Re:

Resolution Approving Programs for Connecticut Neighborhood Assistance Act Tax Credit Program – For Referral to ECDE Meeting of May 16, 2024

Required Public Hearing - Neighborhood Assistance Act Program Applications – Full Council Meeting

Dear City Clerk and Honorable Members of the City Council:

OPED requests the City Council's action on the attached resolution approving programs for the 2024 *Connecticut Neighborhood Assistance Act Tax Credit Program*. This item is for referral to the May 16, 2024 meeting of the Economic and Community Development and Environment Committee.

OPED also requests that the Council order a public hearing before the full Council on these 2024 Neighborhood Assistance Act Program Applications.

Truly

For Business Development and NAA Coordinator

CC: Tom Gill, Director Bill Coleman, Deputy Director Vincent Mobilio, Economic Development Associate

ITY CLERK œ 59

A Resolution Approving Programs for the State of Connecticut Neighborhood Assistance Act Tax Credit Program

Whereas, the Connecticut Neighborhood Assistance Act ("NAA") Tax Credit Program, pursuant to Connecticut General Statute §12-630aa et. seq. (the "Statute") provides a tax credit to business firms that make cash investments of at least \$250 (two-hundred-fifty) dollars to certain qualifying community programs conducted by tax exempt or municipal agencies;

Whereas, the cash investments must be made in a community program that is proposed and conducted by a tax exempt or municipal agency and must be approved by both the municipality in which the program is conducted and by the Connecticut Department of Revenue Services ("DRS");

Whereas, the City's Office of Planning and Economic Development ("OPED") is the designated office for overseeing the implementation of the 2024 Neighborhood Assistance Act Tax Credit Program;

Whereas, tax exempt entities and municipal agencies desiring to obtain benefits under the NAA must complete Form NAA-01, Connecticut Neighborhood Assistance Act Program Proposal, Parts I, II, and III and submit the form to OPED, which must then review and present the proposals to the Bridgeport City Council for approval, after which OPED may complete the corresponding Form NAA-01 Part IV for submittal to DRS on or before July 1 of each year;

Whereas, prior to OPED being authorized to submit Form NAA-01 Part IV to DRS, the Bridgeport City Council must vote to approve the programs;

Whereas, the attached list of organizations and programs represents the City's diversity and represents a spectrum of accomplished non-profit organizations pursuing innovative and effective programs;

Whereas, the Bridgeport City Council received this attached list of program proposals as an OPED submittal item on its City Council Agenda of May 6, 2024;

Whereas, the Bridgeport City Council reviewed the list and the OPED submittal at the May 16, 2024 meeting of its Economic and Community Development and Environment Committee;

Whereas, the Bridgeport City Council held a duly noticed public hearing on all program proposals;

Whereas, the Bridgeport City Council finds that these program proposals are worthy of support;

Now therefore be it resolved that the Bridgeport City Council hereby approves the attached list of program proposals and respective organizations for submittal by the City's Office of Planning and Economic Development to the Connecticut Department of Revenue Services pursuant to the requirements of the Neighborhood Assistance Act.

Be it further resolved that the Mayor or the Director of OPED, as may be required by the Connecticut Department of Revenue Services or by the Statute, subject to the final review and approval of the City Attorney's Office as to form and content, is further authorized to execute any and all other documents, and to do any and all other things necessary in furtherance of and consistent with this resolution in the best interests of the City.

- X Other (specify): Youth Development

Description of program:

BBBSCT provides 1:1 mentoring for at-risk children and youth by professionally trained and supported volunteer mentors. Matches meet regularly for enriching activities and build bonds that help participating children reach their highest potential. In our research-based model, mentoring is impactful because our professional staff ensures that mentors, parents and youth have the supports and resources they need. Our programs give children consistent, focused, one-to-one adult attention – helping at-risk kids build connections with trusted adults, resulting in reduced risky behaviors, increased self-confidence and opportunities to thrive.

Need for program:

Children in Bridgeport face significant challenges. Over 86% of all children are eligible for Free or Reduced-Price Lunch, compared to 44% statewide (CT Dept of Ed, 2023). Research shows that lowincome children need more support to achieve at the same level as their more affluent peers. In 2022-23, just 19.6% of Bridgeport students met proficiency on the Smart Balanced English-Language Arts assessment compared to the state average of 48.5%. Only 10.8% of students met proficiency on the Math Assessment, versus the 42.5% rate statewide (Ibid). Big Brothers Big Sisters' mentoring can turn these challenges into opportunities.

Neighborhood area to be served: All of Bridgeport

Plan to implement the program:

BBBSCT works to develop and enhance cross-sector partnerships so that we can receive program referrals from a variety of sources, better understand and respond to the needs of the community and avoid duplication of services. Our staff follows the same action steps with each child, family, and volunteer referred to our program. First, we conduct initial screening of child/family or volunteer and explain requirements. Eligible parties are assigned an Enrollment Coordinator (EC). The EC conducts follow-ups with the families (interviews, assessment of child needs, and goal setting) and volunteers (interview, assessment, background and reference checks, trainings). Based on shared interests and goals, the EC suggests a match. They then hold a meeting between child/family and volunteer to ensure all parties are comfortable. Next, a Case Manager is assigned, collects baseline data, and conducts regular check-ins to provide support, guidance and ensure child safety. Matches meet and engage in enriching activities for 6-10 hours per month.

- Other (specify):

Description of program:

Bridgeport Rescue Mission provides essential services and life-changing recovery programs that meet individuals' and families' physical, emotional, and spiritual needs when experiencing short- or long-term crises. BRMs programs address poverty, homelessness, and substance abuse. These programs equip families to build a solid foundation toward a thriving existence. Once stable, job skills training and help with job placement become the priority goal.

Need for program:

In Bridgeport, CT, a significant portion of the population grapples with substance abuse issues, cascading into cycles of homelessness and despair. Census Data from 2020 revealed that as many as 60% of residents in Bridgeport below the poverty line set by the Federal government, underscoring the urgent need for robust support systems to uplift those battling addiction. Skills, sobriety and increase in income over time create a better community.

Neighborhood area to be served: ______Bridgeport CT.

Plan to implement the program: ______Already in progress.

- Program serving low-income persons;
- Child care services;
- Establishment of a child day care facility;
- Open space acquisition fund; or
- X Other (specify): Supplemental financial literacy and work readiness programs

Description of program:

Junior Achievement (JA) is dedicated to inspiring and preparing young people with the knowledge and skills they need to succeed in a global economy. JA's programs for young people focus on three pathways: financial literacy, work and career readiness, and entrepreneurship. Through relevant and innovative programs taught by volunteer role models, Junior Achievement is the bridge from education to workforce, which ultimately promotes financial stability and economic mobility. Program content is customized to meet local needs while being aligned with state and national academic standards. JA's programs are provided for free to participants.

Need for program:

JA programs are vital for our youth, especially those in under-resourced schools and communities. Bridgeport publishes its student population data as 80.6% low income, 38.2% higher than the state average (as measured by eligibility for free or reduced-price meals); minority school population of 91.1%; and high school graduation rate of 74.2%, 14.7% below state average. Our goal is to help students learn essential skills that will enable their professional and financial success. By developing these skills, JA helps young people believe in themselves and to do the work to build their own successful futures.

Neighborhood area to be served:

The Bridgeport school population in grades K through 12, as well as young adults ages 18-25.

Plan to implement the program:

JA engages volunteers from the business community and community at-large to deliver our curricula while sharing their own career and life experiences with students. Our programs are grade-level appropriate and follow the common core curriculum. Our Program team will conduct community outreach and recruit volunteers; provide training to volunteers and orientations to educators prior to program delivery; coordinate program materials; finalize volunteer schedules; and oversee tracking and evaluation.

- Other (specify):

Description of program:

BNT seeks operating funds to sustain and expand its activities over the next fiscal year, focusing on rebuilding its affordable housing real estate development business and enhancing the capacity of its certified housing counseling business, Empowerment Resource Academy (ERA). The grant will cover essential expenses such as new hire salaries, fund development salaries, marketing, finance and accounting, totaling \$430,750. This funding is critical as BNT's annual philanthropic fundraising of \$650,000 and Annual Benefit \$50,000 net fundraising is insufficient to meet operational needs for the upcoming period.

Need for program:

The grant is vital to bridge a substantial funding gap, as most of BNT fundraising restricts operating cost support to 15-20%. This constraint creates challenges for essential program operations. BNT's restructuring efforts, including hiring a Real Estate Development Manager and additional housing counseling staff, require increased investments to manage its strategic growth effectively. Moreover, new initiatives like the youth financial literacy program with the Bridgeport Public School System and partnerships with major employers and area nonprofits demand additional staffing, technology, marketing, and outreach resources. These investments are crucial for meeting the growing demand for BNT's services in the Bridgeport community.

Neighborhood area to be served:

Based on BNT's reach and initiatives, this funding would benefit all residents of Bridgeport. In 2023, ERA provided regular education and counseling services to 2,700 households, with 52% being Bridgeport heads of households. With this funding, we aim to serve at least 1,750 households in Bridgeport by 12/31/2025 year-end, benefiting approximately 5,000 residents. Additionally, new partnerships with Bridgeport organizations could further expand our impact beyond these projections, potentially reaching even more individuals and families in need of our services.

Plan to implement the program:

The program's staffing will start immediately. With ongoing interviews for the Real Estate Development Manager role and the recent addition of an additional housing counselor, we are well prepared to begin expanding our staff. If fully funded (\$150k), we expect a 25% increase in program capacity in Bridgeport within 2 yrs. These funds will primarily cover new staff salaries, with other funding in progress expected to cover 2024 expenses. Any remaining NAA funds would cover other administrative and marketing needs. This strategic allocation ensures efficient resource management, facilitating sustained program growth and impact.

2024 Connecticut Neighborhood Assistance Act (NAA) Program Proposal Instructions

Complete all items on **Form NAA-01**, 2024 Connecticut Neighborhood Assistance Act (NAA) Program *Proposal*. Incomplete applications will **not** be accepted. For where to direct inquiries, see Additional *Information* below.

Part I - General Information

Enter the name of the tax exempt organization or municipal agency, address, Federal Employer Identification Number, and email address.

Program Title: Assign a unique program title to each program for which your organization is making an application.

Federal Form 990: Attach a copy of the first page of your organization's most recent federal Form 990 or Form 990EZ. If your organization is not required to file either Form 990 or Form 990EZ, attach a copy of the determination letter from the Internal Revenue Service.

Part II - Program Information

Description of Program: Describe the program, including information about how the program will operate, its benefit to the community, how recipients will be selected, and any measures used to determine the program's impact on the community.

Need for Program: Demonstrate a need for this program. For example, provide relevant statistics.

Neighborhood Area to Be Served: Describe the neighborhood or municipality this program will serve.

Plan to implement the program: Describe how the program will operate. Identify other persons or organizations involved in the administration of the program.

Timetable: Indicate the starting and completion dates of the program. The program completion date must not be more than two years from the program start date.

Part III - Financial Information

Each program proposal must include a program budget that includes all sources of funding and all anticipated expenditures. The information provided in the budget may be used during a post-project audit.

Sources of Revenue: The budget must include the requested NAA funding and any other anticipated revenue sources.

NAA Funding Requested: Indicate the total amount your organization is requesting for its program.

This amount may not exceed the total proposed expenditures. Please note that the minimum NAA funding is \$250, with a maximum funding of \$150,000 per organization or agency per year.

Other Funding Sources: Provide a detailed description(s) and the amount(s) of all funding sources.

Proposed Program Expenditures: The budget must include a detailed description and the amount of all direct operating and administrative expenditures. Expenditures must equal or exceed total funding.

Direct Operating Expenses: Expenses include materials, equipment, wages, salaries, tuition fees, sub-contracting services, and any other expenses needed to administer the program.

Part IV - Municipal Information

This part is to be completed by the municipal agency overseeing implementation of the program.

Municipal Liaison: The municipality must designate an individual to serve as a liaison with the Department of Revenue Services (DRS) for all NAA matters.

Post-Project Audit: Any program receiving \$25,000 or more in NAA funding is required to provide a post-project audit, prepared by a certified public accounting firm, to the municipality overseeing the program, no later than three months after the program completion date.

Description of program:

Habitat CFC seeks to build community and to improve lives by partnering with low-income families, community volunteers and donors to build decent and affordable homes. Since 1985, we have dedicated 283 homes helping over 1,143 family members in Fairfield County. We sell homes to families earning typically between 45% and 70% of the area median income and provide a 30-year mortgage with no down payments and with zero interest. Habitat CFC is a construction company with a green focus. We incorporate energy efficient building practices into our construction; 100% of our homes receive Energy Star certification.

Need for program:

Through Habitat homeownership, a family is transitioned from substandard and economically burdened housing into a home that substantially improves their living environment and ensures that the family will no longer spend more than 30% of their income on housing. Green building makes the houses we build more affordable for our homeowners, whose utility bills are lower. Placing children in new homes can have a positive effect on their health by removing them from substandard and potentially unhealthy living conditions. Over half of Bridgeport's homes were built prior to 1950, increasing the likelihood of lead poisoning in old homes.

Neighborhood area to be served:

Habitat CFC covers all of Coastal Fairfield County, but our work has been mainly focused in Bridgeport and largely concentrated in the East End and East Side, although we have built homes throughout the city. We prefer to build in neighborhoods where there are existing Habitat homes or where we can build clusters of Habitat homes to help further strengthen a neighborhood. The neighborhoods in which we build generally have a high percentage of minorities and our homeowners typically match the demographics of the neighborhood. It is clear that a new Habitat home tends to be the seed that begins to turn an entire neighborhood around. Other homeowners begin to improve their properties and neighbors begin to pay attention to what is happening on

Plan to implement the program:

Habitat CFC will build at least 10 decent, affordable homes for hardworking families in 2024. While the pandemic has slowed us down, we are continuing to build and look forward to increasing production as we are able to allow more volunteers on site. In order to reach our goal, we rely on every Habitat CFC department to play its part in making it happen. Our Construction Department keeps the building on schedule. Our Family Services Department works with future homeowner families throughout the process. Our Development Department works to secure funds needed to operate. And our Volunteer Services Department facilitates volunteer opportunities throughout the year.

2023 Connecticut Neighborhood Assistance Act (NAA) Program Proposal Instructions

Complete all items on Form NAA-01, 2023 Connecticut Neighborhood Assistance Act (NAA) Program Proposal. Incomplete applications will not be accepted. For where to direct inquiries, see Additional Information below.

Part I – General Information

Enter the name of the tax exempt organization or municipal agency, address, Federal Employer Identification Number, and email address.

Program Title: Assign a unique program title to each program for which your organization is making an application.

Federal Form 990: Attach a copy of the first page of your organization's most recent federal Form 990 or Form 990EZ. If your organization is not required to file either Form 990 or Form 990EZ, attach a copy of the determination letter from the Internal Revenue Service.

Part II – Program Information

Description of Program: Describe the program, including information about how the program will operate, its benefit to the community, how recipients will be selected, and any measures used to determine the program's impact on the community.

Need for Program: Demonstrate a need for this program. For example, provide relevant statistics.

Neighborhood Area to Be Served: Describe the neighborhood or municipality this program will serve.

Plan to implement the program: Describe how the program will operate. Identify other persons or organizations involved in the administration of the program.

Timetable: Indicate the starting and completion dates of the program. The program completion date must not be more than two years from the program start date.

Part III — Financial Information

Each program proposal must include a program budget that includes all sources of funding and all anticipated expenditures. The information provided in the budget may be used during a post-project audit.

Sources of Revenue: The budget must include the requested NAA funding and any other anticipated revenue sources.

NAA Funding Requested: Indicate the total amount your organization is requesting for its program.

This amount may not exceed the total proposed expenditures. Please note that the minimum NAA funding is \$250, with a maximum funding of \$150,000 per organization or agency per year.

Other Funding Sources: Provide a detailed description(s) and the amount(s) of all funding sources.

Proposed Program Expenditures: The budget must include a detailed description and the amount of all direct operating and administrative expenditures. Expenditures must equal or exceed total funding.

Direct Operating Expenses: Expenses include materials, equipment, wages, salaries, tuition fees, sub-contracting services, and any other expenses needed to administer the program.

Part IV – Municipal Information

This part is to be completed by the municipal agency overseeing implementation of the program.

Municipal Liaison: The municipality must designate an individual to serve as a liaison with the Department of Revenue Services (DRS) for all NAA matters.

