I. THE UNION AND UNION SECURITY

ARTICLE 1 - RECOGNITION

1.1 The Employer recognizes the Union as the sole and exclusive bargaining agent for the purpose of establishing salaries, wages, hours and other terms and conditions of employment for all of those positions or (substantially similar positions not presently included in another bargaining unit) in the City of Bridgeport, listed by job groups herein, (see Appendix A attached hereto). The Union reserves the right to claim additional or changed positions.

1.2 The Union recognizes the Mayor of the City of Bridgeport or his/her designated representative or representatives as the sole representative of the City of Bridgeport for the purpose of collective bargaining. The parties further agree to bargain in good faith on all matters relating to wages, hours and other terms and conditions of employment.

ARTICLE 2 - CHECK-OFF

2.1 The City agrees to deduct from the pay of all employees covered by this Agreement, who authorize such deductions from their wages in writing, such membership dues and initiation fees as may be uniformly assessed by the Union. When an employee does not have sufficient money due him/her, after deductions have been made for Pension or other deductions required by law, Union dues for such deduction period shall be deducted in a pay period in which the employee has sufficient funds due him/her. It is also agreed that neither any employee nor the Union shall have any claim against the City for errors in the processing of deductions unless a claim of error is made in writing to the City within sixty (60) days after the date such deductions were or should have been made. It is also agreed that the obligation of the City for funds actually deducted under this Section terminates upon the delivery of the deductions so made to the person authorized by the Union to receive such funds from the City.

The City shall institute a separate payroll deduction, for all employees who elect to contribute to the Laborers' Political league.

2.2 **Deduction Period:** The remittance to the Union for any month shall be made

during the fourth (4th) payroll week of said month and shall be remitted to the Union, together with a list of names of employees from whose wages such deductions have been made, no later than the fifteenth (15th) day of the following month (Weekly Dues).

2.3 Union Security - Agency Shop: It shall be a condition of employment that all employees of the Employer covered by this Agreement who are members of the Union in good standing on the effective (execution) date of this Agreement shall remain members in good standing of the Union during the term of the Agreement. It shall be a condition of employment that all employees covered by this Agreement who are not members of the Union on the effective date of this Agreement shall on the thirty-first (31st) day following the effective date of this Agreement become and remain members in good standing in the Union or pay to the Union an amount equal to dues payable by Union members during the term of the Agreement. It shall also be a condition of employment that all employees covered by this Agreement and hired on or after its effective (execution) date shall, on the 31st day following the beginning of such employment become and remain members in good standing in the Union or pay to the Union an amount equal to dues payable by members during the term of Agreement. All such dues shall be automatically payroll deducted and remitted to the Union.

2.4 The Union agrees to indemnify and hold harmless the City for any loss or damage arising from the operation of this Article. It is also agreed that neither any employee nor the Union shall have any claim against the City for any deductions made or not made, as the case may be, unless a claim of error is made in writing to the City within sixty (60) calendar days after the date such deductions were or should have been made.

ARTICLE 3 - BARGAINING UNIT

3.1 This Agreement applies to and includes all employees of the City of Bridgeport listed in Article 1 – Recognition and Appendix A of this Contract.

3.2 Reduced-time employees who work twenty (20) hours or more per week are included in the bargaining unit; those who work less than twenty (20) hours per week are excluded. Temporary positions of four (4) months or less shall be excluded from the bargaining unit.

3.3 The inclusion in the bargaining unit of a newly established similar classification will be a subject for negotiations between the City and the Union.

3.4 Any dispute on whether a newly established classification is to be included or excluded from the bargaining unit will be submitted to the Connecticut State Board of Labor Relations to resolve such dispute.

ARTICLE 4 - UNION ACTIVITIES

4.1 The City agrees that a Union Officer shall have time during working hours without loss of pay for the investigation and adjustment of grievances; permission to absent himself/herself from his/her work area may be withheld by the department head only, because of operation requirements, but in no event later than the start of the next regular shift. The Union agrees that the complaint will be handled as quickly as possible.

4.2 Four Union officials may attend meetings for the purpose of negotiations during working hours, without loss of pay.

4.3 Appropriate Union officials may attend meetings during working hours without loss of pay when such meetings are requested or approved by the Labor Relations Officer.

4.4 Union officers shall be able to consult with the Employer, his/her representative, Local Union officers, or other Union representatives concerning the enforcement of any provisions of this Agreement.

4.5 Designated Union representatives or officials shall be granted a total of twenty (20) paid working days per year on an accumulative basis to attend Union conference, conventions and meetings, twenty-five (25) days every five (5) years (this shall be for attendance at the International convention 2016. The Union will provide the City with reasonable advance notice of such leave. Further, the union may request, and the City through its Director of Labor Relations shall consider additional leave with pay for such Union representatives or officials to attend training or educational sessions in connection with their Union responsibilities. The decision shall be in the discretion of the City's Director of Labor Relations but shall not be arbitrary and capricious.

