3 parcels of land which are privately owned, and are under contract to be sold to the Developer as follows: 375 Howard Avenue; 1289 Railroad Avenue; 72 Cherry Street; (collectively, the "Phase One Parcels"); and

WHEREAS, the western half of the Block consists of 4 parcels which are privately owned, under contract to the Developer, but also subject to a tax foreclosure action by the City, as follows: 62 Cherry Street; 80 Cherry Street; 1341 Railroad Avenue; 1325 Railroad Avenue; (collectively, the "Phase Two Parcels"); and

WHEREAS, the Developer anticipates beginning the two-year construction of the Phase One Improvements in March of 2015 and, assuming a pre-leasing rate of 15 units per month for the Phase One residential, subsequently anticipates beginning the two-year construction of the Phase Two Improvements on or about March of 2016; and

WHEREAS, there is a need to address the blight on the Phase Two Parcels concurrent with the development of the Phase One Improvements so that Phase One may be successful in attracting the anticipated market absorption; and

WHEREAS, private capital is not currently available to remove the blight on the Phase Two Parcels; and

WHEREAS, the City wishes to use existing State of Connecticut DECD West End Redevelopment Funds ("West End Funds") to address the blight on the Phase Two Parcels, by among other things, performing environmental investigations on the Phase Two Parcels, demolishing the fire-damaged building at 62 Cherry Street, securing the Parcels from trespassers, improving the appearance of the buildings from Interstate 95; and

WHEREAS, the City can most readily use the "West End Funds" on properties it owns; and

WHEREAS, the City can also use the West End Funds for the acquisition of properties which are designated for acquisition within the West End MDP, as amended; and

WHEREAS, the City Council is being requested simultaneously to amend the West End MDP to designate the Phase Two Properties for acquisition; and

WHEREAS, the City wishes to acquire the Phase Two Properties so as to have direct control over them within the earliest and most certain time-frame possible, with a direct acquisition by the City being faster than the time-frame afforded by foreclosure and more certain than the alternative of the Developer's (diligence-dependent and financing-dependent) direct acquisition; and

WHEREAS, provided the Developer is moving toward substantial completion of the Phase One Improvements as per the agreed-upon schedule, it is the City's intent to transfer the Phase Two Properties, with the consent of the State DECD, at a negotiated price, at or near appraised value, to the Developer for the completion of the Project on the Block; and

WHEREAS, should the Developer not complete the Phase One Improvements or fail to reach a negotiated price with the City for the acquisition of the Phase Two Parcels, then the City would intend to market the Phase Two Properties to a subsequent developer; and

WHEREAS, the City has West End Funds sufficient to purchase the Phase Two Properties as per the attached "Terms of Acquisition."

Re: Master State/Municipality Agreement for the Readjustment, Relocation and/or Removal of Municipal Facilities on Highway Projects

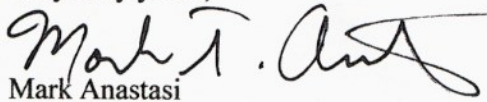

Dear City President McCarthy:

Kindly make the appropriate Motion to Add to the Agenda the above-referenced matter at the Monday, April 4, 2016 City Council Agenda **FOR REFERRAL TO CONTRACTS COMMITTEE** and a **2nd Motion to Refer to Committee**. Enclosed herewith is a copy of the proposed Agreement as to be amended. Twenty-five (25) copies of this letter and the proposed amended Agreement are being delivered to the City Clerk's Office.

This Agreement is the latest in a series of agreements that will improve how the CT DOT conducts business with its municipal partners by streamlining the agreement process.

I will attend the Tuesday, April 12th Contract Committee meeting, at which it is anticipated that this matter will be on the agenda to be heard and acted upon, so that it can be reported back to the full City Council at the April 18th meeting. Thank you for your assistance in this matter.

Very truly yours,

Dear Mr. Anastasi:

Subject: Master State/Municipality Agreement for the Readjustment, Relocation and/or Removal of Municipal Facilities on Highway Projects

The Connecticut Department of Transportation (Department) has revised the Master State/Municipality Agreement (Agreement) for the Readjustment, Relocation and/or Removal of Municipal Facilities on Highway Projects. The revised Agreement reflects updated procedures and practices and a streamlined process, which will result in expedited reimbursement for services rendered by the Municipality. The Department intends to terminate any Agreement you currently have in place; therefore, this revised Agreement should be signed and returned promptly to avoid any delay to upcoming projects.

Please have each of the two copies of the Agreement signed, witnessed and the Utility's seal affixed in the appropriate spaces. Do not fill in the date in the first paragraph of the Agreement.

Please advise the Department in writing of any change in your entity's name, address, legal status or Federal Employer Identification Number.

Please return the two signed Agreements in the envelope provided within 21 days of the date of this letter.

Once the Department receives, in proper form, the two originally signed revised Agreements, they will be submitted to the applicable State Offices for approval signatures. Upon full execution of this revised Agreement, any Master State/Municipality Agreement previously entered into will be terminated and superseded by this revised Agreement. Please be aware that without a valid Agreement in place, the Department will be unable to reimburse your Municipality for readjustment, relocation and/or removal services provided.

THIS AGREEMENT, concluded at Newington, Connecticut, this _____ day of _____, A.D., 2001, by and between the State of Connecticut, Department of Transportation, acting herein by the Commissioner of the Department of Transportation, hereinafter referred to as the State, **and** _____ **and** _____, the City of Bridgeport, acting herein by _____, its _____, hereunto duly authorized, hereinafter referred to as the Utility or collectively referred to as the "Parties".

WITNESSETH, THAT:

WHEREAS, the State and the Utility wish to memorialize their understandings concerning their respective duties, rights, liabilities, and obligations whenever the Commissioner of Transportation determines that any Utility Facility located within, on, along, over or under any land comprising the right-of-way of a state highway, or any other public highway associated with a State highway project, must be readjusted or relocated in or removed from such right-of-way due to the construction or reconstruction of such highway, and

WHEREAS, the State, acting by its Commissioner of Transportation, is authorized to

enter into this Agreement pursuant to Sections 4-8, 13a-98, 13a-98f, 13a-126, 13a-165, 13b-3 and 13b-23 of the Connecticut General Statutes, as revised, and

WHEREAS, the Utility has represented to the State that it is duly authorized to enter into this Agreement, carry out its responsibilities under this Agreement, and bind itself and its successors and assigns.