Post-Project Audit: Any program receiving \$25,000 or more in NAA funding is required to provide a post-project audit, prepared by a certified public accounting firm, to the municipality overseeing the program, no later than three months after the program completion date.

Additional Information

See the Guide to Connecticut Business Tax Credits available on the DRS website at **portal.ct.gov/DRS**. E-mail any questions to **NAAProgram@ct.gov** or call **860-297-5687**, Monday through Friday, 8:30 a.m. to 4:30 p.m. for more information.

- X Other (specify): Senior Citizens 60 years and older

Description of program:

Financial assistance is requested from the Neighborhood Assistance Act grant program to fund Hall Senior Center which is open Monday through Friday 8:30am to 3pm. Hall Senior Center serves aproximately 50 people daily, offering free continental breakfast and hot lunch daily, daily exercise, recreational and therapeutic activities like yoga and Tai Chi, shopping trips and weekly health assessments monitored by Public Health RN/PhD Linda Strong of Sacred Heart University's College of Nursing students. Hall also offers Caregiver Support for caregivers of seniors.

Need for program:

All of Hall's seniors live on fixed incomes, over 87% of which are of low income status (below 100% of Federal Poverty Level) and cannot afford to prepare nutritious meals each day. They need help accessing community and government benefits. Hall is awarded Title III federal funds that must be matched. This NAA grant would aid in offereing those matching dollars, and the NAA support will help to cover the spending gap.

Neighborhood area to be served:

97% of Hall Senior Centers participants live in Bridgeport's East Side, East End and other Bridgeport neighborhoods.

Plan to implement the program:

Hall Senior Center is open 48 weeks per year and is staffed by a Senior Center Manager. The center is open Monday through Friday 8:30am to 3:00pm. Seniors are offered daily breakfast & lunch. Health and wellness checks such as blood pressure and blood sugar screenings are performed by clinical nurses and nursing students from SHU weekly. Balance classes, yoga, Tai Chi, and recreation are also offered. The programming keeps the older clients cognitively fit and emotionaly healthy,

Description of program:

The Bridgeport YMCA-Ralphola Taylor Community Center YMCA (Bridgeport Y-RTCC), provides a variety of recreational, academic, and youth development programs targeted primarily toward young people living in the East End, East Side, and South End of Bridgeport. In addition to formal programming, the RTCCY serves as a safe haven for youth to enjoy open gym, access to computers, get homework help, or participate with their families in recreation nights and continues to build on existing youth and teens programs emphasizing on STEM, teen internship, teen mentoring, and career exploration.

Need for program:

This will allow us to offer additional services for school age children and to support them in positive youth development activities as well as supporting families in providing care on off days during the school year. We would like to offer field trips to our days off program as a new component as well as having funding to provide outside specialists and programming that brings new exposure and experiences to our youth.

Neighborhood area to be served:

The Bridgeport Y-Ralphola Taylor Community Center serves Bridgeport's East End, East Side, and South End of Bridgeport however we accept all children in the Bridgeport area.

Plan to implement the program:

If we do not receive the requested funding or receive less than the amount requested, the Bridgeport YMCA Ralphola Taylor Community Center will continue to provide services but will monitor the hours in programming. Our staff works to develop excellent relationships with public funders by maintaining the quality of programming. In addition, staff members seek funding and collaboration opportunities in the private sector both to enrich programming and leverage resources.

2024 Connecticut Neighborhood Assistance Act (NAA) Program Proposal Instructions

Complete all items on **Form NAA-01**, 2024 Connecticut Neighborhood Assistance Act (NAA) Program *Proposal.* Incomplete applications will **not** be accepted. For where to direct inquiries, see Additional *Information* below.

Part I – General Information

Enter the name of the tax exempt organization or municipal agency, address, Federal Employer Identification Number, and email address.

Program Title: Assign a unique program title to each program for which your organization is making an application.

Federal Form 990: Attach a copy of the first page of your organization's most recent federal Form 990 or Form 990EZ. If your organization is not required to file either Form 990 or Form 990EZ, attach a copy of the determination letter from the Internal Revenue Service.

Part II – Program Information

Description of Program: Describe the program, including information about how the program will operate, its benefit to the community, how recipients will be selected, and any measures used to determine the program's impact on the community.

Need for Program: Demonstrate a need for this program. For example, provide relevant statistics.

Neighborhood Area to Be Served: Describe the neighborhood or municipality this program will serve.

Plan to implement the program: Describe how the program will operate. Identify other persons or organizations involved in the administration of the program.

Timetable: Indicate the starting and completion dates of the program. The program completion date must not be more than two years from the program start date.

Part III — Financial Information

Each program proposal must include a program budget that includes all sources of funding and all anticipated expenditures. The information provided in the budget may be used during a post-project audit.

Sources of Revenue: The budget must include the requested NAA funding and any other anticipated revenue sources.

NAA Funding Requested: Indicate the total amount your organization is requesting for its program.

This amount may not exceed the total proposed expenditures. Please note that the minimum NAA funding is \$250, with a maximum funding of \$150,000 per organization or agency per year.

Other Funding Sources: Provide a detailed description(s) and the amount(s) of all funding sources.

Proposed Program Expenditures: The budget must include a detailed description and the amount of all direct operating and administrative expenditures. Expenditures must equal or exceed total funding.

Direct Operating Expenses: Expenses include materials, equipment, wages, salaries, tuition fees, sub-contracting services, and any other expenses needed to administer the program.

Part IV - Municipal Information

This part is to be completed by the municipal agency overseeing implementation of the program.

Municipal Liaison: The municipality must designate an individual to serve as a liaison with the Department of Revenue Services (DRS) for all NAA matters.

Post-Project Audit: Any program receiving \$25,000 or more in NAA funding is required to provide a post-project audit, prepared by a certified public accounting firm, to the municipality overseeing the program, no later than three months after the program completion date.

Additional Information

See the Guide to Connecticut Business Tax Credits available on the DRS website at portal.ct.gov/DRS. E-mail any questions to NAAProgram@ct.gov or call 860-297-5687, Monday through Friday, 8:30 a.m. to 4:30 p.m. for more information.

- Job training/education for persons with physical disabilities;
- X Program serving low-income persons;
- X Child care services;
- Establishment of a child day care facility;
- Open space acquisition fund; or
- Other (specify):

Description of program:

As part of the Cardinal Shehan Center's After School & Saturday Program, we will enrich the lives of underserved children in Bridgeport, CT with the following: 1) Computer Program: children will learn how to use Microsoft Office, safe internet navigation, and problem solving skills. 2) Arts Program: children will engage in arts & crafts, drawing, painting, and learn how to express themselves creatively. 3) STEM Program: hands-on projects relating to science, technology, engineering, and math. 4) Cooking Program: teaches culinary arts, nutrition, and safety.

Need for program:

The provision of enriching and educational activities during after school hours when families are at work is critical. Studies show that after school programs can increase academic performance, reduce risky behavior, and provide a safe environment. Providing enrichment opportunities gives youth the chance to learn new skills, unleash their potential, grow confidence, and develop healthy habits as they continue to grow and develop.

Neighborhood area to be served:

The Cardinal Shehan Center is located in The Hollow neighborhood of Bridgeport. This is one of Bridgeport's most impoverished and densely populated neighborhoods. While the Cardinal Shehan Center is located in this neighborhood, and serves many children from the neighborhood, children participate in this program from accross the City of Bridgeport.

Plan to implement the program:

The programs are included in the After School & Saturday Program and are held from September through May from 2:00-5:30pm. We advertise the programs by distributing flyers to schools, through social media, attending community events, and through our already participating families. The Center's Program Directors hire and train the necessary staff to ensure that all needs are being met and outcomes are being achieved.

Timetable:

- Job training/education for unemployed persons aged 50 or over;
- Job training/education for persons with physical disabilities;
- Program serving low-income persons;
- Child care services;
- Establishment of a child day care facility;
- Open space acquisition fund; or
- Other (specify): Neighborhood Assistance; assessment and remediation of brownfields

Description of program:

Technical assistance and project management for the assessment, remediation and redevelopment of contaminated properties/ brownfields in Bridgeport's low income neighborhoods. Collaboration and partnership with the City of Bridgeport government, Neighborhhod Revitalization Zones, other neighborhood groups, and MetroCOG (regional planning agency). Current project priorities include Bridgeport Brass Rdevelopment Planning Project, Cherry Street Lofts Environmental and Infrastructure Project, and Mt Growmore Agricultural Campus- a partnership with the East End NRZ.

Need for program:

Despite nearly three decades on brownfield redevelopment successes, Bridgeport still has numerous properties where current and potential use is affected by real or perceived hazardous waste contamination. Residents and neighborhhod organizations typically lack the background to identify, access and manage the resources that are available to assess and remediate these properties. In addition, many existing funding resources for assessment and remediation do not provide adequate funding for project management.

Neighborhood area to be served:

Primarily, the State-designated Bridgeport Urban Enterprise Zone, with certain other census tracts. Census tracts where these activities may occur include: 702,703,704,705,706,707,708,709,710,711,712,713, 714, 715,716, 717,732,733,735,736,737,738,739,740,741,742,743,744. Bridgeport residents are expected to benefit from these activities, via the removal of certain public health risks and improved economic activity throughout the City and region.

Plan to implement the program:

Ongoing communication with City officials to identify properties where assessment and/or remediation funding has been obtained, but have not been addressed due to lack of local capacity. Manage existing/funded projects while seeking additional resources when needed. Meet with NRZs or other neighborhood groups to identify properties requiring assessment or remediation of known contamination. Inform and engage local constituencies in remediation and redevelopment. Coordinate with MetroCOG, which has consistently competed for and received EPA Assessment Grant Funding.

- Comprehensive college access loan forgiveness (see Conn. Gen. Stat. § 12-635(3)).

60% credit percentage

- Job training/education for unemployed persons aged 50 or over;
- Job training/education for persons with physical disabilities;
- Program serving low-income persons;
- Child care services;
- Establishment of a child day care facility;
- Open space acquisition fund; or
- Other (specify):

Description of program:

Installation of two Smartflowers on Zoo grounds. The 16-by-16-foot Smartflowers model actual sunflowers both in form and function. Using advanced robotics and automation, the unit's 12 "petals" freely track and follow the sun so they're always at an optimal angle. Each day at sunset, the Smartflower automatically folds up and cleans itself using brushes on the back of each panel to remove contaminates like dust or snow. Guests will see renewable energy in motion as two Smartflower solar panel systems harness the sun's energy to generate . sustainable energy for the Zoo.

Need for program:

The two Smartflowers are expected to generate 10,000 kilowatts of electricity annually (approximately 5,000 kilowatts each), enough to generate the majority of the energy needed annually to power the Zoo's carousel and two new electric golf carts. The design and location of the Smartflower, also makes this an educational opportunity for programs and guests walking by with custom branding opportunities for the wrap of the fixture. These smart designs increase the unit's efficiency and enable the system to generate 40 percent more energy than a traditional system.

Neighborhood area to be served: _____

City-wide

Plan to implement the program:

Once funding is complete, the Zoo will begin installation of Smartflower at a seasonally appropriate time. Installation is expected to be complete by December 2025.

Timetable:

Program start date: 12/31/2	024

2024 Connecticut Neighborhood Assistance Act (NAA) Program Proposal Instructions

Complete all items on **Form NAA-01**, 2024 *Connecticut Neighborhood Assistance Act (NAA) Program Proposal*. Incomplete applications will **not** be accepted. For where to direct inquiries, see *Additional Information* below.

Part I – General Information

Enter the name of the tax exempt organization or municipal agency, address, Federal Employer Identification Number, and email address.

Program Title: Assign a unique program title to each program for which your organization is making an application.

Federal Form 990: Attach a copy of the first page of your organization's most recent federal Form 990 or Form 990EZ. If your organization is not required to file either Form 990 or Form 990EZ, attach a copy of the determination letter from the Internal Revenue Service.

Part II – Program Information

Description of Program: Describe the program, including information about how the program will operate, its benefit to the community, how recipients will be selected, and any measures used to determine the program's impact on the community.

Need for Program: Demonstrate a need for this program. For example, provide relevant statistics.

Neighborhood Area to Be Served: Describe the neighborhood or municipality this program will serve.

Plan to implement the program: Describe how the program will operate. Identify other persons or organizations involved in the administration of the program.

Timetable: Indicate the starting and completion dates of the program. The program completion date must not be more than two years from the program start date.

Part III – Financial Information

Each program proposal must include a program budget that includes all sources of funding and all anticipated expenditures. The information provided in the budget may be used during a post-project audit.

Sources of Revenue: The budget must include the requested NAA funding and any other anticipated revenue sources.

NAA Funding Requested: Indicate the total amount your organization is requesting for its program.

This amount may not exceed the total proposed expenditures. Please note that the minimum NAA funding is \$250, with a maximum funding of \$150,000 per organization or agency per year.

Other Funding Sources: Provide a detailed description(s) and the amount(s) of all funding sources.

Proposed Program Expenditures: The budget must include a detailed description and the amount of all direct operating and administrative expenditures. Expenditures must equal or exceed total funding.

Direct Operating Expenses: Expenses include materials, equipment, wages, salaries, tuition fees, sub-contracting services, and any other expenses needed to administer the program.

Part IV - Municipal Information

This part is to be completed by the municipal agency overseeing implementation of the program.

Municipal Liaison: The municipality must designate an individual to serve as a liaison with the Department of Revenue Services (DRS) for all NAA matters.

Post-Project Audit: Any program receiving \$25,000 or more in NAA funding is required to provide a post-project audit, prepared by a certified public accounting firm, to the municipality overseeing the program, no later than three months after the program completion date.

Additional Information

See the Guide to Connecticut Business Tax Credits available on the DRS website at portal.ct.gov/DRS. E-mail any questions to NAAProgram@ct.gov or call 860-297-5687, Monday through Friday, 8:30 a.m. to 4:30 p.m. for more information.

Description of program:

The Neighborhood Assistance Act Grant Proposal aims to implement a comprehensive Window Replacement and Weatherization Project. With a total of 141 windows, after almost 30 years, they have exceeded their expected lifespan, the urgency of this project cannot be overstated. These windows, installed decades ago, struggle to insulate our facility against the harsh elements, resulting in energy inefficiency and discomfort for our patrons and staff alike.

By replacing these aging windows with modern, energy-efficient alternatives, we seek to achieve several critical objectives: Energy Efficiency, Cost Savings, Environmental Impact, Comfort and Safety, Preservation of .

Need for program:

The Window Replacement and Weatherization Project holds paramount importance for our community. With our center's building dating back to 1903, its 141 windows, nearly 30 years old, are in dire need of replacement .This endeavor addresses critical issues of energy inefficiency, comfort, and safety, vital for both patrons and staff. By installing modern, energy-efficient windows, we aim to significantly reduce energy consumption, resulting in substantial cost savings and environmental benefits. Moreover, the project preserves our heritage by maintaining the architectural integrity of our historic building while enhancing its functionality for future generations.

Neighborhood area to be served:

Burroughs is dedicated to supporting individuals and families in the Bridgeport area. Leveraging partnerships with over 80 organizations and offering direct programming, we annually reach over 30,000 active participants. Our focus is on those encountering substantial barriers to success, including economic, language, technological, and systemic inequalities.

Plan to implement the program:

This effort is part of the Burroughs strategic plan to address needed upgrades, replace end of life equipment and improve energy conservation. Following a number of completed efforts preparing Burroughs to be successful in the next 30 years, this proposal is a critical step of the plan to improve the buildings energy efficiency by eliminating drafts, lowering HVAC costs and reduce our carbon footprint. Burroughs is prepared to begin the contractor biding process this summer and begin the work immediatemy. This effot is expected to be completed before the end of calendar year 2025.

- Job training/education for persons with physical disabilities;
- Program serving low-income persons;
- Child care services;
- Establishment of a child day care facility;
- Open space acquisition fund; or
- X Other (specify): After-School Youth Program for Bridgeport Students

Description of program:

The Urban Fellows program trains highschool students from Bridgeport on ways to improve Bridgeport's physical environment and create vibrant public spaces. The year round program teaches them about landscape design, horticulture, and creative placemaking with the aim of preparing the students to be the future stewards of the environment in which they live.

Need for program:

This program fills an opportunity gap for Bridgeport high-school students to participate in educational after-school and summer activities. Additionally, this program seeks to address the issues of blight that plague parts of the city as a result of a lack of funding to provide the stewardship needed for sites across the city. The city still suffers from a negative perception which results in a hesitant for outsiders to invest and the goal of this program is to help with addressing this negative perception by improving the physical environment.