ARTICLE 5 - BULLETIN BOARDS

5.1 The City will furnish and maintain suitable bulletin boards in convenient places in each work area and may be used by the Union. The Union agrees that the material posted will not contain propaganda against or attacks upon the City or any official thereof. Currently there are bulletin boards at City Hall, 45 Lyon Terrace near Room 106, and in the 2nd floor lunch room at the Margaret Morton Government Center, 999 Broad Street.

ARTICLE 6 - SENIORITY

6.1 The City shall prepare a list of employees represented by the Union, showing their seniority in time of service with the City, their classification and rate of pay, and deliver the same to the Union within ninety (90) days of signing or anniversary date of the contract.

6.2 All new employees (non-seasonal), shall have a probationary period of one hundred eighty (180) calendar days, and upon successful completion of this period they shall be classified as regular employees. The probationary period shall be counted as part of the seniority after the employee is considered regular. Probationary employees shall accrue vacation benefits during their probationary period, however they will not be allowed to take vacation until after the completion of their probationary period. During probation, the City may dismiss an employee as unsatisfactory or otherwise discipline an employee, and such action shall not be subject to the grievance and arbitration process.

6.3 All employees promoted or transferred to a new or higher classification shall serve a trial period of forty-five (45) calendar days, and upon successful completion of this period they shall be classified as regular employees. Should the employee fail the trial period he/she shall revert to the previously held position.

6.4 Seniority shall mean length of service to the municipality. Such seniority shall apply to the employee's rights in cases of lay-offs (within job group), re-employment, and vacation.

ARTICLE 7 - LAY-OFF AND RECALL

7.1 In the event that the City makes reduction in the number of employees in an established job group, employees with the least seniority will be laid-off first. A listing of established job groups is attached as Appendix A which is incorporated herein by reference. In all cases of reduction in force or reorganization where layoff occurs, the City will provide the Union as much reasonable advance notice as possible and in no event shall such notice be less than thirty (30) calendar days unless an emergency or unforeseen circumstance arises, in which case the City will notify the Union as soon as possible. Subsequent recalls to open positions in that particular job and job group shall be made in the reverse order of the lay-offs.

An employee shall retain his/her seniority status and right of recall in the specific job group for twenty-four (24) months following the date of his/her layoff. If the employee refuses recall to an opening in the position from which he/she was laid off or fails to report for work on such job at the time and on the day specified, he/she shall lose his/her right to further recall and such refusal or failure shall be treated as his/her resignation.

7.2 No new person will be hired or assigned to a vacancy in the bargaining unit so long as employees on layoff and with rights to recall possess the required skills and ability to perform the work. The City shall recall the three (3) most senior laid off employees with the required skills and ability to be interviewed for the open position. The Department head shall have the ability to choose among them based upon the interview. If the skills and ability are relatively equal, then seniority shall be the

determining factor. The recalled employee shall have up to a three (3) month probationary period in the recalled position. If the Department Head or Supervisor determines that the recalled employee does not have the required skills or ability to do the job, the employee will be returned to the layoff list. In the event that the employee is unsuccessful, the second ranked interviewed candidate will be selected. The City in its determinations as to whether skills and ability are relatively equal and as to whether the employee awarded the vacancy has demonstrated the required skills and ability to do the job shall be subject to grievance and arbitration only on the basis that the decision is arbitrary, capricious, or in bad faith. The provision does not limit the City's right to terminate an employee for just cause.

7.3 Any employee covered by the terms of this agreement and subject to being laid-off, shall have the right to bump down to another job within their group; for which he or she is qualified, provided they have greater seniority than employee(s) occupying the lower job. The City's determination as to qualification shall be subject to grievance and arbitration only on the basis that the decision is arbitrary, capricious or in bad faith.

7.4 If it becomes necessary to lay-off, the following shall be the order of lay-off by job groups:

1. Reduced time bargaining unit employees;
2. Probationary employees;
3. Regular full time bargaining unit employees by inverse order of length of service with the Municipality.

7.5 For purposes of this article, lay-offs shall include all reductions in the work force whether by lay-off, furlough, job elimination, reorganization, or funding elimination.

ARTICLE 8 - TOP SENIORITY

8.1 Officers and Stewards of the Union shall have top seniority in the event of a layoff, vacation and all conditions of employment.

II. MANAGEMENT AND THE WORKPLACE

ARTICLE 9 - MANAGEMENT RIGHTS

9.1 Except as specifically abridged or modified by any provision of this Agreement, the City will continue to have, whether exercised or not, all the rights, powers and authority heretofore existing, including but not limited to the following: determine the standards of service offered by the City; direct its employees; maintain the efficiency of governmental operations; determine the methods, means and personnel by which the City's operations are to be conducted; establish and revise or discontinue policies,

programs and procedures to meet changing conditions and to better serve the needs of the public; exercise control and discretion over its organization and the technology of performing its work; and, fulfill all of its legal responsibilities.

The City retains the right to contract-out services performed by the unit. The City agrees to notify the Union of its decision as soon as possible. In exercising this right, the City shall endeavor in good faith to secure continued employment of unit members with the contracted service. This provision does not absolve either party of its respective obligation to bargain the impact of any such decision.