NOW, THEREFORE, in consideration of the mutual exchange of promises by and between the State and the Utility, evidenced within this Agreement, the State and the Utility mutually agree as follows:

Section 1: Definitions

The following definitions shall apply to this Agreement:

- a. "Additional Construction Work" means design, engineering or construction performed by or on behalf of the State and paid by the Utility for the incorporation of a Utility Facility in a Project which is for the requirements of the Utility and not required by any physical conflict between the Utility Facility and the Project;

Section 2: Utility

Formatted: Indent: First line: 0.5"

Formatted: Font: Not Bold, No underline

2.01 Preparation of P.E. Estimate

When requested by the State or its designated agents, the Utility shall prepare and submit to the State a P.E. Estimate for which the Utility may apply to the State for reimbursement under the Connecticut General Statutes. The Utility shall not incur charges for the Project until the Utility receives written authorization from the Administrator in the form of a Project Authorization Letter for P.E. -Said authorization may be withheld at the sole discretion of the Administrator. -Any increase in the P.E. Estimate for a particular Project will require prior written authorization of the Administrator, which may be withheld at the Administrator's sole discretion.

2.02 Preliminary Engineering Performed by Consultant

In the event the Utility elects not to perform preliminary engineering with its own forces, or forces of the Utility's corporate affiliates, the Utility shall so advise the State in writing by requesting prior approval to employ the services of a consultant. The Utility agrees to clearly and accurately identify all consultant costs in its estimates and in its billings to the State.

2.03 Preparation of Plans, Construction Estimate and Support Data

Subsequent to the issuance of the Project Authorization Letter for P.E., the Utility

shall prepare: (a) Plans, (b) the Construction Estimate, and (c) Supporting Data for the changes to its facilities to accommodate the construction or reconstruction of the Project. The Plans, Construction Estimate, and Supporting Data shall all be prepared in accordance with the Reference Documents which are hereby incorporated by reference and made a part of this Agreement.

2.04 Test Pits and Borings

(a) Whenever the State, acting through the Administrator, notifies the Utility in writing that the State requires the Utility to conduct test borings or to excavate test pits to ascertain the exact location, dimensions, or the structural condition of a Utility Facility for the purposes of a Project the cost shall be shared by the State and the Utility. The State's share shall be determined in accordance with the applicable provisions of Sections 13a-98f and 13a-126 of the Connecticut General Statutes, as revised.

(b)

Whenever the State, acting through the Administrator, notifies the Utility in the Project Authorization Letter for P.E. to prepare a Plan, Construction Estimate, and Supporting Data for the relocation or adjustment of its Utility Facilities due to the requirements of the proposed Project and the Utility finds that it can comply with this request only by means of borings or test pits, the Administrator may grant permission for the borings or test pits to be done as part of the Utility's preliminary engineering design, and payment therefore shall be made under the provisions of Sections 13a-98f or 13a-126 of the Connecticut General Statutes, as revised.

2.05 The Construction Estimate

Formatted: Indent: Left: 0"

Formatted: Indent: Left: 0", Hanging: 1"

The Construction Estimate shall include, but shall not be limited to, (a) costs required to provide a facility of equal capacity; (b) any costs in excess of the costs required to provide a Utility Facility of equal capacity clearly showing the betterment and associated costs for which the State is not participating; (c) the value of materials salvaged from existing installations; and (d) depreciation reserve credits as determined by the cost of the original installation, the life expectancy of the original Utility Facility, and the unexpired term of such life use. The Construction Estimate shall incorporate the deductible value of items (a) through (d) referenced herein subject to audit as set forth in Subsections 2.16, 2.18 and 3.04 of this Agreement after completion of the work and before final payment is made to the Utility. The depreciation reserve credit must be shown in the Construction Estimates for which the construction cost to the State is over Twenty Thousand Dollars (\$20,000), and the State waives the requirement that depreciation reserve credit be shown in Construction Estimates on construction costs of Twenty Thousand Dollars (\$20,000) or less.

2.06 Submission at Request of Administrator

The Utility shall submit the Plans, Construction Estimate, Supporting Data and Specifications requested by the Administrator to the State for its approval. If after review by the State the Plan, Construction Estimate and Supporting Data are acceptable, the Administrator shall provide the Utility written approval of the Plans, Construction Estimate and Supporting Data. The Project Authorization Letter for Construction shall not be construed as authorization to proceed with work in furtherance of said Installations and Adjustments.

2.07 Utility Responsibilities

The Utility shall assume full responsibility for the accuracy of all data, design, and other products of engineering work created, prepared or produced by the Utility, its agents, servants, employees, corporate affiliate or consultants, as shown on Plans, Supporting Data, Specifications or other pertinent documents relative to the Installations and Adjustments, as herein provided for under the terms of this Agreement. The Utility shall also assume full responsibility for all costs of every name and description which may be incurred by the State as a result of any errors or omissions contained in the data, design, or other products of engineering work created, prepared or produced by the Utility, its agents, servants, employees, corporate affiliate or consultants, as shown on said Plans, Supporting Data, Specifications or other pertinent documents. The Utility shall assume no responsibility for costs incurred by the State as a result of any errors or omissions contained in the data, design, or other products of engineering work created, prepared or produced by the State as shown on said Plans, Supporting Data, Specifications or other pertinent documents.

2.08 Authorization to Order Materials

Upon the Utility's receipt of the Authorization to Order Materials Letter for a Project, the Utility shall use its best efforts to promptly obtain all materials necessary for the relocation and readjustment of Utility Facilities for the Project. Within ten (10) calendar days of receiving the Authorization to Order Materials Letter, the Utility shall notify the State in writing of the date when it anticipates that the Utility will have obtained all materials necessary for the relocation and readjustment of Utility Facilities for the Project. In the event the Utility becomes aware of a change in the date that it anticipates obtaining all materials necessary for the relocation and

readjustment of Utility Facilities for the Project, the Utility shall provide the State with written notification of the change. The Utility acknowledges that the State will utilize the anticipated date provided by the Utility to plan for the Project. If the Utility fails to provide the State with a written notice required by this Subsection, the Utility shall be responsible for any and all damages incurred by the State arising from the Utility's failure to provide any such notice.

2.09 Notice to Proceed

The Utility shall not proceed with work in furtherance of the Installations and Adjustments prior to the receipt of a written notice from the Engineer. The Utility shall proceed with due diligence with the Installations and Adjustments in accordance with the approved Plans, Construction Estimates, and Supporting Data.

2.10 Diligent Performance

The Utility shall diligently perform all work necessary to complete the Installations and Adjustments of its Utility Facilities, and shall comply with all requirements of the State in connection with such work. All Installations and Adjustments shall be completed within a reasonable time. —In determining the Installations and Adjustments were completed within a reasonable time, the State may consider, among other things, any schedule submitted by the Utility to the State for the Installations and Adjustments and any other information that the Utility believes the State should consider determining whether the Installations and Adjustments were completed in a reasonable time.