Neighborhood area to be served: _____ Bridgeport

Plan to implement the program:

We run the program year-round meeting with students after-school during the school year from 3:30 to 6. The goal of the program will be to work with residents, businesses, community organizations and the city to identify sites that the students will design during the studio and then implement after review by the various stakeholders.

Descriptio	n of program:

The Boys Club and Girls Club of Bridgeport is a 501C3 non-profit agency that has been in existence since 1893. Our mission is to provide a safe, educational, and recreational environment for the children and youth of the East Side of Bridgeport. The club is in need of new windows and an air conditioning system.

Need for program:

The club needs to reduce the cost of heating by installing energy efficient windows. The club also needs to install an energy efficient air conditioning system to support the children in our daycare program. We currently use inefficient fans that do not cool the rooms adequately. A proper system will allow us to keep the appropriate climatic temperature for the children in the building

Neighborhood area to be served: _____ East Side of Bridgeport

Plan to implement the program:

K5- 12, 200-child After School & Child Care Program. We are renovating the facility to meet building requirements. We have begun the permitting process and have submitted room layouts and specifications to the building department in Bridgeport, CT for their review and approval - Q223. We will replace doors, windows, implement a security and fire alarm system, outside fencing, new elevator and build out rooms to accommodate classes. We are currently going through the Child Care Center licensing process with the Department of Early Childhood Education. GO LIVE Q423

- Other (specify):

Description of program:

Our project proposes three phases of growth that will allow us to become a greater pillar of the community and serve up to 200 children and youth ages 3 to 18. With the focus on cultivating safety, unity, education and generational growth. This project will expand our After School Program and Early Childhood Development capacity and add three areas of support for the community; 1) provide additional children and youth of the East Side of Bridgeport a safe place from 7:00 am to 6:00 pm, 2) provide additional programs, that enhance academic and life opportunities and 3) expanded child care options in Bridgeport by adding a child care center for families with children 3-5 years old who are needing educational care and stability for employment.

Need for program:

According to the State of the Child 2019 report by the Bridgeport Child Advocacy Coalition; For the 5,470 Bridgeport children ages 3-5 in 2018, there were 68 nursery school capacity slots to serve them, with one vacancy. Our project will expand the need for additional 3-5 year old care by 200 slots. The report also stated that Math and English Language Arts/Literacy test results for Bridgeport schools show on average 55% of students do not meet the achievement level tested for, compared to 25% statewide. And 72.5% of children ages 6-17 lived in families in which both parents were in the labor force, leaving the gap from 3-6 pm to be unsupervised at times. Violent Crime on East Side is 3x to 5x grater than state and national average.

Neighborhood area to be served: ______East Side of Bridgeport

Plan to implement the program:

K5– 12, 200-child After School & Child Care Program. We are renovating the facility to meet building requirements. We have begun the permitting process and have submitted room layouts and specifications to the building department in Bridgeport, CT for their review and approval - Q223. We will replace doors, windows, implement a security and fire alarm system, outside fencing, new elevator and build out rooms to accommodate classes. We are currently going through the Child Care Center licensing process with the Department of Early Childhood Education. GO LIVE Q423

Description of program:

BPEF functions as a unique organization focused on collegiate credentials for graduates of Bridgeport Public Schools. The purpose of this program is to provide pre-collegiate and collegiate education programs for up to 100 local residents of the University of Bridgeport, so that they may eventually be more prepared for employment in this region.

Need for program:

There is a growing disconnect between a diverse local population and the education and workforce opportunities in the region. Working in partnership with the University of Bridgeport, we hope to secure scholarships to support Bridgeport Public School graduates in focused progrmas at the University. Many of our students elect to stay home for college, and the proximity and mission of the University of Bridgeport provides critical opportunities for success for these graduates.

Description of program:

The Mentoring for Academic Achievement and College/Career Success (MAACS) is a high school mentoring and tutoring program. MAACS is dedicated to postivle youth development by supporting Bridgeport Public high school students with academic/social/emotional success and post-secondary planning. MAACS mentors and tutors, who are college students themselves, meet one-on-one with referred high school students on a weekly basis. Matches meet for approximately 24 weeks of the school calendar year. The mentor-mentee and/or tutor/student matches must establish short, intermediate, and long-term goals as the relationship progresses.

Need for program:

The BPEF is dedicated to assisting students in the Bridgeport Public high schools to successfully graduate from high school, pursue a post-secondary education, and complete post-secondary education. The Bridgeport - Public Schools district continues to experience fluctuating graduation rates, low standardized test scores and low college-attendace rates for its' graduates. Our mission and intent remains that same. We know that a student must first succeed in high school before transitioning to a post-secondary institution or any branch of the armed services. Additionally, the BPS has seen the needs of students increase to include english language learners, truancy/absenteeism, and mental health. The BPEF is aligning resources to better assist students.

Neighborhood area to be served:

trict are served by the MAACS program. These schools include Bassick, Bpt. Military Academy, Central, and Fairchild Wheeler STEM academies (3). The locale of all schools encompasses a broad swath of the Bridgeport community.

Plan to implement the program:

Mentor, tutor and high school student recruitment begins on the college campuses and high schools in late August and throughout September. The students who are accepted as mentors and tutors will attend a mandatory four hour virtual orientation session. The high school students must submit a signed application and class schdule once they are approved for the MAACS program. Once the mentors and tutors have completed their required training and background checks, the formal process of mentoring and tutoring begins. Due to the fluid school structure, we anticipate mentoring and tutoring for a minimum of 12 weeks in both the fall and spring semesters.

Description of program: The Smilow-Burroughs Clubhouse is dedicated to fostering a sustainable environment while prioritizing long-term cost efficiency. With a bustling 23,000 square foot facility hosting year-round activities, including sports leagues, After School Program, Summer Camp, and various community-focused initiatives, our commitment to energy efficiency remains steadfast.

Need for program: The Smilow-Burroughs Clubhouse gymnasium has 20 large single-pane windows dating back to the Clubhouse's construction in 2011. These windows require immediate attention to enhance insulation and mitigate heating and air conditioning expenses. To address this, we propose the installation of energy-efficient, motorized window coverings to provide insulation and regulate indoor temperatures effectively. The windows measure 14 feet from the bottom of the window to the gym floor therefore, motorized coverings are required for safety and efficiency of moving the shades open and closed as needed.

In addition, we aim to replace the Clubhouse's three original water coolers with modern water bottle filling machines. This initiative not only reduces waste by encouraging the use of reusable water bottles but also aligns with our environmental stewardship goals. By promoting sustainable practices among Club participants, we aim to foster a culture of conservation and responsibility towards our planet.

Neighborhood area to be served: Smilow-Burroughs Clubhouse is located in the West End of Bridgeport. After school and during the summer, The Club provides over 500 K-12th grade youth in the community with the opportunity to participate in impactful educational and enrichment programs that support long-term academic success, including successful high school graduation with a plan for college and career. No one is turned away regardless of their ability to pay.

Plan to implement the program: The project will begin as soon as Wakeman Boys & Girls Club receives notification of funding support through the Neighborhood Assistance Act program

2024 Connecticut Neighborhood Assistance Act (NAA) Program Proposal Instructions

Complete all items on **Form NAA-01**, 2024 Connecticut Neighborhood Assistance Act (NAA) Program Proposal. Incomplete applications will **not** be accepted. For where to direct inquiries, see Additional Information below.

Part I — General Information

Enter the name of the tax exempt organization or municipal agency, address, Federal Employer Identification Number, and email address.

Program Title: Assign a unique program title to each program for which your organization is making an application.

Federal Form 990: Attach a copy of the first page of your organization's most recent federal Form 990 or Form 990EZ. If your organization is not required to file either Form 990 or Form 990EZ, attach a copy of the determination letter from the Internal Revenue Service.

Part II — Program Information

Description of Program: Describe the program, including information about how the program will operate, its benefit to the community, how recipients will be selected, and any measures used to determine the program's impact on the community.

Need for Program: Demonstrate a need for this program. For example, provide relevant statistics.

Neighborhood Area to Be Served: Describe the neighborhood or municipality this program will serve.

Plan to implement the program: Describe how the program will operate. Identify other persons or organizations involved in the administration of the program.

Timetable: Indicate the starting and completion dates of the program. The program completion date must not be more than two years from the program start date.

Part III — Financial Information

Each program proposal must include a program budget that includes all sources of funding and all anticipated expenditures. The information provided in the budget may be used during a post-project audit.

Sources of Revenue: The budget must include the requested NAA funding and any other anticipated revenue sources.

NAA Funding Requested: Indicate the total amount your organization is requesting for its program.

This amount may not exceed the total proposed expenditures. Please note that the minimum NAA funding is \$250, with a maximum funding of \$150,000 per organization or agency per year.

Other Funding Sources: Provide a detailed description(s) and the amount(s) of all funding sources.

Proposed Program Expenditures: The budget must include a detailed description and the amount of all direct operating and administrative expenditures. Expenditures must equal or exceed total funding.

Direct Operating Expenses: Expenses include materials, equipment, wages, salaries, tuition fees, sub-contracting services, and any other expenses needed to administer the program.

Part IV — Municipal Information

This part is to be completed by the municipal agency overseeing implementation of the program.

Municipal Liaison: The municipality must designate an individual to serve as a liaison with the Department of Revenue Services (DRS) for all NAA matters.

Post-Project Audit: Any program receiving \$25,000 or more in NAA funding is required to provide a post-project audit, prepared by a certified public accounting firm, to the municipality overseeing the program, no later than three months after the program completion date.

Additional Information

See the Guide to Connecticut Business Tax Credits available on the DRS website at portal.ct.gov/DRS. Email any questions to NAAProgram@ct.gov or call 860-297-5687, Monday through Friday, 8:30 a.m. to 4:30 p.m. for more information.

- Other (specify):

Description of program: _

The purpose of this grant is to provide energy construction upgrades to the buildings on the University of Bridgeport campus which are used to support the offices of the BPEF. This, in turn, will assist in saving funds to be redirected to other programmatic needs.

Need for program:

The University of Bridgeport is a 98-year-old institution which is comprised of many older buildings that were built before modern construction programs were in place. Many of the buildings do not meet current energy standards and are expensive to operate.

Neighborhood area to be served:

Bridgeport

Plan to implement the program:

AS funds are received, work will be bid on and commence on UB properties according to the correct job specifications and estimates.

Faith Villegas-Executive Director-Coordination of the programs.

Bryant Harrell, University of Bridgeport-Oversight of work according to job specifications.

Timetable:

Program start date: 12/31/20)24
	MM - DD - YYYY
Program completion date: _1	2/31/2025
	MM - DD - YYYY
Post-project audit due date:	03/31/2026
· oot project	MM - DD - YYYY

The program start date must not be more than two years prior to the program completion date.

Any program receiving \$25,000 or more in NAA funding is required to provide a post-project audit, prepared by a certified public accounting firm, to the municipality overseeing the program, no later than three months after the program completion date.

Dear Taxpayer:

This responds to your request for information about your federal tax status. Our records do not specify your federal tax status. However, the following general information about the tax treatment of state and local governments and affiliated organizations may be of interest to you.

GOVERNMENTAL UNITS

Governmental units, such as States and their political subdivisions, are not generally subject to federal income tax. Political subdivisions of a State are entities with one or more of the sovereign powers of the State such as the power to tax. Typically they include counties or municipalities and their agencies or departments. Charitable contributions to governmental units are tax-deductible under section 170(c)(1) of the Internal Revenue Code if made for a public purpose.

ENTITIES MEETING THE REQUIREMENTS OF SECTION 115(1)

An entity that is not a governmental unit but that performs an essential government function may not be subject to federal income tax, pursuant to Code section 115(1). The income of such entities is excluded from the definition of gross income as long as the income (1) is derived from a public utility or the exercise of an essential government function, and (2) accrues to a State, a political subdivision of a State, or the District of Columbia. Contributions made to entities whose income is excluded income under section 115 may not be tax deductible to contributors.

TAX-EXEMPT CHARITABLE ORGANIZATIONS

An organization affiliated with a State, county, or municipal government may qualify for exemption from federal income tax under section 501(c)(3) of the Code, if (1) it is not an integral part of the government, and (2) it does not have governmental powers inconsistent with exemption (such as the power to tax or to exercise enforcement or regulatory powers). Note that entities may meet the requirements of both sections 501(c)(3) and 115 under certain circumstances. See Revenue Procedure 2003-12, 2003-1 C.B. 316.

Dear Sir/Madam:

This is in response to your request of March 10, 2006, regarding your organization's exemption from Federal income tax.

As a governmental unit or a political subdivision thereof, your organization is not subject to Federal income tax under the provisions of Section 115(1) of the Internal Revenue Code, which states in part:

"Gross income does not include income derived from ... the exercise of any essential governmental function and accruing to a State or any political subdivision thereof ..."

Because your organization is a governmental unit or a political subdivision thereof, its income is not taxable as explained above. Contributions used exclusively for public purposes are deductible under Section 170(c)(1) of the Code.

Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Your organization may obtain a letter ruling on its status under section 115 by following the procedures specified in Rev. Proc. 2004-1 or its successor.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely.

for Janna K. Skufca, Director, TE/GE Customer Account Services Department of Revenue Services State of Connecticut (Rev. 01/24)

Description of program:

BCYL functions as a unique social and economic development organization. The purpose of this program is to provide pre-vocational and vocational education for 100 local residents, so that they may be more prepared for employment in this region.

Need for program:

There is a growing disconnect between a diverse local population and the workforce opportunities in the region. There is a significant need for basic and pre-vocational education to connect the large population of unemployed and unskilled residents to existing jobs and future opportunities in higher education. Our collaborating social service agencies are seeing hundreds of new clients monthly who need the types of training to be funded by this proposal.

Neighborhood area to be served:

Bridgeport Labor Market Area (as described by the CT DOL)

Plan to implement the program:

John Torres, BCYL-Executive Director--Overall management of agency and coordination of the program. University of Bridgeport-Training in vocational areas and ESL.

Part II — Program Information

Check the appropriate description of your program:

100% credit percentage

- _X_ Energy conservation; or
 - Comprehensive college access loan forgiveness (see Conn. Gen. Stat. § 12-635(3)).

60% credit percentage

- Job training/education for unemployed persons aged 50 or over;
- Job training/education for persons with physical disabilities;
- Program serving low-income persons;
- ____ Child care services;
- _____ Establishment of a child day care facility;
- Open space acquisition fund; or
- Other (specify):

Description of program:

The purpose of this grant is to provide energy construction upgrades to the buildings on the University of Brdigeport campus which are used to support the recreation and education programs for BCYL. This, in turn, will assist in saving funds to be redirected to other programmatic needs.

Need for program:

The University of Bridgeport is a 98-year-old institution which is comprised of many older buildings that were built before modern construction programs were in place. Many of the buildings do not meet current energy standards and are expensive to operate.

Neighborhood area to be served:

Bridgeport

Plan to implement the program:

As funds are received, work will be bid on and commence on UB properties according to the appropriate job specifications and estimates.

John Torres, BCYL-Executive Director-Coordination of Caribe Programs

Bryant Harrell, UB-Senior Vice President Facilities, Security and IT-Oversight of work according to job specifications

Part II — Program Information

Check the appropriate description of your program:

100% credit percentage

- _X_ Energy conservation; or
- Comprehensive college access loan forgiveness (see Conn. Gen. Stat. § 12-635(3)).

60% credit percentage

- _____ Job training/education for unemployed persons aged 50 or over;
- _____ Job training/education for persons with physical disabilities;
- Program serving low-income persons;
- _____ Child care services;
- _____ Establishment of a child day care facility;
- Open space acquisition fund; or
- _____ Other (specify): ___

Description of program:

The purpose of this grant application is to purchase and install energy efficient building systems for all of UB's older buildings. The systems include new windows, new insulated roof, new insulation, new HVAC and boiler systems. In addition, funding can be used to promote energy effectiveness and construction as model projects to interested partners to support these effors in other places in the State of Connecticut.

Need for program:

The current building budgets do not include funds to provide higher energy efficiencies. These enhancements will save the institution money throughout the life of the buildings.

Neighborhood area to be served: _______Bridgeport

Plan to implement the program:

Elena Cahill, VP of Innovation, Strategy and Advancement-Overall administration of the grant including matching all funds received to specific project requests as envisioned on this project. Bryant Harrell, VP for Physical Facilities, IT and Security-Oversight of the contract and contractors who will perform the redesign and installation of this project.