10.2 Department heads shall make overtime assignments consistent with the principle of distributing overtime as equitably as practicable among the employees holding the job effected by the overtime assignment.

10.3 An employee will work overtime when requested to do so by their supervisor. Employees shall be notified of such assignment as soon as possible.

10.4 In the event that all employees refuse, or are not available to work overtime, the least senior employee in the classification and area effected by the overtime work must work such overtime. In the event of an emergency declared by the Mayor, no one may refuse to work overtime.

10.5 Subject to approval of the Director of Labor Relations, employees may request a flexible work schedule. The approval shall be subject to the condition that the economy and efficiency of operations are not hereby impaired, and such approval shall not be unreasonably denied.

10.6 Those employees eligible for overtime shall be paid at straight time for those hours worked in excess of their regular hours up to forty (40) hours per week; and at a rate of one and one-half (1½) for those hours in excess of forty (40) hours per week.

10.7 Those employees not eligible for overtime due to the budgetary constraints of their Department shall receive one (1) hour of compensatory time off for each hour worked in excess of their regular hours up to forty (40) hours per week; and at a rate of one and one-half (1½) hours of comp time for each hour thereafter. Compensatory time shall be used within sixty (60) days unless such period is extended by the department head.

10.8 Employees will only be compensated for work performed in excess of their normal working hours if such work is authorized in writing by their Department Heads.

Employees may be required to take time off that day or that week in lieu of comp time or overtime pay.

10.9 The City, at its sole discretion, and subject to its normal staffing approval process, shall have the ability to increase the work hours and salary of an employee and/or position from 35 to 40 hours per week. The City, also at its sole discretion, but with two (2) weeks notice to the employee, may reverse the above increase in work hours and salary.

10.10 When the City intends to transfer/change the location of an employee it will give five (5) days notice.

ARTICLE 11 - VACANT POSITIONS/TRANSFERS

11.1 The City agrees that vacant positions in the bargaining unit shall be posted for a minimum of ten (10) working days in the Human Resources Office.

11.2 The City shall send a copy of the posting to the Union prior to or at the time of the posting.

11.3 The City shall give the job description of any new classification to the Union as early as practical before its release.

11.4 Employees in the bargaining unit who meet the minimum qualifications may apply for the position. The City agrees that preference shall be granted to employees with substantially equivalent qualifications in accordance with seniority in the filling of vacant positions within the bargaining unit. However, final determination as to the filling of such positions shall be at the sole discretion of management.

11.5 The City may transfer and assign employees provided that the department head or immediate supervisor shall meet and explain the reasons for the transfer or

assignment to the employees. Transfers and assignments shall not be arbitrary and capricious. The City further agrees that transfers and assignments shall not reduce the normal weekly work hours or regular base salary, excluding overtime, of the employee.

ARTICLE 12 - REST PERIODS

12.1 All employees' work schedules shall provide for a fifteen (15) minute rest period during each one-half shift. The rest period shall be scheduled at the middle of each one-half shift whenever this is feasible.

13.1 The City shall exercise full disciplinary authority consistent with its responsibilities to direct employees to perform their required work duties in order to achieve department program goals and satisfactory municipal service to the general public.

13.2 All disciplinary action shall be based upon just cause.

13.3 Disciplinary action shall include (a) a verbal warning, (b) a written warning, (c) suspension without pay, and (d) discharge. The City and the Union recognize the concept of a progressive discipline policy, however, both parties agree that there are certain grave offenses wherein the discipline imposed by the City does not require compliance to the aforementioned provisions.

In the case of an employee who has received a verbal or written warning and where a period of one (1) year has elapsed without the employee's having received any further discipline, the City shall, upon request of the employee, remove the aforesaid warning from the employee's file.

13.4 All disciplinary actions may be appealed through the established grievance procedure within ten (10) days of their occurrence through Step III, (binding arbitration).

13.5 All suspensions and discharges must be stated in writing and a copy given to the employee and the Union Representative.

If the parties are unable to agree on an Arbitrator within five (5) working days, the matter shall be submitted to the American Arbitration Association under the rules of voluntary arbitration of the American Arbitration Association. The parties agree that time is of the essence in resolving labor complaints and all arbitration shall be handled as expeditiously as possible. Said arbitrator(s) shall hear and act on such dispute in accordance with applicable rules and regulations, or other rules and regulations agreed upon in writing by the City and the Union. The arbitrator(s) shall limit the decision strictly to the application, meaning or interpretation of the provisions of this agreement. - For retirees and their spouses attaining Medicare eligibility after the actual Retirement date, the premium cost share shall be based on the premium rate of the supplement plan provided by the City for said retirees and their spouses.
- The premium cost share for the retiree's dependents, including a spouse who is not Medicare eligible, shall be based upon the Fully Insured Equivalent rate for the overage provided to such dependents.

In addition, effective July 1, 2009 any newly hired or promoted employees into a LIUNA bargaining unit position shall only receive the above benefits after twenty-five (25) years of service.