2.11 Reference Documents Controlling

The actual adjustments to the Utility's Facilities shall be governed by the Reference Documents. The Reference Documents are hereby incorporated by reference and

made a part of this Agreement.

2.12 Performance of Work by Utility Forces or Contractor

Any Installations and Adjustments authorized by the State may be carried out by the Utility with its own forces and/or by the Utility's duly qualified and certified continuing contractors, but nothing in this paragraph shall be construed to authorize any work to be done by other contractors or any other utility company, except for certain minor contract work approved in advance by the Administrator. Written approval by the State of other than continuing contractors doing work under this Agreement may be granted by the State on the basis of a contract being awarded by the Utility to the lowest qualified bidder from a minimum of three bids submitted by entities unaffiliated with the Utility. If the Utility is unable to obtain three bids, the Utility shall write to the State and explain why it was unable to obtain three bids. The State may, upon the Utility demonstrating good cause for not obtaining three bids, waive the three bid requirement. Upon receipt of written approval from the State, the Utility may award a contract for such work. The State reserves the right to reject any or all bids for such work at its sole discretion.

2.13 Preparation of Progress Reports

During the construction phase of Projects, the Utility shall prepare reports required for the State's review of the Utility's billing of costs. State Form CON-40, or an approved equivalent form(s), shall be used for the daily reporting of labor, inspection, supervision, or any other related on-site work, as well as equipment and materials used in the work, and shall be prepared by the Utility and certified by representatives of the State and the Utility. Material used and recovered on temporary work, as well as permanent plant items removed, shall be reported on State Form CON-41 in the

same manner as the CON-40. The Utility shall submit CON-40's and CON-41's within fifteen (15) calendar days following the completion of its weekly activities.

2.14 Changes in Scope of Work

In the event that the statement of work contained in the approved Project Construction Estimate needs to be changed, the Utility shall provide the Engineer with a Change in Scope Letter. The Change in Scope Letter shall contain such information as the Engineer deems necessary for his review of the proposed changes, including but not limited to, the facts requiring such change, and the proposed impact upon the budget for Installations and Adjustments. In the event the Engineer authorizes the change, such authorization shall be in writing and effective upon receipt by the Utility.

2.15 Construction Cost Increases

When changes in construction are due solely to increases in cost of labor, materials and equipment, the Utility shall advise the State in an Increased Cost Letter with an explanation for this change. The Increased Cost Letter shall contain, but shall not be limited to, the facts requiring such change, and a statement that payment will be made under the provisions of the "Public Service Facility Policy and Procedures for Highways in Connecticut" as amended from time to time. The Utility shall not implement any such changes in preliminary engineering or construction until those changes have been approved in writing by the State.

2.16 Form of Payment Requests

All requests for payment shall be submitted on State Form ISP, or a DOT approved equivalent form together with pertinent vouchers and cost records, and shall be subject to audit by the State and/or the Federal Highway Administration. All billing

for preliminary engineering, test pits, construction and inspection activities shall be billed separately on State Form ISP and be on a project-by-project basis.

2.17 Waiver of Right to Payment

The failure of the Utility to submit the final bills within the time frames specified within this Agreement will constitute a waiver by the Utility of its right to reimbursement of the State's equitable share and may, at the election of the State, result in the loss of reimbursement to the Utility.

2.18 Review of Records

The Utility agrees to permit the State, the State Auditors of Public Accounts, the United States Department of Transportation and/or their duly authorized representatives to examine, review, audit and/or copy any records, books or other documents of the Utility relative to all charges, including charges for extra work, settlement of claims, alleged breaches of this Agreement, charges of continuing contractors of the Utility for work performed by the continuing contractor for the Utility on work other than State highway work or any other matter involving expense to the State.

Formatted: Justified

If applicable, the Utility receiving federal funds must comply with the Federal Single Audit Act of 1984, P.L. 98-502 and the Amendments of 1996, P.L. 104-156. If applicable, the Utility receiving state funds must comply with Connecticut General Statutes § 7-396a, and the State Single Audit Act, §§ 4-230 through 236 inclusive, and regulations promulgated thereunder.

2.19 Requirement for Encroachment Permit

The Utility shall obtain an encroachment permit pursuant to the provisions of

Sections 13a-247 and 13b-17 of the General Statutes and Sections 13b-17-1 through 42 of the Regulations of Connecticut State Agencies prior to placing any Utility Facility within, on, along, over, or under any land compromising the right-of-way of a state highway. Any Utility Facility placed within, on, along, over, or under any land compromising the right-of-way of a state highway without an encroachment permit from the State shall not be eligible for reimbursement and nothing in this Agreement shall obligate the State to reimburse the Utility for the costs associated with the readjustment, relocation, or removal of any such facility. The Utility shall reimburse the State for the costs associated with the readjustment, relocation, or removal of any facility placed within, on, along, over, or under any land compromising the right-of-way of a state highway or any other public highway without an encroachment permit.

2.20 Requirement of Encroachment Agreement for Trunk Line or Transmission Type Facilities

The Utility shall enter into an encroachment agreement with the Commissioner pursuant to the provisions of Section 13a-126c of the General Statutes for any longitudinal use of the right-of-way of a state highway to accommodate trunk line or transmission-type facilities prior to placing any trunk line or transmission-type facility within, on, along, over, or under any land compromising the right-of-way of a state highway. Any trunk line or transmission-type facility placed within, on, along, over, or under any land compromising the right-of-way of a state highway without an encroachment agreement shall not be eligible for reimbursement and nothing in this Agreement shall obligate the State to reimburse the Utility for the costs associated with the readjustment, relocation, or removal of any such facility. The Utility shall reimburse the State for the cost associated with the readjustment, relocation, or removal of any facility place, within, on, along, over, or under any land compromising the right-of-way of a state highway or any other public highway

without an encroachment agreement.

2.21 Indemnification and Hold Harmless

(a) The Utility shall indemnify, defend and hold harmless the State and its officers, representatives, agents, servants, employees, successors and assigns from and against any and all (1) Claims arising, directly or indirectly, in connection with the Agreement, including the acts of commission or omission (collectively, the "Acts") of the Utility or Utility Parties; and (2) liabilities, damages, losses, costs and expenses, including but not limited to, attorneys' and other professionals' fees, arising, directly or indirectly, in connection with Claims, Acts or the Agreement. The Utility shall use counsel reasonably acceptable to the State in carrying out its obligations under this section. The Utility's obligations under this section to indemnify, defend and hold harmless against Claims includes Claims concerning confidentiality of any part of or all of the Utility's bid, proposal or any Records, any intellectual property rights, other proprietary rights of any person or entity, copyrighted or uncopyrighted compositions, secret processes, patented or unpatented inventions, articles or appliances furnished or used in the performance.