Part II — Program Information

Check the appropriate description of your program:

100% credit percentage

- _ Energy conservation; or
 - Comprehensive college access loan forgiveness (see Conn. Gen. Stat. § 12-635(3)).

60% credit percentage

- _____ Job training/education for unemployed persons aged 50 or over;
- _____ Job training/education for persons with physical disabilities;
- X Program serving low-income persons;
- Child care services;
- Establishment of a child day care facility;
- _____ Open space acquisition fund; or
- Other (specify):

Description of program:

The University of Bridgeport seeks to enhance its work as a community centered, workforce focused institution of higher learning. It seeks to provide education and training leading to employment as a foundation for lifelong learning. Most of the UB college students for this program are referred by local community based organizations and are low income students requiring tuition assistance.

Need for program:

The Bridgeport labor market area continues to experience chronic unemployment. At the same time, job training funds in the area have decreased, creating great needs for retraining our unemployed and under-employed workforce.

Neighborhood area to be served:

Bridgeport Area

Plan to implement the program:

University of Bridgeport-Training vocational areas and ESL.

2024 Connecticut Neighborhood Assistance Act (NAA) Program Proposal Instructions

Complete all items on **Form NAA-01**, 2024 Connecticut Neighborhood Assistance Act (NAA) Program *Proposal.* Incomplete applications will **not** be accepted. For where to direct inquiries, see Additional Information below.

Part I – General Information

Enter the name of the tax exempt organization or municipal agency, address, Federal Employer Identification Number, and email address.

Program Title: Assign a unique program title to each program for which your organization is making an application.

Federal Form 990: Attach a copy of the first page of your organization's most recent federal Form 990 or Form 990EZ. If your organization is not required to file either Form 990 or Form 990EZ, attach a copy of the determination letter from the Internal Revenue Service.

Part II – Program Information

Description of Program: Describe the program, including information about how the program will operate, its benefit to the community, how recipients will be selected, and any measures used to determine the program's impact on the community.

Need for Program: Demonstrate a need for this program. For example, provide relevant statistics.

Neighborhood Area to Be Served: Describe the neighborhood or municipality this program will serve.

Plan to implement the program: Describe how the program will operate. Identify other persons or organizations involved in the administration of the program.

Timetable: Indicate the starting and completion dates of the program. The program completion date must not be more than two years from the program start date.

Part III - Financial Information

Each program proposal must include a program budget that includes all sources of funding and all anticipated expenditures. The information provided in the budget may be used during a post-project audit.

Sources of Revenue: The budget must include the requested NAA funding and any other anticipated revenue sources.

NAA Funding Requested: Indicate the total amount your organization is requesting for its program.

This amount may not exceed the total proposed expenditures. Please note that the minimum NAA funding is \$250, with a maximum funding of \$150,000 per organization or agency per year.

Other Funding Sources: Provide a detailed description(s) and the amount(s) of all funding sources.

Proposed Program Expenditures: The budget must include a detailed description and the amount of all direct operating and administrative expenditures. Expenditures must equal or exceed total funding.

Direct Operating Expenses: Expenses include materials, equipment, wages, salaries, tuition fees, sub-contracting services, and any other expenses needed to administer the program.

Part IV - Municipal Information

This part is to be completed by the municipal agency overseeing implementation of the program.

Municipal Liaison: The municipality must designate an individual to serve as a liaison with the Department of Revenue Services (DRS) for all NAA matters.

Post-Project Audit: Any program receiving \$25,000 or more in NAA funding is required to provide a post-project audit, prepared by a certified public accounting firm, to the municipality overseeing the program, no later than three months after the program completion date.

Additional Information

See the Guide to Connecticut Business Tax Credits available on the DRS website at portal.ct.gov/DRS. E-mail any questions to NAAProgram@ct.gov or call 860-297-5687, Monday through Friday, 8:30 a.m. to 4:30 p.m. for more information.

Part II — Program Information

Description of Program:

Mutual Housing Association of Southwestern Connecticut d.b.a. as Connecticut Housing Partners ("MHASWC/CHP") is the largest non-profit affordable housing developer in Connecticut. We have over 33 years of experience developing and managing affordable housing. Our communities include the elderly, families, and the workforce. Our mission is to continue to build and preserve affordable housing communities and to enhance the quality of life for those in need of safe, energy efficient and affordable housing opportunities in Connecticut. We focus on two principal areas:

- 1. Affordable Housing Development and Property Management.
- 2. Preservation and Energy Efficiency Upgrades of Existing Affordable Housing.

The proposed project for 2024 NAA funding will be Energy Conservation and Sustainable Energy Performance Improvements that include: replacement of 16 existing HVAC units with Energy Rated units. These improvements will be implemented at one of MHASWC/CHP's Bridgeport properties known as the Merton House located at 65 Madison Avenue and 152-172 Catherine Street in Bridgeport, CT. The Merton House provides permanent supportive housing for homeless women with children. The two building, 22-unit complex is owned by Connecticut Housing Partners with case management services provided by Catholic Charities of Bridgeport.

Need for Program:

Built in 2010, the Merton House is in Bridgeport's Hollow Neighborhood. It is a 22-unit family, permanent supportive housing mostly comprised of homeless women with children.

2022 Housing Data Profiles for Bridgeport state that households that use electricity spend 4.7% of their income on energy. The above listed energy improvements will have a positive impact on the 33 families living in the units by:

- Reducing living expenses for the families.
- Reducing the need for excessive, unnecessary energy costs.
- Helping create greater household income stability among vulnerable families.
- Helping the environment by reducing carbon footprint and energy consumed.
- Replacing unhealthy, environmentally degraded equipment.

MHASWC/CHP is seeking \$150,000 in investment funds from the Connecticut Neighborhood Assistance Tax Credit Program to support energy efficiency upgrades.

Neighborhood Area to Be Served:

Bridgeport's West End Community

Bridgeport is the largest city in the state with a total population of 148,529. The average median household income is \$54,440 (Census 2022). The poverty rate is 23.2%. The largest Bridgeport racial/ethnic groups are Hispanic (36.2%) followed by White (32.4%) and Black (19.6%). The West End neighborhood borders the Long Island Sound and is bisected by I-95 and the Amtrak/Metro-North rail line.

The harsh reality of housing in Bridgeport is that low-income families are either living in substandard housing or they are on the brink of homelessness. More families have nowhere to turn, and many will become homeless without the services and housing developments that MHASWC/CHP provides.

The proposed upgrades for the Merton House will help to address the need to improve residential energy efficiency. By using proceeds from NAA tax credits, MHASWC/CHP can make these improvements as part of its overall affordable housing conservation and energy efficiency strategy.

Plan to Implement the Program:

MHASWC/CHP's Chief Executive Officer, Renée Dobos, and Vice President of Real Estate, Steve Gulick, who oversee all real estate development activities from concept through to construction, including property acquisition, financial feasibility, obtaining funding, construction management, and property management will oversee the program and ensure the project remains in compliance throughout the entire NAA Tax Credit program period. Steve Gulick will be responsible for replacement, implementation, and commissioning of energy-efficient improvements at each of the 22 units in the project.

Robin Jerrild, MHASWC/CHP's Director of Development, and Kathleen Williams, Director of Public Relations, who together oversee all marketing, public relations, social media, fundraising, grant applications and administration will be responsible for securing a corporate partner or partners for the financing and investment of NAA Tax Credit funds.

Rob Weiss, Chief Financial Officer, will be responsible for any required subsequent reporting to the City of Bridgeport and/or Department of Revenue Services post tax credit distribution and audit.

Having such well-rounded dedicated staff on MHASWC/CHP's team will ensure that the NAA Tax Credit Program will be implemented in a responsible and timely manner as we provide critical energy-efficient upgrades to our affordable housing family community.

- X Other (specify): Patient Access and Intake

Description of program:

The vision of The Child and Family Guidance Center (CFGC) is that all children and families have the emotional well-being and resources needed to succeed in life. We provide children and families with culturally-informed mental health care and complementary supports, regardless of ability to pay. In our nearly 100 year history, 2 things have remained constant - the need for accessible mental health services and champions to advocate for them. Our 125 staff members meet this need for the community. The Child and Family Guidance Center is beginning a major renovation project on the first floor to better serve our clients.

Need for program:

This renovation project addresses four major areas of concern: security, social distancing, privacy, and accessibiliy. The security of our staff, clients and building is our top priority. We will be building a secure accessible entryway, installing a door security buzzer system, updating a security desk that is better positioned to be a first point of entry. To ensure we are up to date with ADA compliance, all doorways will be enlarged, main areas and offices will provide sufficient space to allow for wheelchair access and the check-in counter will have an area at the height of a seated individual. To address privacy, our clinic, check out and waiting rooms will be soundproofed. Additionally, a sit and play area for child clients will be created to better manage anxiety.

Neighborhood area to be served: ______Bridgeport, CT

Plan to implement the program:

In 2023, CFGC secured funding from 6 new corporations/business and foundation, not including new individual donors and grant requests. As part of these new funding sources, CFGC obtained 2 new funding sources for this renovation project. The first was the State of Connecticut Office of Early Childhood's OEC Home Visiting ARPA One TIme Private Provider Grant and the other was from The Connecticut Health and Educational Facilities Authority (CHEFA). We are currently working with Visonary Interiors Architects to plan the redesign for our reception and intake areas so that they are more welcoming to families and provide additional security.

Description of program:

Installation of an elevator and ADA compliant restroom for use by patrons who attend events at The Klein. The project also includes the construction of a conference room and 3 small offices to house staff.

Need for program:

Built in 1940, the Klein has never had an elevator, and now 70,000 patrons attend events at the Klein each vear.

Many patrons prefer seating in the mezzanine, because of its acoustics and sightlines. There is also an art gallery on the mezzanine floor that features exhibits by local artists all year-round. Patrons in wheelchairs are currently unable to enjoy those exhibits. There is now a restroom reserved for wheelchairs in the Klein lobby, but it was not designed specifically for wheelchairs, and the new one would provide more space for those patrons. Also included in the building project is the addition of a conference room and three new offices for staff.

Neighborhood area to be served:

The Klein is located on the west side of Bridgeport, less than 1 mile from the downtown area. Our impact is realized through the diversity of the events we present, as well as through our tuition-free arts education program for Bridgeport middle and high school students. 85% of the students in Klein Theatre Arts come from families who identify as being moderate to extremely low income levels. The Klein is in use over 350 days a year. Sixty per cent of our events feature performers younger than age 25. We draw audiences from all of Fairfield County, New Haven, Hartford and Springfield, as well as Westchester County, Long Island and New York City The Klein has one of only 7 remaining Broadway sized stages in Connecticut, and we are one of the

Plan to implement the program:

Initial funding for the project was obtained through applications to the state bonding commission. A total of \$3.29 million was awarded, of which nearly \$1.4 million has already been spent on technical upgrades, new carpeting, and an exterior digital sign for promotion. In addition to the \$1.9 million remaining for construction, we have a commitment of contingency funding from the City of Bridgeport in the amount of \$150,000 and a grant from a private foundation in the amount of \$53,000. In February 2020 we issued an RFP for a general contractor. The bids arrived in May, just as the pandemic set in. Since then costs of materials and labor have steadily risen leaving us with a current shortfall of \$338 000. That figure contains a ten per cent contingency Form NAA-01 (Rev. 01/24)

Description of program:

Since 1992, the McGivney Community Center has been fulfilling its mission to provide stimulating and enriching programs that foster academic success and self-esteem to the youth of Bridgeport. At McGivney's After School Program and Summer Camp, access to resources are provided to underserved Bridgeport youth through academic support, enrichment activities, recreation, character building, teamwork, and social interaction. The NAA's support will help supplement the cost of part-time staff salaries, as well as program supplies and special events to provide top quality programming to families.

Need for program:

There is a great need for quality and affordable out-of-school programming for children year-round in Bridgeport. At McGivney, 93% of our members fall into the extremely low, very low, and low income limits as determined by HUD. The McGivney Community Center understands the impact of poverty and the needs of our families, which has made it a pillar of support in the Bridgeport community. We are committed to providing our children with resources and opportunities that might not be available otherwise to transformatively change their lives.

Neighborhood area to be served:

The McGivney Community Center serves children from across the City of Bridgeport, Connecticut. The Center is located on the East Side of Bridgeport, and many of the youth that attend the After School Program and Summer Camp live within the neighborhood.

Plan to implement the program:

Each year through collaborative partnerships, social media, and the help of our families and alumnae, McGivney continues to grow in the number of children it is able to serve. The After School Program runs from September to June and Summer Camp runs for 7 weeks from late June to early August. The McGivney Community Center is committed to serving our community, supporting our families, and helping to cultivate future leaders.

Timetable:

Program start date:7/1/2024 Program completion date: 6/30/2025

The program completion date must not be more than two years from the program start date. A certified post-project audit is due to the municipality overseeing implementation no later than three months after program completion date for all projects receiving \$25,000 or more in NAA funding.

g. Financial Impact Analysis

No cost to the City. In fact, the amendment will have a positive impact on the budget as the permit fee is increased.

h. Funding Budget-Line

\$0 for FY 2024-2025 will be paid from the annual operating budget of any department.

i. Proposed Motion

BE IT ORDAINED by the City Council of the City of Bridgeport that, effective upon publication, the Municipal Code of Ordinances, **Chapter 12.08 STREET, SIDEWALK AND DRIVEWAY CONSTRUCTION AND MAINTENANCE** is hereby amended as follows ...

RESOLUTION

AMENDMENT TO CHAPTER 12.08 STREET, SIDEWALK AND DRIVEWAY CONSTRUCTION AND MAINTENANCE

WHEREAS, Bridgeport Code of Ordinances Chapter 12.08 purpose is to promote the proper construction, maintenance, and repair of streets, sidewalks, curbs, and driveways to enhance public safety, accessibility, and the overall quality of public infrastructure within the City; and

Whereas, the City recognizes the critical importance of maintaining safe and efficient streets, sidewalks, curbs, and driveways to support the mobility and accessibility needs of residents and visitors; and

Whereas, setting minimum width requirements for streets and establishing building lines on new streets is essential to ensure orderly development and construction within the City; and

Whereas, regulating the width and placement of driveway approaches based on property types is vital to maintaining traffic flow, pedestrian safety, and overall urban aesthetics; and

Whereas, an important component of this is ensuring that adequate fees are assessed for sidewalk permits.

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Bridgeport that, effective upon publication, the Municipal Code of Ordinances Chapter 12.08 STREET, SIDEWALK AND DRIVEWAY CONSTRUCTION AND MAINTENANCE is hereby amended and restated as provided in Schedule A attached hereto and made a part hereof.

Chapter 12.08 STREET, SIDEWALK AND DRIVEWAY CONSTRUCTION AND MAINTENANCE¹

Article I. In General

12.08.010 Width of streets.

No street shall hereafter be laid out, and no permission given to lay out any such street, and no street shall hereafter be accepted by the city council unless such street shall be at least fifty (50) feet in width.

(Ord. dated 9/5/2023)

12.08.020 Establishment of building lines on new streets.

When the committee on highways shall recommend to the city council that a public hearing be held relative to the layout of any street or the acceptance of any street as a public street, it may submit to the city council a recommendation that a building line be established on said street. If the committee on highways shall so recommend, a public hearing shall be had upon its recommendation relative thereto contemporaneously with the hearing to be had on the layout of such street or the acceptance of the same as a public street.

(Ord. dated 9/5/2023)

12.08.030 Restrictions as to driveways.

Except as otherwise provided in this code, driveway approaches shall be limited to a width as follows:

- A. For residential properties involving one-, two-, and three-family structures, a driveway approaches at the property line of a maximum of twenty (20) feet with two-foot flairs at the curb line shall be allowed;
- B. For larger multi-family residential properties such as apartment complexes and condominiums in excess of four units, a driveway approaches at the property line of a maximum of twenty-four (24) feet with three-foot flairs at the curb line shall be allowed; and
- C. For commercial, industrial, and institutional properties such as mixed-use retail centers, office complexes, factories and warehouses, restaurants, and stand-alone commercial properties such as banks, fast-food restaurants and gas stations, a driveway approach at the property line of a maximum of thirty (30) feet with three-foot flairs at the curb line shall be allowed.

¹Editor's note(s)—An ordinance adopted Sept. 5, 2023, repealed the former Ch. 12.08, §§ 12.08.010—12.08.250, and enacted a new Ch. 12.08 as set out herein. The former Ch. 12.08 pertained to similar subject matter and derived from Prior code §§ 27-27, 27-28, 27-51—27-54, 27-76—27-92.1, 27-97; Ord. dated Feb. 19, 1991(part); Ord. dated Dec. 21, 1992 § 75(f); Ord. dated Oct. 1, 2012; Ord. dated Nov. 3, 2008; Ord. dated Feb. 2, 2009; Ord. dated May 16, 2016.