Any current LIUNA member, listed on the attached Appendix who meets the above qualification and who may in the future change jobs within LIUNA, shall continue to be covered under the terms of the current agreement and will not be subject to a change in healthcare premium cost share (PCS) or years needed for retirement. (See Appendix E & F)

19.5 It is the intent of this Agreement that all current LIUNA members hired on or before July 1, 2009 in accordance with Appendix E shall be "grandfathered" and continue to be eligible to retire and receive the medical benefits provided by the current Collective Bargaining Agreement provided they have attained the following:

- A. Completed fifteen (15) years of municipal service and are age fifty-five (55) or who have completed twenty-five (25) years of municipal service regardless of the age; and
- B. Are eligible to receive full pension benefits in accordance with the retirement qualifications provisions of MERF-Fund B.
- C. Retirees must accept Medicare Part B coverage if eligible.

All employees hired after December 31, 2015, will not be entitled to post-retirement health benefits. It is understood that all employees hired on or prior to December 31, 2015 shall be entitled to post-retirement health benefits.

19.6 Whenever an employee covered by this agreement is suspended, all health benefits and insurance shall be provided throughout the period of suspension.

19.7 The City may offer the privilege of choosing an alternative health care carrier and/or administrator and/or plans in lieu of the City's Plan as set forth in Section 19.1 of this Article. Enrollment periods shall be annually in May of each year. For employees

electing the alternative, the City shall remit monthly to the Plans in an amount up to but not to exceed that which the City pays for the City's Insurance Plans as specified in Section 19.1 of this Article. If the cost for the alternative is greater than the amount the City would have paid or contributed had the employee not elected such plan, then the City agreed to deduct from the employee's pay, upon receipt of a written authorization from the employee, the additional amount required for full payment of the alternative cost.

19.8 The City shall be permitted to substitute insurance or benefits arrangements from any source for the Plans provided for in Section 19.1 of this Article. Such substitutions shall be permitted if the substituted coverage offers benefits and methods of administration, processing and payment of claims at least equal to those specifically provided for in Section 19.1 of this Article. Before the City may substitute, it must negotiate the substitution with the Union. If the Union does not agree to the substitution, the City must claim the matter for arbitration in accordance with single member panel rules of the American Arbitration Association. The Arbitrator will order the substitution, if after weighing the total benefits and methods of administration, processing and payment of claims offered by the City's proposal against the total benefits and methods of administration, processing and payment of claims offered by the Plan specified in Section 19.1 of this Article, he/she finds that the average bargaining unit member will, on an overall basis, benefit at least as well under the proposed substituted coverage. Nothing herein shall require the City to propose total substitutions for the coverage provided in Section 19.1 of this Article and substitution may be proposed for any one or more of the specified coverages.

19.9 The City shall provide a payment in lieu of health benefits for employees that waive such coverage, in the amount of five hundred (\$500) dollars per year. Effective July 1, 2010, the payment shall increase to one thousand five hundred dollars (\$1,500) in lieu of health benefits. Effective January 1, 2011, the payment shall increase to two thousand dollars (\$2,000), in lieu of health benefits. Payment in lieu of health benefits shall be capped at two thousand dollars (\$2,000).

19.9a The City and the Union agree to phase out the insurance buyout for employees who accept the buyout but remain covered by the City. Beginning on July 1, 2016 the buyout will be reduced to the following:

July 1, 2016 insurance buyout will be reduced to \$1,500.00;

July 1, 2017 insurance buyout will be reduced to \$1,000.00;

July 1, 2018 insurance buyout will be reduced to \$500.00;

Commencing on July 1, 2018, there will be no buyout available to those employees receiving health benefits from the City. For employees hired after December 31, 2015,

no insurance buyout will be available if that employee receives health benefits from the City, generally from a spouse or other relative.

19.9b For those employees who receive health insurance from a source outside of the City, the buyout available to them will be as follows:

July 1, 2016 increase to \$2,500.00;

July 1, 2017 increase to \$2,750.00

July 1, 2018 increase to \$3,000.00

19.10 The City, at its option, may change carriers for the insurance or the method of providing the health benefits in this Article, provided the benefits are equal to or better than, in all benefits, in the manner of payments, services and procedures for payments.

The parties shall continue to work through the Labor Management Cooperative Committee on health care, which may modify but not substantially change the health benefits as provided herein.

19.11 Each active employee (and each employee who has retired or will retire on or after the first day of this Agreement) shall contribute twelve percent (12%) of the Premium Cost for the Medical Plan and the Prescription drug Plan effective on July 1, 2009. Such contribution will increase to fifteen percent (15%) effective July 1, 2010. Effective January 1, 2011 such contribution shall increase to twenty-one percent (21%). Effective July 1, 2011 such contribution shall increase to twenty-five percent (25%). For purposes of this Section (and wherever applicable elsewhere in this Article), "Premium Cost" shall be defined as either the actual premium cost paid for such coverage or if the City does not pay an actual premium cost, then the pseudo premium cost as developed by an independent third-party administrator for purposes of establishing premiums pursuant to the Comprehensive Omnibus Reduction Act (COBRA").