(b) The Utility shall not be responsible for indemnifying or holding the State harmless from any liability arising due to the negligence of the State or any other person or entity acting under the direct control or supervision of the State.

(c) The Utility shall reimburse the State for any and all damages to the real or personal property of the State caused by the acts of the Utility or any Utility Parties. The State shall give the Utility reasonable notice of any such Claims.

Formatted: Justified

(d) The Utility's duties under this section shall remain fully in effect and binding in accordance with the terms and conditions of the Agreement, without being lessened or compromised in any way, even where the Utility is alleged or is found to have merely contributed in part to the acts giving rise to the Claims and/or where the State is alleged or is found to have contributed to the Acts giving rise to the Claims.

(e) The Utility shall carry and maintain at all times during the term of the Agreement, and during the time that any provisions survive the term of the Agreement, sufficient general liability insurance to satisfy its obligations under this Agreement. The Utility shall name the State as an additional insured on the policy. The State shall be entitled to recover under the insurance policy even if a body of competent jurisdiction determines that the State or the State of Connecticut is contributorily negligent.

~~(f) The rights provided in this section for the benefit of the State shall encompass the recovery of attorneys' and other professionals' fees expended in pursuing a Claim against a third party.~~

(fg) This section shall survive the termination of the Agreement and shall not be limited by reason of any insurance coverage.

2.22 Sovereign and Governmental Immunity

The Utility shall not use the defense of Sovereign Immunity in the adjustment of claims or in the defense of any suit, including any suit between the State and the Utility, unless requested to do so by the State. If this Agreement is between the State and a Municipality, the Municipality agrees that in the event of an adjustment of claims or in the defense of any suit between the State and the Municipality, the Municipality shall not use the defense of Governmental Immunity.

2.23 Compliance with State and Federal Administrative Requirements

The Utility shall comply with all State and Federal Administrative requirements incorporated herein by reference and attached herewith as Exhibit A, as may be amended from time to time, and all Schedules, as may be amended from time to time, attached herewith, which are also hereby made part of this Agreement.

2.24 Documents Submitted With Cost Estimates

For each Project, the following documents and any documents attached thereto shall be incorporated by reference into this Agreement:

- a. the Project Authorization Letter for P.E.;
- b. the Project Authorization Letter for Construction;
- c. the Authorization to Order Materials Letter;
- d. the Notice to Proceed;
- e. the State's response to any Change in Scope Letter;
- f. the State's response to any Increased Cost Letter; and
- g. documentation of Additional Construction Work.

2.25 Special Provisions Disadvantaged Business Enterprises

The Utility hereby acknowledges and agrees to comply with "Special Provisions, Disadvantaged Business Enterprises As Subcontractors And Material Suppliers Or Manufacturers For Federal Funded Projects Involving Utility Adjustment &

Relocations," dated May 7, 2001, as revised, as set forth in Exhibit A, Schedule 1 (attached herewith and incorporated by reference).

2.26 Insurance

- (a) With respect to the operations that the Utility performs or engages a Prime Contractor to perform, and also those that are performed by subcontractors of the Prime Contractor, in conjunction with the Project, the Utility shall carry, and/or shall require its Prime Contractor (i) to carry and (ii) to impose on its subcontractors the requirement to carry, for the duration of the Project, the insurance requirements set forth in the Form 816 at (i) Section 1.03.07 "Insurance," and (ii) specifically with respect to any working drawings prepared by a designer, Section 1.05.02(2)(a) "Plans, Working Drawings and Shop Drawings". With respect to Section 1.05.02(2)(a), evidence of the Professional Liability Insurance Policy may be submitted on the State's Form "Certificate of Insurance DOC-001."
- (b) With respect to Design/Construction Inspection activities that the Utility performs or engages a Designer/Inspection Consultant to perform, and also those that are performed by any subconsultants of the Designer/Inspection Consultant, in conjunction with the Project, the Utility shall carry, and/or shall require its Designer/Inspection Consultant for the Project (i) to carry and (ii) to impose on its subconsultants the requirement to carry, for the duration of the Project, the insurance requirements set forth in the Form 816 at Section 1.03.07, Items (1), (2), (3), (5), (7), and (8) "Insurance." For the purposes of this subparagraph (b), any reference in the Standard Specifications to "Contractor" and "subcontractor"

hereby refers to the Designer/Inspection Consultant and subconsultant, respectively.

- (c) With respect to the Design/Construction Inspection activities that the Utility performs or engages a Designer/Inspection Consultant to perform, and also those that are performed by any subconsultants of the Design/Inspection Consultant, in conjunction with the Project, the Utility shall carry, and/or shall require its Design/Inspection Consultant (i) to carry and (ii) to impose on its subconsultants the requirement to carry, for the duration of the Project, a Professional Liability Insurance policy for errors and omissions in the minimum amount of Two Million Dollars (\$2,000,000), which policy may contain a maximum Two Hundred and Fifty Thousand Dollars (\$250,000) deductible clause, provided that the policy holder shall be liable to the extent of at least the deductible amount. The Professional Liability Insurance coverage shall continue for a period of three (3) years from the date of acceptance of the Project by the State, subject to the continued commercial availability of such insurance. The Professional Liability Insurance Policy must include pollution and environmental impairment coverage as part thereof, if such insurance is applicable to the work performed as part of the Design/Inspection Activities in conjunction with the Project.
- (d) With respect to the operations that the Utility performs or engages a Design/Inspection Consultant to perform, and also those that are performed by subconsultants thereof, in conjunction with the Project, the Utility shall carry, and/or shall require its Design/Inspection Consultant (i) to carry and (ii) to impose on its subconsultants, the requirement to carry, for the duration of the Project, a Valuable Papers Insurance Policy until the work has been completed

Formatted: Justified

and accepted by the State. Said policy will assure the State that all records, papers, maps, statistics, survey notes and other data shall be reestablished, recreated, or restored if made unavailable by fire, theft, flood, or other cause. This policy shall provide coverage in the amount of Fifty Thousand Dollars (\$50,000) regardless of the physical location of the insured items.