- D. No driveway approaches for the same property shall be closer together than twenty-five (25) feet except those uses listed in A. above that would utilize a common driveway.
- E. No driveway approaches at street corners or crosswalks shall be permitted closer than thirty (30) feet from the "stop bar," "crosswalk," "bus stop" and/or intersecting street line.

(Ord. dated 9/5/2023)

12.08.040 Restrictions as to curb corners.

All curb corners shall be maintained as safety zones for pedestrians. A curb corner shall constitute the area lying within lines drawn from the point of intersection of any two street lines forty-five (45) degrees to a line, produced, bisecting the included angle of such intersecting street lines, except where such included angle is less than ninety (90) degrees, in which case the curb corner shall constitute the area lying within lines drawn from such point of intersection ninety (90) degrees, to the respective street lines. There shall be no lowering of the curb within the bounds of any curb corner.

(Ord. dated 9/5/2023)

12.08.050 Powers of city council as to street paving.

The duties formerly performed by the paving and sewer commission with reference to street paving are vested in the city council, and it shall have sole power to designate the streets on which pavement shall be laid, and the kind and quality of pavement.

(Ord. dated 9/5/2023)

12.08.060 Powers of the director of public facilities as to street paving and sidewalk repair.

The director is committed to a long-term pavement management plan in consultation with city council. Additionally, the director will have authority to negotiate paving and contribution from utility companies and contractors who are obligated to perform paving resulting from utility and sidewalk disturbance. This authority will be discussed further under excavations in Chapter 12.12.

(Ord. dated 9/5/2023)

12.08.070 Duties and powers of committee on highways.

All matters pertaining to the layout of any street shall be referred by the city council to the committee on highways for investigation and report. Such committee shall be empowered to order the city engineer to prepare all plans, specifications, maps, profiles and data required for the proper construction and execution of such work; and such engineer shall perform promptly all work so required. Such committee shall further be empowered to demand and receive such information as may be desired by it relative to the progress and costs of construction, the payments made on account thereof or on account of any contracts under which the same may be laid and such other data as it may deem necessary relative to the laying of such payements or to the contracts therefor.

(Ord. dated 9/5/2023)

12.08.080 Permit to extend width of driveway approaches.

Any person desiring a permit for a driveway approach having a greater width than twenty (20) feet at the sidewalk, or any person desiring to establish two driveway approaches for the same property which shall be closer together than twenty-five (25) feet, shall submit to the director of public facilities a written application containing a definite plan showing the location and owner of the property, the length and location of said driveway approach or approaches, proposed grades, type of construction, etc., and the purpose for which said property is to be used. The director of public facilities shall submit such plan with his recommendations and those of the city engineer to the city council, which shall consider the same and shall order the issuance or refusal of such permit.

(Ord. dated 9/5/2023)

12.08.090 Sidewalk permit fee.

There is established a fee of [seventy-five dollars (\$75.00)] <u>One hundred fifty dollars (\$150.00)</u> for the issuance of a sidewalk permit from the public facilities office (Ord. dated 9/5/2023)

Article II. Sidewalk, Curb, Gutter and Driveway Construction and Repair

12.08.100 Contractor's license required.

No person shall as contractor engage in the work of constructing, relaying or repairing sidewalks, curbs, combined curbs and gutters, or driveways or driveway approaches, upon the public streets, highways, alleys or sidewalks of the city, unless licensed therefor by the director of public facilities. The provisions of this section, however, shall not prevent the making, without license, of minor repairs to an existing sidewalk, curb, combined curb and gutter, or driveway approach, by the owner of the property on or in front of which such sidewalk, curb, gutter, driveway or driveway approach is located or by such owner's agent.

(Ord. dated 9/5/2023)

12.08.110 Applicant for contractor's license required to file bond.

Every applicant for the license required by Section 12.08.100 shall file with the director of public facilities a good and sufficient surety bond, acceptable to the director, in the sum of twenty thousand dollars (\$20,000.00), conditioned substantially as follows: that the applicant shall indemnify and save harmless the director of public facilities and the city, its officers, agents and employees, from all claims, suits, liability and actions for or on account of any injury or damage received or sustained by any person by reason of or in consequence of or resulting from any such work performed by the applicant, his servants or agents, or of or from any negligence or omission in safeguarding such work, or of or from any act or omission of said applicant, his servants or agents; that the applicant shall faithfully and in good workmanlike manner perform such work in all respects and comply with the charter and ordinances of the city, with the statutes of the state and with the rules and regulations established by the director of public facilities relative to such work, and with the terms of the permits which may be issued to such licensee. The city shall hold this bond for a duration of no less than three (3) years from issuance of permit or the start of construction, whichever is later. In some cases, and at the reasonable discretion of the director of public or his designee, a larger bond amount may be required to cover a contractor's work. This bond amount would be established prior to the issuance of permit.

(Ord. dated 9/5/2023)

12.08.120 Qualifications of applicants for contractor's license.

The director of public facilities may license as a walk and curb contractor any person believed by him to be suitable, competent and responsible in and for the performance of such work and who shall comply with the charter and ordinances of the city, the conditions governing such licenses and any rules or regulations established by the director of public facilities for the safe, adequate and workmanlike performance of such work.

(Ord. dated 9/5/2023)

12.08.130 Contractor's license fee.

The annual license fee for the license required by Section 12.08.100 shall be two hundred fifty dollars (\$250.00).

(Ord. dated 9/5/2023)

12.08.140 Revocation of contractor's license.

The director of public facilities shall revoke the license required by Section 12.08.100 for incompetency, for performing negligent or unsafe work, or for any failure, refusal or neglect on the part of the licensee, his agents or servants, to strictly comply with the provisions of any section of the ordinances and charter of the city, or of the statutes of the state or any rules, regulations or specifications established by the director of public facilities relating to the construction, relaying or repairing of sidewalks, curbs, combined curbs and gutters, or driveways or driveway approaches.

(Ord. dated 9/5/2023)

12.08.150 Term of contractor's license—Transferability.

All licenses required by Section 12.08.100 shall expire on March 31 of each year next following their date of issuance, unless sooner revoked, and shall not be transferable.

(Ord. dated 9/5/2023)

12.08.160 Contractor's permit required.

No licensee under Sections 12.08.100 through 12.08.150 shall commence the construction, relaying or resetting of any sidewalk, curb, combined curb and gutter or driveway or driveway approach, upon any street, highway, public alley or sidewalk of the city unless and until he shall have applied for and received from the director of public facilities on forms provided by the director, a permit for doing such work.

(Ord. dated 9/5/2023)

12.08.170 Application for contractor's permit.

The application for the permit required by Section 12.08.160 shall specify the ownership and exact location of the property where the work is to be done, the nature, dimensions and time of such work, and shall stipulate that such work will be done in accordance with the charter and ordinances of the city, the statutes of the state and the rules and regulations established by the director of public facilities relating to such work, and to the

satisfaction of the director, and that the licensee will indemnify and save harmless the director of public facilities, the city and its officers, employees and agents, from all damages, loss, liability, actions or costs caused or created by his acts, omissions or negligence while acting under the permit applied for, and relating to or connected with such work.

(Ord. dated 9/5/2023)

12.08.180 Contractor's permit to be on premises—Display required.

All permits required by Section 12.08.160 must be on the job during the continuance of the work and must be displayed to all authorized persons, when required.

(Ord. dated 9/5/2023)

12.08.190 Term of contractor's permit.

All permits required by Section 12.08.160 shall expire thirty (30) days after the date of issuance, unless sooner revoked.

(Ord. dated 9/5/2023)

Article III. Curb, Gutter and Walk Construction Permit

12.08.200 Required.

No person shall construct in any street any new curb or walk, combined curb and gutter, or driveway approach without first obtaining from the director of public facilities a permit in writing to do so. The provisions of this section shall not prevent the making, without such permit, of minor repairs to any existing curb or walk, driveway, or combined curb and gutter, by the owner of the property in front of which the same is located or by the agent of such owner.

(Ord. dated 9/5/2023)

12.08.210 Contents—Form.

Permits required by Section 12.08.200 shall be upon blank forms furnished by the director of public facilities and shall specify the ownership and location of the property where the work is to be done and the nature and dimensions of such work.

(Ord. dated 9/5/2023)

12.08.220 To be on premises during work—Display.

All permits required by Section 12.08.200 must be on the job during the continuance of the work and must be shown to all authorized persons, when required.

(Ord. dated 9/5/2023)

12.08.230 Supervisory power of director of public facilities over work performed under permit.

All work performed under the permit required by Section 12.08.200 shall be subject to the supervision and inspection of the director of public facilities or his authorized agent, who shall have full power to halt all work being done in violation thereof and to require all work to be completed in conformance therewith. In the event of the neglect or refusal of the permittee or his agent to conform to such requirements, the director of public facilities shall have the power to revoke such permit and to complete such work at the expense of the permittee. Such supervision and inspection shall not relieve the contractor from any obligation to perform the work strictly in accordance with the provisions of this chapter, and with such rules, regulations and specifications as may be adopted hereunder, or from full responsibility for the proper performance and quality of such construction.

(Ord. dated 9/5/2023)

12.08.240 Supplementary rules for work performed under permit.

The director of public facilities and the city engineer shall jointly adopt from time to time such rules, regulations and specifications for the conduct of the work to be performed under the permit required by Section 12.08.200 as they may deem necessary. Such specifications shall incorporate approved standards and practices regarding dimensions and quality of curbs, walks, driveway approaches, and combined curbs and gutters, and shall state the proportions and quality of materials to be used in various types of construction. Except where otherwise ordered by the city council, the rear line of all walks shall correspond and be coextensive with the outer line of the highway along which such walks are constructed. The director of public facilities and city engineer shall adhere to appropriate industry standards for material testing and proof of adequate application of those standards as necessary. Testing may be required from the contractor and if requested would be furnished to the office of the city engineer as requested. Failure to supply necessary testing information will constitute a failure to conform to city standards and is subject to revocation of permit and calling of a permittee.

(Ord. dated 9/5/2023)

12.08.250 Term.

All permits required by Section 12.08.200 shall expire ninety (90) days after the date of issuance, unless sooner revoked. The contractor will be required to adhere to the full duration of the bond terms stipulated in section 12.08.120.

(Ord. dated 9/5/2023)

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Bridgeport that, effective upon publication, the Municipal Code of Ordinances Chapter 12.12 – EXCAVATIONS is hereby amended and restated as provided in Schedule A attached hereto and made a part hereof.

Chapter 12.12 EXCAVATIONS¹

Article I. In General

12.12.010 Excavations restricted generally.

No person shall make any opening or excavation in any street, highway, public alley or sidewalk, except a state highway, for any purpose whatsoever, except under the control and direction of the director of public facilities and except in conformity with the provisions of this chapter.

(Ord. dated 9/5/2023)

12.12.020 Notice of intention to lay pavement.

Whenever it is contemplated to lay any wood, stone, macadam, asphalt or other pavement upon any street, the city clerk shall cause reasonable notice thereof to be given to the proprietors of the lands fronting upon the street to be paved, and shall request such proprietors to cause connections to be made with the utilities, including, but not limited to, sewers, electrical and communication lines, and gas and water mains ("utilities") in such street and their lands before such pavement shall be constructed.

(Ord. dated 9/5/2023)

12.12.030 Notice by utility companies prior to making excavations.

Every company engaged in the business of supplying or distributing utilities shall, before making or causing to be made an opening or excavation in any street or pavement in the city, give written notice of its intention to do so to the director of public facilities, which notice shall specify the time and place where such opening or excavation is to be made and, as near as can be determined, the area to be opened or excavated. The companies are additionally required to perform Call Before You Dig (CBYD) requests for any work to be performed in the city Right of Way and furnish the CBYD number prior to approval of permit.

(Ord. dated 9/5/2023)

12.12.040 Restoration after excavation.

Whenever any opening or excavation shall be made in any street, highway, public alley or sidewalk, the contractor making such opening or excavation shall, as soon thereafter as practicable, thoroughly and competently fill in such opening or excavation and tamp and puddle the earth therein to a point four inches from the surface of

Bridgeport, Connecticut, Code of Ordinances (Supp. No. 21, Update 4) Created: 2023-11-27 09:47:14 [EST]

¹Editor's note(s)—An ordinance adopted Sept. 5, 2023, repealed the former Ch. 12.20, §§ 12.20.010—12.20.240, and enacted a new Ch. 12.20 as set out herein. The former Ch. 12.20 pertained to similar subject matter and derived from Prior code §§ 27-42—27-48, 27-61—27-75, 27-98; Ord. dated Dec. 21, 1992 § 75(a), (f); Ord. dated Feb. 24, 1998; Ord. dated Feb. 12, 1999; Ord. dated Nov. 3, 2008; Ord. dated Feb. 2, 2009; Ord. dated May 16, 2016.

the highway, so that the same shall not settle. The contractor shall fill the remaining four inches with adequate temporary paving materials, in the manner and with material prescribed by the director of public facilities. The contractor shall make all repairs as may be necessary to maintain such temporary paved surface in a safe condition and at the level of the surrounding areas for a period of six months.

Within six months of the temporary patch, the contractor shall permanently resurface or repave the excavation area. If any such permanent paving shall not be timely and adequately performed, the director of public facilities shall make such repairs as are necessary to maintain safety and the contractor shall be liable for the costs of any such repairs. In lieu of a contractor completing a permanent resurface or repave, the director of public facilities may agree to accept payment from the contractor equal to the cost of installing said permanent paving. If funds are accepted from the contractor in lieu of paving, said funds will be deposited into the city's paving account to be expended on paving.

With regard to all paving contemplated herein, testing may be required from the contractor by the city engineer. Failing test results, failure to conduct requested testing, or failure to supply testing results shall constitute a failure to conform to city standards and be subject to revocation of the permit and liability of the contractor for costs necessary to complete the paving.

(Ord. dated 9/5/2023)

12.12.050 Opening or excavation safeguards.

Any person making an opening or excavation in any street, highway, public alley or sidewalk shall erect and maintain a strong and adequate railing, fence or barrier around any such opening or excavation and shall keep at and over such opening or excavation a sufficient number of required signs, cone drums and flashers to warn pedestrians and vehicles of its existence, which red lights shall be kept burning from sunset to sunrise until such work is completed.

(Ord. dated 9/5/2023)

12.12.060 Exemptions from certain sections of title.

None of the provisions or terms of Sections 12.08.090 through 12.08.180, 12.12.040, 12.12.050 and 12.12.090 through 12.12.230 shall apply to the city, or to any of its officers, boards, agencies or commissions.

(Ord. dated 9/5/2023)

12.12.070 Notice and protection of obstructions and excavations.

Whenever any person shall have authority, under any contract with the city or under any permit authorizing the same, to remove the pavement or flagging from, excavate, occupy or use any part of the public streets so as to obstruct the travel in any street and to prevent the same from being used for the time being for the purpose of travel, such person shall erect in conspicuous positions, at the several points of intersection of such street so obstructed with the cross streets nearest to such obstruction, a suitable notice of such obstruction, which notice shall be in such manner and form as the director of public facilities may direct.

It shall be the duty of every person engaged in digging into any street or highway, paving any street or section of a street, building any sewer or drain, digging any trench for gas pipes or water pipes, or digging and building any cistern or well in any of the public streets, under contract with the city or by virtue of any permission which may have been granted to him by the common council or the director, where such work, if left exposed, would be dangerous to users of such streets, to erect a fence or railing at such excavation or work in such a manner as to prevent danger to the users of such street, and to continue and uphold the railing or fence until the

work shall be completed or the obstruction or danger removed. It shall also be the duty of such person to place upon such railing or fence, at twilight in the evening, suitable and sufficient cones, signs, barriers and lights and to keep such lights illuminated through the night. It shall be the duty of the director of public facilities and the police department to see that the provisions and requirements of this section, in regard to the erection of proper fencing or railings and the placing of proper lights thereon, are complied with and to report all violations thereof to the prosecuting attorney for prosecution.