19.12 LIUNA members as of December 17, 2010 will have their PCS contribution capped at twenty-five (25%) contribution as of July 1, 2011. This PCS cap is guaranteed to remain intact during the individual employee's employment period and entire period of retirement. (See Appendix E)

19.13 All employees hired after July 1, 2010, who currently pay a premium cost share (PCS) higher than 25% shall have their health benefits premium cost share reduced to 25%. Thereafter, this PCS percentage shall increase by 1% per year on July 1st of each year, until a cap of 33 and 1/3% is reached. Said premium cost share percentage shall be the above named amount regardless of the coverage category of employee only, employee plus one, or employee plus family.

For purposes of this Section (and wherever applicable elsewhere in the Article), "Premium Cost" shall be defined as either the actual premium cost paid for such

coverage or, if the City does not pay an actual premium cost, then the pseudo premium cost as developed by an independent third party administrator for the purposes of establishing premiums pursuant to the Comprehensive Omnibus Budget Reconciliation Act ("COBRA") This shall be capped at fifty percent (50%) after twenty-five (25) years of municipal service employment. This PCS cap of fifty percent (50%) is guaranteed to remain intact during the entire period of retirement.

19.14 A) The City has implemented and shall maintain a cafeteria plan pursuant to Section 125 of the Internal Revenue Code for all active employees so as to facilitate deduction of the amounts contributed for health benefits and for child care from the gross income of the employee for tax purposes.

B) As an alternative to the current health and/or insurance benefits, the City may offer an employee benefits cafeteria plan which allows the employee to select from a specific list of benefits up to a yearly dollar amount as agreed; the details of which shall be subject to reopener negotiations at the request of either party. Participation in the plan shall be voluntary.

19.15 A) For employees who retire on or after June 30, 2001 and their surviving spouses, if any, the City shall provide and pay for the same benefits for medical care (excluding vision and dental coverage) as provided for the active employees as the same may, from time to time, be modified under future collective bargaining agreements or if appropriate due to age, the Medicare Supplement Plan to the extent needed. Retired employee contributions shall be equal to the amount of such contributions at retirement plus an increase in such contributions as such increase may exist from time to time.

B) If any employee who retires on or after June 30, 2001 shall have available coverage for Medical Benefits through subsequent employment of the retiree or through the retiree's spouse ("Alternative Coverage"), such retiree shall apply for and, if eligible, obtain such Alternative Coverage provided that the Alternative Coverage shall not exceed in premium cost and/or contribution to the retiree the cost which the retiree would have paid to the City for Medical Benefits coverage except as provided below. The retiree shall not take advantage of any buy-out program in lieu of Alternative Coverage. The retiree and the retiree's spouse shall remain in the City's Plan even if Alternative Coverage is obtained, but the City's Plan shall remain secondary to the Alternative Coverage so long as it is available. In the event the retiree shall not be eligible for alternative coverage or the retiree's premium cost and/or contribution would be more than the retiree's payment for the City's Plan and the City shall not have exercised an option to reimburse the retiree or surviving spouse for such additional cost, the Medical Benefits provided by the City of Bridgeport shall become primary for the retiree and the retiree's spouse.

The retiree and the retiree's spouse who have alternate coverage to which they must

contribute shall not be required to contribute to the City's coverage to the extent of such contributions.

19.16 Divorced employees must notify the City within thirty (30) days of the divorce or repay the City by payroll deduction or pension reduction for the cost of any benefit improperly paid as a result of such failure.

19.17 Effective July 1, 2016, the parties agree to reopen the contract to bargain major mandates of the Affordable Health Care Act. As a condition precedent to exercising its right to reopen the contract on this issue, the City shall identify the specific benefit for which it is seeking to reopen the agreement and the date on which the City learned of this issue.

ARTICLE 20 - PENSION PLAN

20.1 All eligible employees in the bargaining unit shall be covered by the Connecticut Municipal Employees Retirement System hereinafter referred to as CMERS. The employee contribution to CMERS shall be on a pre-tax basis in accordance with CMERS requirements subject to all City unions under CMERS Part B agreeing to such change.

20.2 The City will contribute forty-two (42) cents per employee per work day effective as of October 1, 2002 to the Laborers' International Union of North America National (Industrial) Pension Fund. The parties will use their best efforts to implement such payment as soon as practical after the approval of this Agreement by the City Council but no later than April 1, 2003. The City will increase such contribution by forty-two (42) cents per work day (i.e. to eighty-four (84) cents per day) effective June 30, 2004. Effective June 30, 2008 the City contribution to the LIUNA National (Industrial) Pension Fund shall increase by twelve (12) cents per hour (i.e. to \$1.68 per day).

ARTICLE 21 - EMPLOYEE ASSISTANCE PROGRAM (EAP)

21.1 The City recognizes that a wide range of problems not directly associated with ones' job function can have an undesirable effect on an employee's job performance. The City also recognizes that almost any human problem can be successfully treated provided it is identified in its early stages, and referral is made to an appropriate modality of care.

This applies whether the problem be one of physical illness, mental or emotional illness, finances, marital or family distress, alcoholism, drug abuse or legal problems. It is in the interest of the employee, the employees' family and the City to provide an employee with a service which deals with such persistent problems.