- (e) Said coverages must be provided by an insurance company or companies satisfactory to the State, except that, with respect to work performed directly and exclusively by the Utility, the Utility may request that the State accept coverage provided under a self insurance program. If requested by the State, the Utility must provide evidence of its status as a self-insured entity and describe its financial condition, the self-insured funding mechanism and the specific process on how to file a claim against the self insurance program. If such self-insurance coverage with respect to any insurance required herein is acceptable to the State, in its sole discretion, then the Utility shall assume any and all claims as a self-insured entity, and the respective insurance requirements stated herein will not be applicable.
- (f) The Utility shall produce, within five (5) business days, a copy or copies of all applicable insurance policies when requested by the State. -In providing said policies, the Utility may redact provisions of the policy that are deemed by the insurer to be proprietary. This provision shall survive the suspension, expiration or termination of this Agreement. The Utility shall insert this required provision into its contracts or agreements with its Prime Contractor and/or Design/Inspection Consultant, if applicable, and shall require its Prime Contractor and/or Design/Inspection Consultant to insert this required provision

into its (their) contracts or agreements with its (their) subcontractors and/or subconsultants.

2.27 Maximum Fees for Architects, Engineers and Consultants (Federal Funds)

When any phase of the Project is federally funded, the Utility hereby acknowledges and agrees to comply with the guidelines ~~specified~~ stipulated in “Policy No. F&A-30, dated ~~April~~ July 23-12, 2006 15; Subject: Maximum Fees for Architects, Engineers and Consultants”, as set forth in Exhibit A, Schedule 2 (attached herewith and incorporated by reference). ~~The Office of Policy and Management’s General Letter No. 97-1, dated November 21, 1996~~ Policy No. EX.O. -33, dated June 25, 2015, as set forth in Exhibit A, Schedule 3 (attached herewith and incorporated by reference) and the guidelines stipulated therein are to be utilized, when applicable, in accordance with this Policy Statement.

The Utility shall submit to the State for review and approval, any proposed Agreement between the Utility and a consultant prior to its execution. ~~No~~ No reimbursable costs may be incurred on the consultant agreements prior to the State’s written approval.

The Utility shall ensure that all Parties are in compliance with the audit requirements set forth in ~~Title 48, Section 31 of the Code of Federal Regulations (CFR) and Title 23, Section 172 CFR~~ Title 23, Section 172 CFR, as revised, when retaining consultants.

2.28 Office of Policy and Management’s Letter 97-1 Policy No. EX.O. -33 (100% State Funds)

Formatted: Font color: Black

When all phases of the Project are one hundred percent (100%) state funded, the Utility hereby acknowledges and agrees to comply with the guidelines stipulated in ~~the Office of Policy and Management's General Letter No. 97-1, dated November 21, 1996, which~~ No. EX.O. -33, dated June 25, 2015, which is incorporated by reference, when architects, engineers, and/or consultants are retained.

Section 3: State

3.01 Payment for Increased Costs

The State's obligation to pay the cost increase shall be subject to final audit as set forth in Subsections 2.16, 2.18 and 3.04 of this Agreement.

3.02 Partial Payments

Upon the Utility's request for partial payments made on the proper form, the State may make partial payments to the Utility of ninety-seven and one half percent (97.5%) of the State's equitable share of the approved cost for all authorized actual incurred charges.

- (a) The Utility's final bill to the State for the State's equitable share of all preliminary engineering costs incurred by the Utility, shall be submitted to the State within six (6) months of the date of the Administrator's written authorization to the Utility to incur charges; time being of the essence.
- (b) The Utility's final bill to the State for the State's equitable share of all authorized construction costs incurred, shall be submitted to the State within a period of six (6) months after completion of the Utility's construction activities, time being of the essence.

3.03 State's Equitable Share

The State's equitable share of the cost of the Installations and Adjustments of the Utility, as herein provided and approved by the State, shall be in conformance with the provisions of the applicable Connecticut General Statutes, as revised.

3.04 No Prohibition on Additional Funding

Nothing in this Agreement shall preclude the State from requesting reimbursement from the Federal Highway Administration for a portion or all of its share of the cost of the Utility Installations and Adjustments, as provided for in this Agreement, in accordance with the provisions of Title 23, Code of Federal Regulations, Part 645; Subpart A, dated April 1, 2007, and subsequent supplements or amendments. The records and accounts of the Utility shall be made available in the Utility's office for audit, upon request, by authorized representatives of the State and/or the United States Department of Transportation. Nothing in this Agreement shall preclude the State from requesting funding from any other federal agency, municipality or any other funding source.

Section 4: State and Utility

4.01 Additional Construction Work Pursuant to Connecticut General Statutes Section 13a-98

- (a) Upon request of the Utility, the State may include Additional Construction Work in a Project. The Utility agrees to accept ownership of and maintain as part of its overall system, all Additional Construction Work herein provided for, immediately upon completion of the Additional Construction Work or at such time as notified by the State.

(b) Upon demand by the State, following the advertising of a Project, the Utility shall deposit with the State, a certified check, drawn on the account of the Utility, payable to the "State Treasurer, State of Connecticut," in the amount of the estimate for the Additional Construction Work for each Project. After final audit for the Project in the event the actual cost of Additional Construction Work is more than the amount of the Utility's deposit, the Utility shall pay the difference to the State. In the event the actual cost of Additional Construction Work is less than the amount of deposit, the State shall pay the difference to the Utility. No interest shall be payable or due on the difference between the amount deposited and the final audited amount. In the event the construction of a certain Project is cancelled, all monies deposited by the Utility for said Additional Construction Work shall be returned to the Utility with no interest within ninety (90) days after receipt of notice of cancellation of the Project by the Department of Transportation's Office of Financial Management and Support or its successors, unless the State notifies the Utility in writing stating otherwise.

4.02 Incorporation of Utility Installations and Adjustments into Project

When requested to do so by the Utility, required Installations and Adjustments may be included in any Project contract for highway improvements whenever the Administrator considers it to be in the best interest of the State. If it is determined that a demand deposit is required from the Utility, it shall be accomplished as in Subsection 4.01 of this Agreement.

4.03 Audit

Final payment costs associated with each of the activities of preliminary engineering, test borings or test pits, and construction shall be made for actual authorized cost incurred, after final audit and after all exceptions have been resolved.