Every permit will require a Maintenance and Protection of Traffic (MPT) plan approved by the office of the city engineer. These plans will strictly follow the Manual of Uniform Traffic Control Devices (MUTCD). Failure to comply with these approved traffic plans will result in revocation of permit and immediate shut down of work within the Right of Way. The director of public facilities at his/her sole discretion will have the authority to enforce this shutdown and may designate the city engineer and License and Permit staff with the same authority. Contractors failing to adhere to this standard will be subject to revocation of license. Police officers administering traffic plans do not have authority to close a road without authorization of the director of public facilities or his/her designee.

(Ord. dated 9/5/2023)

12.12.080 Preservation of public safety.

- A. No person, firm or corporation shall make any opening, excavation on any public street, highway, alley or sidewalk, for any purpose whatsoever, except under the control and direction of the director of public facilities and after receipt of a permit issued by him in compliance with the terms of this chapter.
- B. Prior to the issuance of such permit by the director of public facilities, the applicant shall first obtain from the chief of police, or his designated agent, a certificate of preservation of public safety showing that said applicant has made arrangements with the chief of police, or his designated agent, for one or more policemen to be on duty at such location so as to protect the works, pedestrians and motor vehicles and direct traffic at said location until said work is completed. The cost for such protection is to be paid by the applicant at such rates as shall be established from time to time by the city. The number of policemen required to be on duty shall be solely within the discretion of the chief of police or his designated agent. Notwithstanding the foregoing, the chief of police, or his designated agent, may certify that in his opinion such police protection is not needed at such location at such time for which application is made, which certification shall be accepted by the director of public facilities in lieu of the aforesaid certificate of preservation of public safety. The fee for either certificate issued by the chief of police or his designated agent, shall be two dollars (\$2.00).
- C. The chief of police or his designated agent shall maintain a list of policemen who indicate to him a willingness to accept assignments for said duty during hours that are not on regular police assignment and such officers shall be assigned to such jobs on a rotation basis.
- D. No person, firm or corporation shall open any manhole without first receiving permission from the traffic division of the city, and if such division determines that a safety hazard will be caused by the opening of a manhole by any person, firm or corporation, it may then require that a police officer, as provided in this chapter, be assigned to the site.

(Ord. dated 9/5/2023)

Article II. Permits

12.12.090 Excavation permits generally.

No person shall make any opening or excavation in any street, highway, public alley or sidewalk, except a state highway, for any purpose whatsoever except after receipt of a permit issued by the director of public facilities in compliance with the terms of this chapter.

(Ord. dated 9/5/2023)

12.12.100 Excavation permit for street openings where pavement is laid—Required.

No person shall make any opening, aperture or excavation for any purpose whatever in any street upon which stone, macadam, asphalt or other pavement is laid, or take up any portion of any such pavement without a permit therefor issued by the director of public facilities upon written application therefor as provided by ordinance.

(Ord. dated 9/5/2023)

12.12.110 Excavation permit for street openings where pavement is laid—Fee.

A fee of two hundred fifty dollars (\$250.00) for each excavation permit for combined sewers and a fee of two hundred fifty dollars (\$250.00) for each excavation permit for storm and sanitary sewers shall be paid to the director of public facilities for permits granted by him under Section 12.12.100.

(Ord. dated 9/5/2023)

12.12.120 Public utility excavations—License required.

No person or company engaged in the business of supplying or distributing either water, gas or electricity, or any telephone or telegraph company, shall make any opening or excavation in any street, highway, public alley or sidewalk, except a state highway, for any purpose whatsoever unless licensed therefor by the director of public facilities.

(Ord. dated 9/5/2023)

12.12.130 Public utility excavations—Qualifications of license applicant.

The director of public facilities may issue the license required by Section 12.12.120 to any person or public utility company found by him to be suitable, competent and responsible in and for the performance of such work and who shall comply with the law and with the conditions governing such license and the terms of this chapter.

(Ord. dated 9/5/2023)

12.12.140 Public utility excavations—License applicant to file bond or indemnity agreement.

Every applicant for the license required by Section 12.12.120 shall file with the director of public facilities a good and sufficient bond, acceptable to the director, in the sum of twenty thousand dollars (\$20,000.00), conditioned substantially as follows, except that no company engaged in the business of supplying or distributing either water, gas or electricity, or any telephone or communication company need furnish such bond provided they enter into an agreement with the city conditioned substantially as follows: that the applicant shall indemnify

and save harmless the director of public facilities and the city, its officers, servants, agents and employees, from all claims, suits, liability and actions for or on account of any injury or damage received or sustained by any person or corporation, in consequence of or resulting from any act done or work performed by the applicant, his servants or agents, in connection with any opening or excavation on any street, highway, public alley or sidewalk, or from any negligence or omission in guarding such work or maintaining such work and its immediate area in a safe condition, or of or from any act or omission of the applicant, his servants or agents; that such applicant shall restore and replace that portion of any such street, highway, public alley or sidewalk, in which such applicant, his servants or agents shall make any excavation or opening, to as good condition as that in which the same was before such work was performed, but to the satisfaction and approval of the director of public facilities; that such applicant shall faithfully and in good workmanlike manner perform such work in all respects and shall comply in all respects with the charter and ordinances of the city and the rules and regulations established by the director of public facilities, relative to such work, and with the terms of the permits which may be issued to such applicant; that said applicant shall reimburse and indemnify the city for all cost and expense the city may incur in refilling, repaving or resurfacing such openings and excavations made by the applicant and in restoring the area in which they are made to their original condition, where the applicant fails or neglects to do so.

The city shall hold this bond for a duration no less than three (3) years from issuance of permit or the start of construction, whichever is later. In some cases, and at the discretion of the director of public facilities or his designee, a larger bond amount may be necessary to cover a contractor's work. This bond amount would be established prior to the issuance of permit.

(Ord. dated 9/5/2023)

12.12.150 Public utility excavations—License fee.

The annual fee for the license required by Section 12.12.120 shall be two hundred fifty dollars (\$250.00).

(Ord. dated 9/5/2023)

12.12.160 Public utility excavations—Revocation of license.

- A. The director of public facilities may revoke the license required by Section 12.12.120 which has been granted to any person or public utility company who shall violate or fail to conform to any of the terms of the bond required by Section 12.12.140, the terms of any permit issued to him or it, any section of the charter and ordinances of the city or of the statutes of the state, relating or applicable to such work, or who shall be indebted to the city for any expense that the city may have incurred or may incur in refilling such openings and excavations and in restoring, resurfacing or repaving their immediate area, by reason of the failure of the applicant to do so.
- B. The director of public facilities may also revoke any such license for incompetency or negligence in the performance of such work, or for any failure, refusal or neglect on the part of such applicant to strictly comply with any rules, regulations or specifications established by the director of public facilities relating to the performance of such work.

(Ord. dated 9/5/2023)

12.12.170 Public utility excavations—License term—Transferability.

All licenses required by Section 12.12.120 shall expire on the thirty-first day of March next following their issuance, unless sooner revoked, and shall not be transferable.

(Ord. dated 9/5/2023)

(Supp. No. 21, Update 4)

12.12.180 Public utility excavations—Permit required.

No licensee under Sections 12.12.120 through 12.12.170 shall make any opening or excavation in any street, highway, public alley or sidewalk for any purpose whatsoever without a permit therefor issued by the director of public facilities; except that in case of an emergency making an immediate opening or excavation essential to the public health and safety, a public utility company may commence such work without a permit but it shall notify the city immediately or, if after hours, the start of the next business day, and apply for the required permit. such work may be commenced without such permit provided such permit is applied for and issued without delay.

(Ord. dated 9/5/2023)

12.12.190 Public utility excavations—Permit application.

Application for the permit required under Section 12.12.180 shall be made to the director of public facilities on the forms provided therefor and shall include the following information, in addition to such other information as may reasonably be required by him: the place and exact location where the proposed opening or excavation is to be made; the purpose of the opening or excavation; the accurately estimated area of the excavation; the date and time when work thereon will commence and the period within which such work will be completed; a signed agreement by the licensee and the person by whom he is hired for the performance of such work to reimburse the city for all expense which the city may incur in refilling such excavation and opening and restoring, resurfacing or repaving the area thereof to its original condition, in case such licensee shall fail to do so, and indemnify and save harmless the director of public facilities, the city and its officers, employees and agents, from all claims, suits, liability and actions for or on account of any injury or damage received or sustained by any person in consequence of or resulting from any act or omission of the licensee, his servants or agents, in or connected with the performance of such work.

(Ord. dated 9/5/2023)

12.12.200 Public utility excavations—Permit fee.

The fee for the permit required by Section 12.12.180 shall be two hundred fifty dollars (\$250.00).

(Ord. dated 9/5/2023)

12.12.210 Public utility excavations—Permit to be on premises—Display required.

All permits required by Section 12.12.180, when issued, shall be on the job during the continuance of the work and must be displayed to all authorized persons when required.

(Ord. dated 9/5/2023)

12.12.220 Public utility excavations—Revocation of permit.

Any permit required by Section 12.12.180 may be revoked by the director of public facilities on any grounds or for any reason for which a permit may be revoked.

(Ord. dated 9/5/2023)

12.12.230 Public utility excavations—Permit term.

All permits required by Section 12.12.180 shall expire thirty (30) days after their issuance unless sooner revoked. The contractor will be required to adhere to the full duration of the bond terms stipulated in section 12.12.140.

(Ord. dated 9/5/2023)

12.12.240. Violation.

Any person, firm, corporation or utility company violating any provision of this section may be fined not less than two thousand dollars or more than five thousand dollars for each offense. Each violation may be a separate and distinct offense and, in the case of a continuing violation, each day's continuance thereof shall be deemed to be a separate and distinct offense. The director of public facilities at his/her sole discretion will have the authority to enforce this provision and may designate the city engineer and License and Permit staff with the same authority.

Article III. Excavations One Hundred Feet or More

[12.12.240] 12.12.250 Street excavations of one hundred feet or more.

Whenever any opening or excavation is made in any street or highway which is one hundred (100) linear feet or more, the following provisions shall be applicable:

- A. An applicant is defined as a contractor and/or public utility or public service company. If the work to be performed will not be conducted by an employee of the public utility, then the public utility shall provide the name of the contractor as part of the application. The permit issued shall indicate the name of the public utility, the name of the licensed contractor and the work number assigned by the call before you dig clearinghouse. All applications shall be submitted to the department of public facilities no less than five business days prior to the date that the excavation would commence. In the event of an emergency repair, i.e. valve repairs, main or cable breaks, the department of public facilities shall receive oral notification of the emergency within twenty-four (24) hours after the excavation has commenced. If the emergency occurs after five p.m. on a business day following said emergency. Any such emergency notification shall be followed by a written application which includes a detailed explanation of the emergency and the work performed, no more than five calendar days after the excavation work has commenced. These permits are non-transferable without the written permission of the director of public facilities or his/her designee.
- B. The applicant shall submit plans in duplicate, one set to the engineering department and one set to the department of public facilities at its administration office.
- C. Public utilities shall cause their inspectors to reasonably inspect during the excavation, temporary and final restoration of city streets. These inspectors shall be required to maintain, and submit to the department of public facilities, trench logs and inspection forms which record the method of excavation and installation, the quality of materials, soil and compaction tests used in patching and paving, where applicable. The public utility shall meet all requirements set forth in the state statutes and regulations, and the city's ordinances regarding construction, equipment installation and

restoration, and is responsible for ensuring compliance with the requirements of this section. These forms and logs shall be modified to address different industry standards where applicable.

- D. A materials and/or compaction test, paid by the applicant, shall be required where the depth of opening, materials or other conditions warrant.
- E. The opening and/or excavation shall be refilled in manner that ensures that the same shall not settle. The depth for permanent patches shall be four inches, or the thickness prior to excavation, whichever is greater. A patch of any opening and/or excavation of any street or highway shall be hot mix bituminous asphalt except where the director of public facilities approves a substitute. A substitute will only be allowed during winter months when hot mix asphalt is not readily available due to plant closings.
- F. Final restoration shall be required as follows and is based on a combination or age of road and established Pavement Condition index (PCI) as determined by the city. The director of public facilities or his/her designee shall have discretion on adherence to this section and at times may enforce stricter requirements based on the nature of work. For roads that have been paved within the last five years and in good condition, the pavement restoration limits will be curb to curb. At a minimum, the standards for milling and depth of paving set forth in the policy of the State Department of Transportation for restoring utility trench excavations, highway maintenance directive number 93-1, shall be used. The depth of paving may be increased at the discretion of the director of public facilities depending on the amount of travel on an individual road or depending on the existing pavement thickness. For roads paved within ten years but no less than five years the pavement restoration limits will be centerline/esplanade to curb. This limit will consist of complete lane rehabilitation on a parallel plane, and restoration of any and all areas of impact as approved by the director of public facilities. At a minimum, the standards for milling and depth of paving set forth in the policy of the State Department of Transportation for restoring utility trench excavations, highway maintenance directive number 93-1, shall be used. The depth of paving may be increased at the discretion of the director of public facilities depending on the amount of travel on an individual road or depending on the existing pavement thickness. Milling or saw cutting from the road crown or centerline to the curb will be the method used for this operation unless construction operations impact into or disturb more than one lane, at which time complete curb or esplanade to curb rehabilitation will be required. Relief from these requirements may be obtained in writing from the director of public facilities. The director of public facilities shall have authority to negotiate the terms of pavement restoration with a utility company or contractor performing work in the city right-of-way. Final restoration will take place as soon as practical under industry standards, but in no case any later than six months from the date of the patch. The director of public facilities or his/her designee shall grant an exemption from all requirements for final restoration to any public service company, as defined in Section 16-1 of General Statutes of Connecticut, which requests such relief.
- G. Highway line striping on all roads requiring same shall be restored at the expense of the applicant according to city standards, as will any signage or signalization structures. Temporary pavement markings are required when permanent markings cannot be applied due to weather or when duration of time exceeds one week. All permanent marking must be applied as soon as possible. At no time will a paved area be left unmarked for longer than two weeks.
- H. The applicant shall provide a five-year guarantee of compaction and pavement serviceability from the date of completion or corrective repair, whichever is later. When the applicants are a public utility and a contractor, the guarantee shall be provided by the public utility. The five-year guarantee is separate from the three-year bond requirement. The director of public facilities reserves the right to uphold the five-year guarantee at his/her discretion and may take further action including the holding of future permit issuance to a utility or contractor deemed unresponsive.

- I. If an exemption has not been granted in accordance with subsection F., and the applicant fails to commence and/or complete final restoration in a satisfactory and timely manner, the city may perform such final restoration after thirty (30) days notice to, and at the full cost of, the applicant.
- J. The applicant shall post a bond in an amount satisfactory to fully comply with this section. The duration of the bond shall be three (3) years. If the applicant is a public service company, as defined in Section 16-1 of the General Statutes of Connecticut and, if applicable, the work will be performed by an outside contractor hired by said company, the requirement of a bond shall be waived in accordance with Section 16-230 of the General Statutes of Connecticut, provided the utility submits the following documents to the director of public facilities: (1) a certificate of proof of solvency in accordance with Section 16-230 of the General Statutes of Connecticut; and (2) verification that the construction and/or restoration work will be performed by an employee of the utility, or a letter which states that the public service company shall be responsible for ensuring compliance with the requirements of this section.
- K. At the discretion of the director of public facilities, or his/her designee, a contractor who is found in violation of subsections C, D, E, F, G, H or I of this section more than once in a three-month period may be prohibited from performing construction, installation or restoration work on and in city streets for a minimum period of six months and a maximum period of twelve (12) months. This prohibition may be waived by the director for good cause shown and the submission of a written application. The director shall respond to all such requests within fifteen (15) business days of receiving the written application. No later than fifteen (15) days after the issuance of a denial of such a waiver, a contractor may request a public hearing for reconsideration of the denial. The department of public facilities shall hold such a hearing no later than fifteen (15) business days after a written request for reconsideration has been submitted to that department. The decision of the hearing officer appointed to that matter shall be final.

Honorable Members of City Council of the City of Bridgeport City Hall 45 Lyon Terrace Bridgeport, CT 06604

Re: Proposed Amendment to the Municipal Code of Ordinances: Chapter 12.16 – Street and Sidewalk Use Regulations

Dear Honorable City Council Members,

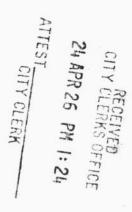

The Director of Public Facilities, Luis Burgos proposes to amend the above captioned chapter of the Bridgeport Municipal Code. The proposed amendment clarifies that the permit requirements include anyone who occupies a street or restricts the use of the right-of-way for public access. It also increases the permit fee for obtaining an occupancy permit from fifty dollars to one hundred dollars. Finally, if the City is required to remove an unlawful obstruction, whoever is responsible for the obstruction has to pay the City the cost to remove the obstruction as well as any associated storage costs.