21.2 The EAP may establish, and therefore discontinue, and provide its services to all City employees and their immediate family members at no cost to employee or family.

21.3 The decision to seek the assistance of EAP is left with the employee. An employee may seek assistance on his/her own or may agree to accept assistance at the suggestion of his/her supervisor.

21.4 Employees are assured that their job, future, and reputation will not be jeopardized by utilizing EAP. Strict record confidentiality will be observed at all times. Employee problems causing unsatisfactory job performance will continue to be handled in a forthright manner within the established procedures under this Agreement. There is no conflict or contradiction with such procedures.

To assure consistency and cooperation the appropriate union official will, if the employee consents, become involved when necessary. It should be understood that EAP is a cooperative effort supported by the City and the Unions representing City employees.

21.6 No employee shall be required to seek the assistance of the EAP by his/her supervisor nor be penalized for refusal to voluntarily seek such assistance.

The City also offers retirement counseling to be navigated by the employee him/herself with the employee assigned to handle retirement benefits for the City of Bridgeport

It is the intent of this agreement that the City and the Union will work together to complete the job evaluation process and establish mutually agreeable job descriptions, position rankings and ratings by December 31, 2009.

38.4 The reclassification process shall also include a salary and wage study of the existing LIUNA pay plan. It is also the intent of the parties that a new pay plan shall be developed that will employ a step system similar to what is presently in place for other Civil Service bargaining units in the City of Bridgeport.

38.5 The Union and the City may agree that certain LIUNA positions may be placed in wage schedules and receive step or salary adjustments to be effective July 1, 2010. If the City and the Union fail to agree, the entire job evaluation study or parts thereof

shall be referred to a neutral mediator or arbitrator selected by the parties who shall resolve any disputes concerning job descriptions, position rankings and ratings, and wage schedules including step or salary adjustments. Parties agree that the cost of the neutral arbitrator shall be borne equally by the parties.

38.6 No current LIUNA member shall be downgraded, or suffer financial loss, as a result of the implementation of the reclassification and job evaluation of existing bargaining unit positions.

38.7 LIUNA members, who are awarded promotional LIUNA positions in the future, shall be initially placed at the step of the promotional position that represents an actual compensation increase.

CONNECTICUT PARTNERSHIP PLAN

A Great Opportunity for Very Valuable Healthcare Coverage

Welcome to the Connecticut (CT) Partnership Plan—a low-/no-deductible Point of Service (POS) plan now available to you (and your eligible dependents up to age 26) and other non-state public employees who work for municipalities, boards of education, quasi-public agencies, and public libraries.

The CT Partnership Plan is the same Expanded Access plan currently offered to State of Connecticut employees. You get the same great healthcare benefits that state employees get, including \$15 in-network office visits (average actual cost in CT: \$150), free preventive care, and \$5 or \$10 generic drug copays for your maintenance drugs. You can see any provider (e.g., doctors, hospitals, other medical facilities) you want—in- or out-of network. But, when you see in-network providers, you pay less. That's because they contract with Anthem Blue Cross and Blue Shield (Anthem)—the plan's administrator—to charge lower rates for their services. You have access to Anthem's State Bluecare POS network in Connecticut, and access to doctors and hospitals across the country through the BlueCard® program.*

When you join the CT Partnership Plan, the state's Health Enhancement Program (HEP) is included. HEP encourages you to get preventive care screenings, routine wellness visits, and chronic disease education and counseling. When you remain compliant with the specific HEP requirements on page 5, you get to keep the financial incentives of the HEP program!

Look inside for a summary of medical benefits, and or visit osc.ct.gov/ctoartner.

Prescription Drugs	Maintenance* (31-to-90-day supply)	Non-Maintenance (up to 30-day supply)	HEP Chronic Conditions
Generic (preferred/non-preferred)**	\$5/\$10	\$5/\$10	\$0
Preferred/Listed Brand Name Drugs	\$25	\$25	\$5
Non-Preferred/Non-Listed Brand Name Drugs	\$40	\$40	\$12.50
Annual Out-of-Pocket Maximum	\$4,600 Individual/\$9,200 Family		

+ Initial 30-day supply at retail pharmacy is permitted. Thereafter, 90-day supply is required—through mail-order or at a retail pharmacy participating in the State of Connecticut Maintenance Drug Network.

++ Prescriptions are filled automatically with a generic drug if one is available, unless the prescribing physician submits a Coverage Exception Request attesting that the brand name drug is medically necessary.

Preferred and Non-Preferred Brand-Name Drugs

A drug's tier placement is determined by Caremark's Pharmacy and Therapeutics Committee, which reviews tier placement each quarter. If new generics have become available, new clinical studies have been released, new brand-name drugs have become available, etc., the Pharmacy and Therapeutics Committee may change the tier placement of a drug.

If your doctor believes a non-preferred brand-name drug is medically necessary for you, they will need to complete the Coverage Exception Request form (available at www.osc.ct.gov/ctpartner) and fax it to Caremark. If approved, you will pay the preferred brand co-pay amount.