4.04 Jurisdiction and Forum

The parties deem the Agreement to have been made in the City of Hartford, State of Connecticut. Both parties agree that it is fair and reasonable for the validity and construction of the Agreement to be, and it shall be, governed by the laws and court decisions of the State of Connecticut, without giving effect to its principles of conflicts of laws. To the extent that any immunities provided by Federal law or the laws of the State of Connecticut do not bar an action against the State, and to the extent that these courts are courts of competent jurisdiction, for the purpose of venue, the complaint shall be made returnable to the Judicial District of Hartford only or shall be brought in the United States District Court for the District of Connecticut only, and shall not be transferred to any other court, provided, however, that nothing here constitutes a waiver or compromise of the sovereign immunity of the State of Connecticut. The Utility waives any objection which it may now have or will have to the laying of venue of any Claims in any forum and further irrevocably submits to such jurisdiction in any suit, action or proceeding.

4.05 Litigation

The Utility agrees that the sole and exclusive means for the presentation of any claim against the State arising from or in connection with this Agreement shall be in accordance with Chapter 53 of the Connecticut General Statutes (Claims against the

Formatted: Justified

State) and the Utility further agrees not to initiate legal proceedings in any State or Federal Court in addition to, or in lieu of, said Chapter 53 proceedings.

4.06 Preconditions to Commence Work and Reimbursement by State

This Agreement itself is not an authorization for the Utility to provide goods or begin performance in any way. The Utility may provide goods only after receiving (a) a Project Authorization Letter for Construction; and (b) an Authorization to Order Materials Letter. The Utility may begin performance only after receiving (a) a Project Authorization Letter for Construction; (b) an Authorization to Order Materials Letter; (c) a Purchase Order issued by the State against this Agreement; and (d) a Notice to Proceed as set forth in Subsection 2.09 of this Agreement. The State shall issue a Purchase Order against this directly to the Utility and to no other person.

Any work performed in a state highway right of way shall require an encroachment permit. If the Installation and Adjustment or Additional Construction Work concerns a trunk line or transmission type facility in a state highway right of way, the Utility shall enter into an encroachment agreement with the State. A Utility providing goods or commencing work without the requisite items listed in this Subsection does so at the Utility's own risk.

4.07 No Third Party Beneficiaries

No person shall be deemed to be a third party beneficiary to this Agreement.

4.08 Term

This Agreement shall have a term of ten (10) years from the effective date of this Agreement. No amendment to this Agreement shall be valid unless mutually agreed upon by both Parties in writing and approved, as to form, by the Attorney General of the State of Connecticut.

- (a) The State and the Utility reserve the right to terminate or propose to revise this Agreement in whole or part at any time by fifteen (15) days advance notice, in writing, to the other party. The termination of this Agreement by the Utility shall not relieve the Utility from its obligation to remove a Utility Facility from a State highway upon written notice from the State that the Utility Facility conflicts with a Project.
- (b) The State, upon written notice, may, in its sole discretion, suspend, postpone, or terminate this Agreement, and such action shall in no event be deemed a breach of contract. Any such action may be taken by the State for its own convenience and shall not be deemed a breach of this Agreement.
- (c) Any such suspension, postponement or termination shall be affected by delivery to the Utility of a written notice specifying the extent to which performance of work under the Agreement is being suspended or postponed or that the Agreement is being terminated, and the date upon which such action shall be effective.
- (d) If the State terminates the Agreement, the State shall reimburse the Utility for items or work completed prior to the effective date of termination, or as may be agreed by the Parties for items of work partially completed.
- (e) When the volume of work completed, as of the termination date, is not sufficient to reimburse the Utility under contract unit prices for its related expenses, the State may consider reimbursing the Utility for

such expenses.

- (f) Materials obtained by the Utility or its contractor for the Project that have been inspected, tested as required, and accepted by the State, and that have not been incorporated into the physical Project, shall, at the option of the Utility, be purchased from the contractor at actual cost as shown by receipted bills and the State shall reimburse the Utility for same. To this cost shall be added all actual costs for delivery at such points of delivery as may be designated by the State, as shown by actual cost records.
- (g) The Utility shall make payment to the State for the original costs of materials obtained by the State or its contractor for the Project that have been purchased by the Utility less an allowable handling fee and take possession of these materials in the event the Project is cancelled or the Agreement is terminated without any fault of the Utility.
- (h) Termination of this Agreement shall not relieve the Utility or its contractor of its responsibilities for the completed work, nor shall it relieve the contractor, its surety or the Utility of its obligations concerning any claims arising out of the work performed or any obligations existing under bonds or insurance required by the Connecticut General Statutes or by this or any other agreement with the State or the Utility.

4.09 Official Notice

4.10 Agent for Service of Process

~~In the event that the Utility is a nonresident person, partnership or voluntary association, the Utility agrees that the Secretary of the State, (including any successor thereto) is hereby appointed by the Utility as its agent for service of process for any action arising out of or as a result of this Agreement, and such appointment shall survive the expiration or termination of this Agreement.~~

~~The Utility agrees that the Secretary of the State of the State of Connecticut,~~

(including any successor thereto) is hereby appointed by the Utility as its agent for service of process for any action arising out of or as a result of this Agreement, such appointment to be in effect throughout the life of this Agreement, including any supplements thereto and all renewals thereof, if any, and seven (7) years thereafter, except as otherwise provided by statute.

4.11 Sovereign Immunity

The parties acknowledge and agree that nothing in the Agreement shall be construed as a modification, compromise or waiver by the State of any rights or defenses of any immunities provided by Federal law or the laws of the State of Connecticut to the State or any of its officers and employees, which they may have had, now have or will have with respect to all matters arising out of the Agreement. To the extent that this section conflicts with any other section, this section shall govern.

EXHIBIT A
and Schedules 1 Through 8
MANDATORY STATE AND FEDERAL ADMINISTRATIVE REQUIREMENTS

The following clause does not apply to Governmental Subdivisions:

1. Non-discrimination

References in this section to "contract" shall mean this Agreement and references to "contractor" shall mean the Utility.