Kindly be advised that the ordinance amendment, as proposed, is of proper and sufficient legal form for adoption as required by Chapter 5, Section 9 of the City Charter.

Very truly yours,

Japres T. Maye

12.16.070 Selling from sidewalks.

No person occupying or using any premises adjoining any sidewalk shall use, and no person occupying or using any such premises shall permit or suffer anyone to use, any part of any sidewalk for the purpose of selling or offering for sale, or inducing the sale of any article of food, or any goods, wares or merchandise displayed or maintained on the premises occupied or used by such person.

(Ord. dated 12/7/20, Exh. A; Ord. dated 9/16/19)

12.16.080 Selling to persons on sidewalks.

No person occupying or using any premises adjoining any sidewalk shall sell or offer to sell, from such premises or any part thereof to any person on the sidewalk adjoining such premises, any article of food, or any goods, wares or merchandise or any other thing maintained, displayed or advertised for sale on such premises; nor shall any person occupying or using such premises suffer or permit any other person to do so.

12.16.090 Use of street or sidewalk in making delivery of goods.

No person in making delivery to any place of any article of food, or of any goods, wares or merchandise or of any other thing, shall deposit and permit any such article to remain upon any street or sidewalk; and no person receiving any such delivery shall permit or suffer any such article to remain upon any street or sidewalk.

(Ord. dated 12/7/20, Exh. A; Ord. dated 9/16/19)

12.16.100 Sidewalk stands—Exceptions to chapter.

Nothing in this chapter shall apply to or forbid the maintenance of any sidewalk stand for the sale of newspapers under any license therefor now or hereafter issued by the chief of police pursuant to the provisions of Sections 12.08.010, 12.08.020 and 12.16.170; nor to any stand in any city-owned park maintained by or the maintenance of which is licensed by the city; nor to any receptacle for the deposit of refuse or rubbish maintained for the use of the public by or with the permission of the city; nor to refuse or garbage deposited for collection by the director of public facilities, provided such refuse or garbage is deposited in such manner and form, in such receptacles and at such places as are approved by the director of public facilities; nor to lawful picketing in any bona fide labor dispute.

(Ord. dated 12/7/20, Exh. A; Ord. dated 9/16/19)

12.16.110 Awnings.

No awning, which is designed to be attached to any permanently erected frame extending over any part of the sidewalk or to any pole or post set in the sidewalk or street, shall be placed over or across any public sidewalk unless a permit for the erection and maintenance of such awning shall be procured from the common council. No part of any awning, when extended over any sidewalk, shall be less than seven feet above the level of the sidewalk.

(Ord. dated 12/7/20, Exh. A; Ord. dated 9/16/19)

12.16.120 Parades.

All street parades and processions bearing banners, or other conspicuous devices, or accompanied with music or any disturbing sounds, except the national guard, the police and fire departments and funeral processions engaged in the burial of the dead, are prohibited, unless permission therefor shall be first obtained from the chief of police. The chief of police may furnish a police escort for any such parade or procession if deemed by him necessary or proper.

(Ord. dated 12/7/20, Exh. A; Ord. dated 9/16/19)

12.16.130 Restrictions on moving buildings through the streets.

A. Every application for a license to remove a building under the provisions of Chapter 5, Section 7(g) of the Charter and Related Laws compilation found on file shall state the name of the owner of the building to be moved, the name of the person who is to move the same, the precise location from and to which the building is to be moved, the distance from the proposed front line of such building to the line of the street, the street or streets through which it is to be conveyed, the dimensions of the building and the nature of the materials of which it is constructed. The director of public facilities, in his discretion, may approve or deny the application for a license.

- B. Every application under this section shall be carefully filed and preserved.
- C. No person receiving permission to remove a building, as provided for in this section, shall be deemed to have permission to remove the same through or upon any street not designated in his application or permit. No such license shall be granted until the applicant has filed a bond, with good and sufficient surety in the sum of twenty-five thousand dollars (\$25,000.00), payable to the city for its benefit and for the benefit of any person who may be specially injured thereby, which bond shall be approved by the city attorney.
- D. Every such license shall have limited therein a certain date before which time such moving is to be completed.
- E. If such building remains upon any street after such date, the director of public facilities in his discretion shall either complete the moving of the same, or, if in his judgment such building as a whole cannot reasonably be moved to its destination, he shall have the power to separate the building into parts, so that he can reasonably remove it from the street. The licensee shall be liable under such bond for any expense, cost, loss and damage sustained by the city. The city shall not be liable to the owner of such building for any damage that may be done by the director of public facilities in removing the building from the street.

(Ord. dated 12/7/20, Exh. A; Ord. dated 9/16/19)

12.16.140 Removal of sod, turf, etc.

No person shall cut or dig up any sod or turf in any street or public square with the intent to remove or carry away the same, or remove or carry away any earth, gravel or street dirt from any street without permission of the director of public facilities.

(Ord. dated 12/7/20, Exh. A; Ord. dated 9/16/19)

12.16.150 Removal of obstructions, snow and ice from sidewalks.

- A. Except as provided in 12.16.250 hereof, every person owning any land upon or adjacent to which there is a sidewalk, paved, concreted or worked, shall keep such sidewalk at all times in a safe and convenient condition for the use of the public, and shall forthwith repair all defects and remove all obstructions in any way endangering the public travel upon the same.
- B. Except as provided in 12.16.250 hereof, every owner or occupant of any land or building, or the owner or lessee of any unoccupied land or building adjoining any sidewalk, shall, before sunset, remove any wood, coal, box, barrel, can or any other thing by which such sidewalk shall be in whole or in part obstructed or rendered unsafe or inconvenient to public travel.
- C. Every owner or occupant of any land or building, or the owner or lessee of any unoccupied land or building, shall keep and maintain any sidewalk adjoining such land and building free from snow, ice or sleet, by which such sidewalk shall be obstructed or rendered unsafe. Whenever such sidewalk shall be permitted to remain covered with snow, ice or sleet for more than six hours after the same shall have been deposited or formed thereon, the director of public facilities may remove such snow, ice or sleet from sidewalk and report the expenses of such removal to the city attorney, who shall immediately collect the same by any proper action against the owner or occupant of the land or building, or the owner or lessee of any unoccupied land or building, adjoining such sidewalk. This section shall not be so construed as to conflict with Section 19-310 of the General Statutes.

12.16.160 Liability for ice and snow on public sidewalks.

- A. The provisions of Connecticut General Statutes Section 7-163a are adopted, and are set forth in subsections B and C of this section.
- B. Notwithstanding the provisions of Section 13a-149 of the General Statutes or any other general statute or special act, the city shall not be liable to any person injured in person or property caused by the presence of ice or snow on a public sidewalk unless the city is the owner or person in possession and control of land abutting such sidewalk, other than land used as a highway or street, provided the city shall be liable for its affirmative acts with respect to such sidewalk.
- C. The owner or person in possession and control of land abutting a public sidewalk shall have the same duty of care with respect to the presence of ice or snow on such sidewalk toward the portion of the sidewalk abutting his property as the municipality had prior to the effective date of the ordinance codified in this section adopted pursuant to the provisions of Connecticut General Statutes Section 7-163a and shall be liable to persons injured in person or property where a breach of duty is the proximate cause of injury.
 - No action to recover damages for injury to the person or to property caused by the presence of ice or snow on a public sidewalk against a person who owns or is in possession and control of land abutting a public sidewalk shall be brought but within two years from the date when the injury is first sustained.

(Ord. dated 12/7/20, Exh. A; Ord. dated 9/16/19)

12.16.170 Duty to clean gutters.

In case the gutter opposite any dwelling house, store or other building, or opposite any lot of ground, shall at any time become obstructed with snow, ice, dirt or anything whatsoever, the owner, occupant or person having charge thereof shall cause such gutter to be cleaned out so that the water may run freely along the same.

(Ord. dated 12/7/20, Exh. A; Ord. dated 9/16/19)

12.16.180 Marking of private streets.

Whenever any street shall be laid out over and across private land by the owner thereof, and until the same shall be accepted by the common council, the person making such layout and the owner of such private street shall maintain at either entrance to such street, and at the intersection of such street with any other street, a suitable sign or notice approved by the director of public facilities and containing thereon the words "private street."

(Ord. dated 12/7/20, Exh. A; Ord. dated 9/16/19)

12.16.190 Prohibitions as to advertising matter.

No person who by virtue of a license granted under this chapter shall occupy a portion of any street with building materials, or by virtue of such license shall erect a fence of any description in any portion of a city street, shall place or cause or suffer to be placed thereon any poster, bill, placard or other printed, written or painted material by way of notice, announcement or advertisement of any event, thing, business or other matter except such as may be required by law. The violation of this section, in addition to any other penalty provided by law, shall be a sufficient reason for the revocation of such license by the director of public facilities without notice.

12.16.200 Maintenance and repair of motor vehicles on public streets and highways and/or on city-owned or leased property.

- A. No person shall make any repairs on any motor vehicle on the public streets or highways of the city except for changing of bulbs and lenses, changing of windshield wipers, installation of air filters, minor repair of electrical wires, changing or replacing of a battery, minor repair and/or maintenance of the interior of a vehicle, the changing of a flat tire, or other repairs of a similar minor nature, provided such minor repairs are performed in an expeditious manner and do not, in any manner, interfere or obstruct access of vehicles on such streets or highways.
- B. No person shall make any repairs on any motor vehicle on any city-owned or leased premises within the city unless having first received permission from the police department.
- C. Any emergency repairs performed by a licensed mechanic, service station or auto repair shop shall be permitted and not be considered a violation of this section, if performed expeditiously.
- D. Any person violating the provisions of this section shall be subject to having the motor vehicle he is making repairs on immediately towed from its location by order of the police department at his expense.
- E. Any person violating the provisions of this section shall be fined not more than one hundred dollars (\$100.00) for the first offense. Any persons violating the provisions of this section shall be fined not less than one hundred dollars (\$100.00) nor more than two hundred dollars (\$200.00) for a second offense. Any person violating the provisions of this section for a third and any subsequent times, shall be liable for a fine of not less than two hundred dollars (\$200.00) nor more than five hundred dollars (\$500.00) and/or up to thirty (30) days in jail.

(Ord. dated 12/7/20, Exh. A; Ord. dated 9/16/19)

12.16.210 Permit to occupy portion of street—Issuance authorized.

- A. Every person intending to erect or repair any building upon any land abutting on any street, or occupy any street, must receive from the director of public facilities a permit to occupy a portion of such street with building materials or to fence off a portion of the sidewalk in the protection of the public; provided, however, that no such permit shall be granted authorizing or permitting any person to occupy or close more than one-half of the width of the sidewalk upon such land abuts.
- B. Every person intending to use any portion of any <u>right of way</u>, street or sidewalk for [an entertainment event or block party] <u>any purpose that restricts the use of the right of way for public access purposes</u>, must receive from the director of public facilities a permit to occupy such street and/or sidewalk for a limited time. No permit shall be granted denying access to any pedestrian sidewalk but the street may be closed to vehicular travel. If such a permit is granted, the police chief and emergency operations officer must be given written notice of said permit a minimum of seven business days prior to said event.

(Ord. dated 12/7/20, Exh. A; Ord. dated 9/16/19)

12.16.220 Permit to occupy portion of street—Fee.

A fee of <u>one hundred dollars (\$100.00)</u> [fifty dollars (\$50.00)] shall be paid to the director of public facilities for the use of the city for each month or part thereof that any street or sidewalk shall be occupied or closed pursuant to the permit authorized by Section 12.16.210.

12.16.230 Permit to occupy portion of street—Duty of permittee to provide safe passage around obstruction.

Any person duly permitted to occupy any part of any street pursuant to a permit issued as authorized by Section 12.16.210, while erecting or repairing any building, opening any sewer or making any excavation in any street for any purpose, shall provide safe and convenient passage around or over the same for public travel, and shall be responsible to the city for any damage occasioned by any neglect to do so.

(Ord. dated 12/7/20, Exh. A; Ord. dated 9/16/19)

12.16.240 Permit to occupy portion of street—Display.

Any person occupying any portion of any street under a permit issued under Section 12.16.210 shall, when requested by the director of public facilities or any police officer, exhibit his permit for such occupation.

(Ord. dated 12/7/20, Exh. A; Ord. dated 9/16/19)

12.16.245 Permit to use city streets and sidewalks for the shared mobility program.

- A. Permit Required. No person shall operate a Shared Mobility System, as defined by City Ordinance Chapter 10.32.010, for use in the City without first having obtaining approval from the Office of Planning and Economic Development.
- B. Filing of Application—Fee. Each applicant for approval to operate a Shared Mobility System, as defined by City Ordinance Chapter 10.32.010, shall file an application with the Director of the Office of Planning and Economic Development, subject to terms and conditions established by said Director, and pay a non-refundable fee in the amount of one thousand five hundred dollars (\$1,500.00) plus a Mobility Manager software maintenance fee to the City of Bridgeport upon application submission and by the first day of each subsequent calendar year. A separate fee for use of City right-of-way shall be assessed quarterly. Such applicant and usage fee revenue collected by the Office of Planning and Economic Development shall be deposited and accounted for in a City special revenue account used for Mobility Manager software costs and improving the City's bicycle infrastructure. The Office of Planning and Economic Development shall administer the Shared Mobility Program, which shall include the establishment of fees, terms, and conditions, which may be amended from time to time, and such amendments shall be reported to the City Council. Notwithstanding anything herein to the contrary, all fees, terms, and conditions established, or amended, by the Director shall be expressly authorized and approved by the City Council prior to their becoming effective.
- C. Impoundment of Shared Mobility Devices. The Office of Planning and Economic Development shall create one or more shared mobility device pounds to which shared mobility devices may be removed at the direction of any police officer or parking enforcement officer for the city for caused specified below. The pounds to be created under this chapter shall be city-owned storage garages or such other appropriate cityowned places as shall be designated by the Office of Planning and Economic Development.
 - 1. Devices subject to impoundment:
 - (i) Those devices not removed by a Provider within the allotted time of a removal notice, specifically
 - In the event of extreme weather, emergencies, special events or for maintenance activities ("Event"), the owner of the device shall remove all devices from the Event area within ten hours of a notice by the Official;

- When the number of devices deployed within a specific area is deemed excessive, the Provider must reduce its fleet in said area within four hours of receiving notice between 7:00 a.m. and 8:00 p.m., seven days per week. Any notice received outside of these hours will count as being received at 7:00 a.m. the next day;
- c. Devices deemed inoperable, unsafe, or otherwise failing to meet the standards identified in the application, which the Provider does not remove from the active fleet within two hours of receiving notice between 7:00 a.m. and 8:00 p.m., seven days per week. Any notice outside of these hours will count as being received at 7:00 a.m. the next day;
- (ii) Those devices parked in violation of the application parking requirements or in one location for more than three consecutive days;
- (iii) Those devices used in violation of any applicable local, state or federal law, rule, or regulation;
- 2. Impounding fee. Before the owner or representative of the owner of any device taken into custody in accordance with Section 1 hereof shall be allowed to secure the release of such device, the owner or its representative shall pay to the Office of Planning and Economic Development fifty dollars (\$50.00) per device. Such revenue collected by the Office of Planning and Economic Development shall be deposited and accounted for in a City special revenue account used for the sole purpose of improving the City's bicycle infrastructure.

(Ord. dated 8/1/22; Ord. dated 4/18/22, Exh. A; Ord. dated 12/7/20, Exh. A; Ord. dated 9/16/19)

12.16.250 Removal of unlawful obstruction by the City. Whenever anything unlawfully placed or kept on any street, sidewalk or public place in the City is removed by any department or officer of the City, the expense of such removal shall be paid to the City by the person liable for such obstruction; provided that, where practicable, such person has been given reasonable notice and a reasonable time within which to remove such obstruction. the expense of removal and storage of such obstruction shall be the amount paid by the City for such removal and storage, or the value of the work of removal if such work is done by any department, agency, officer or regular employee of the City.

12.16.260 [12.16.250] Miscellaneous acts prohibited.