If You Choose a Brand Name When a Generic Is Available

Prescriptions will be automatically filled with a generic drug if one is available, unless your doctor completes Caremark's Coverage Exception Request form and it is approved. (It

is not enough for your doctor to note "dispense as written" on your prescription; a separate form is required.) If you request a brand-name drug over a generic alternative without obtaining a coverage exception, you will pay the generic drug co-pay PLUS the difference in cost between the brand and generic drug.

Mandatory 90-day Supply for Maintenance Medications

If you or your family member takes a maintenance medication, you are required to get your maintenance prescriptions as 90-day fills. You will be able to get your first 30-day fill of that medication at any participating pharmacy. After that your two choices are:

- Receive your medication through the Caremark mail-order pharmacy, or
- Fill your medication at a pharmacy that participates in the State's Maintenance Drug Network (see the list of participating pharmacies on www.osc.ct.gov/ctpartner) and scroll down to Pharmacy under Benefit Summaries.)

The Health Enhancement Program (HEP) is a component of the medical plan and has several important benefits. First, it helps you and your family work with your medical providers to get and stay healthy. Second, it saves you money on your healthcare. Third, it will save money for the Partnership Plan long term by focusing healthcare dollars on prevention.

Health Enhancement Program Requirements

You and your enrolled family members must get age-appropriate wellness exams, early diagnosis screenings (such as colorectal cancer screenings, Pap tests, mammograms, and vision exams). Here are the 2023 HEP Requirements:

 † NEW: colorectal screening age requirements lowered to 45 years of age for calendar year 2022 as recommended by US Task Force on Preventive Services

For those with a chronic condition: The household must meet all preventive and chronic requirements to be compliant.

To check your Health Enhancement Program compliance status, visit CareCompass.CT.gov, then sign in or register for your Quantum Health benefits portal. To view your status, click the My Health tab in your portal.

You can also download the MyQHealth app on the App Store or Google Play.

Additional Requirements for Those With Certain Conditions

If you or any enrolled family member has 1) Diabetes (Type 1 or 2), 2) asthma or COPD, 3) heart disease/heart failure, 4) hyperlipidemia (high cholesterol), or 5) hypertension (high blood pressure), you and/or that family member will be required to participate in a disease education and counseling program for that particular condition. You will receive free office visits and reduced pharmacy copays for treatments related to your condition.

These particular conditions are targeted because they account for a large part of our total healthcare costs and have been shown to respond particularly well to education and counseling programs. By participating in these programs, affected employees and family members will be given additional resources to improve their health.

If You Do Not Comply with the requirements of HEP

If you or any enrolled dependent becomes non-compliant in HEP, your premiums will be \$100 per month higher and you will have an annual \$350 per individual (\$1,400 per family) in-network medical deductible.

Quantum Health is the administrator for the Health Enhancement Program (HEP) and gives you access to your personalized health benefits portal. The HEP participant portal features tips and tools to help you manage your health and your HEP requirements. Login to your personal benefit portal at carecompass.quantum-health.com to:

3. The 25% PCS cap shall remain in effect for said members throughout their period of employment with the City, and throughout retirement for those employees who fully satisfy the eligibility requirements for health benefits coverage at the time of their retirement.
4. New members to the Union, regardless of hire date, who were hired after December 17, 2010 shall pay a PCS contribution for their health care insurance according to the following schedule:

December 18, 2010	25%
July 1, 2011	26%
July 1, 2012	27%
July 1, 2013	28%
PCS shall increase by 1% per year on July 1 st of each year, until a cap of 50% is reached.	

Said premium contribution shall be the above named amount (percentage) regardless of the coverage category: employee only, employee plus one, or employee plus family.

5. Employees covered under item 2 of this agreement who separate from City employment for more than 180 calendar days for any reason other than those mentioned in the following sentence, shall, if re-hired by the City, be treated as new employees according to the terms and conditions of item 3 above.

Exceptions to this provision are:

- a) Employees recalled from layoff from an unexpired recall list.
- b) Employees returning from any type of City approved leave of absence, and within the time frames specified in the leave: e.g., military leave, medical leave, personal leave of absence, etc.

6. This agreement covers PCS contributions for health care insurance (medical and prescription coverage) as generally provided by the City in 2011. This agreement shall not apply to new or substantially altered benefits plans not currently offered by the City, which may be instituted by the City or offered to its employees in the future.

7. This agreement shall not constitute a practice or precedent under the collective bargaining agreement between the City and the Union. The Union will not cite or otherwise utilize this agreement or any of the substantive terms, in any grievance, arbitration (either grievance or binding interest) or any proceeding except for such proceeding to enforce the terms and conditions of this agreement.

MEMORANDUM OF AGREEMENT between

[City of Bridgeport.

and

[LIUNA]

The undersigned Parties hereby agree as follows:

1. Plan Changes

Effective October 1, 2018, in lieu of the existing health plan offered to employees and retirees (hereinafter "plan participants") administered by CIGNA and Express Scripts, Inc., the Parties agree to switch plan participants to the State of Connecticut Partnership 2.0 Plan (Plan). If at any time the City determines that the cost and/or any of the Plan's components are no longer competitive, the City may terminate the Partnership 2.0 Plan and revert back to the plan design as it existed in the CBA on September 30, 2018. Further, plan participants are subject to Plan changes as the Plan may be amended from time to time.