(a) For purposes of this Section, the following terms are defined as follows:

- i. "Commission" means the Commission on Human Rights and Opportunities;
- ii. "Contract" and "contract" include any extension or modification of the Contract or contract;

- iii. "Contractor" and "contractor" include any successors or assigns of the Contractor or contractor;
- iv. "gender identity or expression" means a person's gender-related identity, appearance or behavior, whether or not that gender-related identity, appearance or behavior is different from that traditionally associated with the person's physiology or assigned sex at birth, which gender-related identity can be shown by providing evidence including, but not limited to, medical history, care or treatment of the gender-related identity, consistent and uniform assertion of the gender-related identity or any other evidence that the gender-related identity is sincerely held, part of a person's core identity or not being asserted for an improper purpose.
- v. "good faith" means that degree of diligence which a reasonable person would exercise in the performance of legal duties and obligations;
- vi. "good faith efforts" shall include, but not be limited to, those reasonable initial efforts necessary to comply with statutory or regulatory requirements and additional or substituted efforts when it is determined that such initial efforts will not be sufficient to comply with such requirements;
- vii. "marital status" means being single, married as recognized by the state of Connecticut, widowed, separated or divorced;
- viii. "mental disability" means one or more mental disorders, as defined in the most recent edition of the American Psychiatric Association's "Diagnostic and Statistical Manual of Mental Disorders", or a record of or regarding a person as having one or more such disorders;
- ix. "minority business enterprise" means any small contractor or supplier of materials fifty-one percent or more of the capital stock, if any, or assets of which is owned by a person or persons: (1) who are active in the daily affairs of the enterprise, (2) who have the power to direct the management and policies of the enterprise, and (3) who are members of a minority, as such term is defined in subsection (a) of Connecticut General Statutes § 32-9n; and
- x. "public works contract" means any agreement between any individual, firm or corporation and the State or any political subdivision of the State other than a municipality for construction, rehabilitation, conversion, extension, demolition or repair of a public building, highway or other changes or improvements in real property, or which is financed in whole or in part by the State, including, but not limited to, matching expenditures, grants, loans, insurance or guarantees.

For purposes of this Section, the terms "Contract" and "contract" do not include a contract where each contractor is (1) a political subdivision of the state, including, but not limited to, a municipality, (2) a quasi-public agency, as defined in Conn. Gen. Stat. Section 1-120, (3) any other state, including but not limited to any federally recognized Indian tribal governments, as defined in Conn. Gen. Stat. Section 1-267, (4) the federal government, (5) a foreign government, or (6) an agency of a subdivision, agency, state or government described in the immediately preceding enumerated items (1), (2), (3), (4) or (5).

2. Executive Orders. This Agreement is subject to the provisions of Executive Order No. Three of Governor Thomas J. Meskill, promulgated June 16, 1971, concerning labor employment practices, Executive Order No. Seventeen of Governor Thomas J. Meskill, promulgated February 15, 1973, concerning the listing of employment openings and Executive Order No. Sixteen of Governor John G. Rowland promulgated August 4, 1999, concerning violence in the workplace, all of which are incorporated into and are made a part of the Agreement as if they had been fully set forth in it. The Agreement may also be subject to the applicable parts of Executive Order No. 7C of Governor M. Jodi Rell, promulgated July 13, 2006, concerning contracting reforms and Executive Order No. 14 of Governor M. Jodi Rell, promulgated April 17, 2006, concerning procurement of cleaning products and services, in accordance with their respective terms and conditions. If Executive Orders 7C and 14 are applicable, they are deemed to be incorporated into and are made a part of the Agreement as if they had been fully set forth in it. At the Utility's request, the State shall provide a copy of these orders to the Utility.

2. Executive Orders. This Agreement is subject to the provisions of Executive Order No. Three of Governor Thomas J. Meskill, promulgated June 16, 1971, concerning labor employment practices, Executive Order No. Seventeen of Governor Thomas J. Meskill, promulgated February 15, 1973, concerning the listing of employment openings and Executive Order No. Sixteen of Governor John G. Rowland promulgated August 4, 1999, concerning violence in the workplace, all of which are incorporated into and are made a part of the Agreement as if they had been fully set forth in it. The Agreement may also be subject to Executive Order No. 14 of Governor M. Jodi Rell, promulgated April 17, 2006, concerning procurement of cleaning products and services and to Executive Order 49 of Governor Dannel P. Malloy, promulgated May 22, 2015, mandating disclosure of certain gifts to public employees and contributions to certain candidates for office. If Executive Order No. 14 and/or Executive Order No. 49 are applicable, they are deemed to be incorporated into and are made a part of the Agreement as if they had been fully set forth in it. At the Utility's request, the Department shall provide a copy of these orders to the Utility.

3. The Utility hereby acknowledges and agrees to comply with the policies enumerated in "Connecticut Department of Transportation Policy Statement Policy No. F & A - 10 Subject: Code of Ethics Policy", June 1, 2007, as set forth in Exhibit A, Schedule 4 (attached herewith and incorporated by reference) and all state ethics laws. Pursuant to the requirements of section 1-101qq of the Connecticut General Statutes, the summary of state ethics laws developed by the Office of State Ethics pursuant to section 1-81b of the Connecticut General Statutes is set forth in Exhibit A, Schedule 4A (attached herewith and incorporated by reference) as if the summary of state ethics laws had been fully set forth in this Agreement.

4. The Utility shall notify the State in writing when there is a change in its Certificate of Incorporation or a change in the individual(s) in actual charge of the work specified herein. This change shall not relieve the Utility of any responsibility for the accuracy and completeness of all products of the work under this Agreement, including all supplements thereto.

5. The State shall have the right to set-off against amounts otherwise due to the Utility under this Agreement or under any other agreement or arrangement that the Utility has with the State (a) any costs that the State incurs which are due to the Utility's non-compliance with this Agreement and (b) any other amounts that are due and payable from the Utility to the State. Any sum taken in set-off from the Utility shall be deemed to have been paid to the Utility for purposes of the Utility's payment obligations under Connecticut General Statutes Section 49-41c.

6. **The following clause is applicable to those contracts with an aggregate value of Five Million Dollars (\$5,000,000.00) or more.** Whistleblowing. This Agreement may be subject to the provisions of Section 4-61dd of the Connecticut General Statutes. In accordance with this statute, if an officer, employee or appointing authority of the Utility takes or threatens to take any personnel action against any employee of the Utility in retaliation for such employee's disclosure of information to any employee of the contracting state or quasi-public agency or the Auditors of Public Accounts or the Attorney General under the provisions of subsection (a) of such statute, the Utility shall be liable for a civil penalty of not more than five thousand dollars for each offense, up to a maximum of twenty per cent of the value of this Agreement. Each violation shall be a separate and distinct offense and in the case of a continuing violation, each calendar day's continuance of the violation shall be deemed to be a separate and distinct offense. The State may request that the Attorney General bring a civil action in the Superior Court for the Judicial District of Hartford to seek imposition and recovery of such civil penalty. In accordance with subsection (f) of such statute, each large state contractor, as defined in the statute, shall post a notice of the provisions of the statute relating to large state contractors in a conspicuous place which is readily available for viewing by the employees of the Utility.