No person shall commit or place any impediment, obstruction or interference within the public right of way. This shall include the [The] erecting or placing of any building, gate, fence, post, box, cask, wood, brick, stone, nonmotor vehicle unattached to any animal, or any other thing upon any sidewalk or street; the placing, hanging or maintaining of any flag, banner, article of merchandise or other thing except awnings and signs over or across any sidewalk or street; the opening or making of any vault or cellar in, upon or under any street; and the kindling of any fire or bonfire in any public street are prohibited without consent of the common council <u>and the fire</u> <u>department</u>; provided, however, that nothing in this section shall be construed so as to prevent or hinder any person, while in the process of building or repairing any building, from placing in any street materials for such purposes under such conditions and restrictions as may be prescribed in each particular case in a permit issued therefore under this section. Any violation of this section shall constitute an infraction, and, shall result in a fine of up to one hundred dollars (\$100.00), or an amount up to the maximum allowed under Connecticut General Statutes 7-148(c)(10)(A), for each day that the violation continues. Such person shall be required to abate the violation. Upon notification by the director of public facilities of any bill of a contractor or of the City for removing an obstruction within the public right-of-way, the public facilities department is authorized to collect from the property owner or person as designated by the Director, the penalty and the total amount of such bill.

A. Exemptions.

- Nothing in Section 12.16.260 [12.16.250,] above, shall prohibit the implementation committee of 1. any neighborhood revitalization zone whose implementation plan has been approved by the city council from seeking permission from the director of public facilities to provide trash can receptacles for placement within the public right-of-way, provided the design of the trash can has been pre-approved by the director or his or her designee; the placement of said cans is done by the staff of the public facilities department following the issuance of a written approval for said placement by said director, or his or her designee, in accordance with Section 7-148(b)(H) and City Ordinance 8.68 Littering; and conditioned upon the property owner whose property fronts where the trash can shall be located, being notified in writing ten days prior to the placement of the trash can that the acceptance of the trash can at the location requires that the trash can be emptied by the property owner through private methods. The property owners shall also be given a copy of the Municipal Ordinance 8.60 Unlawful Depositing so that they are aware that if the trash can is not maintained in a manner that does not violate that ordinance, the trash can shall be removed by order of the director of public facilities and civil penalties shall be imposed in accordance with Ordinance 8.60. In addition, nothing in this chapter shall prevent the city health director under the statutory authority granted to all municipal health directors in 19a-206, from issuing orders, requesting the imposition of equitable, civil and/or criminal penalties by requesting such action from the State Housing Court at Bridgeport, if it is found that the failure to maintain the trash can also violated the Public Health Code.
- Nothing in Section 12.16.260 [12.16.250,] above, shall prohibit the placement of bus station 2. shelters within the public right-of-way by the transit authority authorized to provide bus service to the citizens of Bridgeport who are entitled to such access pursuant to Section 7-148(6)(C)(ii) and Section 7-148(7)(H)(xii) of the General Statutes of Connecticut, provided that the design and placement of said shelters has been submitted to and reviewed by the public safety and transportation committee of the city council and approved by the full council. The request for such approval shall be submitted to the city clerk for referral to the city council by the director of public facilities, provided the plans for the placement and design of said shelters has been prefiled with said director a minimum of thirty (30) days before the requested date for submission to the city council; and plans and designs for said shelters have been reviewed by an engineer assigned to the office of the city engineer, with a written recommendation or approval or disapproval provided by said engineer to said director. Following city council approval, the placement of the bus shelters shall not proceed without the issuance of an excavation permit by the public facilities department in accordance with Section 1-148(6)(C)(iii) and (iv) of the General Statutes of Connecticut and City Ordinance Chapter 12.12 Excavations.
- 3. Nothing in Section <u>12.16.260</u> [12.16.250,] above, shall prohibit the use or placement of a Shared Mobility Device, as defined by City Ordinance Chapter 10.32.010, within and/or on the public right-of-way. Share Mobility Device users may ride Devices on city streets, off-street bicycle lanes, multi-use paths, and sidewalks; users must dismount upon encountering pedestrians. Devices, while they may be parked on the sidewalk, shall be parked in the following manner: (a) in a balanced, upright position; (b) to allow unimpeded pedestrian travel space on a sidewalk to a width of at least five feet; (c) to allow unimpeded access to entrances to public or private property; (d) to allow unimpeded access to all accessibility ramps and fire hydrants; (e) to allow unimpeded access to all bicycles and scooter parking areas, including any stationary fixture designed for the secure attachment of bicycles and scooters or any painted area designated for bicycle and scooter parking; (f) to allow adequate area for unimpeded vehicular travel and parking on public streets; and (g) in an area or location which the City may designate.

A Resolution (the "Resolution") Authorizing an Affordable Housing Tax Incentive Development Agreement for the Waltersville Commons Development located at 167 Steuben Street & 626 Pembroke Street & 614 Pembroke Street

WHEREAS the Waltersville Development Group LLC is a limited liability corporation organized and existing under the laws of the State of New York, with a principal office address of 86 Main Street, Suite 401, Yonkers, NY, 10701, (the "Developer");

WHEREAS, pursuant to the Land Development Agreement (the "LDA") executed June 2, 2021 by and between the Developer and the City of Bridgeport's Office of Planning and Economic Development (the "City" or "OPED"), the Developer proposes to invest approximately \$40MM (forty million dollars) toward the hard and soft costs of the adaptive reuse and restoration of the historic Waltersville School so as to provide for approximately 70 (seventy) units of low-income and moderate-income affordable housing, in addition to resident lobby space, resident amenities, off-street parking, and site landscaping (the "Project");

WHEREAS the Project area is comprised of three contiguous addresses (referred to collectively herein as the "**Project Properties**") which include the City-owned property and former school building located at 167 Steuben Street (the "**City-Owned Property**") as well as two smaller adjacent privately-owned properties which include a vacant parcel located at 626 Pembroke Street and a parcel with an 8,000 sf warehouse located at 614 Pembroke Street (the "**Adjacent Properties**");

WHEREAS the Project was approved by the City of Bridgeport Planning and Zoning Commission at its meeting of July 30, 2018;

WHEREAS pursuant to Connecticut General Statutes Section 8-215 and Section 8-216 (the "State Statute") and pursuant to Chapter 3.24 – Affordable Housing Tax Incentive Development Program - of the Municipal Code of Ordinances (the "Ordinance"), the Developer has made application to OPED for an Affordable Housing Tax Incentive to support the capital financing and operating requirements of the Project;

WHEREAS after review and analysis of the Project's financial structure, OPED recommends the establishment of a phased-in, increasing real estate tax payment schedule (the "**Tax Payment Schedule**") for the Project Properties which would encompass a two (2) year construction period, and a fifteen (15) year operating period as more particularly described in the spreadsheet entitled *Waltersville Commons Real Estate Tax Payment Schedule* attached hereto as **Attachment A**;

WHEREAS, consistent with the requirements of the Ordinance, OPED has summarized the value of the tax incentive payments to be made per the Tax Payment Schedule and has summarized the value of the tax abatement to be provided, and has provided a summary analysis of the revenue impact of the Project as more particularly described in the attached spreadsheet entitled *Valuation of Tax Payments, Tax Abatements and Total Project Revenue*, attached hereto as Attachment B;

WHEREAS, the City-Owned Property currently does not produce any real estate tax revenue, and the two Adjacent Properties combined currently produce only \$11,028 in real estate tax revenue:

WHEREAS, over the course of the Tax Payment Schedule, the Project Properties would produce over \$1.3MM in real estate tax revenue, as well as an estimated \$500,000 in building permit fee revenue, for a combined revenue to the City of over \$1.8MM;

. . . .

WHEREAS, the Tax Payment Schedule shall be incorporated into the Affordable Housing Tax Incentive Development Agreement to be drafted and finalized by the City Attorney's Office in a manner consistent with the objectives of this Resolution (the "Agreement");

WHEREAS, in order to become effective the Agreement must be fully executed and filed on the land records of the City;

WHEREAS the Project is subject under the Agreement to the provisions of *City Ordinance Ch. 3.29 – Employment Opportunities with Developers Fostering Economic Development*, which requires that to the greatest extent possible during the development of this Project, the first consideration for any additional employment of tradesmen/tradeswomen and/or any apprentices to be working on this Project will be given to qualified applicants who are residents of the City and/or who are ex-felons, with such consideration to be made toward meeting the requirements of twenty (20%) percent local resident hires and five (5%) percent ex-felon hires;

WHEREAS the Agreement requires that the Developer also comply with the City's Minority Business Enterprise Program Ordinance, Chapter 3.12.130 of the Code of Ordinances, which establishes a requirement that six percent (6.0%) of the value of the construction contracts awarded for the Project go to African-American Minority Business Enterprises, and further establishes as an overall attainable goal that fifteen percent (15%) of the value of the Project's construction contracts be awarded to Minority Business Enterprises and fifteen percent (15%) to Women Business Enterprises;

WHEREAS the State Statute provides that municipalities may by ordinance provide for real estate tax abatements for housing developed for low or moderate-income persons, and may enter into Agreements with the State of Connecticut, acting through its Department of Housing (the "State") to provide for the State's reimbursement, at the State's discretion, to the municipality of such taxes abated for this purpose;

WHEREAS the State Statute provides that such tax abatement shall be used for one or more of the following purposes: (1) To reduce rents below the levels which would be achieved in the absence of such abatement and to improve the quality and design of such housing; (2) to effect occupancy of such housing by persons and families of varying income levels within limits determined by the Commissioner of Economic and Community Development by regulation, or (3) to provide necessary related facilities or services in such housing;

WHEREAS the Project's approximately 70 affordable housing units are a mix of sizes ranging from studios to three-bedrooms, all of which it is anticipated will be restricted to occupants earning less than specifically designated levels of family income – anticipated to designated as 30%, 50%, 60%, and 70% of the Area's Median Income ("AMI") -- which corresponds roughly to: household incomes from \$23,000 to \$35,000 (for 30% AMI); from \$39,000 to \$58,000 (for 50% AMI); from \$46,000 to \$69,000 (from 60% AMI); and from \$54,000 to \$81,000 (for 70% AMI);

WHEREAS, it is anticipated that the Project's restricted monthly rents will offer one-bedrooms at prices that will range (according to income level) from approximately \$470 to \$890 to \$1100 to \$1300; and will offer two-bedrooms at monthly rents that will range (according to income level) from approximately \$555 to \$1100 to \$1300 to \$1600; and will offer three-bedrooms at monthly rents that will range (according to income level) from approximately \$625 to \$1200 to \$1800;

WHEREAS, the Project is anticipated to be financed through a combination of sources, including equity from the syndication of federal and state historic tax credits, equity from federal low-income housing tax credits, as well as loans from the State of Connecticut Department of Housing ("CT DOH"), the Connecticut Housing Finance Authority ("CHFA"), and the federal HOME Program;

WHEREAS, OPED has analyzed the financial structure of the Project, the Developer's application to OPED for an Affordable Housing Tax Incentive Development Agreement, and its consolidated application for financing from CHFA and CT DOH;

WHEREAS, in analyzing the financial structure of the Project, OPED has subjected it to an economic pro forma analysis against industry and market standards for this type of Project, considering such factors as Developer equity and return, costs of construction, leveraging of private financing, all as per the requirements of the *City's Affordable Housing Tax Incentive Development Program, Ch 3.24 of the Municipal Code*;

WHEREAS, OPED finds that the Project meets the eligibility criteria of the City's Tax Incentive Development Program, and finds specifically that it:

(1) represents at least \$3 million in investment;

5 . A. .

- (2) is compatible with Plan Bridgeport, the City's Master Plan;
- (3) has been subject to OPED's economic pro-forma analysis;
- (4) creates public benefits in neighborhood improvement;
- (5) shall not generate any less in taxes than in the year prior;
- (6) shall begin construction within two years;
- (7) has earned OPED's favorable report on economic impact

WHEREAS, OPED represents to the Council that the proposed Agreement is in keeping with Affordable Housing Tax Incentive Development Policy established by City Ordinance, and is warranted and necessary for the success of the Project such that without the Affordable Housing Tax Incentive Agreement, the Project would not proceed;

NOW THEREFORE BE IT RESOLVED that the Agreement is hereby approved as it shall be finalized by the City Attorney, and that the Mayor or the OPED Director is authorized to execute the Agreement, and, subject to the review and approval of the City Attorney, is authorized to take such other necessary actions in furtherance of the Agreement and consistent with this resolution in the best interests of the City.

PROJECT SUMMARY/DESCRIPTION: The revised ten-year term Master Municipal Agreement is intended to replace the previously consummated MMAC, which was executed between CTDOT and the Municipality in June 2014. Over the last ten years, the original MMAC, combined with specific Project Authorization Letters (PALs), has fundamentally streamlined, and improved how the CTDOT does project level business with the municipalities in Connecticut. The revised ten-year term MMAC covers both municipally advertised construction projects, as well as projects advertised by the CTDOT on behalf of municipalities. Since the requirements differ, depending on who advertises and awards the construction contract, this MMAC is designed to address each scenario. The MMAC includes standard terms, conditions, and contracting "boiler plate" language that should generally govern all municipal construction projects involving the CTDOT, which are undertaken throughout the ten-year term.

Regarding the

State of Connecticut Department of Transportation (DOT) Master Municipal Agreement for Construction Projects

WHEREAS, the City of Bridgeport undertakes, and may financially participate in, rights of way activities, in conjunction with improvements to locally-maintained roadways, structures and transportation enhancement facilities that are eligible for government financial assistance from the State of Connecticut Department of Transportation, the federal government, or both; and

WHEREAS, the State of Connecticut Department of Transportation (DOT) is the authorized entity responsible for distributing the state and federal government financial assistance with respect to these municipal projects; and

WHEREAS, on a project-by-project basis either the City of Bridgeport or the DOT takes on responsibility for the administration of the rights of way phase of a particular municipal project, and the parties wish for a Master Agreement to address the rights of way phase of the Municipality or State's administered projects; and

WHEREAS, the DOT and the City of Bridgeport wish to set forth their respective duties, rights, and obligations with respect to these projects that are undertaken in a Master Municipal Agreement for Construction Projects for a ten-year period beginning on June 20, 2024 and ending June 19, 2034.

NOW THEREFORE, BE IT HEREBY RESOLVED BY THE CITY COUNCIL:

- 1. That it is cognizant of the City's intention to enter into the Master Municipal Agreement for Construction Projects with **the State of Connecticut Department of Transportation (DOT)** and to continue to engage in transportation projects which may be DOT and/or federally funded; and
- That it hereby authorizes, directs, and empowers the Mayor or his designee to execute and file the Agreement entitled "Master Municipal Agreement for Construction Projects" with the State of Connecticut Department of Transportation (DOT) to serve as the master backbone agreement for future transportation projects which may be DOT and/or federally funded.

PROJECT SUMMARY/DESCRIPTION: The Brownfield Municipal Grant Program is a competitive program for municipalities and municipal entities, designed to assist with brownfield redevelopment projects in their communities that will make a significant economic impact. The City of Bridgeport is applying to support the redevelopment of the vacant site of the former A.G.I. Rubber Company on Stratford Avenue. With funding from this grant, the City will be able to spearhead environmental cleanup at this site, as well as raise the site's elevation and create resilient waterfront infrastructure. This grant was submitted in partnership with the Swanston group in support of its plan to develop a soccer stadium on the adjacent site. The proposed work will result in the creation of a public, open space waterfront access area and boardwalk, with a public, community soccer field and a landscaped/hardscaped entryway plaza for the stadium.

Resolution From the WPCA Board of Commissioners

At the WPCA Board of Commissioners meeting held on March 19, 2024, a vote was held regarding the connection of the proposed development at 520 Success Avenue to the City of Bridgeport sanitary sewers. The Board voted unanimously to approve the development connection provided that the developer be solely responsible for the extension of the existing sanitary sewer to the site and then turn the sanitary main over to the WPCA and contribute one hundred (\$100,000) dollars to the WPCA for downstream improvements for capacity issues. The motion for this vote was made by Ken Flatto and seconded by Nina Thomas.

BPT Code of ORDINANCES

13.04.620 - Sewer extensions to properties outside the city limits.

Notwithstanding the requirements of Sections 13.04.030, 13.04.300, and 13.04.540 of this chapter, all requests for sewer extensions for service to properties located outside the city limits shall be submitted by the town and the property owner to the WPCA board for approval. All approved requests shall be forwarded by the WPCA to the city clerk for referral to: the planning and zoning commission for a report pursuant to Section 8-24 of the General Statutes of Connecticut; and the committee having jurisdiction over highways for an investigation and report. All requests from towns and property owners for sewage service to properties located outside the city limits where there is no approved contract between the town where the property is located and the WPCA, shall also require the approval of the city council. All contracts and/or amendments to contracts between the WPCA and towns for sewage service executed after the effective date of the ordinance codified in this section shall also require the approval of the city council.