2. Employee Contribution

- a. Employees shall contribute towards the cost of the Partnership 2.0 Plan in accordance with currently negotiated terms and conditions of the collective bargaining agreement as they pertain to employee/retiree healthcare premium cost share contributions.
- b. A component of the Partnership 2.0 Plan is the Health Enhancement Program (HEP) pursuant to which participants must comply with certain health screenings requirements and procedures, the failure to comply with which results in financial penalties including additional monthly costs. In addition to the cost-sharing referenced in (a) above, employees who are non-compliant or whose dependents are non-compliant with HEP, shall also be responsible for paying the penalties, which will be added to their PCS contribution.

3. Providers

The City of Bridgeport, in conjunction with United Healthcare, will work with Union to bring any providers currently used by members who are not part of the United Healthcare Network, into the Plan.

Said reclassification process shall employ an evaluation system identical or similar to the Position Appraisal Method (PAM)/Job Evaluation system developed by the Public Administration Service (PAS). Said PAM/PAS system utilizes a Point Rating Factor Comparison method of job evaluation. Each position within the bargaining unit is evaluated and rated using the same factors. The Union and the City may also agree to use a different job evaluation system, or they may agree to use the existing City of Bridgeport Civil Service system.

The above noted job evaluation process shall be conducted by a committee of four (4), two (2) members appointed by the City and two (2) members appointed by the Union. A fifth (5th) member shall be selected by the City and the Union and shall act as a facilitator to the committee for the purposes of conducting the job evaluation study. It is the intent of this agreement that the City and the Union will work together to complete the job evaluation process and establish mutually agreeable job descriptions, position rankings and ratings by December 31, 2009.

The reclassification process shall also include a salary and wage study of the existing LIUNA pay plan. It is also the intent of the parties that a new pay plan shall be developed that will employ a step system similar to what is presently in place for other Civil Service bargaining units in the City of Bridgeport.

The Union and the City may agree that certain LIUNA positions may be placed in wage schedules and receive step or salary adjustments to be effective July 1, 2010. If the City and the Union fail to agree, the entire job evaluation study or parts thereof shall be referred to a neutral mediator or arbitrator selected by the parties who shall resolve any disputes concerning job descriptions, position rankings and ratings, and wage schedules including step or salary adjustments. Parties agree that the cost of the neutral arbitrator shall be borne equally by the parties.

No current LIUNA member shall be downgraded, or suffer financial loss, as a result of the implementation of the reclassification and job evaluation of existing bargaining unit positions.

LIUNA members, who are awarded promotional LIUNA positions in the future, shall be initially placed at the step of the promotional position that represents an actual compensation increase.

- Effective July 1, 2009 the provisions of the collective bargaining agreement that apply to employees who retire, shall be changed to define future retirees as:

"for purposes of this contract "retirees" shall mean employees who: (a) have completed twenty-five (25) years of continuous municipal service regardless of age; and (b) are eligible to receive full pension benefits in accordance with the retirement qualification provisions of MERF Fund B"

In addition, any newly hired or promoted employees into a LIUNA bargaining unit position shall only receive the above benefits after twenty-five (25) years of service.

Any current LIUNA member, listed on the attached Appendix, who may in the future change jobs within LIUNA, shall continue to be covered under the terms of the current agreement and will not be subject to a change in PCS or years needed for retirement.

- It is the intent of this Agreement that all current LIUNA members (listed on the attached Appendix) shall be "grandfathered" under the terms of the current Collective Bargaining Agreement.

All current employees as of the date of the execution of this contract shall continue to be eligible to retire and receive the medical benefits provided by the current Collective Bargaining Agreement provided they have attained the following:

- A) Completed fifteen (15) years of municipal service and are age fifty-five (55) or who have completed twenty-five (25) years of municipal service regardless of the age; and
- B) Are eligible to receive full pension benefits in accordance with the retirement qualification provisions of MERF-Fund B.

- LIUNA members who are currently on payroll will have their PCS contribution capped at twenty-five percent (25%) contribution as of July 1, 2012. This PCS cap is guaranteed to remain intact during the individual employees employment period and entire period of retirement.
- New bargaining unit members, hired during the term of this bargaining agreement, shall start at twenty-five percent (25%) PCS contribution. There will be a one (1%) percent increase each year for the PCS contribution up to fifty-percent (50%). This shall be capped at fifty percent (50%) after twenty-five (25) years of municipal service employment. This PCS cap of fifty percent (50%) is guaranteed to remain in tact during the entire period of retirement.
- Department Heads retain sole discretion/authority for the assigning of take home vehicles.
- Effective July 1, 2010 all bargaining unit members shall be paid through the City's "direct deposit" payroll system.
- All other terms and conditions of the current Collective Bargaining Agreement shall remain unchanged.

This Tentative Agreement signed by the bargaining committees on June 8, 2009.