9. The Utility shall comply with the provisions contained in Section 1-86e of the Connecticut General Statutes, which provides as follows:

Formatted: Space After: 0 pt

Formatted: Justified, Space After: 0 pt

Formatted: Space After: 0 pt

(a) No person hired by the State, as a consultant or independent contractor shall:

(1) Use the authority provided to the person under the contract, or any confidential information acquired in the performance of the contract, to obtain financial gain for the person, an employee of the person or a member of the immediate family of any such person or employee;

(2) Accept another State contract which would impair the independent judgment of the person in the performance of the existing contract; or

(3) Accept anything of value based on an understanding that the actions of the person on behalf of the State would be influenced.

(b) No person shall give anything of value to a person hired by the State as a consultant or independent contractor based on an understanding that the actions of the consultant or independent contractor on behalf of the State would be influenced.

10. That suspended or debarred contractors, consulting engineers, suppliers, materialmen, lessors, or other vendors may not submit proposals for a State contract or subcontract during the period of suspension or debarment regardless of their anticipated status at the time of contract award or commencement of work.

(a) The signature on the Agreement by the Utility shall constitute certification that to the best of its knowledge and belief the Utility or any person associated therewith in the capacity of owner, partner, director, officer, principal investigator, project director, manager, auditor, or any position involving the administration of Federal or State funds:

(i) Is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;

(ii) Has not, within the prescribed statutory time period preceding this Agreement, been convicted of or had a civil judgement rendered against him/her for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a

public transaction, violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

(iii) Is not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (a)(ii) of this certification; and

(iv) Have not, within a five-year period preceding this Agreement, had one or more public transactions (Federal, State or local) terminated for cause or default.

(b) Where the Utility is unable to certify to any of the statements in this certification, such Utility shall attach an explanation to this Agreement.

The Utility agrees to insure that the following certification be included in each subcontract Agreement to which it is a party, and further, to require said certification to be included in any subcontracts, sub-subcontracts and purchase orders:

(i) The prospective subcontractors, sub-subcontractors participants certify, by submission of its/their proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

(ii) Where the prospective subcontractors, sub-subcontractors participants are unable to certify to any of the statements in this certification, such prospective participants shall attach an explanation to this proposal.

11. That as a condition to receiving federal financial assistance under the Contract/Agreement, if any, the Utility shall comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. §§ 2000d - 2000d-7 et seq.), all requirements imposed by the regulations of the United States Department of Transportation (49 CFR Part 21) issued in implementation thereof, and the Title VI Contractor Assurances, as set forth in Exhibit A, Schedule 6 (attached herewith and incorporated by reference).

12. Certification for Federal-Aid Contracts (For contracts exceeding \$100,000):

The Utility certifies, by signing and submitting this Bid, Agreement, Contract, or Proposal, to the best of his/her/its knowledge and belief, that:

(a) No Federal appropriated funds have been paid or will be paid, by or on behalf of the Utility, to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement.

(b) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Utility shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities", as set forth in Exhibit A, Schedule 7 (attached herewith and incorporated by reference), in accordance with its instructions. If applicable, Disclosure Form-LLL shall be completed and submitted with the Bid, Agreement, Contract, and/or Proposal.

This Certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this Certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required Certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

The Utility also agrees by submitting its Bid, Agreement, Contract, or Proposal that it shall require that the language of this Certification be included in all subcontracts, sub-subcontracts which exceed \$100,000 and that all such

subrecipients shall certify and disclose accordingly. These completed Disclosure Forms-LLL, if applicable, shall be mailed to the Connecticut Department of Transportation, P.O. Box 317546, Newington, CT 06131-7546, to the attention of the project manager.

13. This clause applies to the Utility who is or will be responsible for compliance with the terms of the Americans with Disabilities Act of 1990 ("Act") Public Law 101-336, during the term of the Agreement. The Utility represents that it is familiar with the terms of this Act and that it is in compliance with the Act. Failure of the Utility to satisfy this standard as the same applies to performance under this Agreement, either now or during the term of the Agreement as it may be amended, will render the Agreement voidable at the option of the State upon notice to the Utility. The Utility warrants that it will hold the State harmless and indemnify the State from any liability which may be imposed upon the State as a result of any failure of the Utility to be in compliance with this Act, as the same applies to performance under this Agreement.

The following clause does not apply to governmental subdivisions:

14. The Utility hereby acknowledges and agrees to comply with the Connecticut Required Contract/Agreement Provisions entitled "Specific Equal Employment Opportunity Responsibilities", dated March 3, 2009, as may be amended from time to time, as set forth in Exhibit A, Schedule 8 (attached herewith and incorporated by reference).

The following clause applies to governmental subdivisions:

15. When the Utility receives State or Federal funds it shall incorporate the "Connecticut Required Contract/Agreement Provisions, Specific Equal Employment Opportunity Responsibilities" (SEEOR), dated March 3, 2009, as may be amended from time to time, as a material term of any contracts/agreements it enters into with its contractors, consulting engineers or other vendors, and shall require the contractors, consulting engineers or other vendors to include this requirement in any of its subcontracts. The Utility shall also attach a copy of the SEEOR, as part of any contracts/agreements with contractors, consulting engineers or other vendors and require that the contractors, consulting engineers or other vendors attach the SEEOR to its subcontracts.

The following clause does not apply to governmental subdivisions:

16. The State and its agents, including, but not limited to, the Connecticut Auditors of Public Accounts, Attorney General and State's Attorney and their respective agents, may, at reasonable hours, inspect and examine all of the parts of the Utility's and Utility Parties' plants and places of business which, in any way, are related to, or involved in, the performance of this Agreement.

The Utility shall maintain, and shall require each of the Utility Parties to maintain, accurate and complete Records. The Utility shall make all of its and the Utility Parties' Records available at all reasonable hours for audit and inspection by the State and its agents.

The State shall make all requests for any audit or inspection in writing and shall provide the Utility with at least twenty-four (24) hours' notice prior to the requested audit and inspection date. If the State suspects fraud or other abuse, or in the event of an emergency, the State is not obligated to provide any prior notice.

The Utility shall keep and preserve or cause to be kept and preserved all of its and Utility Parties' Records until three (3) years after the latter of (i) final payment under this Agreement, or (ii) the expiration or earlier termination of this Agreement, as the same may be modified for any reason. The State may request an audit or inspection at any time during this period. If any Claim or audit is started before the expiration of this period, the Utility shall retain or cause to be retained all Records until all Claims or audit findings have been resolved.

The Utility shall cooperate fully with the State and its agents in connection with an audit or inspection. Following any audit or inspection, the State may conduct and the Utility shall cooperate with an exit conference.

The Utility shall incorporate this entire Section verbatim into any contract or other agreement that it enters into with any Utility's Parties.
